### - Chapter 326 - 330

#### Chapter 326: The Medicine Is Too Strong

Fu Ying's body was very strong and his stamina was very good. He always satisfied her very much in bed. Every time, he would torture Mo Rao until she was about to collapse before letting her go.

The current Mo Rao needed such rough treatment. As she panted, she couldn't help but fiddle with her skirt.

Fu Ying already knew that Mo Rao had been drugged. After he punched Yan Qiang to the ground, Yan Qiang confessed everything.

He was very angry and wanted to teach that bastard a lesson, but when he thought about how Mo Rao was suffering now, he could only let Yan Qiang go first and look for Mo Rao.

In the past two years, he had missed Mo Rao deeply and had never touched other women. Even when he was very lonely, he would reject women who took the initiative to come to him.

It was a miracle that a man with strong desires like him was able to hold it in for two years. He wondered if there was anything wrong with him after holding it in for so long.

He could test it out today.

Fu Ying's expression darkened, and desire burned in them. Mo Rao's horny look was the best aphrodisiac for him, and it made him unable to control himself.

"Fu Ying, go out..." Mo Rao held on to her last bit of rationality as she tried to push Fu Ying out.

However, Fu Ying grabbed her hand instead. His voice was a little hoarse as he said, "What will you do if I leave? Rao Rao, I can help you."

"No! I don't need it!" Mo Rao sobered up and pushed Fu Ying hard.

However, after her hand touched his body, Mo Rao felt even limper and could barely stand. Fu Ying took the opportunity to pull her into his arms and lowered his head to kiss her. Her cherry lips were soft and sweet, and there was even the taste of alcohol, making him even more titillated.

Mo Rao no longer had the strength to refuse. She let Fu Ying pry open her lips and his tongue entered her mouth. Then, she let out erotic moans.

Fu Ying's hand wandered around her drenched body and touched the zipper on her back. He pulled down the zipper and took off the dress from top to bottom. Her bra was the last obstacle. He took it off directly. Her pink and soft breasts jumped out and pressed against his warm chest.

Fu Ying placed his hands on Mo Rao's chest and rubbed it gently from time to time. Mo Rao's body was already sensitive to begin with, and now that she was drugged with an aphrodisiac, she couldn't take it anymore. She couldn't help but moan in comfort. "Ah... it's so comfortable..."

"I'll make you feel more comfortable." Fu Ying let go of Mo Rao's rosy lips and carried her to the sofa to sit down. Then, he grabbed Mo Rao's slender waist and placed her on his lap. His erect private part was also pressed against Mo Rao's lady part, but there was still underwear between them.

Mo Rao wriggled her waist in discomfort and rubbed her most private part against Fu Ying. In the next second, her underwear was taken off and thrown aside.

"Untie me." Fu Ying panted as he ordered Mo Rao.

Mo Rao's hand reached for his belt and she undid it anxiously. She unzipped his pants and underwear. The terrifyingly huge private part popped out.

Mo Rao touched it with her hand and then moved her butt. At that moment, she felt a huge sense of fulfillment, excitement, and satisfaction.

"Ah ah ah..." Mo Rao couldn't help but moan. She wrapped her arms around Fu Ying's neck, and her petite body moved up and down on the man's legs. The sounds were very erotic.

Fu Ying was overjoyed. He looked at Mo Rao, who was already feverish, and didn't care if she would be angry when she came back to her senses. Now, he only wanted to bang her.

He bit the bouncing breast in front of him, causing Mo Rao to tremble again and move even more vigorously.

Fu Ying sucked the nipples on Mo Rao's chest and hugged her round butt with one hand to support her so that she wouldn't be too tired.

"Lie down." After a while, Fu Ying patted Mo Rao's butt and put her down.

Mo Rao immediately lay on the sofa with her butt facing Fu Ying, inviting him to come over.

Fu Ying pried open her fair buttocks, revealing a deep hole. Then, he stuck his body part in without hesitation. Mo Rao couldn't help but cry out before climaxing.

However, one orgasm wasn't enough. The drug had yet to wear off. Mo Rao twisted her butt and quickly urged Fu Ying to penetrate her again.

## Chapter 327: Lying

Mo Rao's initiative and promiscuity made Fu Ying feel a sense of accomplishment. He used even greater strength. Every time, he penetrated deeply. Mo Rao felt like she was about to be completely penetrated.

