

After Leaving The CEO, She Stunned The World –

Chapter 341: Her Medical Skills

“It’s not that exaggerated.” Qu You couldn’t help but speak up. “Aunt, since Grandma has agreed, let Mo Rao give it a try. She’s already betting her life on this!”

“You have to be wary! This is a serious matter. It concerns your grandma’s health. Your grandma is the backbone of our Qu family. What if something happens to her?” Qu Xue said earnestly, as if she was really worried about Old Madam Qu.

Old Madam Qu was already showing signs of losing consciousness. She felt her vision getting blurrier and blurrier, and the voices of the people around her became more and more distant. This feeling was very uncomfortable, and her chest felt stuffy.

“I have the final say! I want to let her try!” Old Madam Qu used her last bit of consciousness to shout and her voice became stern.

Under extreme discomfort, people would yearn for any method to relieve their discomfort.

On the surface, Qu Xue seemed worried about Old Madam Qu’s health, but Mo Rao felt that she didn’t seem to care if her mother was in pain or not.

A vicious person like Qu Xue was even willing to set up her biological sister, so she might not care about her mother either.

“Ah Xue, since Mom has spoken, let Miss Mo give it a try.” Qu Jian also spoke up. He was now the second-in-charge of the Qu family, so his words carried weight.

Recently, things had become very strange in the Qu family. Qu Jian felt that his sister seemed to be getting more and more domineering. After she returned home, no matter what it was, she liked to make the decision. She wouldn’t even listen to her mother.

It was time to teach his sister a lesson.

“Brother, do you believe Mo Rao too?” Qu Xue looked surprised.

“We’ve already gone to several large hospitals, but none of them can relieve Mom’s pain. Since Mo Rao is so confident, let her try. She’s right. If anything happens, she won’t be able to leave the Qu family’s home.” Qu Jian sounded very dignified and authoritative.

Old Madam Qu and Qu Jian both agreed, so if she kept trying to stop Mo Rao, it would be too obvious that she had ulterior motives. Qu Xue could only threaten, “Mo Rao, I don’t care if you’re Fu Ying’s ex-wife or if you’re a popular celebrity now. If you dare to harm my mother, I’ll definitely cut you into pieces!”

“Okay.” Mo Rao replied calmly and began to perform acupuncture.

Everyone watched this scene nervously, especially Qu Ru. She didn’t want Mo Rao to succeed and even hoped that Mo Rao would kill Old Madam Qu just like that. This way, the Qu family definitely wouldn’t let Mo Rao off.

Mo Rao focused on performing acupuncture on Old Madam Qu. Just as she was about to administer the last needle, she was accidentally bumped into.

“I’m sorry for accidentally falling. You know that my leg is lame and I can’t stand steadily!” Qu Ru deliberately bumped into Mo Rao.

Any wrong acupuncture administration would have very serious consequences because this was the last step. Her life was at stake.

Mo Rao glared at Qu Ru. If not for her steady hand, Old Madam Qu might have already died.

“Qu Ru, this is your biological grandmother. Do you want to kill her?” Mo Rao directly exposed Qu Ru’s motive.

“Don’t talk nonsense. Why would I do that? I already said that it was an accident!” Qu Ru panicked and quickly explained.

However, her fall just now was so deliberate that Qu Jian and Qu You saw it clearly.

“Qu Ru, don’t tell me you hate Grandma because she didn’t allow you to enter the house in the past, so you want to harm her?” Qu You said sarcastically. “If you had made Mo Rao stab the wrong acupuncture point just now, who would bear the responsibility?”

Mo Rao agreed with Qu You’s words, but she didn’t speak and completed the last jab seriously.

Just as the last needle was inserted, the previously unconscious Old Madam Qu actually woke up.

Her originally dizzy and painful head was now clear and she didn't feel so uncomfortable anymore. As Old Madam Qu looked at Mo Rao, joy appeared on her face. "I didn't expect your medical skills to be so good. Old Madam Fu didn't lie to me. You helped me a lot!"

Qu Xue and Qu Ru, who had been clamoring that they didn't believe Mo Rao, had been disproven now. They wanted to find trouble, but they had no excuse to, so they could only endure it.

"Are you feeling better?" Mo Rao heaved a sigh of relief and asked.

Chapter 342: Protecting Her

Old Madam Qu was already feeling much better and felt refreshed. She took a deep breath as she said, "I'm much better. Mo Rao, you're really amazing. Ah Jian brought me to several large hospitals for a checkup, but they didn't find out the reason."

Mo Rao shook her head. "You're flattering me. Actually, my skills are not as good as those of the doctors in large hospitals. It just so happens that I've read about your situation in a medical book, so I boldly tried it on you."

After hearing Mo Rao's words, Old Madam Qu felt that Mo Rao was smart and bold. Her impression of Mo Rao improved.

Previously, her understanding of Mo Rao was limited to the news and Fu Ying.

The number of times Old Madam Qu had personally seen Mo Rao could be counted on one hand. As she looked at the beautiful girl in front of her, she suddenly felt that Mo Rao's eyes gave her a familiar feeling and reminded her of her lost daughter.

Although Mo Rao's age was different from when Old Madam Qu's youngest daughter went missing, a person's features would usually stay the same throughout life.

At the thought of this, Old Madam Qu's mood became gloomy again. She reached out her hand and said, "Come, sit beside me to chat."

