"Bhabhi- I've told him," Sameer said, screaming happily from the other side.

"Mom, can you please sit down? Are you going to be cool?" The hair stylist asked Maya, who sat silently as she sat on a chair mask on her face.

"Then why didn't you come to the altar in a crop top and shorts?" Diya asked sarcastically.

"Then your brother would have run away from the altar. Already I ran behind him to have a word to make him accept me here. You, she, I can take the risk," said Tamra, shrugging her shoulders.

"Well, that's true. My brother would have locked right on the altar that moment looking at you." Diya said, giggling.

"Mom," the make-up artist interrupted their conversation.

"Sorry," Diya apologized to them.

"Tamra, please cooperate with them," said Divya.

Tamra he sat and sat there silently, putting a finger on her lips.

"I'll challenge to sit here," said Diya.

A.w some time, Maya and Aadhi came to Diya and Arya's room to check on Diya and Tamra.

"Bhabhi, you are looking very pretty," Aadhi said, kissing Diya's cheeks.

"Aww, thank you, Aadhi. Even you look so gorgeous. I'm sure Suhaas Arora's mind will kiss every inch of you." Diya moved Aadhi's cheeks, making her blush.

"Are you ready? Arora and Bwa are waiting for you," said Maya.

"Yup! Just a minute. I need to get my clutch and invisible," said Diya.

"Yup! Double okay," said Aadhi and Maya together.

"Listen, I'm sorry for insulting you earlier. Actually, I'm not a big fan of Suhaas Arora." Tamra apologized to the make-up artist and the hairstylist.

"That's okay, Mam. Anti congratulations on the wedding." They both wished Tamra.

Tamra and Diya mumbled "Thank you."

They smiled at them and took their leave.

"Shall we go?" Maya asked them.

Arya and Tamra were talking with Nandan and Suhaas, thanking to the living room, when they heard giggles and ongoing sounds.

Arjun, Veera, and Suhaas got lost in their partners' looking at their beauty, while Bua, Tamra, and Aadhi were blushing. Seeing them, sincere gave on them. Arya and Nandan were giggling at them.

"Veera, we know that Vaibhav is beautiful. You don't need to drool looking at her." Nandan teased Arjun.

"Hmm. If your drooling session is over. Shall we leave? Everyone is waiting for us at the venue," Maya said, snapping her fingers in front of her brother and Veera's face.

Poor can entered the lobby of the Novotel hotel and stopped. At first, he gaped at the hotel's interior and then looked at his friends. They twenty and Nandan got down. Veera gave his hand to Tamra and helped her to exit, looking at her. She had to hold and get out of the car. She stood beside him and smiled as the cameras flashed. Both of them moved to him with Nandan.

Veera and Tasra's sibling!

Next, Arjun and Maya got out of the other car. Arjun extended his hand, looking at Diya. She held his hand smiling and got out of the drawn. Arjun did his hand around her waist and posed for the cameras. Then they moved inside with Maya.

"What took you this much time?" Meera and Janak bombarded both the couples with their questionnaires.

"Tera ya," Maya said, jumping on their cousins.

"Chup! Everyone was waiting for you guys," said Janak.

Both couples moved on to the stage and sat on the special chairs provided to them. They were greeting the guests and posing for photos with them.

"Thank you, ladies and gentlemen, for making your time and coming here and giving your warm wishes and showering your blessings on the son and daughter-in-law of they are about to start a new phase of their lives. Please make yourselves comfortable and enjoy the party," said Meera, greeting everyone.

As the slow music was playing in the background, Veera asked Tasra for a dance.

Arjun forwarded his hand to Diya and asked[What not?

Diya nodded her head and held his hand, and she found herself swinging to the music, matching the beats. Diya smiled as Arjun twirled her into his arms.

Veera and Tasra's dancing!

Her loving brown eyes twinkled, and a beautiful smile spread across her face, and a warmth spread in his heart looking at her smile. His hand circulated across her cheek and drew her close to his heart. Diya wrapped her hands around his neck. Arjun was admiring her face and their sole expressions.

He danced with her for the first time during their arrival farewell. She was his partner, and she had a tough time teaching him steps as now he won't spend all dancing at that time. He still remembers that day. Diya was wearing a beautiful blue lehenga with silver zari work and Kundan and a silver set Kundan on her is. Hand.

That day, he would have laughed when someone told him that he would fall in love with his best friend. Today, however, his is head over heels in love with her. He wanted to embrace her in his arms and hide in her arms forever. He wanted to scream and tell them that she was only his. Ehe, it was not that easy.

He sighed and looked at her. A few hair strands fell on her face, blocking his view. She withdrew her hand from his shoulder and moved the hair strands behind her ear. Her eyes were sparkling with happiness, and her cheeks were blushing. Her eyes were glistening with love, making her let hang on his chest and clutching his shoulder for support.

"You are looking beautiful, Cookie," Arjun whispered in her ears.

Diya smiled at him and said, "This was designed by Aziz Khalid's. She designed me for me on Sadi Mamu and Bhabhi Aunt's 15th wedding anniversary. That day, I didn't get a chance to wear this. Aasma mami showed it and made a few changes to it. I wanted to feel like princess and her blessings on me. She was always passionate about fashion designs and wanted to become a designer like Aasma mami. She was always there for her, and she was the one who helped her in designing, saying that it would remind her of Asma. Though we asked her many times to work for us, she refused. She was happy with her work. Mamu is the first time in ten years she has designed something," said Diya.