The two of them made erotic sounds from time to time as they made love passionately.

Qu Ru was listening outside the door. She was so angry that her expression darkened. There were a few times when she wanted to knock on the door or kick it open to interrupt the adulterous couple's lovemaking!

However, she didn't dare to do so. She didn't know what clues Fu Ying had that could save her life. If she angered him, she would be in big trouble.

Yan Qiang was so useless. Mo Rao had already drunk the aphrodisiac, but he still couldn't settle the matter. He was really a good-for-nothing!

After a while, Qu Ru couldn't take it anymore and turned to leave.

...

After Mo Yuan came out of Old Madam Qu's room, his expression was solemn yet relaxed.

He was basically certain that Old Madam Qu didn't know the truth behind her youngest daughter's disappearance back then. Furthermore, she had never stopped searching for her all these years, but there was no news of her.

He returned to the banquet hall and wanted to call Mo Rao home because he had already gotten the answer he wanted to get out of Old Madam Qu. Next, he had to discuss how to deal with Qu Xue and Qu Qin.

Mo Yuan looked around the crowd but didn't see Mo Rao. Shen Feng was also looking for her. He had been with his business partner just now and didn't pay attention to Mo Rao for a moment. Now, he couldn't find her.

"I've looked for her on that side, but I haven't found her." Shen Feng went to the back garden but didn't see Mo Rao.

"That's strange. Why didn't he pick up the call?" Mo Yuan called, but Mo Rao didn't pick up. This made him feel that something was wrong. Did something happen?

At this moment, Shen Feng glanced at the second floor. "Could it be that she's too tired, so she went to the second floor to rest?"

Mo Yuan also thought of this possibility, so he went upstairs.

There were seven to eight lounges on the second floor. Mo Yuan and Shen Feng searched them one by one. Some of the lounge doors were open, and there was no one inside. Some were locked, and someone was resting inside.

When Shen Feng arrived at the last lounge, he tried to push open the door but couldn't.

A man and a woman were talking inside, but they couldn't hear what was said.

That woman's voice was Mo Rao's.

"Rao Rao?!" Shen Feng shouted through the door.

The room instantly fell silent. Mo Yuan also walked over and asked, "In this room?"

Shen Feng nodded, but he had a bad feeling because that man's voice belonged to Fu Ying.

"Rao Rao, open the door!" Mo Yuan shouted.

The door still didn't open. Shen Feng frowned. "I think Fu Ying is inside too. Could something have happened?"

Hearing this, Mo Yuan immediately became anxious and prepared to kick the door open.

At this critical moment, the door opened. Mo Rao and Fu Ying appeared in front of them. Mo Rao was drenched and wearing Fu Ying's suit jacket. Mo Rao's face was flushed.

Fu Ying looked very relaxed and satisfied.

There was also... the smell of after-sex in the room!

Shen Feng and Mo Yuan's expressions darkened, especially Mo Yuan. He grabbed Fu Ying's collar. "What the hell did you do to her?!"

"The two of us didn't do anything." Fu Ying was in a good mood. Even though Mo Yuan was grabbing his collar, he still looked relaxed. "I only did her a favor. If you don't believe me, you can ask her yourself."

Indeed, he had only helped her resolve her physiological needs. At this moment, some of Fu Ying's 'things' were still lingering in Mo Rao's body and were slowly flowing out. She had no choice but to clamp her legs. With a flustered look, she said, "Nothing happened between Fu Ying and me. I came to the lounge to rest. When I went to the washroom, I accidentally turned on the shower button and was drenched. I couldn't find where the two of you were, so I could only ask Fu Ying to come over and lend me his suit jacket."

Mo Rao wasn't good at lying, but she still braced herself and lied. She didn't dare to look into Mo Yuan's eyes.

"It's that simple?" Mo Yuan didn't believe it. Mo Rao looked more like...

"Then what else do you want? What do you want me to do to her?" Fu Ying interrupted Mo Yuan and sneered. "Do you really want your sister to be humiliated by me?"

"Because you're trash!" Mo Yuan gritted his teeth and cursed.

At this moment, Mo Rao was physically and mentally exhausted and felt very guilty. She didn't want to continue standing here. She only wanted to go back, take a shower, and sleep. She wanted to forget all the embarrassing things that happened just now.

"Brother, let's go back!" Mo Rao grabbed Mo Yuan's hand, her voice quivering slightly.

