

## After Leaving The CEO, She Stunned The World

### Chapter 391: You're Worth It

The sapphire and pure silver shone brightly. As Mo Rao looked at them, she didn't dare to accept them.

She didn't understand why Gu Ci was doing this. If he gave her a gift in front of so many people, wouldn't many people suspect their relationship?

Gu Ci seemed to have seen through Mo Rao's thoughts and added, "Miss Mo was my good friend when she was overseas and helped me a lot. It's just that she never knew that I was Mr. K. This is my return gift to her."

Although Gu Ci explained this, many people still didn't believe that Gu Ci and Mo Rao were just friends.

Amidst the discussion, Fu Ying stood in the corner and watched all of this with a cold expression.

Was Gu Ci trying to snatch Mo Rao from him? Was that why he returned to the country this time? He actually used a banquet to make people link him and Mo Rao together?

Fu Ying clenched his fists while feeling that he had encountered a formidable opponent.

Mo Rao could feel Fu Ying's sharp gaze. If not for the fact that everyone was watching, Mo Rao felt that Fu Ying would have rushed over and snatched this set of jewelry away, not letting Mo Rao accept it.

"Mo Rao, accept it. Treat it as a gift from me," Gu Ci said as he looked at Mo Rao.

"That's right. Mo Rao, just accept it."

"Only a fool would refuse!"

"Don't let Mr. K down..."

...

The people at the side hurriedly advised her—after all, this was a treasure that others couldn't obtain even if they spent hundreds of millions!

Mo Rao didn't want Gu Ci to be too embarrassed, so she could only bite the bullet and accept Gu Ci's kindness. She accepted the set of jewelry and said, "Thank you. I-I'm really too surprised..."

Faced with Mo Rao's gratitude, Gu Ci only smiled and said, "You're worth it."

The protagonist of this banquet wasn't only Mr. K, but also Mo Rao.

Mo Rao could already imagine the next day's trending topic.

As expected, before the banquet even ended, someone had already spread this matter on Weibo. Mo Rao quickly became the topic of discussion.

"Oh my god, Mo Rao is so popular with men! I've decided to treat Mo Rao as a goddess. This way, I might be able to rub off on her luck!"

"Mo Rao is really popular! Mr. K is so good to Mo Rao! I think Fu Ying is history by now."

"Uh... Am I the only one who thinks Mo Rao is sort of a b\*tch? She's involved with her ex-husband, but also has an ambiguous relationship with another man."

...

Mo Yuan was the happiest about this matter.

Before Mo Rao even left Gu Ci's villa, she received a call from Mo Yuan.

"Rao Rao! Mr. K is actually Gu Ci?!" Mo Yuan's excited voice came from the phone. "That's great. You don't have to worry about your fashion resources in the future."

Mo Rao said, "Don't rejoice too early. Go deal with the press first. Otherwise, I'll be linked to another man."

"What's wrong with that?!" Mo Yuan seemed to feel that regarding this matter, the bigger, the better. "Gu Ci is not bad. You can consider him. He's much better than Fu Ying."

He mentioned Fu Ying again.

Sometimes, Mo Rao felt that Mo Yuan was so desperate for her to get rid of Fu Ying that he accepted every man who pursued her.

They didn't know Gu Ci well at all, so Mo Rao couldn't figure out what kind of person he was. She only felt that he was sometimes cold and sometimes friendly. Now that he

suddenly gave her a big gift in front of so many people, she didn't understand what Gu Ci wanted to do.

Was it because Gu Ci liked her?

But when she was overseas, Mo Rao didn't feel that Gu Ci liked her.

Mo Rao's mind was a mess and the jewelry box in her hand was like a hot potato.

"Don't worry about the press. I'll handle it." Since Mo Rao didn't speak, Mo Yuan comforted her. "As for Gu Ci... spend more time with him first."

Mo Rao looked at Gu Ci, who was exchanging pleasantries with guests not far away. He was wearing a formal suit and had a distant yet polite smile on his face.

If it were any other woman, she would have fallen for him, wouldn't she?

However, ever since she separated from Fu Ying, Mo Rao seemed to have lost her ability to fall in love.

"Mo Rao, you're really lucky." At this moment, Lin Xia suddenly appeared in front of Mo Rao and looked at her jealously.

