# After Leaving The CEO, She Stunned The World

## Chapter 291 - Shen Feng's Grandma

*Chapter 291: Shen Feng's Grandma*

As soon as Qu Ru posted it on Weibo, it caused a heated discussion.

Not long ago, she was accusing Fu Ying of imprisoning and abusing her. Now, she was sitting in Fu Ying's car and posting selfies. What was going on with these two?

Mo Rao also saw this Weibo post.

He Di's scandal had just died down. She was mentally and physically exhausted and only wanted to be left alone. She didn't expect Fu Ying and Qu Ru to be together again.

She looked at the photo. Qu Ru was sitting in the front passenger seat. Although there was a hideous scar on her face, she was smiling very smugly, like a victor.

"Isn't my driver handsome?"

This was the caption of Qu Ru's photo.

Mo Rao originally thought that she wouldn't care anymore, but when she saw this scene, she actually felt very upset and heartbroken.

It was fine for Fu Ying to be with another woman, but why was he with Qu Ru?

Previously, he had vowed that he no longer had any feelings for Qu Ru and had already severely punished her to avenge the children and her. Now, he was acting as Qu Ru's driver.

**If you want to read more chapters, please visit [to experience faster update speed](#)**

Men were really untrustworthy.

Mo Rao suddenly understood why Fu Ying had suddenly agreed to be siblings with her not long ago. He probably gave up on winning her back and felt that Qu Ru was better, so he got back together with Qu Ru.

She smiled bitterly. She happened to want Fu Ying to stop pestering her, and now, her wish had been fulfilled.

Looking at the netizens' enthusiastic discussion, she was no longer interested. She lay on the sofa alone and fell asleep. She had a dream that she and Fu Ying were not divorced yet, and there was no Qu Ru. They had two children and the family of four lived a simple yet happy life.

When Mo Yuan returned home, he saw Mo Rao curled up on the sofa like an injured kitten, heartbreakingly fragile.

It had not been easy for things to die down in the past two days. Now, Fu Ying and Qu Ru had done this again.

However, from a selfish point of view, Mo Yuan still hoped that Fu Ying would quickly get together with Qu Ru and cut off the possibility of him being with Mo Rao.

Mo Yuan brought a small blanket over and covered Mo Rao before sitting at the side to rest.

After an unknown period of time, Mo Rao woke up. She saw Mo Yuan sitting at the side while scrolling through his phone. Seeing that she was awake, Mo Yuan immediately put down his phone and asked, "Rao Rao, you're awake? Are you hungry? Do you want to order takeout?"

This silly girl definitely had not completely moved on from Fu Ying. She must have suffered a blow this time, but she was unwilling to show it.

"I'm not hungry." Mo Rao sat up and shook her head with a pale face.

Mo Yuan sighed. "You saw the news about Fu Ying and Qu Ru?"

Mo Rao paused and nodded. So what if she saw it?

"Fu Ying is not reliable. He and Qu Ru have probably been together this entire time. Don't believe a word from him in the future, understand?" Mo Yuan was filled with dissatisfaction with Fu Ying.

Mo Rao frowned. "Brother, I know. It's impossible for me to have anything to do with him anymore. It's just that him being with Qu Ru makes me feel a little disgusted."

Qu Ru was the woman who had killed their two children. Why were they still together? Wouldn't his heart ache for those two children?

"Both of them are bastards, so they're a perfect couple," Mo Yuan replied.

Mo Rao didn't speak and just sat there quietly. Mo Yuan said, "Rao Rao, you're my only family and my sister. I definitely won't harm you. Believe me, choosing Shen Feng is the right choice."

He desperately wanted to matchmake Mo Rao and Shen Feng.

Seeing that Mo Rao didn't answer, he sighed and didn't say anything else. She could only slowly figure this out herself.

...

Ever since Fu Ying and Qu Ru were pictured together, Fu Ying hadn't looked for Mo Rao again.

Mo Rao didn't mind. She could rest in peace and work hard.

However, Shen Feng rarely looked for her during this period of time either. Moreover, every time they met, she felt that Shen Feng's expression wasn't pleasant and he would avoid eye contact with her. She didn't know what had happened.

"Rao Rao, your call." Mo Rao had just finished filming the endorsement when Mo Yuan handed her her phone.

Mo Rao glanced at the caller ID. It was an unfamiliar number.

After the call was picked up, an old woman's voice sounded. "You're Mo Rao, right?"

"Yes, I am. You are?" Mo Rao asked in confusion.

"I'm Shen Feng's grandmother. Are you free now? I want to see you," the old woman replied.

Mo Rao was shocked. Why would Shen Feng's grandmother call her?

### *Chapter 292: Provocation*

Mo Rao replied nervously, "Hello, Madam Shen. I'm still filming an advertisement and might only have time tonight. Why are you looking for me?"

"I have something to talk to you about. Let's talk in person." Old Madam Shen's tone was a little cold. Mo Rao's pleasant voice sounded gentle and polite. No wonder her grandson, son, and daughter-in-law liked her.

However, with Mo Rao's identity... she really wasn't worthy of Shen Feng.

Her family background was working class to begin with. Later on, she was adopted by the Fu family because she saved the Old Madam of the Fu family. After she married Fu Ying, she went from rags to riches.

But now that she had already divorced Fu Ying and was an actress, she naturally wasn't worthy of Shen Feng.

Now, Shen Feng had been blinded by Mo Rao and only wanted this woman. Old Madam Shen couldn't stand it anymore. She couldn't accept a woman like Mo Rao marrying into the Shen family. That would make the Shen family a joke!