"Okay." Mo Rao nodded and sat down beside Old Madam Qu obediently.

When Qu Ru saw this scene, she was envious. She had been back in the Qu family's home for a period of time, but Old Madam Qu had never treated her nicely. On the other hand, she liked Mo Rao so much and was so amiable to her.

Mo Rao had already snatched Fu Ying away. Was she going to snatch her grandmother away as well?

Qu Ru felt that Mo Rao was her number one nemesis in the world. Only when Mo Rao died could she escape her misfortune.

“I heard that your grandmother calls you Rao Rao. In that case, I’ll call you Rao Rao from now on.” Old Madam Qu looked at Mo Rao lovingly. She didn’t know why, but she felt that Mo Rao was very likable.

“Okay.” As Mo Rao felt Old Madam Qu’s old hand holding her tightly, she had an indescribable feeling.

This old woman was her biological grandmother, but she only found out now. Perhaps it was because of the bloodline connection, but she liked Old Madam Qu very much. Moreover, Old Madam Qu didn’t know that her mother’s disappearance was a scheme and was still sending people to find her. This made Mo Rao feel very touched.

“Mom, don’t be deceived by her!” Qu Xue frowned. “She’s Fu Ying’s ex-wife. She’s the mistress who snatched Little Ru’s man!”

These words were too ridiculous. Speaking of mistresses, who didn’t know that Qu Ru and her daughter were legendary figures?

Moreover, when Mo Rao married Fu Ying, Qu Ru had already left. The two of them didn’t even have a clear relationship.

Qu You rolled her eyes. “Aunt, you’re wrong. Qu Ru was the mistress. Mo Rao and Fu Ying got married, but she still came back and interfered, causing them to get a divorce.”

She already felt that her aunt was a little immoral. Otherwise, why would she be so biased towards Qu Ru? Now that she looked at it, she realized that her aunt was indeed immoral.

“Love is based on first come, first served. Back then, Little Ru got to know Fu Ying first and the two of them dated, so Mo Rao was the third party.” Qu Xue was still defending Qu Ru. She wasn’t really speaking up for Qu Ru, but she just didn’t like Mo Rao for some reason.

“I think you’re wrong. Mo Rao is a good girl. Even if she’s not married to Fu Ying, she’s still an innocent girl. Qu Ru can’t compare to her.” Old Madam Qu directly defended Mo Rao.

Qu Ru was furious. She didn’t expect Old Madam Qu to praise Mo Rao and belittle her in front of her.

Those who didn't know would think that Mo Rao was Old Madam Qu's biological granddaughter. Although she was an illegitimate daughter, she was still a member of the Qu family in terms of bloodline. Why did Old Madam Qu dislike her so much?

Mo Rao was also very surprised. She didn't expect Old Madam Qu to speak up for her and her stance was very clear.

Now, she could basically confirm that in the Qu family, Old Madam Qu, Qu Jian, and Qu You had good morals. As for Qu Xue, Qu Qin, and Qu Ru, these people were in cahoots.

Qu Ru felt embarrassed and turned to go upstairs with her walking stick.

Old Madam Qu glanced at her and snorted. She didn't like Qu Ru from the bottom of her heart. Her identity as an illegitimate daughter had already determined that she wouldn't be welcomed.

Chapter 343: Participating in the Gathering

Seeing that Old Madam Qu was bent on protecting Mo Rao, Qu Xue knew that there was no need for her to continue.

However, she didn't understand why Old Madam Qu was so good to Mo Rao.

At this moment, a clear voice sounded. "Grandma, I'm back!"

Qu Rou appeared in the living room. She was wearing a short uniform dress and looked very vivacious, like a sixteen or seventeen-year-old girl.

"Rou Rou, you're back!" Seeing Qu Rou, a hint of joy appeared in Old Madam Qu's eyes.

"That's right, Grandma. Didn't I tell you? I'm back in the country to develop my career!" After Qu Rou came in front of Old Madam Qu, her gaze landed on Mo Rao. At first glance, Qu Rou took a dislike to Mo Rao.

This was because she felt that Mo Rao was too beautiful and had instantly outshone her. Moreover, she had been paying attention to the domestic entertainment industry recently, so she naturally knew about Mo Rao.

To be able to make men like Fu Ying and Shen Feng fight over her, she must be capable.

“I’m sorry, but I want to sit with my grandmother. Can you please move aside?” Qu Rou looked at Mo Rao coldly.

“Okay.” Mo Rao stood up and gave her seat to Qu Rou. Her identity was actually the same as Qu Rou’s, but she couldn’t say it out loud.

Old Madam Qu felt that Qu Rou was a little rude, but she was her biological granddaughter after all. She could still tell who was more important.

Qu Rou wasn’t Qu Ru. She was naturally different from an illegitimate daughter like Qu Ru.

Qu Rou held Old Madam Qu’s arm and chatted intimately. Mo Rao was ignored.

Seeing this scene, Qu Xue was very satisfied. As expected, her biological daughter was more impressive. She could make the old lady happy in an instant.

“Mo Rao, I seem to be feeling unwell too. Can you help me take a look?” Qu You saw Mo Rao standing at the side and looking a little out of place, so she took the initiative to ease her awkward situation.

“Sure.” Mo Rao knew that Qu You was helping her. She was very grateful.

