

# Life at The Top – Chapter 1477

“Who are you guys? Who the hell are you guys?”

Vinny got up from the floor while struggling. His face was covered with blood and dirt as he opened his extremely swollen eyes. His vision turned red from his blood so he could not see Greg, Jasper, and the gang, who were sitting not far away from him.

He could only see their silhouettes.

Panic and anger caused Vinny to scream and roar. When Todd saw Vinny, he was also shocked.

One was the young master of Nawait Semiconductor Manufacturing and one was the boss of one of the biggest mobile phone manufacturing companies in the country. Thus, it was only natural that they knew each other.

Todd peered at Jasper secretly before he decided to wait and see what was going to happen.

Henry’s legs were crossed. When Jasper was talking to them, he was stuffing his mouth. Right now, he was full and the entertainment seemed to have arrived.

He did not know how Vinny offended Jasper and why Jasper had asked Julian to beat Vinny up before bringing him over. However, this did not prevent Henry from having an interest in him.

“Where did this fatso come from? Why the f\*ck are you screaming for?” Henry pressed his lips together and grumbled.

Vinny was furious and roared, “Who the hell are you? Do you know who I am? How dare you kidnap me? Do you want to die?”

“Hell..!”

Henry was amused.

“It’s been such a long time since I heard such an arrogant statement, Who are you? You’re just a f\*cking fat\*ss!”

“If you don’t watch your mouth, forget kidnapping, best believe that we’ll slice you into pieces and eat you with our noodles later!”

Vinny’s blood-covered face turned White from anger. He opened his eyes forcefully and saw Henry. Then, he saw Jasper and Greg beside him.

“Greg Costa?” Vinny exclaimed.

Then, he scoffed. “So, it’s you. You’re pretty ballsy for asking someone to kidnap me. You better let me go now and then send me out the door while kneeling on the floor respectfully. If not, you won’t be able to bear the consequences.”

“Vinny, you’re so arrogant even when you’re here.”

Greg looked at Vinny coldly and said with a chuckle. Since he had support, he was not scared anymore.

“F\*ck you, you dumb\*ss!”

Vinny did not show Greg any respect at all. He pointed a this nose and yelled, “I never expected you to play these dirty tricks on me.”

“Very well, fine. Since you want to play, I’ll play with you to the end. I will not leave this place and I want to see what you’re going to do to me, you idiot. I’ll kill you even if you kneel and beg for mercy later!”

“How arrogant.”

Jasper clapped his hand and said with a grin.

Vinny looked at him from the corners of his eyes. From what he knew, Greg was a small businessman with no background and skills. So, what VIP would a person like this know?

Therefore, he did not care about Jasper at all.

“Who are you? Do you think I need you to tell me if I’m being arrogant?” Vinny scolded.

The moment he finished saying that, Henry splashed a bowl of hot soup right on Vinny’s face and body.

The soup was still steaming hot and was very spicy. When it landed on Vinny, white smoke appeared from his body and he started screaming while struggling furiously.

“F\*ck you, you son of a b\*tch! Do you not understand me when I told you to watch your mouth? F\*ck you straight to hell!”

Jasper looked at Greg as the latter looked at Vinny who was wailing in pain while clutching his face. What this look meant was self-evident. Jasper wanted to hand the chance and power to exact revenge back to Greg.

Greg immediately understood what Jasper was planning. A hint of hesitation and struggle appeared in his eyes before he stood up to strode over to Vinny.

Jasper grinned as he watched Greg's back. He was very satisfied.

If a man did not dare to slap back someone who had first slapped them, then he deserved to die.