Mo Yuan still wanted to continue questioning Fu Ying, but when he saw his sister's pale face, his heart softened. Regardless of whether Fu Ying had done anything to Mo Rao, things might blow up if he questioned her now and it would ruin Mo Rao's reputation.

Therefore, he could only suppress the anger in his heart and leave with Mo Rao.

Shen Feng immediately turned around and followed. Before he left, he glared at Fu Ying.

Fu Ying didn't care since he was satisfied just now. After so long, he finally got to have sex with Mo Rao again. Although it was a little shameless in that situation, they enjoyed the process very much.

...

When they returned to the car, Mo Rao wrapped Fu Ying's coat around herself tightly because she was afraid that the smell on her body would be too obvious.

"Shen Feng, go back first. I'll take care of Mo Rao. Don't worry." Mo Yuan rolled down the window and said to Shen Feng.

Shen Feng's identity was different. It was definitely impossible for him to leave just like that.

However, he was very worried about Mo Rao and didn't want to stay in the Qu family's home anymore.

"Shen Feng, I'm fine. Don't delay business because of me," Mo Rao said to Shen Feng, but she didn't dare to look into his eyes. Her mind was filled with the scene of her having sex with Fu Ying just now. It was extremely intense and exciting.

If Fu Ying hadn't helped her, she didn't know what she would have done.

She couldn't blame Fu Ying for this. Under such circumstances, if Fu Ying didn't touch her, she wouldn't be able to find a solution. If he carried her out and sent her to the hospital, more people would know and she would be too ashamed to face anyone.

At least no one knew what had happened now. Even Mo Yuan and Shen Feng were only suspicious, but didn't know for sure.

"I'll see you tonight." Shen Feng could only suppress the reluctance and worry in his heart as he instructed gently, "Go back and take a shower. Otherwise, you'll catch a cold."

Mo Rao nodded.

Hearing Shen Feng's gentle instructions, Mo Yuan felt rueful. He really wanted Mo Rao to accept Shen Feng. Such a good man was extremely precious.

1

However, he had to respect Mo Rao's choice and couldn't interfere too much.

"Alright, we'll leave now." After Mo Yuan said goodbye, he drove away. He didn't have time to tell Mo Rao about his meeting with Old Madam Qu just now. He just wanted to find out what Fu Ying had done to her.

"Rao Rao, what happened just now? I'm your brother. Tell me. It's fine." Mo Yuan tried his best to look calm.

Of course, Mo Rao knew that Mo Yuan wouldn't do anything to hurt her, but that didn't mean that he wouldn't hurt Fu Ying. If he found out what had happened in the lounge just now, he might immediately return to settle the score with Fu Ying.

Moreover... Fu Ying wasn't at fault. If not for him, she probably would have slept with that wretched man.

That would be even worse!

Mo Rao bit her lip. "Brother, it's really nothing. I drank a little and felt a little dizzy, so I went to the lounge. I went to the washroom, but accidentally pressed the wrong switch, so the water drenched me."

Mo Yuan felt very upset that Mo Rao refused to tell the truth. As long as Mo Rao asked, he would seek justice for her.

Mo Yuan didn't believe such a lousy excuse, but he had to way to refute her.

"Rao Rao, actually, I still want to persuade you. Shen Feng..." Mo Yuan mentioned Shen Feng again.

"Brother, I've already made it clear to him. I'll send a breakup statement in the next two days," Mo Rao replied with her head lowered.

Mo Yuan almost slammed on the brakes. Was she that straightforward? He became a little anxious. "Rao Rao, can't you give Shen Feng another chance? He's so good to you. He didn't do anything wrong and even helped us so much!"

Mo Rao sighed regretfully. "But love can't be forced. If I could develop feelings for him, I would have done so long ago. I know very well that I don't like him and don't want to delay him."

“Rao Rao, I know you don’t want to date anyone now, but you can give him more time. Don’t force Shen Feng to give up on you so quickly.” Mo Yuan didn’t want to see such a thing happen.

Mo Rao didn’t speak and only looked up at the scenery outside the window.

## Chapter 329: The Mastermind

All the way home, Mo Rao didn’t speak again. No one knew what she was thinking.

When Mo Yuan saw that her mood wasn’t right, he didn’t dare to interrogate her anymore. He could only let her take a shower and rest first before calling Shen Feng to ask.