“Then let’s go to the room. There are too many people in the living room.” Qu You stood up and walked to the second floor.

Mo Rao immediately followed. However, the moment they reached the room, Qu You took out some clothes and threw them on the bed. Then, she said to Mo Rao, “Hurry up and choose something you like to change into. I’m bringing you to a gathering.”

“What gathering?” Mo Rao was very stunned.

“It’s just a gathering with some friends. I know a few big directors. If you go, you might get a role in a big production!” Qu You said.

It was as if she had already become best friends with Mo Rao and was thinking for her sake.

Mo Rao felt a little baffled. Although she didn’t dislike Qu You and was even grateful towards her, the two of them didn’t interact much and couldn’t be considered very good friends, let alone attend a gathering together.

“Choose quickly!” Qu You urged.

“Alright.” Mo Rao was a little helpless. She searched through these clothes and saw a white sleeveless cheongsam with snow-white and elegant pear flowers embroidered on it.

“I’ll wear this!” Mo Rao picked up the cheongsam.

“Alright, go change quickly. We’ll set off immediately!” Qu You was a little excited.

Mo Rao didn’t think too much about it and went to change her clothes. When she came out after changing, Qu You had already put on makeup and was putting on lipstick. She asked, “Don’t you want to put on makeup before going?”

Mo Rao’s skin was very fair, her eyebrows were thick, and her facial features were extremely gorgeous. Even without makeup, she was already more than beautiful.

“I’d better not put on makeup. Let’s go.” Mo Rao didn’t want to put on makeup.

Qu You didn’t force her. After she brought Mo Rao downstairs, they saw that Old Madam Qu was still chatting with Qu Rou in the living room. Qu You said, “Grandma, Mo Rao and I will leave now since today’s treatment has ended. She’ll come again next time!”

“Alright, treat Mo Rao to a meal!” When Old Madam Qu saw that Mo Rao was about to leave, she actually couldn’t bear to part with her. She quickly instructed her eldest granddaughter to treat Mo Rao well.

Qu You made an OK gesture. She definitely wouldn’t mistreat Mo Rao.

Soon, Qu You’s car stopped in front of a clubhouse. The golden clubhouse exuded lavishness.

“Follow me. Don’t get lost!” After entering the club, Qu You held Mo Rao’s hand. “I’ll hold your hand. If I lose you, I won’t be able to explain myself to my grandmother and the Fu family!”

Chapter 344: Jealousy

Qu You pushed open a private room door. There were already six to seven people sitting inside, both men and women.

When they saw Qu You, they greeted her. “Miss Qu, you’re finally here.”

“Come and drink. You brought someone? She looks so familiar.”

“Isn’t she Mo Rao?”

A discerning man recognized Mo Rao and couldn’t help but size her up. She was even more beautiful than on television and had a vivacious temperament.

Mo Rao was wearing a white cheongsam and her hair was casually tied up. Her exquisite facial features looked very harmonious on her palm-sized face, making people feel a sense of comfort when looking at her.

She was like a white orchid, beautiful and aloof.

“As expected of Director Jia. You have sharp eyes!” Qu You pulled Mo Rao to sit down and said to a man with a smile.

Mo Rao glanced at the man. He was about 30 years old and looked very refined.

After she searched her mind, she remembered this person. Some time ago, the movie he directed had won an international award and caused a sensation.

He was called Jia Li.

“I’ve seen Mo Rao’s movie and I have a deep impression of her.” Jia Li smiled and extended his hand. “Miss Mo, let’s work together if there’s a chance.”

Qu You was shocked. They had just arrived, but Mo Rao had already received Director Jia’s invitation?

She had really underestimated Mo Rao’s popularity. If she was a man, she would probably like Mo Rao too.

Mo Rao was flattered and quickly held Jia Li’s outstretched hand. “Okay, it’s my honor!”

Seeing how humble Mo Rao was, Jia Li had an even better impression of her. He invited her to sit beside him and drink with him.

“Go, Mo Rao. Your lucky break is here.” Qu You pushed her to sit beside Jia Li.

Mo Rao could feel that Jia Li was a very upright person. The aura he exuded was gentle and refined, unlike some directors who were very wretched and would sleep with beautiful female celebrities. Therefore, she wasn’t on guard at all and sat down beside Jia Li gracefully.

The two of them chatted happily, mainly about acting. Mo Rao had her own insights, but she was still a little inferior to Jia Li. As they chatted, she felt that she had learned a lot.

At this moment, the door of the private room opened again and a man walked in. When Mo Rao saw who it was, she was shocked. Why was Fu Ying here?

She was originally in a good mood, but she suddenly became a little nervous.

Because of the video, she wasn't as resistant to Fu Ying as before, but she was very afraid that she would fall into Fu Ying's trap again.

The only way to avoid such a thing happening was to keep a distance and avoid contact with him.

The moment Fu Ying entered, he saw Mo Rao. No matter when or where, as long as she was around, he could always recognize her at first glance. It was like searching for the moon in a sea of stars. No matter how bright the other stars were, they couldn't block the light of the moon.

Mo Rao was his moon.

But now, his moon seemed to be chatting happily with another man.

Fu Ying instantly felt jealous. He glanced at Jia Li. This guy had just returned to the country, but had already hit it off with Mo Rao?

Although Jia Li was his good buddy, Fu Ying didn't want him to be too close to Mo Rao.

