

Little Sweet 1511

Chapter 1511: Blood is thicker than water

However, Ye Wanwan was troubled. How should she investigate this...

The woman glanced at Ye Wanwan before asking Madam Nie, "Mom, this is...?"

"Worriless, she's Ye Wanwan, your brother's good friend. She's the one your brother troubled to look after Tangtang back in China," Madam Nie replied.

The woman was startled by Madam Nie's answer and carefully examined Ye Wanwan, a tinge of nearly indiscernible hatred surfacing in her eyes.

"Heh... So it's Miss Wanwan..." The woman concealed her hatred and smiled at Ye Wanwan. "Isn't Miss Wanwan Chinese? How did you come to the Independent State...?"

"What does it have to do with you? Is it any of your business?" Nameless Nie glanced at the woman.

"Brother, Miss Wanwan is your friend, and I'm your sister, so isn't it normal for me to show some curiosity when a friend visits the Nie residence?" The woman had a deep frown.

Before Nameless Nie could respond, the woman turned to Madam Nie with an aggrieved expression. "Mom... Does Brother hold some bias against me...?"

Madam Nie glared fiercely at Nameless Nie.

Then the woman turned to Ye Wanwan and said, "Miss Wanwan... You're my brother's friend, so you're naturally a friend of the Nie family as well... Thank you for taking care of Tangtang back in China, Miss Wanwan. That child is difficult to get along with and take care of..."

"As Tangtang's mother, I didn't fulfill my duty. I'm truly apologetic that I had to trouble Miss Wanwan."

Ye Wanwan calmly replied, "It's nothing. Tangtang and I got along rather well."

"Yes..." The woman nodded. "After Tangtang came home, he missed Miss Wanwan a lot. However... I'm Tangtang's mother, and blood is thicker than water. Tangtang now understands this principle and knows what genuine blood relations are. Outsiders are outsiders, after all, and can't compare to his own mother. Now, Tangtang and I get along very well..."

Ye Wanwan's brows furrowed minutely when she heard this woman's words.

Worriless Nie's words were a bit vague, but Ye Wanwan could understand her meaning.

"Heh... If Miss Wanwan likes children, she can have a few of her own. No matter how dearly you love other people's children, it's pointless, isn't it?" Worriless said meaningfully.

Ye Wanwan didn't respond.

If this woman really was Tangtang's biological mother, Ye Wanwan absolutely wouldn't disturb her and Tangtang.

However, Yi Shuihan said last time that he suspected this woman's identity. It was possible she wasn't Tangtang's mother and was a fake...

Ye Wanwan also had her doubts though. How could a mother not recognize her own daughter? Couldn't Madam Nie tell if this Worriless Nie was fake or not? She wouldn't be surprised if it was Nameless Nie who couldn't recognize his own sister though.

On the other hand, Ye Wanwan had an inexplicable sense of trust in Yi Shuihan.

This was related to Tangtang's life, and she went through fire and water with Nameless Nie, so she had to investigate this matter thoroughly...

Of course, it would be a happy ending for everyone if she could prove this woman was Worriless Nie herself.

"Miss Nie is right, however... I promised Tangtang I'd come to the Independent State to visit him before," Ye Wanwan said.

Nameless Nie didn't allow the woman to reply before saying, "What? Do you have an objection to me bringing my friend home for a visit?"

The woman glanced at Nameless Nie. "Visiting is fine, but you have to assess the circumstances and timing, Eldest Brother. If it was someone else, I would naturally welcome them enthusiastically, but Miss Wanwan has a unique relationship with Tangtang. Moreover, Tangtang doesn't want to see Miss Wanwan."

Chapter 1512: Insult the sky, insult the earth, insult the air

Madam Nie glanced at the woman and gently said, "Worriless, Miss Wanwan is a guest and also your brother's friend."

"Mom... I'm not targeting Miss Wanwan, but the situation is unusual anyway... I don't think Tangtang wants to see her either," the woman said to Madam Nie.