"Alright, why don't we do it tomorrow? I have time tomorrow morning. You can set a specific time and place," Mo Rao replied politely.

**If you want to read more chapters, please visit to experience faster update speed**

No matter what, she was Shen Feng's grandmother. She had to respect her.

Old Madam Shen gave a time and place before hanging up coldly. Mo Rao frowned. She could feel that Old Madam Shen didn't like her.

What did she want to talk about? Mo Rao stared at the phone interface. She had an intuition that it was because of Shen Feng.

"What's wrong?" Mo Yuan asked worriedly when he saw Mo Rao's expression.

"It's okay, Brother. Let's go back." Mo Rao put away her thoughts and smiled at Mo Yuan. No matter what happened now, it couldn't shake her. Her psychological endurance was no longer as fragile as before.

Mo Yuan nodded and the two of them went home.

These days, Qu Ru seemed to have gone crazy. She kept posting photos of her and Fu Ying on Weibo. Some photos were of them dining together, in a car together, playing golf together, and participating in cocktail parties. It was as if she had already become Fu Ying's wife.

Now, many people felt that Fu Ying had gotten back together with Qu Ru. There were also some busybodies who commented under Mo Rao's account to ask about the three of them.

Mo Rao pretended not to see the photos. She tried her best to ignore the news about Qu Ru.

...

"Cheese!"

In the hot spring, Qu Ru smiled brightly despite the terrifying scar on her face. She aimed her phone at her and Fu Ying's faces and took another photo.

Fu Ying looked at her coldly. There was obvious anger in his eyes, but he held it in.

“What’s wrong? You’re unwilling?” Qu Ru smirked. She had been extremely happy these past few days. Seeing Fu Ying put up with her for the video, she felt even more pleased.

However, when she thought about how Fu Ying was so tolerant because of Mo Rao, that joy turned into deep jealousy.

It was okay. Her main goal now was to completely destroy the relationship between Fu Ying and Mo Rao.

She didn’t believe that Mo Rao could still accept Fu Ying after this period of time.

“Qu Ru, are you done playing?” Fu Ying couldn’t take it anymore. He had already sent someone to investigate the video in Qu Ru’s hand, but this woman was very scheming. She had hidden the backups of the video in different places. For a moment, he couldn’t find them all.

“No!” Qu Ru shook her head. She definitely hadn’t had enough fun yet.

During this period of time, not only were many netizens envious of the “romance” between her and Fu Ying, but even the Qu family was more polite to her. They didn’t expect Fu Ying to get back together with her again.

With Fu Ying as her backer, Qu Ru felt extremely smug.

“It’s been half a month already. There’s still a month and a half to go. If you go back on your word at that time, I’ll make you wish you were dead.” Fu Ying’s gaze was terrifyingly cold. He had accompanied Qu Ru to do a bunch of things that couples did. He wondered if Mo Rao had seen it. She would definitely misunderstand.

“It’s still early. Don’t be anxious.” Qu Ru posted the photo she had just taken and even specifically tagged Mo Rao to take a look. The provocation was very obvious. The netizens were excited and waited for Mo Rao’s response.

Mo Rao’s phone chimed. After she took a look, her expression turned ugly, and her clear eyes were filled with disdain. Qu Ru was really disgusting. Since she had already reconciled with Fu Ying, why did she have to show off?

She ignored Qu Ru’s provocation and continued to draw. She immersed herself in drawing in order to find some peace.

*Chapter 293: Leave Him*

“Rao Rao.”

At this moment, Mo Yuan knocked on the door. He was here to talk to Mo Rao about participating in a variety show.

He had accepted a wilderness survival variety show role for Mo Rao. The recording would start in two days. Because the difficulty was a little high, he wanted to come in advance to remind Mo Rao that there were some things she had to pay attention to.

“Brother.” Mo Rao put down her brush and sat there looking at Mo Rao. She was wearing a white dress and her hair was black and smooth. She looked extremely gentle and innocent.

After Mo Yuan walked in and sat down, he glanced at Mo Rao’s landscape paintings and couldn’t help but praise, “Your painting skills are getting better and better. If you quite being an actress, you can sell these paintings for a good price.”

**If you want to read more chapters, please visit [to experience faster update speed](#)**

“Brother, I’m not a famous painter. Why would people buy them?” Mo Rao was a little embarrassed. Painting was just a hobby.

“You just don’t want to sell them. Don’t be so humble.” Mo Yuan was very confident in his sister. She was a cute, beautiful, and talented woman. “The recording of ‘Wild Beginner Camp’ will begin in two days. Are you ready?”

Mo Rao smiled. “I’m mentally prepared. As for the rest, I can’t bring anything, so I don’t need to prepare.”

“If you think wilderness survival is too difficult, I can communicate with the production team.” Mo Yuan was a little worried that his sister couldn’t take it.

“Brother, I don’t want special privileges. That would ruin the meaning of participating in this show. It’s okay. Don’t worry. If I can’t hold on anymore, I’ll tell you or the director. I won’t force myself,” Mo Rao said seriously.

As he gazed at those dark and sparkling eyes, Mo Yuan’s heart softened. “Alright, whatever you say. By the way, I found a new manager and assistant for you. They will come over tomorrow. Meet them personally and tell them your requests. At the same time, see if you like them.”

“Alright.” Mo Rao nodded.

Mo Yuan didn't continue to disturb her. Instead, he left the studio. Mo Rao glanced at the time. It was already very late. She stood up and stretched before walking to the window to look at the scenery. She was thinking about her meeting with Old Madam Shen tomorrow morning.