When he saw that Fu Ying was here, a sly look flashed across Jia Li's eyes and he deliberately leaned closer to Mo Rao. "President Fu is here. Let's find a place to sit down and drink."

How could he not know that Mo Rao was Fu Ying's ex-wife? Moreover, Fu Ying had put in a lot of effort to woo his ex-wife. Everyone could tell what his motive was.

Jia Li did it on purpose.

Fu Ying came in front of Mo Rao with a dark expression. Then, he grabbed her hand and pulled her away. "I think this position is very good. It's suitable for us to chat."

"Yes, yes, yes, that makes sense!" Jia Li wanted to laugh, but he held it in and nodded vigorously.

When Qu You saw this scene, she could already sense the jealousy in the air.

President Fu was overcome with jealousy!

Mo Rao was like a little chick as Fu Ying pulled her up with one hand and carried her to the side. Fu Ying sat down at her previous seat and even turned to look at her with a very unhappy gaze.

“I’m sorry, Jia Li is my friend. He just returned to the country and I want to chat with him. Do you mind?” Fu Ying asked Mo Rao politely.

Mo Rao was speechless. Was there a need to ask?

Chapter 345: Supporting Her

“Alright, you guys can chat. I’ll go to the washroom.” Mo Rao had drunk a few glasses of wine and was a little uncomfortable, so she stood up and left.

Fu Ying’s gaze was fixed on that beautiful back view, and emotions surged in his eyes.

When Jia Li saw this scene, he marveled that this insufferably arrogant man finally had an Achilles’ heel.

Unfortunately, he didn’t know how to cherish it in the past.

Among all of Fu Ying’s friends, Jia Li was the only one who didn’t like Qu Ru back then. Instead, he felt that Fu Ying and Mo Rao would develop feelings for each other over time.

Now, it seemed that his judgment was very accurate.

“How long will you be back this time?” Fu Ying waited for Mo Rao to completely disappear before retracting his gaze and asking Jia Li.

Because Jia Li was sitting too close to Mo Rao just now, his good mood when he came had been diminished. His tone towards his good friend had become a little cold.

Jia Li suppressed his laughter and deliberately said, “I don’t know. Let’s see how it goes. I’m already so old, so my family is pressing me to get married. If I meet a suitable woman, I’ll get married.”

“A suitable woman?” Fu Ying frowned.

“That’s right. You also know that I’m a director. It’s very likely that the wife I’ll find in the future will be a woman from the entertainment industry. It’s very likely that she’ll be a

female celebrity or something. What do you think of Miss Mo? I like her!" Jia Li boldly provoked Fu Ying.

Qu You was shocked. Was Jia Li put of his mind?

Everyone knew that Fu Ying was very possessive!

As expected, Fu Ying's expression became terrifyingly gloomy. "Are you serious?"

Jia Li could date anyone he wanted, but he couldn't date Mo Rao. Mo Rao could only be his.

Seeing that Fu Ying took it seriously, Jia Li knew that he had to stop joking. He could tell that Mo Rao was too important to Fu Ying. She was so important that Fu Ying couldn't accept even a casual joke about her. If he continued to court death, he might lose Fu Ying as a friend.

"I'm just joking!" Jia Li quickly explained, "I'm not in the mood to date or get married now. You know, my greatest wish is to film a movie that will shock everyone!"

"Didn't you already film one?" Fu Ying's expression softened.

"That doesn't count. That movie's style is too foreign. I'm going to film a movie that will cause a sensation in the country this time!" Jia Li was very ambitious.

Fu Ying asked, "What type?"

"Like a documentary," Jia Li replied.

The two of them were chatting when Mo Rao returned. She glanced at Fu Ying and Jia Li and finally chose to sit beside Qu You.

Jia Li's pitied Fu Ying. Mo Rao was clearly avoiding him.

Fu Ying's gaze was so piercing that Qu You felt uncomfortable sitting with Mo Rao, but Qu You couldn't chase Mo Rao away and could only endure it.

"Do you need an actress to play the female lead?" Fu Ying suddenly asked Jia Li.

"I haven't chosen yet. What about it?" Jia Li was a little surprised.

"I'll recommend someone to you. If you use her, I'll invest and cover everything," Fu Ying said calmly. "It's fine even if the movie ends up losing money. I don't care about the box office sales."

Jia Li's eyes widened. "Are you for real? Tell me who you recommend. She has to be compatible with my female lead's persona."

Fu Ying looked at Mo Rao and pointed at her. "Mo Rao."

When Mo Rao was suddenly pointed at and heard that Fu Ying wanted her to be the female lead, she was shocked.

"So it's her!" Jia Li revealed a mischievous smile. "I understand. I think Miss Mo is quite malleable and should be suitable for my female lead. However, you have to see if she agrees. Not everyone believes in me. Why don't you persuade her? I'll wait for your good news, President Fu."

Fu Ying looked at Jia Li in disdain. He had to talk to the female lead himself even after offering to sponsor everything. Jia Li was really an old fox.

"Mo Rao, what do you think?" Fu Ying asked directly. He didn't want to beat around the bush anymore.

Mo Rao wanted to act in a movie directed by Jia Li, but now that she knew that Fu Ying wanted to sponsor her, she suddenly gave up on it. This was because she would be even more involved with Fu Ying and things would become more and more troublesome in the future.