"Enough, Worriless, don't be so inconsiderate." Madam Nie's brows were furrowed as she looked at Worriless Nie.

Since Madam Nie said that, the woman had no choice but to nod and quietly say, "Mom, I didn't mean anything by it."

Undisguised loathing surfaced in the woman's eyes. She remembered that Madam Nie disliked this woman a lot in the video call last time, so why did her attitude change today...?

Also, wasn't this woman from China? Why did she suddenly run to the Independent State and show up at the Nie residence?

"Wanwan, Worriless isn't purposefully targeting you, so don't take it to heart," Madam Nie comforted Ye Wanwan with a smile.

Ye Wanwan nodded with a smile of her own. "Auntie, no worries. I understand."

Nameless Nie stood on the side and couldn't help but shake his head. Look at the gigantic difference between Worriless Nie and Boss Famous!

Before Madam Nie could continue, Nie Linglong entered the living room with a young man and young woman behind her.

"Greetings, Madam Nie."

The two youths greeted at the same time while looking at Madam Nie.

Madam Nie nodded and turned to Nie Linglong. "Linglong, these two are...?"

"Mom, they're students from Scarlet Flames Academy, so they're technically my junior brother and sister. They were passing by Nie District today and came to visit," Nie Linglong replied with a smile.

Madam Nie nodded.

Both Worriless Nie and Nie Linglong were legendary students at Scarlet Flames Academy back then, so it was normal for students to visit.

"You must be Senior Sister Worriless Nie..." the young woman standing behind Nie Linglong said with a smile as she looked at Worriless Nie.

"Worriless Nie" nodded and replied, "I am."

"Senior Sister Worriless is our Scarlet Flames Academy's legend... You once created many records at the Academy... It's truly an immense honor to be able to meet Senior Sister Worriless today..."

"Worriless Nie" immediately shook her head. "It's nothing. All the records I created were broken by Linglong, so if we have to name Scarlet Flames Academy's legend, it's Linglong who deserves the title. I still have much to learn compared to Linglong."

The Scarlet Flames students naturally knew about Nie Linglong breaking Worriless Nie's records. Just as Worriless Nie said, there was indeed a great difference between her and Nie Linglong.

"Wow, I never knew. When did you become so low-profile and humble?" Nameless Nie glanced at "Worriless Nie."

Although Nameless Nie could count the number of times Worriless Nie returned to the Nie residence with one hand, he had never forgotten her personality.

She would insult the sky, insult the earth, and insult the air. She only allowed herself to be stronger than other people, and other people couldn't be stronger than her.

Back then, when Worriless Nie returned to the Nie residence and ran into Nameless Nie, she insisted on comparing notes with him.

A mere three moves and Worriless Nie was defeated by Nameless Nie. However, Worriless Nie wouldn't accept the outcome and kept challenging him but never lasted more than three moves.

In the end, while Nameless Nie was sleeping, Worriless Nie snuck into his bedroom and tied him up with a rope. She threatened him by saying she wouldn't release him unless he admitted defeat.

Chapter 1513: Always replaced

Nameless Nie had no choice but to surrender and admit defeat to regain his freedom.

Now, someone with Worriless Nie's personality would actually admit she was weaker than Nie Linglong? What a serious change in personality.

"Worriless Nie" glanced at Nameless Nie before indifferently saying, "Eldest Brother, we're a family after all. Younger Sister Linglong is stronger than me, so she's stronger than me. Why must I try to compete with her? Anyway, it's the truth that she's stronger than me, and I still have much to learn before I can compare to her. Even if I don't admit it, it's still the truth."

Nameless Nie was too lazy to respond to her. It had nothing to do with him regarding which of the two was stronger.

Nie Linglong had a bright smile on her face until she suddenly saw Ye Wanwan from the corners of her eyes. She started. Why was this woman at the Nie residence?!

"Why are you here?!" Nie Linglong asked with a frown while staring at Ye Wanwan.