She didn't tell Shen Feng or Mo Yuan about this.

No matter what it was, she had a clear conscience. There wasn't thing to be nervous about.

...

The next morning, Mo Rao arrived at the agreed location. Since an elder had asked her out, she should arrive early and not let the elder wait for her.

After Mo Rao waited for a while, Old Madam Shen appeared. She was different from Old Madam Fu. She looked stricter and meaner. Moreover, her eyes looked very shrewd and reflected a cold gleam as she scanned Mo Rao. She was sizing Mo Rao up, and she didn't very satisfied with her.

Old Madam Shen sat down opposite Mo Rao. She had to admit that Mo Rao was indeed quite beautiful. Moreover, she was different from other women and had a very innocent aura. However, this was something that could be feigned. Wasn't Mo Rao an actress? She had even won a Best Actress Award. Her acting skills must be very good.

Shen Feng was probably attracted by Mo Rao's innocent persona. After Old Madam Shen sat down, she went straight to the point. "Mo Rao, leave Shen Feng."

Mo Rao was stunned. When did she cling to Shen Feng?

"I know you don't lack money now, so I won't say anything about using money to send you away. However, you and Shen Feng aren't compatible. You're Fu Ying's ex-wife and Shen Feng's former sister-in-law. Shen Feng hasn't even had a girlfriend all these years. You should know very well that you're not worthy of him." Old Madam Shen's voice was very sharp, and she didn't show Mo Rao any respect.

Mo Rao's face turned pale. Actually, she had wanted to make things clear to Shen Feng during this period of time. Without Fu Ying's interference, they didn't have to pretend to be a couple anymore. However, every time, Shen Feng deliberately changed the topic and didn't let her say it.

In the end, in Old Madam Shen's eyes, she was a woman who pestered Shen Feng?

Mo Rao was angry and amused. She looked into Old Madam Shen's eyes calmly as she said, "Grandma Shen, we've never met before. How do you know that I'm the one pestering Brother Shen Feng?"

“Could it be that Shen Feng is the one pestering you? There are so many women who like him, and they have never been married before. What charm do you have to make him fall head over heels for you?” Old Madam Shen questioned Mo Rao sternly.

*Chapter 294: Made Up Her Mind*

Mo Rao originally wanted to show some respect to elders. Even if there was anything wrong, as a junior, she should endure it.

However, Old Madam Shen didn't act like an elder at all. Her words revealed her disdain for her. When had Mo Rao ever been despised so much?

“Madam Shen!” Mo Rao stood up and looked at Old Madam Shen in a neither servile nor overbearing manner. Her voice was very cold. “I think you've misunderstood something. I'm not pestering Shen Feng. If you think I'm unworthy of him, go tell him directly. You don't have to tell me.”

Seeing that Mo Rao's attitude was actually so arrogant, Old Madam Shen disliked her even more. She felt that Mo Rao was acting so arrogant because she had exposed her true colors.

“How can I not tell you? Shen Feng is now bewitched by you. You have to take the initiative to leave him and make him give up,” Old Madam Shen said unhappily. “Do you know? Because of you, he and Fu Ying have fallen out very badly. Both of them are going against each other in business and have both suffered losses. This is all your fault.”

“Alright, I'll stay away from him.” Mo Rao agreed without thinking. With Old Madam Shen's interference, she had an excuse to end things with Shen Feng and make Mo Yuan give up on matchmaking the two of them.

**If you want to read more chapters, please visit [to experience faster update speed](#)**

Seeing Mo Rao agree so readily, Old Madam Shen was stunned for a moment. After watching Mo Rao leave, she thought to herself, Did this little vixen really agree to her or was she just brushing her off?

No matter what, she had to think of a way to break up Mo Rao and Shen Feng. Otherwise, it would be her family's misfortune.

Ever since she returned from Old Madam Shen's place, Mo Rao was in a bad mood. She had never thought of being with Shen Feng, let alone pestering him.

However, she felt very uncomfortable being insulted by Old Madam Shen.

Mo Yuan didn't go out and was waiting for Mo Rao to return. His manager and assistant would be coming over later.

"What's wrong? You look unhappy!" Mo Yuan asked curiously.

After Mo Rao sat down on the sofa, she picked up a pillow and rested her chin on it. She frowned as she said, "Brother, it's impossible between Shen Feng and me. Don't matchmake me with him in the future."

Mo Yuan was shocked. Why did she suddenly mention this?

In the past, although Mo Rao was unwilling, her tone had never been this cold. It was as if she had been provoked.

"What's wrong? What happened?" Mo Yuan asked worriedly.

"It's nothing. It's just that I don't have any romantic feelings for him. Now that Fu Ying is with Qu Ru again, he probably won't harass me anymore. I want to clarify my relationship with Shen Feng to the outside world," Mo Rao said calmly.

"Why aren't you willing to give him more time? Rao Rao, there won't be such an opportunity after the ship has sailed." Mo Yuan was a little anxious. He couldn't bear to let his sister miss out on such a good man.

Mo Rao shook her head. "Brother, some things can't be forced."

Shen Feng was very kind, but Old Madam Shen wasn't to be trifled with. She had heard from Mo Wan in the past that Old Madam Shen didn't agree to Shen Ting marrying Mo Yun back then because Mo Yun's family background was beneath theirs.

Shen Ting had vouched for her for a long time before succeeding, but all these years, Old Madam Shen had never been nice to Mo Yun and they lived separately.

"Rao Rao!" Mo Yuan still wanted to vouch for Shen Feng. At this moment, the doorbell rang. It was Mo Rao's new manager and assistant. He could only end this topic and open the door.