She shook her head. "I think I'll pass. I want to rest for a while."

"It's okay. Filming won't start for another month. You can read the script first," Jia Li quickly said.

Mo Rao was speechless and a little embarrassed. "I don't think I'm suitable. Director Jia, it's better if you find someone else."

Chapter 346: Contributing For Nothing

Jia Li looked at Fu Ying and shrugged helplessly. "You saw it. It's not that I'm unwilling, but she's unwilling!"

Fu Ying stared at Mo Rao deeply. He knew that Mo Rao had rejected him because of him.

He didn't say anything else and just drank.

Could it be that after doing so much, he had pushed Mo Rao further away?

“It’s already a little late. Qu You, I have to go home. Otherwise, my brother will scold me.” Mo Rao looked at the time and found an excuse to leave. She didn’t want to sit opposite Fu Ying anymore and suffer his burning gaze.

“Alright, I’ll send you!” Qu You immediately stood up.

Unexpectedly, Fu Ying was even faster. He stood in front of Qu You and said, “I’m leaving too. I’ll send her off along the way.”

Qu You was stunned. Along the way? Mo Rao’s car was still parked at the Qu family’s house. She had to send Mo Rao back to the Qu family’s home and let Mo Rao drive back herself.

“No need, it’s not along the way!” Mo Rao immediately rejected.

“The two of you drank and can’t drive. I brought my assistant. He’s downstairs.” Fu Ying’s answer made Mo Rao speechless.

Calling a designated driver was indeed a little troublesome.

Qu You knew that if she continued to stop him, she would be going against Fu Ying. She quickly waved her hand and said, “That makes sense. What if we get caught drunk driving? Mo Rao, just trouble Fu Ying. I have to call a designated driver later.”

With that, she pretended to be drunk and fell down on the sofa. The others also acted drunk since they didn’t dare to go against Fu Ying.

Mo Rao was speechless. Without speaking, she left the private room.

Fu Ying knew that she had tacitly agreed and immediately followed her out.

However, when she went outside, she realized that Fu Ying didn’t bring his assistant with him at all. He drove himself.

“Where’s Gu Hai?” Mo Rao asked.

“I didn’t bring him,” Fu Ying replied honestly.

“You lied to me again?! Didn’t you drink as well? Forget it, I’ll call a taxi myself.” Mo Rao wanted to unbuckle her seatbelt and get out of the car, but she realized that the door was locked.

Fu Ying said helplessly, “Didn’t you realize that I haven’t been drinking?”

It was so that he could send Mo Rao home. In order to spend more time with her, he had really put in a lot of effort.

Mo Rao didn't notice that. She had been feeling very nervous just now. After Fu Ying said that he hadn't been drinking, she couldn't find an excuse to get out of the car anymore and could only sit down again.

Fu Ying started the car. "You moved? Where's your new home?"

"Go to the Qu family's home first. My car is at the Qu family's home," Mo Rao replied in a muffled voice.

"Let's go straight back to your house. Just send someone to pick up the car tomorrow." Fu Ying had already made the decision for Mo Rao. Otherwise, it would be quite troublesome for Mo Rao to call a designated driver from the Qu family's home.

Mo Rao turned to look out of the window angrily and ignored Fu Ying.

Fu Ying sighed. "Do you want me to call your brother to ask for the address?"

If Mo Yuan knew that Mo Rao was with him, he would definitely give him the address, since he was afraid that the two of them would stay together for too long.

Fu Ying actually used Mo Yuan to threaten her? Mo Rao glared at Fu Ying and angrily gave him the address.

So she had moved there. No wonder no one was there when he looked for her at the original address.

"Okay." Fu Ying nodded. The car drove steadily in silence.

After a while, Fu Ying spoke again. "Jia Li is a very talented and ambitious director. His next movie has been in the works for several years. It's a very meaningful movie. If you can be the female lead and perform well, you can win a lot of important domestic awards."

How could Mo Rao not know? However, she didn't want to be involved with Fu Ying for the sake of her career.

If Fu Ying had not wanted to invest in Jia Li's movie, she definitely would have agreed.

"I know," Mo Rao replied calmly.

"Then why did you refuse?" Fu Ying turned to look at this little woman. "Just because I'm investing in it, you want to give up on advancing your career?"

Mo Rao pursed her lips, but didn't speak.

"I'm just investing, but I won't interfere with anything you do, nor will I use this excuse to ask you to repay me or try to pester you."

Fu Ying sighed. "I just think your acting skills are very good and you have potential, but there's no suitable platform for you to showcase your talent in the domestic market for the time being. When Jia Li returned to the country, I knew that an opportunity had come. I specifically came to tell him about this. I didn't expect you to be there, so I mentioned it on the spot."

"Fu Ying, stop contributing for nothing. It won't work. This is not good for you or me." Mo Rao finally said what was on her mind.

Chapter 347: Great Help

As soon as Mo Rao finished speaking, Fu Ying stepped on the accelerator. The car accelerated forward, and Mo Rao immediately grabbed the seatbelt, her face pale. "Fu Ying! Drive slowly!"

Fu Ying was filled with anger. He just didn't want to say it, so he could only vent it with his actions.

After hearing Mo Rao's frightened voice, not wanting to scare her, he couldn't help but slow down.