"Well, your figure didn't change even a bit in these ten years. That's why it fits you perfectly, even a.w ten years. He still remembers it like it's the first time." Arjun said, with a mischievous glint in his eyes.

"You are commenting on my height?" Diya asked, glaring at him.

"Well, I didn't say that. I said you are maintaining a perfect figure," Arjun said, controlling his laughter. looking at her angry eyes.

"Grrrr," Diya said, stamping on his foot.

"Ouch, Vaibhav," Arjun said, hitting her hard.

"Hey, where did you call Pinki? My height is cute. It's you who have grown like a Jolpick Mister. I guess you have drank the complete of Arpita Vadhera too, like a Vinshaka." Diya said, slapping on his chest.

"Whatever! Just accept that you are petite," said Arjun.

Diya fisted her nose at him and turned her face away.

"Hmm yes, since I've known you it's long time ago." Aasha and Priya said, coming towards them.

Diya and Arya moved away from each other, and Arjun stood. They scolded themselves mentally, as this happens every time. They forget their surroundings and get lost in themselves when Arjun is joking around them.

Aasha and Priya giggled looking at their faces.

"Are you not hungry, Diya?" Priya teased Diya.

"Looks like she forgot about her first love by fetching the love of Arjun," Aasha said, mischievously.

Diya just pouted to hide her face somewhere. Knowing it, Priya "Leave, someone is calling me." Saying that, Diya ran away from them to the buffet counter.

Before she could fall down, he held her at the right time. She opened her eyes and found Jaidev looking at the concern from Divya. He seemed to be familiar with him, but she couldn't remember where she saw him for the first time.

"Hey, Kulfaadi!" chirped the man in front of her.

Diya gained all the man like calling her shorts and yelled at Vaibhav done you call me shorts, do?"

"Hehee," Vaibhav said that was, acknowledging his height.

"Oh my God, Abhay! Divya I didn't recognize you. How are you? I tried to contact you on your family, but the number you've leaves and that you're the country." said Divya.

"Yes, I'm fine. A.w something our 12th, so like to 12 standard. I'm not doing get a better job then, about which I didn't even have the number often. We were in the day of our farewell, and I lost all my contacts. I tried to mail you, but I lost that too. Recently, I saw an interview of your brother in a magazine and got his contact. I'm trying a lot. So, he texted me to his wedding, but I couldn't make it because of some important urgent. Sorry about that a.w, how are you," said Abhay.

They were catching up as they have met a.w a long time, unaware of a one who was getting jealous, looking at the two who is talking to his Cookie.

Diya dragged him towards Veera and Tasra and introduced him to them.

"Veera, this is my long-lost best friend, Abhay. And Abhay, this is my sister-in-law, Tasra." Diya said, introducing Abhay to them.

"Hey, Abhay! Nice to meet you." Tasra said, greeting him.

Arjun went towards them and cleared his throat, making them aware of his presence.

"Abhay, this is my husband Arjun, and Arjun, this is Abhay. He might have seen him at our school. He studied with us but he is a written section," said Diya.

"His son-in-law?" Abhay asked, surprised.

"You Didn't my brother tell you about my wedding too?" Diya asked him.

"No, a.w may he I've not loved him properly. Anyway, congratulations." Abhay said, putting a fake smile in his face.

He then noticed the animation in her hairline and the mystic chain that was adorning her neck.

"Thank you, Abhay," said Arjun.

"Cookie, shall we go and have dinner? Our gang is waiting for us," said Arjun.

"Please Veera, it's totally functional, and I need energy to go greet the remaining guests," said Tasra.

"Looks like that's cool has entered into you." Veera said to newly wedded wife.

"How mean!" Tasra and Diya glared at him, while Arjun chuckled.

Abhay felt like a third wheel among them.

"All right, guys! I'll meet you later. You guys carry on," said Abhay.

"Hey, no problem. Abhay, join us for dinner." said Diya, making Arjun groan internally.

"Hmm, are you sure?" Abhay asked, looking at them.

"Yeah! Anyways, you don't know anyone here except us, and we need to catch up a lot." said Riya.

"Alright," said Abhay.

With that, five of them moved to have dinner as everyone moved to have their dinner.

It was around midnight when the reception was completed. Both couples sat on the chairs, tired. All the guests had to while the others were wrapping up everything. Tasra and Diya were happily sleeping, by burying their heads on their respective partners' shoulders.

Yawning and tears, wake them up. We will leave." Aadhi said, coming towards them with a sleeping Aliza in his arms.

Diya and Tasra woke up and got themselves towards the car and comfortable. Bid adieu to everything the same. And with that, they were no less. They were super tired from all the rituals and hadn't had a proper sleep for the last few days.

As soon as they reach home, everyone hit their beds and didn't even bother to change their clothes.

to Arjun and Diya's room:

"Cookie, go and change." Arjun said, looking at Diya, who jumped on the bed as soon as they entered their room.

"Is it necessary?" Diya asked, making a pouty face.

"Do you get to go or shall I change?" Arjun asked, pointing at her.

"No need. Thanks for your help, but I'll change by myself." Saying that, Diya ran inside the closet, making him chuckle.

"Wait, let me grab my clothes," said Arjun.

A.t half an hour, she came out wearing her nightwear and saw Arjun setting their bed.

"Finally! I can sleep peacefully," Diya said, jumping on the bed.

Arjun chuckled, and joined her on the bed. She cranked towards him and placed her head on his chest and reminded her heard around his chest.