The manager Mo Yuan found for Mo Rao was a top manager in the country. Even Mo Rao's assistant was a senior assistant that had worked for some A-list celebrities.

Her manager was called Chen Zheng, and her assistant was called Li Li.

The two of them were older than Mo Rao and had nice personalities. After greeting Mo Rao, the few of them sat down and started chatting. Mo Rao also put aside her worries and familiarized herself with Chen Zheng and Li Li.

Chen Zheng and Lili would be in charge of Mo Rao's work affairs, while Mo Yuan's focus would be on the newly established company. Undoubtedly, Mo Rao was the most important artist in the company.

After getting to know each other briefly, they left their contact details, then Mo Rao sent them off.

"Rao Rao, I still have to talk to you about Shen Feng." As soon as Chen Zheng and the others left, Mo Yuan immediately continued the topic of Shen Feng with Mo Rao. It was obvious that he really wanted Shen Feng to be his brother-in-law.

Old Madam Shen's disdainful expression appeared in Mo Rao's mind again. She immediately interrupted her brother, "Brother, there's no need to say anything else. I've already made up my mind. It's impossible to change it."

#### *Chapter 295: Momo's Birthday*

Mo Yuan wanted to say something else, but Mo Rao didn't want to listen anymore. She felt very tired, so she went upstairs to rest.

"Sigh." Mo Yuan sighed deeply. He had a feeling that Mo Rao was really determined to draw a line with Shen Feng this time. It was impossible for the two of them to be together again.

But why did she suddenly mention this today? Mo Yuan suspected that Mo Rao had been provoked.

...

There was still a day before the recording of the variety show. Mo Rao had been resting at home. She didn't want to participate in any gatherings. She only wanted to draw quietly or sleep.

Mo Yuan had been very busy for the past two days. He had handed Mo Rao's affairs over to Chen Zheng and the others to manage, so he wasn't at home much.

Mo Rao's phone rang abruptly, startling Mo Rao, who was engrossed in painting. She patted her chest and picked up her phone to see that it was Zhang Zhe. The two of them hadn't seen each other since Mo Rao returned to the country.

"Rao Rao, are you free today?" Zhang Zhe asked after exchanging pleasantries with Mo Rao.

**If you want to read more chapters, please visit [to experience faster update speed](#)**

“Yes, why?” Mo Rao asked.

“Momo misses you. Momo saw you on television and insisted on seeing you. Although this child’s situation is much better now, he’s still unwilling to take the initiative to interact with others. He just talks about you every day.” Zhang Zhe sighed helplessly.

It wasn’t that he didn’t want to contact Mo Rao, but Mo Rao’s identity was different now. He was afraid that he would disturb her.

Since it was Momo’s birthday, he would treat it as fulfilling the child’s wish and try to ask Mo Rao for help.

Mo Rao agreed readily. “Alright, I’ll be right there!”

After hanging up, Mo Rao immediately changed her clothes and went out to drive. She still remembered the Zhang family’s home address.

She still remembered the scene of her and Fu Ying eating together at the Zhang family’s house. It seemed to have happened yesterday, but in fact, it had been a long time ago. Things had changed. Now, Fu Ying and Qu Ru had probably fallen back in love.

Mo Rao carried the cake she had bought and pressed the doorbell.

The door opened. When Aunt Zhang saw Mo Rao, she was pleasantly surprised. “Rao Rao, you’re here!”

“Auntie Zhang, long time no see. How are you?” Mo Rao asked gently.

“I’m doing fine. Come in and sit. Momo, come out and see who’s here!” Auntie Zhang quickly invited Mo Rao in and shouted upstairs.

Soon, a small child rushed down. It was Momo. He was taller than before, but he was still an adorable child.

“Sister Rao Rao!!” When he saw Mo Rao, Momo immediately ran over happily and threw himself into her arms.

He liked Mo Rao very much. In front of Mo Rao, he was always in his best state.

Zhang Zhe also followed him out. When he saw this scene, he felt very grateful to Mo Rao.

“Brother Zhang.” Mo Rao greeted Zhang Zhe.

"It's good enough that you're here. Why did you spend so much money to buy cake?" Zhang Zhe was embarrassed when he saw the exquisite cake on the table.

"It's the child's birthday. We have to eat cake to celebrate!" Mo Rao sat on the sofa with Momo in her arms and said to him, "Momo, happy birthday!"

Momo smiled so happily that his face flushed. He nodded as he said, "Thank you, Sister."

But in the next second, Momo looked at the door again. "Uncle Fu isn't here?"

Hearing Momo mention Fu Ying, Zhang Zhe quickly went over and covered his mouth. "Children shouldn't talk so much. Don't you want to eat cake? Cut it up and eat it now!"

Everyone knew about Fu Ying and Qu Ru's news, and Zhang Zhe had naturally seen it as well. He felt that something was amiss. Fu Ying had been so crazy about finding Mo Rao back then. How could he be with Qu Ru now?

Something must have happened, but he didn't know the details.

Mo Rao knew that Zhang Zhe was afraid that Momo's words would remind her of her sad past, but she had already thought it through. "Brother Zhang, it's okay. Fu Ying is not a taboo topic to me. You should have seen it already. He's with Qu Ru now. It's fine. The two of them should have been together from the beginning."

Although she said that, Mo Rao was clearly very dejected. Zhang Zhe felt rueful. Why was their relationship so bumpy?

"Qu Ru has been posting everything on Weibo, but Fu Ying has never replied. I think there must be a misunderstanding." Zhang Zhe still spoke up for Fu Ying. He had seen Fu Ying go crazy for Mo Rao, so he couldn't bear to see Mo Rao misunderstand.