"Rao Rao, I know you won't forgive me easily, but don't joke around with your career. This is a very rare opportunity." Fu Ying told Mo Rao seriously, "I just hope that you can get better and better. The entertainment industry is a very cutthroat place. Opportunities are everywhere, but many people end up as one-hit wonders. You have to take advantage of your current popularity to stabilize your footing as soon as possible."

"I know all this. Besides, I still have my brother." Mo Rao was a little restless. Of course, she knew that Fu Ying was doing this for her own good.

But the more this was the case, the easier it was for her to waver.

Fu Ying frowned. "I know your brother's strength. You can go back and ask if he wants you to participate in Jia Li's next movie."

“Then I’ll go back and ask.” Mo Rao nodded. She only wanted to end the topic quickly and not let herself waver.

Fu Ying finally stopped talking about this, but he turned to ask Mo Rao, “Why did you go to the Qu family’s home today?”

Mo Rao replied, “Old Madam Qu hasn’t been feeling well recently, so Grandma recommended I treat her.”

So that was the case. Fu Ying was relieved, since he was afraid that something bad had happened to Mo Rao when she went to the Qu family’s home, but she refused to tell him and faced it alone.

“Did you enter the Qu family’s home to find evidence that your mother’s disappearance was a setup?” Fu Ying asked.

“Yes, Qu Xue and Qu Qin will only be punished if I get the evidence.” Mo Rao clenched her fists as her mother’s face appeared in her mind. She had a good memory. Even though her parents had passed away so many years ago, she still remembered them clearly.

“Have you thought of a way?” Fu Ying asked again.

Mo Rao shook her head. To be honest, she really had not thought it through. She just wanted to enter the Qu family’s home first. After so many years, Qu Xue and Qu Qin, those two vicious fellows, had probably long forgotten the sins they had committed, so how could they mention it so easily?

She had to get them to admit it personally. Otherwise, she had to find their two bodyguards from back then and think of a way to get useful information from them.

While she was thinking, the car had already arrived at her house. After Mo Rao came back to her senses, she unbuckled her seatbelt and said to Fu Ying, “Thank you. I’ll go back now.”

“Okay.” Fu Ying nodded. Seeing Mo Rao get out of the car, he couldn’t help but get out as well and chase after her. “Rao Rao!”

Mo Rao stopped in her tracks and was a little puzzled. “What’s wrong? Is there anything else?”

“I can tell you more about Qu Xue. I’ve investigated her before. She often goes to a private psychological clinic for therapy. As for the reason, it’s most likely what she did when she was young,” Fu Ying said.

“Really?!” Mo Rao was delighted, and her eyes lit up.

“Yes, really. Perhaps you can start from this aspect and find a breakthrough.” Fu Ying smiled. “You will definitely gain something.”

This information really helped Mo Rao a lot, so Mo Rao was overjoyed. She bowed and thanked Fu Ying from the bottom of her heart. “Fu Ying, thank you so much. This is very important to me!”

Seeing her excited expression, Fu Ying felt that everything he did was worth it. As long as she was happy, it was enough.

Mo Yuan, who had just returned, happened to see Mo Rao bow to Fu Ying. He wanted to rush over, but when he thought of Fu Ying’s efforts during this period of time, the hostility in his heart diminished and he wasn’t as angry anymore.

He walked over and looked at Fu Ying in disdain as he asked, “Why are you here again? You even made my sister bow to you?”

Fu Ying was very surprised that Mo Yuan didn’t rush over and push him away. He replied calmly, “Don’t worry, I didn’t bully Rao Rao.”

Of course, Mo Yuan knew that Fu Ying was infatuated with Mo Rao and would never hurt her.

“Brother, he helped me a lot, so I’m thanking him. Don’t be angry.” Mo Rao was also afraid that Mo Yuan would fight Fu Ying again, so she quickly grabbed his arm and explained softly.

Chapter 348: This Is an Investment

When Mo Yuan saw how nervous Mo Rao was, he was a little puzzled. Did he seem that unreasonable?

Or was it that his attitude towards Fu Ying in the past was too mean, causing Mo Rao to assume things?

He felt that Fu Ying was a scumbag and that he would hurt Mo Rao. That was why he was so wary. Besides, Mo Yuan really didn’t want Mo Rao to go back to Fu Ying. He could be friends with her, but not a couple.

"I understand. It's already so late. President Fu can go home now. We have to rest." Although Mo Yuan's words were still a little unpleasant, his attitude was much better than before.

Fu Ying could feel that Mo Yuan's attitude had changed, so he was in a better mood. Mo Yuan was Mo Rao's brother. If he could change Mo Yuan's impression of him, there wouldn't be so many obstacles when he pursued Mo Rao again.

"Alright, I'll go back now. Rest early." Fu Ying nodded and turned to leave.

Seeing his car leave, Mo Yuan quickly asked, "Rao Rao, tell me, he really didn't bully you, did he? Just now, you bowed to him really because he helped you and you were grateful to him?"

"Yes, Brother, don't be anxious. Let's go in first."

Mo Rao was the first to reach the living room. After she sat down on the sofa, she thought about which piece of news to tell Mo Yuan first.

She decided to talk about filming first.

"Brother, do you know Jia Li?" Mo Rao asked.

"I know. Didn't he win a big award not long ago? I admire his talent, and he's quite young!" Mo Yuan's tone was filled with admiration.