"Heh, Younger Sister, Miss Wanwan misses Tangtang, so she specifically came to the Independent State from China in order to see Tangtang," Worriless Nie answered with a snort.

Nie Linglong was startled. She saw this woman at the Ji residence last time, but wasn't her name Bai Feng...? And didn't she have a good relationship with Ji Xiuran? Why was her name Wanwan now...?

Nie Linglong suddenly realized something, and emotions raged through her eyes.

Wanwan... China... Once took care of Tangtang...

Nie Linglong stared at Ye Wanwan, her fists clenched and a cold glint flickering through her eyes.

If that was true, then this woman in front of her was most likely the true Worriless Nie...

Back then, Nie Linglong learned from Spray of Flowers that Feng Xuanyi once told them this woman was the true Worriless Nie...

After that, Nie Linglong hired quite a few mercenaries from the Independent State to eliminate her.

Unfortunately, they didn't succeed...

Who would've expected this d*mn woman would actually come to the Independent State?!

No wonder... No wonder Ji Xiuran treated this stupid woman like that...

Ji Xiuran probably knew her true identity. Otherwise, why would he be so intimate with her? Even if Ji Xiuran didn't know, he had to have been attracted by her inherent nature!

However, the only fortunate thing was that Worriless Nie seemed to have lost her memories. This was more than enough for Nie Linglong.

Her identity would be forever replaced by someone else!

“Heh, so it’s Miss Wanwan. We meet again,” Nie Linglong greeted Ye Wanwan with a light chuckle.

Ye Wanwan nodded calmly.

She could feel her head swimming; she had completely forgotten about Nie Linglong.

Several days ago, she went to the Ji residence with Bai Feng’s identity and coincidentally ran into Nie Linglong. Now, she came to the Nie residence with Ye Wanwan’s identity and ran into Nie Linglong again...

If Nie Linglong exposed her identity like this, the Fearless Alliance would probably...

She had to start making plans now.

“Oh right, if Miss Wanwan likes children so much, why don’t you have one yourself...? Why are you so fixated on my sister’s child? Isn’t that a little improper, Miss Wanwan?” Nie Linglong asked Ye Wanwan with a smile on her lips.

The two young mercenaries next to Nie Linglong also examined Ye Wanwan when they heard that.

Before Ye Wanwan could reply, a young man entered the house.

The man swiftly walked toward Nie Linglong and quietly spoke next to her ear.

Ye Wanwan was startled when she saw this young man, surprise surfacing in her eyes.

Chapter 1514: Could it be that I’m the real Worriless Nie?

This man looked very familiar... as though she’d seen him before...

Ye Wanwan abruptly recalled how she was assassinated for no reason back in China... And this man was amongst the group that hunted her...

Turbulent emotions stormed through her mind.

This man looked like he was under Nie Linglong...

Could it be that the mastermind behind my assassination was Nie Linglong?!

However, I wasn’t connected with Nie Linglong in any way back then and didn’t know her, so why did she want to assassinate me? What was her objective?!

Many details surfaced in Ye Wanwan’s mind in an instant.

When Nameless Nie went to China back then, he said he wanted to find his younger sister, Worriless Nie... He even once said I resembled his sister...

Later, Tangtang came to China to search for his mother, and we met.

After “Worriless Nie” was found in the Independent State... Nameless Nie suspected this Worriless was a fake.

*Even Piece of Sh*t, Yi Shuihan, asked me to help him investigate.*

Coincidentally, before I left China, Nie Linglong sent people to assassinate me...

Could it be...

Shock and disbelief enveloped Ye Wanwan...

Hypothetically speaking, what if she was Worriless Nie...

Ye Wanwan felt like something was off about it still.

If she really was Worriless Nie, then Nie Linglong was her younger sister. So why did her sister want to kill her?

Moreover, Nameless Nie would be her brother and Madam Nie would be her mother.

Could it be that her real brother and mother couldn't recognize her at all?!

Wasn't this too unbelievable...