*Chapter 296: What a Coincidence*

Mo Rao smiled. There was no difference. The netizens had been spreading rumors so widely, but had Fu Ying come out to explain himself?

But why did she care about this? Mo Rao felt that she still wasn't decisive enough.

"Brother Zhang, you don't have to speak up for him anymore. Our relationship has already ended. Moreover, he took the initiative to look for me and said that he would be my brother in the future." Mo Rao's voice was still clear and pleasant, but compared to before, she sounded a little lonesome.

Because of Qu Ru, she and Fu Ying parted ways. She should have accepted this outcome long ago.

Zhang Zhe was silent for a moment before saying, "Rao Rao, actually, the only person Fu Ying loves is you. In the two years you disappeared, he came to find me almost every day to search for clues about your whereabouts."

Mo Rao nodded. "I know, but this is only because he feels guilty towards me, not because he really loves me."

Shen Feng had told her before that Fu Ying had been looking for her.

"This..." Zhang Zhe didn't know how to comfort her. Emotional matters were the hardest to explain.

**If you want to read more chapters, please visit [to experience faster update speed](#)**

"Alright, let's not talk about this anymore. Momo, let's cut the cake and eat it!" Mo Rao changed the topic. She didn't want to mention Fu Ying again, since she didn't want to feel sad anymore.

Zhang Zhe nodded. "Alright, let's not talk about this anymore. Let's eat the cake."

Momo was very happy. Looking at the castle-shaped cake, his eyes were filled with innocence and joy. Zhang Zhe lit a birthday candle for him, while Mo Rao clapped her hands as she sang a birthday song for him. The atmosphere was very harmonious, but it would have been even better if Uncle Fu was here.

Momo didn't like Fu Ying at first. Later on, when Fu Ying started to come to his house often to visit him and play with him, he gradually felt that this man was quite nice.

However, for some reason, Uncle Fu wasn't with Sister Rao Rao.

Children didn't understand these things and only felt that it was a pity.

After making his wish, Momo silently blew out the candle and was about to cut the cake when the doorbell rang again.

Momo immediately jumped up and ran to open the door. As expected, Fu Ying, who was wearing a white shirt, was standing outside. He hadn't even put on his tie and two to three buttons had been undone. One could vaguely see his very beautiful collarbone.

Fu Ying was also holding a cake in his hand. He had specifically come to celebrate Momo's birthday. The moment Momo opened the door, Fu Ying saw Mo Rao in the living room.

She was there too?

During this period of time, because of Qu Ru's request, Fu Ying hadn't contacted Mo Rao. At the same time, he was afraid of seeing Mo Rao's hatred and disdain for him.

After all, he couldn't explain all of this to Mo Rao now.

"Dad, Sister Rao Rao, look, Uncle Fu is here!" Momo was extremely happy as he held Fu Ying's hand and walked into the living room.

Mo Rao's expression changed. She retracted her gaze and stopped looking at Fu Ying.

Zhang Zhe went forward to take the cake and smiled awkwardly. "President Fu, why are you here? You actually remembered Momo's birthday. Thank you so much."

Why did the two of them bump into each other again? Zhang Zhe felt like a third wheel.

"I remembered that it's Momo's birthday today, so I came." Fu Ying sat down on the sofa beside Mo Rao.

Mo Rao immediately stood up and bid farewell to Zhang Zhe and the others. "Brother Zhang, Momo, I still have something to do and will go back first. I'll visit you guys next time."

With that, she prepared to leave.

However, Momo was unwilling and quickly went over to grab her. "Sister Rao Rao, don't leave!"

It wasn't easy for Mo Rao to come. How could Momo be willing to let Mo Rao leave so quickly? He pulled Mo Rao's hand and sat on the sofa. "Play with me for a while longer. I haven't seen you in a long time. Boohoo..."

In the past two years, he had learned to wheedle.

Fu Ying gazed at Mo Rao deeply, his eyes filled with complicated emotions. He wanted to hug Mo Rao tightly and tell her that he had been acting with Qu Ru these few days, but when he thought of Qu Ru's threat, he endured it.

No matter what it was, if Qu Ru targeted him, he could accept it. However, if Qu Ru targeted Mo Rao and caused her great harm, he wouldn't be able to accept it. He had to ensure her safety.

"I'll come next time." Mo Rao coaxed Momo.

“No. I want you to accompany me here today. It’s my birthday...” Momo felt sad. He was autistic to begin with and was only happy when he saw Mo Rao and Fu Ying. As he spoke, tears fell.

Seeing Momo cry, Mo Rao panicked and quickly coaxed, “Alright, I’ll play with you for a while longer. Don’t cry.”

*Chapter 297: What Does He Want?*

Hearing Mo Rao say this, Momo stopped crying. He threw himself into Mo Rao’s arms reluctantly.

His father told him that Mo Rao was a celebrity now and was very busy. She didn’t have time to visit him often, so he could only secretly long for her.

“I might as well eat at home before leaving. It’s already noon.” Zhang Zhe broke the awkwardness.

“Okay.” Fu Ying agreed without thinking. He really wanted to spend more time with Mo Rao, but Mo Rao didn’t want to see him.

Mo Rao pursed her lips and didn’t speak. If she rejected him again, Momo would probably continue to cry.

So be it. Weren’t they siblings? Fu Ying had already let go. Why couldn’t she let go as well? How embarrassing!

“Okay!” Mo Rao replied loudly.