After Mo Rao went upstairs, Mo Yuan immediately called Shen Feng.

“Did Rao Rao tell you that she wanted to issue a breakup statement?” Mo Yuan asked directly.

“Yes, she told me today.” Shen Feng was a little sad at the mention of this.

“She’s really too stupid. Shen Feng, I support you being with my sister. I can see your sincerity towards her. Don’t give up. Try harder.” Mo Yuan was worried sick.

This was his best candidate for a brother-in-law. If Mo Rao missed out on him, she would regret it.

With Shen Feng’s feelings for Mo Rao, he should have told Mo Yuan immediately that he wouldn’t give up, but this time, he actually hesitated.

It wasn’t because he didn’t like Mo Rao anymore, nor did he like her less than before. It was because the pressure from Old Madam Shen made him very upset. He was afraid that his persistence would hurt Mo Rao.

“What’s wrong? You’re unwilling?” Mo Yuan felt Shen Feng’s hesitation and was shocked. It was over. Could it be that he already had another woman he liked?

In that case, Mo Rao would really suffer a huge loss!

Only then did Shen Feng come back to his senses. He immediately explained, “No, I’ve always been willing to. Mo Rao is the only woman I like. This has never changed.”

“Then do you want to give up just like that?” Mo Yuan found it difficult to accept. Even if it was for Mo Rao’s happiness, he still hoped for her to be with Shen Feng in the end.

“I’m not giving up. This matter is very complicated. I need time to resolve it.” Shen Feng didn’t want to tell Mo Yuan about Old Madam Shen’s objection for the time being. He knew that Mo Yuan supported him very much, but Mo Rao was Mo Yuan’s sister. If Mo Yuan knew that Old Madam Shen strongly opposed his sister being with him, his heart would definitely ache for her.

If Mo Yuan supported her separation from Shen Feng in order not to let Mo Rao suffer, Shen Feng would lose his best supporter.

Mo Yuan’s original intention was only to persuade Shen Feng to persevere a little longer. He didn’t want to force him. At this moment, Shen Feng was probably still in the Qu family, so he hung up.

Mo Rao, who was upstairs, was trying her best to clean her body.

She didn’t feel that Fu Ying was dirty, but she felt that she herself was dirty.

Her fair skin was already red from the rubbing, but she continued. When she thought of how she had catered to Fu Ying, she felt extremely ashamed. At the beginning of the banquet, she had vowed to Shen Feng and Fu Ying and said it so firmly. In the end, she had sex with Fu Ying soon afterwards.

Although it was because of the drug, Mo Rao still couldn’t forgive herself.

At this moment, her phone rang. It was a call from Fu Ying, so she hung up.

Fu Ying continued to call until she was so annoyed that she could only answer the call. “Fu Ying, what else do you want?”

“Are you feeling unwell?” Fu Ying didn’t mind Mo Rao’s anger. He knew that she was definitely very annoyed now. It was normal for her to lose her temper.

“What does it have to do with you? I was drugged today. It doesn’t mean that I wanted that to happen to you. Please don’t harass me in the future. I was serious about what I said at the banquet!” As Mo Rao soaked in the bathtub, she said in a lowered voice. She was afraid that Mo Yuan would come up and hear these words.

Fu Ying chuckled. “Rao Rao, I’m just concerned about you. I don’t want to harass you.”

“I don’t need your concern. You just have to stay away from me,” Mo Rao replied angrily.

“The mastermind behind your poisoning today wasn’t Yan Qiang. I will investigate the matter and give you an answer.” Fu Ying’s voice turned cold. The moment he thought of someone daring to do such a thing to Mo Rao, he wanted to tear that damn fellow apart.

Mo Rao frowned. “How do you know it wasn’t Yan Qiang’s idea? He harassed me before the incident!”

Fu Ying replied, “He personally told me that he was instructed by someone, but the situation was urgent at that time, so I didn’t have time to ask him in detail. I’ll investigate further.”

“Who else would do such a thing to me?” Mo Rao sneered. “Other than Qu Ru, I can’t think of anyone else. Fu Ying, what are you going to do if it’s Qu Ru?”

“Give her a taste of her own medicine.” Fu Ying’s answer was very simple.

“Really?” Mo Rao didn’t believe him. She replied sarcastically, “I’ll wait and see.”

## Chapter 330

After hanging up, Mo Rao calmed down.