No matter what, Nie Linglong and the man who tried to kill her had an undeniable connection!

Ye Wanwan glanced at Nie Linglong and smiled indifferently. "You have a good relationship with your elder sister indeed. Brother Nameless told me that you were adopted by Worriless Nie when you were young. If it weren't for Worriless Nie, you would've died on the outside already. There's no way you would've become a daughter of the Nie family and sat in a bed of luxury and honor, nor would you have been able to go to some Scarlet Flames Academy and become a legendary student."

When Nie Linglong heard Ye Wanwan's words, her face darkened immediately, especially when Ye Wanwan said "adopted," but she quickly concealed it.

"Heh, yes. It appears you do have a good relationship with my eldest brother. He even told you about this... That's right, I was adopted by Elder Sister. If it weren't for Elder Sister, I would be dead already." Nie Linglong smiled. "I'm very grateful toward Eldest Sister Worriless."

"Then as her younger sister, why did you purposefully break Worriless Nie's records at Scarlet Flames Academy?" Ye Wanwan intentionally asked with a curious expression.

Nie Linglong narrowed her eyes, surveying Ye Wanwan.

Before Nie Linglong could reply, the female mercenary student behind Nie Linglong snorted and looked at Ye Wanwan. "What does that have to do with you? How could an insolent nobody like you comment about our Scarlet Flames Academy's business?"

The male student also coldly butted in. "You should get your role straight in your head before visiting someone's house."

"F*ck you!" Nameless Nie swung his hand and ruthlessly slapped the top of the male student's head.

A second later, the male student flew several meters back and landed harshly on the floor with a bang.

Chapter 1515: Adopt as a foster daughter

Nameless Nie's sudden outburst caught everyone off guard; even Ye Wanwan froze in her spot.

"Who do you two little b*stards think you are? Is my sworn brother someone you can ridicule?" Nameless Nie shouted indignantly while pointing at the two mercenary students.

Nameless Nie stared at them. "I'll give you three seconds. When I count to one, I'll beat you to death if you're still in front of me."

"Eldest Brother, what are you doing?!" Nie Linglong walked forward and looked at Nameless Nie.

"What bullsh*t junior brothers and junior sisters do you have? How dare they speak to my friend like this?" Nameless Nie said.

"Eldest Brother, they just have straightforward personalities and speak the truth without thinking! How could you have attacked them?!" Nie Linglong questioned.

"Eldest Brother, you truly went too far!" "Woriless Nie" also added in agreement by the side. "If word of this gets out, what would happen to the Nie family's reputation?!"

"What? You both want to revolt?!" Nameless Nie glanced at "Woriless Nie" and Nie Linglong. "I'm the oldest brother in this family. Whatever I say goes! If you don't respect the friends I bring back, that's slapping my face! Don't blame me for skinning you two!" Nameless Nie coldly declared.

Ye Wanwan dazedly stared at Nameless Nie.

His sense of protection is freaking brimming to the max! Why didn't I find out about this before... Should I treat him better in the future...?

"Nameless Nie, you're acting rudely!" Madam Nie suddenly reproached.

"Mom, my friend was just randomly chatting about domestic trivia, how is that..." Nameless Nie asked her.

"I'm calling you insolent, not Wanwan." Madam Nie frowned.

"Hmph! I've been insolent since I was born!" Nameless Nie snorted, but he didn't say anything else.

"We'll leave now..."

the two mercenary students said to Nie Linglong and Madam Nie.

Before leaving, they fiercely glared at Ye Wanwan and studied her face before leaving the Nie residence without looking back.

"Miss Wanwan, we have business at home today, so please head back now. We won't be seeing you out," "Woriless Nie" said coldly while staring at Ye Wanwan.

Before Ye Wanwan could reply, Madam Nie countered. "Since you're here already, you should stay for lunch. Tangtang should be back soon."

"Mom..." Nie Linglong looked at Madam Nie with incomprehension.

"This is your brother's friend. Don't be so rude!" Madam Nie's brows were closely furrowed together.