Zhang Zhe heaved a sigh of relief and quickly asked his mother to make lunch. Auntie Zhang was naturally very happy, but she needed Zhang Zhe’s help. The mother and son went to the kitchen, leaving only Mo Rao, Fu Ying, and Momo in the living room.

**If you want to read more chapters, please visit to experience faster update speed**

Momo ate the cake silently and looked at Mo Rao and Fu Ying from time to time.

Mo Rao also quietly cut a piece of cake and ate it with Momo. She didn’t speak to Fu Ying and only accompanied the child.

“I heard that you’re going to participate in ‘Wild Beginner Camp?’” Fu Ying broke the tense atmosphere first.

“Yes, the recording will start the day after tomorrow.” Mo Rao didn’t look at Fu Ying and only looked down at the cake.

“This program is very tiring to film. Can you handle it?” Fu Ying asked with a frown. Why did Mo Yuan take on such a variety show gig for her?

Mo Rao said calmly, “I can handle it. Don’t worry, this variety show is very popular. It can increase my fame.”

That was true. Fu Ying stared at her gorgeous side profile. She was like an elegant white orchid, beautiful and fragile, making one want to protect her.

Fu Ying tried to find topics to discuss, while Mo Rao answered whatever he asked, but she didn’t say much. Their relationship was as distant as that of casual acquaintances.

After a while, Zhang Zhe came out and called for the two of them to eat. The dining table was filled with sumptuous food. Mo Rao immediately stood up to help scoop the rice. Seeing this, Fu Ying followed behind her to help.

When Zhang Zhe saw the awkward interaction between the two of them, he sighed. When it was time to eat, Mo Rao specifically chose the seat furthest away from Fu Ying and sat opposite him.

“Come, eat.” Auntie Zhang enthusiastically picked up some food for Mo Rao.

“Thank you, Auntie Zhang. You’re welcome. I’ll scoop food for myself.” Mo Rao quickly thanked her.

Auntie Zhang nodded with a smile and then picked up some food for Fu Ying. Fu Ying thanked her, then ate in silence.

Zhang Zhe found some topics to cheer things up, but Mo Rao and Fu Ying ignored each other. Mo Rao wouldn’t answer questions Fu Ying answered.

The atmosphere was extremely awkward during the meal. Halfway through, Fu Ying’s phone rang. He looked at the caller ID and saw that it was Qu Ru. His expression immediately turned ugly.

However, he had no choice but to answer it. He stood up and went to the balcony to answer the call.

Seeing his deliberate avoidance, Mo Rao guessed that the person who called was Qu Ru.

“Brother Zhang, Auntie Zhang, I’m full. I’ll go back first. I’ll come visit Momo next time.” Mo Rao stood up. She didn’t want to stay with Fu Ying for another moment.

Zhang Zhe couldn't force her to stay and could only nod. Momo seemed to understand something and stopped crying. He waved at Mo Rao obediently. "Goodbye, Sister Rao Rao."

Mo Rao touched Momo's head and left alone.

When Fu Ying returned to the dining table after the call, Mo Rao was already gone. Zhang Zhe told him that Mo Rao had something on and left first.

"Happy birthday Momo. I'll be leaving now. I'll visit you next time." Fu Ying's mind was on Mo Rao and he immediately chased after her.

However, Mo Rao's car was no longer outside. Fu Ying got into the car and chased after her as quickly as possible.

Finally, he saw Mo Rao's car in front of him, waiting for the traffic light at the intersection. He followed closely and honked twice.

When Mo Rao saw Fu Ying's car in the rearview mirror, she frowned. Why was this man following her?

At this moment, the light turned green. Mo Rao immediately sped up and left, with Fu Ying following closely behind.

When they were about to reach home, Mo Rao stopped and called Fu Ying. "Fu Ying, what do you want?!"

If not for her current identity, she really wanted to get out of the car and question him.

*Chapter 298: Leave Her Alone*

"Rao Rao, you still care about me, right?" As Fu Ying looked at the car in front of him, there was a hint of joy in his heart.

Mo Rao had previously agreed to be siblings with him, but now that there was a scandal between him and Qu Ru, Mo Rao's attitude worsened. She didn't even want to talk to him anymore. This meant that she was jealous.

"Fu Ying, you're too narcissistic. I just saw that you and Qu Ru were together and didn't want to be sandwiched in the middle, so I stayed away from you. I'm not jealous, okay?"

Mo Rao felt very angry. Despite what Qu Ru had done, Fu Ying still chose to be with her.

What did this mean? It meant that it was true love.

She hung up directly, then accelerated the car to the front of the house and opened the door to go home as quickly as possible.

“Bang!”

The door slammed shut in front of Fu Ying.

**If you want to read more chapters, please visit [to experience faster update speed](#)**

“Rao Rao, can you open the door?” Fu Ying’s voice sounded outside. He sounded very helpless.

“Don’t pester me in the future!” Mo Rao said loudly.

“Open the door. Let’s talk in person.” When Fu Ying heard that Mo Rao’s voice was a little choked up, he panicked and knocked on the door hard.

However, Mo Rao didn’t open the door. She had already gone up to the second floor and locked herself in her room to be alone.

At that moment, a voice came from behind. “What are you doing here?”

Fu Ying turned around. It was Mo Yuan.

Mo Yuan’s expression was very unpleasant. When he saw Fu Ying, he walked in front of Fu Ying and questioned coldly, “Are you pestering my sister again?”

“What are you trying to say?” Fu Ying’s expression didn’t look any better. He had been in a bad mood these days since he had to deal with Qu Ru’s various requests every day.