Mo Rao was silent for a few seconds before asking, "What would you think if I have the chance to participate in his next movie?"

"Of course it's a once-in-a-lifetime opportunity!" Mo Yuan confirmed without hesitation. "His movies are all very profound. Every character is very dynamic. You need a classic role as your representative work!"

With that, Mo Yuan guessed. "You said that Fu Ying did you a huge favor. Could it be that he recommended Jia Li to you?"

Mo Rao shook her head. "No, he and Jia Li are good friends. He wants Jia Li to choose me to be the female lead. Then, he will invest in that movie, regardless of the cost."

These words shocked Mo Yuan. "The female lead?"

"Yes, is it difficult to be the female lead in Jia Li's movie?" Mo Rao was a little uncertain.

"Definitely. The female leads in his previous movies are all doing very well now. Otherwise, why would so many people want to snatch the female lead role?" Mo Yuan frowned slightly. Of course, he hoped that Mo Rao could be the female lead in Jia Li's

next movie, but this was exchanged with Fu Ying's investment. Once Mo Rao accepted it, she would owe him a huge favor.

This was a very difficult choice.

"He said that he just wants my career to get better. He said that if I could accept it, he would never harass me during the filming or use this as an excuse to ask me to repay him for anything," Mo Rao added.

Mo Yuan was tempted again. "Are you sure he can do it?"

Mo Rao nodded. "He should be able to do it. I feel that he has changed a lot from before."

"Then what's there to hesitate about? Accept it!" Mo Yuan immediately slapped his thigh and decided. "This is a once-in-a-lifetime opportunity. If Jia Li is willing to let you be the female lead, don't hesitate and don't think that you owe Fu Ying a favor. This is an investment. If your performance is outstanding, there might be a higher return. He won't lose out and will earn a huge profit. What are you afraid of?!"

Mo Rao suddenly felt relieved. Mo Yuan was right. Fu Ying was investing. Risk and reward coexisted. Fu Ying was a businessman to begin with. She didn't owe him anything.

"Alright, Brother, it's decided then." Mo Rao relaxed. "As long as Jia Li is willing to let me be the female lead of the next movie, I'll go!"

"I believe you." Mo Yuan patted Mo Rao's shoulder. "You're the best!"

Mo Rao smiled. "Thank you, Brother. Actually, Fu Ying helped me a lot. I'm not talking about this. It's about Qu Xue."

At the mention of this, Mo Yuan's expression instantly turned serious. "Do you have any clues?"

"Grandma asked me to go to the Qu family's home to treat Old Madam Qu. Although I have an excuse to enter the Qu family's home, I can't get Qu Xue and the others to tell me about the incident, nor can I make them expose themselves," Mo Rao replied solemnly.

Chapter 349: Interview

Mo Rao's words made sense, so Mo Yuan asked, "So, does Fu Ying have a way?"

Mo Rao shook her head. "No, he doesn't have a way. Instead, he told me something very important that gave me a pathway to expose Qu Xue and Qu Qin completely."

"What is it?" Mo Yuan was very surprised.

During this period of time, he had not given up on searching for Qu Xue and Qu Qin's bodyguards from back then, but he couldn't find them. He could only take things slow. Could there be another way to find those bodyguards?

"Qu Xue has been undergoing therapy on and off all these years. Fu Ying said that it might be related to her plotting our mother's disappearance back then," Mo Rao replied.

Mo Yuan's eyes widened, and his heart skipped a beat. "Really?!"

If that was the case, it would be much easier for them. As long as they found the psychiatrist who treated Qu Xue or used Qu Xue's psychological problems to induce her to tell them what happened back then, wouldn't they get what they want?

"Really. Let's treat Fu Ying a little better in the future. I feel that he has indeed done a lot for us recently..." When Mo Rao said this, she was a little hesitant, but she felt that it was the right thing to do.

Mo Yuan was silent for a few seconds. With everything Fu Ying had done after they returned to the country, he was indeed a little conflicted. Although Fu Ying had made a huge mistake in the past, he was really trying his best to make up for it.

"Alright, I'll try not to be too mean to him in the future," Mo Yuan finally replied after a while.

Mo Rao smiled. "Okay."

That night, Mo Rao and Mo Yuan were in a very good mood. They felt that the opportunity to avenge their mother was approaching.

...

The next morning, Mo Rao called Fu Ying.

At this moment, in the Fu Corporation's headquarters conference room, Fu Ying was having a morning meeting. As he listened to the quarterly report from the higher-ups, his expression was a little cold. He had always been so serious and aloof at work that everyone felt a little frightened when they reported.

Suddenly, someone's phone rang. Everyone was shocked. Who was so bold as to forget to mute their phone in a meeting hosted by President Fu??

Then, they realized that the phone seemed to belong to Fu Ying.

Who had the guts to call President Fu during a meeting??

Fu Ying's expression darkened. He picked up his phone to see who was calling him and delaying his meeting. However, when he saw Mo Rao's name, his expression immediately changed. He even smiled as he picked up his phone before walking out.

He didn't want others to hear his conversation with Mo Rao.

Everyone was very stunned. Gu Hai immediately announced the suspension of the meeting. Other than Mo Rao, he couldn't think of anyone else who could receive such high-priority attention.

"Rao Rao." After picking up the call, Fu Ying called out very gently. If anyone in the meeting room saw this scene, their jaws would definitely drop.