## Chapter 392: Hell Freezes Over

Mo Rao frowned slightly. She didn't want to see this woman.

After being here for so long, Mo Rao didn't even realize that Lin Xia was here.

"Lin Xia, whatever you want to say, just say it," Mo Rao didn't want to beat around the bush with Lin Xia and said bluntly.

"I don't want to quarrel with you." Lin Xia's attitude surprised Mo Rao. "I want to invite you to my birthday party."

Birthday party?

Mo Rao didn't know what Lin Xia was up to. Would she be so kind as to invite her to a birthday party?

Looking at Mo Rao's puzzled expression, Lin Xia explained, "I really underestimated you previously. Your acting skills aren't bad. You deserve to be the female lead of 'Butterfly Fragrance'. Therefore, I want to apologize to you."

Hearing this, Mo Rao felt baffled and shocked.

Lin Xia actually wanted to apologize to her?

However, Lin Xia didn't look like she was lying to her.

There was no irreconcilable conflict between Mo Rao and Lin Xia, and since Lin Xia took the initiative to make peace, Mo Rao didn't want to make things too difficult for her. Mo Rao agreed and asked, "Okay, when is it?"

Lin Xia smiled at Mo Rao and handed her an invitation. "Three nights later."

Mo Rao took the exquisite invitation and placed it in her bag.

The banquet quickly came to an end. Mo Rao was about to leave when Fu Ying stopped her.

"Rao Rao, I'll send you." Fu Ying's expression darkened when he saw the gift box in Mo Rao's hand, but he still tried his best to remain gentle to her.

"President Fu, your own matter hasn't been resolved yet, so don't get involved with Mo Rao anymore." Before Mo Rao could respond, Gu Ci walked to Mo Rao's side and snubbed Fu Ying.

Fu Ying frowned and clenched his fists. "I'll give evidence about Mo Xiao sooner or later."

"But not now." Gu Ci retorted with ease, "So, for Mo Rao's sake, you shouldn't disturb her anymore."

"As for her going home... I'll send her back." Gu Ci looked at Mo Rao with a gentle expression. "Can I?"

Mo Rao was also looking for an excuse to reject Fu Ying. Now that Gu Ci took the initiative to send her home, Mo Rao quickly agreed. "Of course."

"Mo Rao!" Fu Ying was indignant and grabbed her hand to ask her to stay.

However, Mo Rao shook him off coldly. "Fu Ying, just as Gu Ci said, treat it as doing this for my sake."

Fu Ying's body stiffened. For the first time, he didn't have the courage to grab Mo Rao's hand and could only watch as Mo Rao and Gu Ci left together.

While sitting in Gu Ci's car, Mo Rao didn't say a single word. Gu Ci was the first to break the silence. "Do you like that set of jewelry?"

Mo Rao came back to her senses and smiled at Gu Ci. "Yes, but... this set of jewelry is too expensive. I can't accept it."

She had accepted it just now purely to prevent Gu Ci from being publicly embarrassed. Actually, Mo Rao had already thought of returning this set of jewelry to Gu Ci.

Hearing this, Gu Ci stepped on the brakes and turned to look at Mo Rao. "I gave this to you, so don't worry about the price."

For some reason, Mo Rao felt an inexplicable sense of pressure.

"I designed it for you," Gu Ci continued.

For her?

Mo Rao was stunned. Could it be that Gu Ci really liked her?

She didn't dare to probe further. She didn't want to be in a relationship at all for the near future. She only wanted to focus on filming.

"Alright, then... thank you." Mo Rao could only accept this gift.

Seeing that Mo Rao had agreed, Gu Ci heaved a sigh of relief and drove her home.

"I'll stay in the country from now on," Gu Ci suddenly said on the way back.

"What about your company?" Mo Rao asked in surprise.

"The business overseas is already very stable, and my father will also manage some of the company's matters. I want to develop my domestic business." Gu Ci looked at the long road ahead as he replied, "So we can see each other a lot in the future."

For a moment, Mo Rao had mixed feelings.

Could Gu Ci have returned to the country for her?

However, Gu Ci didn't express his feelings for Mo Rao. He sent her home in silence.

"See you."

Before Mo Rao got out of the car, Gu Ci gazed at her deeply.