“I want to say that you shouldn’t be so shameless, okay?” Mo Yuan said bluntly. “Didn’t you say before that you wanted to be siblings with Rao Rao? You can’t keep up the act anymore? Didn’t you reconcile with Qu Ru? Why are you disturbing Rao Rao again? Fu Ying, if you’re a man, you have to let go and live your life with that b\*tch. Don’t disturb Rao Rao again, okay?”

These words made Fu Ying even angrier. He had nothing to do with Qu Ru!

He had no choice but to do all this for Mo Rao’s sake, but other than Gu Hai, no one else understood him. As long as he found something on Qu Ru, the truth would be revealed.

"I'm not with Qu Ru." Fu Ying suppressed his anger in the end. Mo Yuan was Mo Rao's brother and didn't know the truth, so he couldn't blame Mo Yuan.

"You two ate together, soaked in the hot spring together, attended cocktail parties together, she sat in your front passenger seat, and was photographed with you. Yet you say that you two aren't together? Could it be that you're bankrupt and working as a servant for Qu Ru now?" Mo Yuan had always been sharp-tongued and didn't show any mercy to Fu Ying.

Fu Ying stared at him gloomily. "I'll say it again. I'm not with Qu Ru!"

Mo Yuan pushed Fu Ying away. "I don't care. Anyway, don't harass my sister again!"

With that, he opened the door and entered before locking it again. Fu Ying was so angry that his face turned livid. All of this was Qu Ru's fault. He was about to successfully get close to Mo Rao and let her put down the barrier in her heart to build a healthy relationship with him again, but now, it was all ruined.

At this moment, he really wanted to kill Qu Ru.

Mo Yuan looked through the peephole and when he saw Fu Ying leave, he quickly went to the second floor. Mo Rao's bedroom door was locked, so she must be inside. "Rao Rao, what's wrong? Open the door and tell me."

"Brother, I want to sleep for a while." Mo Rao's sobbing voice came from inside.

"Rao Rao..." Mo Yuan's heart ached, but he was afraid that if he forced himself in, it would make things even more difficult for Mo Rao, so he shook his head and left.

He would let her be alone.

Mo Rao wasn't crying over Fu Ying and Qu Ru being together, nor did she feel that she had lost. Instead, she hated herself for her incompetence. Why did she still care about Fu Ying at this time?

She had experienced so much in the past two years. Did she not learn at all?

Mo Rao couldn't accept herself acting like this and couldn't face the feelings she still had for Fu Ying, so she couldn't help but cry.

Fu Ying had done so many outrageous things to her. What was there to miss about him? Mo Rao's eyes were filled with tears as those two unborn children appeared in her mind. The hatred and regret in her heart made her feel suffocated.

If the children knew that she was so spineless, they definitely wouldn't like her.

*Chapter 299: I Won't Give Up*

After Fu Ying left Mo Rao's place, he returned to the Fu family's old residence.

At this moment, Mo Wan, Fu Lin, and Old Madam Fu were sitting in the living room and chatting. The conversation was about Fu Ying and Qu Ru.

"This bastard, could it be that he really got together with that vixen again?" Mo Wan expected better from him. How did she give birth to such a foolish son?

"What's wrong with Fu Ying recently? He's really disappointed me!" Fu Lin shook his head.

Old Madam Fu looked at Fu Ying, who had just walked in, with a serious expression as she called out, "Fu Ying, stop right there and sit down!"

Fu Ying frowned. One look at his grandmother and parents and he knew that nothing good was awaiting him.

He was in a bad mood, but he didn't want to lose his temper at his elders, so he sat down.

**If you want to read more chapters, please visit [to experience faster update speed](#)**

Old Madam Fu went straight to the point and asked, "Tell me, are you with Qu Ru again?"

"No," Fu Ying replied instantly.

"No? Then what's with the news?" Mo Wan spoke angrily as she glared at Fu Ying. "You guys have been together every day. Qu Ru has already posted it on Weibo. Do you think we're blind?"

Fu Ying finally understood why Qu Ru only asked for some small requests. They were all small requests, but if she posted them, everyone would misunderstand that they were together.

Not only Mo Rao and Mo Yuan, but even his parents didn't believe him.

Fu Ying said coldly, "If I say we're not together, then we're not together. It's up to you guys to believe me or not."

With that, he stood up and left.

“Stop pestering Mo Rao!” Old Madam Fu said angrily. “I don’t care if you and Qu Ru are together or not. Stop pestering Rao Rao. She deserves a better person.”

Even if Fu Ying wasn’t with Qu Ru, the fact that he could dine with and soak in the hot spring with a woman who had killed his children proved that he was heartless!

How could such a person be worthy of Mo Rao?

When he heard Old Madam Fu’s words, Fu Ying’s expression changed. He replied very firmly, “Impossible!”

After this matter was over, the first thing he had to do was continue to pursue Mo Rao.

“Fu Ying, how can you have the cheek to continue harassing Rao Rao?” Mo Wan was completely disappointed in her son. “So many men like her. Her pursuers might not be as rich as you, but they’re much better than you in other aspects, especially moral character. Why would Rao Rao choose you again? Aren’t you too confident?”

Fu Ying pursed his lips and didn’t speak. His fists were clenched tightly.

Fu Lin sighed. “Fu Ying, once some things happen, there’s no room for regret. When Rao Rao came back, you didn’t win her heart back. Instead, you hurt her. If you really love her, let her go.”

No one supported him in continuing to pursue Mo Rao because he kept hurting that woman.

Take the rumors of him being with Qu Ru for example. If they really were not together, why didn’t he publicly clarify things? Mo Rao must have seen it too. Even if she still had a little anticipation for Fu Ying, the scandal definitely would have made it all disappear.