Hearing Fu Ying's voice, Mo Rao felt a little embarrassed. She had rejected him so firmly yesterday, but today, she went back on her word.

She said awkwardly, "Fu Ying, is it convenient for you to answer the phone now?"

"Yes, as long as it's your call, I can answer it anytime." Fu Ying was very straightforward when he confessed. He didn't beat around the bush at all. This was something Mo Rao couldn't resist.

"I have something to talk to you about." Mo Rao mustered her courage and said, "About what you said about letting me be the female lead of Jia Li's next movie. I've discussed it seriously with my brother after I went back. If there's really such a good opportunity, I don't want to miss it."

The premise was that Fu Ying was telling the truth and Jia Li really accepted her.

The smile on Fu Ying's face became even brighter. "Of course it's true. I've never lied to you. When you have time, I'll arrange for you to meet Jia Li again and discuss it face-to-face."

"I have time today," Mo Rao immediately replied. She didn't want to waste any more time.

"Alright, then set a location and send it to me. I'll contact Jia Li immediately and set off to find you." Fu Ying was in a good mood when he thought of seeing Mo Rao again today.

Mo Rao also heaved a sigh of relief. "Alright, I'll send it to you later."

After hanging up, Fu Ying returned to the meeting room. Everyone was shocked to see him enter with such a happy expression on his face.

Chapter 350: Siblings Can Hold Hands Too

Mo Rao arrived at the coffee shop early. Not long after she sat down, she saw Fu Ying walking in with Jia Li.

"Director Jia, I'm sorry for troubling you to come out and meet me." Mo Rao stood up to greet Jia Li and shook his hand politely.

Jia Li looked at Mo Rao with a smile, then glanced at Fu Ying. "It's not troublesome. I also want to work with you. I noticed you when you won an award overseas."

After exchanging pleasantries, Mo Rao sat down while Fu Ying walked to her side and sat next to her.

A familiar scent wafted past. Mo Rao wanted to keep a distance from Fu Ying, but she remembered that Fu Ying had helped her a lot recently. In addition, there were in front of Jia Li, so Mo Rao didn't say anything else.

Seeing that Mo Rao didn't reject him, Fu Ying was secretly happy.

Was Mo Rao slowly starting to accept him?

Fu Ying knew that it was impossible for Mo Rao not to love him at all.

Mo Rao ignored the smug Fu Ying and went straight to the point. "Director Jia, I think Fu Ying has already told you that I went back and discussed it with my manager. I decided to seize the opportunity to collaborate with you on the new movie."

Jia Li smiled and said, "I know. Of course I welcome you. This female lead role was prepared for you."

Mo Rao was flattered.

"However, this movie won't start filming for another month or two. If you don't have anything else to film during this period of time, you can look at the script first." Jia Li took out a stack of scripts from his bag and handed them to Mo Rao.

After Mo Rao flipped it open, she saw a story about the gradual rise of an ancient town.

She couldn't help but think of what Jia Li had said before. He wanted to film a profound, oriental documentary film.

This movie was about traditional culture and the revitalization of the ancient town.

Coincidentally, Mo Rao was also quite interested in traditional culture. With this theme, they were definitely aiming to win an award. If she performed well in this movie, Mo Rao would be able to gain a foothold in the country's entertainment industry.

She flipped through it with relish and agreed. "Alright, I'll definitely read it carefully. Thank you so much!"

"That's because you're outstanding." Jia Li glanced at the silent Fu Ying and said, "You should thank our financial backer, President Fu. Without him, we wouldn't have the money to film this movie."

If it was in the past, Mo Rao definitely would have ignored him.

However, she had to think for her future, so she could only smile.

After discussing the cooperation, Mo Rao stood up to leave, but Fu Ying grabbed her in the parking lot.

"Fu Ying, although I'm very grateful to you, it doesn't mean you can touch me." Mo Rao shook off Fu Ying's hand and kept a distance from him.

Fu Ying took a step forward and smiled. "Siblings can hold hands too."

Mo Rao was speechless. Why was this person so unreasonable?!

She couldn't be bothered with Fu Ying and was about to leave when Fu Ying blocked her way again. "Rao Rao, Grandma asked me to ask if you're going back to the old residence for dinner tonight."

Mo Rao's first thought was that this was Fu Ying's excuse.

"Why didn't Grandma look for me directly?" Mo Rao rolled her eyes at Fu Ying.

"She was worried that you would be busy. When she heard that I was going to see you, she asked me to ask you." Fu Ying looked very serious and didn't seem to be lying.

Mo Rao thought about it and decided to go to the Fu family's old residence with Fu Ying.

During the month or two when she wasn't filming, she could use this time to stay in the Qu family's home.

After she treated Old Madam Qu last time, she had already gained her trust. This time, after Old Madam Fu's persuasion, Mo Rao would probably be able to go to the Qu family's home often in the future and even live in the Qu family's home.

This way, it would be more convenient for Mo Rao to expose Qu Xue's true colors.

"Okay, I'll go back with you."

Fu Ying didn't expect Mo Rao to agree so readily, so he smiled.

Every time she went to the Fu family's old residence, Mo Rao felt like she had returned to her own home.

It was rare for Fu Ying not to be snubbed, so he sat beside Mo Rao obediently and watched her chat happily with Old Madam Fu.