She waited for Fu Ying to give her the final result. She wanted to see how Fu Ying would deal with Qu Ru.

After a while, she took a shower and changed her clothes before going to bed to rest. She didn’t even dare to go downstairs to face Mo Yuan.

However, Mo Yuan knocked on her bedroom door.

“Rao Rao, are you sleeping?” Mo Yuan’s voice sounded from outside.

“No, Brother, what’s the matter?” Mo Rao could only open the door.

Mo Yuan was here to tell her about Old Madam Qu.

He did see Old Madam Qu in the Qu family’s home. To his surprise, Old Madam Qu was quite kind to him. The two of them chatted for a long time. Mo Yuan wanted the Qu family to invest in him to film a television drama, so he told Old Madam Qu about the plot of the script.

That story was about their mother’s disappearance. All the backgrounds and characters matched.

As Old Madam Qu listened, her expression changed. She told Mo Yuan directly that this story had really happened to her and her youngest daughter had gone missing.

From Old Madam Qu's words, Mo Yuan felt that she didn't know the truth about her daughter's disappearance and learned that she had been searching for her.

"So, all of this was planned by Qu Xue and Qu Qing?" Mo Rao frowned.

"I think so. At that time, Qu Xue was already 11 years old, while Qu Qin was 15 years old. The children of such a prominent family have known how to fight for power since they were young. Their horizons are wider than others. Once they have the intention to harm others, they will be very terrifying," Mo Yuan replied.

Mo Rao clenched her fists. Now, she had to let Old Madam Qu know the truth of what happened back then. At the very least, Old Madam Qu would punish these two people.

"Brother, what should we do now?" Mo Rao asked.

"Take it one step at a time. We have to think of a way to make them admit what they've done. Otherwise, since it's been so long, not only will Old Madam Qu not believe us, but she will also think that we're trying to sow discord," Mo Yuan replied.

But they were not familiar with Qu Xue at all. How could they get information from her?

Mo Yuan and Mo Rao fell into deep thought.

...

After Qu Xue's birthday banquet ended, the guests dispersed.

As for Qu Ru, she was distracted and was thinking about what Fu Ying had said. Who wanted her dead? Was that person among the guests she had seen just now?

At this moment, Qu Xue walked over and patted her amiably. "Xiao Ru, I'm going to the airport to pick up your sister, Xiao Rou. Are you coming with me?"

Qu Ru and Qu Rou were not familiar with each other, but in this situation, she had to build a good relationship with Qu Rou, so she agreed immediately. "Okay, Aunt."

On the other hand, her biological father, Qu Qin, looked at her indifferently. In the past two years, he had been trying to get a divorce. Recently, his wife had gone on a trip with her children, so Qu Ru didn't suffer much in the Qu family's home.

Qu Ru followed Qu Xue to the airport to pick her up. The moment she saw Qu Rou, she felt jealous.

Qu Rou was a celebrity overseas, but she was preparing to return to the country to develop. She was dressed in designer clothes from head to toe. She had a beautiful appearance and an extremely good figure, while Qu Ru was an ugly woman with a disfigured face and a crippled leg. When Qu Ru stood beside her, she was simply too horrible to look at.

“Mom, I missed you so much!” Qu Rou threw herself into Qu Xue’s arms.

“I missed you too. It’s good that you’re back in the country to develop. You don’t have to be so far away. We rarely saw each other.”

“I decided to return to the country to develop because I missed you.” As she spoke, Qu Rou turned to look at Qu Ru with disdain. “Mom, why did you bring this person here? I heard that she’s back at our house now?”

After seeing her biological daughter, Qu Xue almost forgot about Qu Ru. A mixed expression flashed across her eyes. Then, she smiled and said, “This is your sister, Little Ru. Now that you’re back, the two of you should get along well.”

Qu Rou naturally knew Qu Ru’s identity as an illegitimate daughter. She looked down on Qu Ru’s identity and didn’t know why Qu Xue was so good to her.

“Hello, Little Ru. Long time no see.” Qu Ru felt upset, but she had to please Qu Rou now.

She and Qu Rou had met a few times when they were young. After that, Qu Ru moved out of the house and was no longer allowed to go back to the Qu family’s home.

“What’s there to see?” Qu Rou rolled her eyes at Qu Ru impolitely before holding Qu Xue’s arm and walking out of the airport.