Fu Ying was screwing himself over.

The other members of the Fu family couldn’t stand it anymore. Although they had always wanted Mo Rao to return to the Fu family as a daughter-in-law, they couldn’t watch their son continue to hurt her.

“I know what to do. You guys don’t have to interfere,” Fu Ying’s expression was stiff as he said.

“We’re not interfering. Look at what you’re doing. Why don’t you clarify your relationship with Qu Ru immediately?!” Mo Wan said angrily.

Fu Ying took a deep breath. “No, it’s not time yet.”

Mo Wan was enraged. "Do you actually need to choose a good day to clarify your relationship with that vixen? What do you mean it's not time yet? Do you want to wait until Mo Rao treats you as her enemy in the future?"

"Mom, I have my own way of dealing with things. You just need to know that Qu Ru and I aren't together. The woman I love the most is Mo Rao. Moreover, I won't give up on her. After this matter is over, I will personally go find her and ask her to punish me or vent her anger," Fu Ying said calmly to Mo Wan.

Mo Wan didn't know what was going on between Fu Ying and Qu Ru, but she felt that it wasn't a good thing. Anyone who was involved with Qu Ru would end up suffering.

She wanted to say something else, but Fu Ying had already gone upstairs without looking back. His family's objections made his heart ache. He didn't want to hear any more from them.

### *Chapter 300: The Program Begins*

"This child is so disobedient" Old Madam Fu shook her head helplessly.

Mo Wan was furious. Who did Fu Ying take after? He was annoyingly stubborn!

However, they also knew that just a few words of advice were useless to Fu Ying. He had a very stubborn obsession with Mo Rao. If he was willing to give up so easily, he wouldn't have gone crazy looking for her for the past two years.

Fu Lin sighed. "Let him be. We can't dissuade him now, but he'll regret it in the future."

If this continued, Mo Rao would definitely keep a distance from him.

...

"Wilderness Beginner Camp" officially began recording via live broadcast.

**If you want to read more chapters, please visit [to experience faster update speed](#)**

Mo Rao was the first to arrive at the production team. Because it was a wilderness survival program, the location was quite remote and was chosen at the foot of the mountain.

Other than Mo Rao, there were five other people. They were considered famous veterans in the entertainment industry.

As soon as she arrived at the production team, Mo Rao's phone and luggage were all taken. Other than what the production team gave her, she couldn't bring anything else, unless there were special circumstances.

Mo Rao sat on a small chair and waited for the others to arrive.

Recently, her fame had increased greatly. Although some of the rumors were bad, many viewers were watching the live broadcast because of her.

"Wilderness Beginner Camp" was a live-stream variety show after all, so it could expose the true character and EQ of these celebrities.

Mo Rao was wearing a dark green short-sleeved shirt and pants. Her hair was tied into a high ponytail, revealing her vivacious and beautiful facial features. She was wearing a pair of sneakers that looked very simple and neat. It was very suitable for survival in the wilderness.

At this time, a sports celebrity got out of the van. He had just retired some time ago and had won a lot of glory for the country. With his handsome appearance, he was also very popular in the entertainment industry.

"Hello, Brother Qi!" When Mo Rao saw who it was, she immediately stood up and greeted politely, "I'm Mo Rao."

Qi Tuo was already 32 years old and was much older than Mo Rao. His personality was cheerful and enthusiastic. Seeing Mo Rao greet him so politely and that she was a very beautiful young lady, he immediately replied, "Hello, Mo Rao. I'm very happy to participate in 'Wilderness Beginner Camp' with you."

"I'm also very honored to see you in person. I've seen the live broadcast of your competition previously. Being able to represent the country to participate in the competition and obtain a ranking is very glorious!" Mo Rao felt this from the bottom of her heart.

Qi Tuo was very satisfied. It wasn't that he liked to be flattered, but when Mo Rao said these words, she looked at him sincerely without any traces of sycophantic acting.

He smiled and nodded. "I think so too. Being able to enter the national team and go to various competitions is the most exciting and proudest moment of my life!"

As the two of them chatted, the comments were all praising Mo Rao's EQ. She was very eloquent and down-to-earth.

At this moment, another car arrived and two young men got out. They were singers of a pop band. Their newly released song had already occupied the first place on the songs chart for three consecutive weeks.

This band was called “Hai Shen” and was a combination of their names. One was called Tao Hai, and the other was called Song Shen. They were about the same age as Mo Rao.

The two of them greeted Mo Rao and Qi Tuo the moment they arrived. Tao Hai was more cheerful, while Song Shen was more introverted, but he was also very polite.

To Mo Rao’s surprise, the fourth person to come was actually Zhu Ye.

They had just finished filming a movie together and were now participating in the same variety show. When Zhu Ye saw Mo Rao, he greeted her, “Mo Rao, we meet again.”

“I remember that the two of you filmed a movie together not long ago, right?” Qi Tuo asked with a smile.

“Yes, Brother Qi, you’ve paid attention to our movie?” Zhu Ye replied politely.

Qi Tuo nodded. “Of course. Mo Rao won the Best Actress Award. Many people have been paying attention to her first movie after she returned to the country.”

Mo Rao smiled in embarrassment.

There was still one last person left. The production team had previously revealed that she was also a female celebrity.

Finally, the last person arrived. She could be considered an A-list celebrity in the domestic entertainment industry. She had good roles, but she had never performed very well. Therefore, everyone said that she was just a vase who only cared about her looks and didn’t focus on improving her acting skills at all.