Even Madam Nie herself didn't understand why her affections for Ye Wanwan grew the more she looked at her or why she wanted Ye Wanwan to stay longer.

"Thank you, auntie..." Ye Wanwan smiled sweetly at Madam Nie.

A smile automatically spread across Madam Nie's face when she saw Ye Wanwan's beam.

"Oh right... Wanwan, Nameless said you're sworn brothers with him just now?" Madam Nie asked all of a sudden.

Ye Wanwan was startled. When did she become sworn brothers with Nameless Nie... It was all made up by Nameless Nie...

However, since Madam Nie asked, Ye Wanwan couldn't make Nameless Nie lose face, so she nodded and replied, "Um... yes... Brother Nameless and I are sworn brothers..."

"Ah." Madam Nie contemplated for a moment before suggesting, "Since it's like that, how about I adopt you as my foster daughter, Wanwan?"

Disbelief filled the faces of Nie Linglong and "Worriess Nie" when they heard that.

The madam of the Nie family wanted to adopt this woman as a foster daughter?! What kind of joke was this?!

Ye Wanwan herself was also astonished. They just met, but Madam Nie wanted to take her in as a foster daughter...?

Chapter 1516: The landlord's foolish son

Ye Wanwan was stuck in a daze. Madam Nie's decision to adopt her as a foster daughter came too suddenly. She was completely caught off guard.

Before Ye Wanwan could say anything, "Worriess Nie" frowned at Madam Nie. "Mom... You're the madam of the Nie family. It's no small matter for you to adopt a foster daughter... Moreover, this is your first time meeting Miss Wanwan; you don't know her well enough. How could you adopt her so easily...?"

"Mom, Sister Worriess is right. We should wait until Dad is back and discuss this matter before deciding..." Nie Linglong hastily interjected as well.

"What nonsense are you two saying?!" Nameless Nie glanced at his two sisters before turning to his mother and grinning. "Mom... I think Wanwan is rather nice. With our relationship, it'd be no problem at all for you to adopt her as your foster daughter."

"But Dad isn't back yet. Isn't this too impulsive?" Nie Linglong looked at Worriess Nie as she spoke.

Nameless Nie pursed his lips. "Dad hasn't come back for a long time. There's an 80% chance he's been seduced by some vixen on the outside..."

"Insolence! A mouthful of nonsense!" Madam Nie fiercely glared at Nameless Nie.

Ye Wanwan: "..."? *Talking about his father like this... Is Nameless Nie dim-witted...?*

Madam Nie turned to Ye Wanwan and smiled. "Wanwan, what do you think?"

"Auntie..."

Ye Wanwan was about to speak when she was interrupted by Madam Nie. "It's a bit sudden, so how about you consider it for a few days first, Wanwan?"

"Alright." Ye Wanwan nodded.

As Nie Linglong was about to say something, the Nie family's steward entered the living room and respectfully said to Madam Nie, "Madam... The Shen family's Eldest Young Master is visiting."

"The Shen family's Eldest Young Master?" Madam Nie looked pensive.

As one of the four great clans of the Independent State, the Shen family was loaded with money. There wasn't a single group in the Independent State that could compare to them.

The Independent State revered martial arts, so all the patrician families and factions were immersed in martial arts.

However, the Shen family was an exception. They only prioritized business.

The entire Independent State, from restaurants to real estate and construction, was almost completely monopolized by the Shen family.

And the Eldest Young Master of the Shen family was the heir.

"God of Wealth is here?!" Nameless Nie became elated. "Hurry... hurry and invite him inside!"

The steward nodded and quickly left.

A moment later, a young man wearing cyan form-fitting clothes sauntered into the Nie residence's living room.

"Hahaha, Old Pal Shen, long time no see." Nameless Nie hastily walked forward to greet Eldest Young Master Shen as soon as he entered.

"Brother Nie, here, a greeting gift." Eldest Young Master Shen took out a bar of gold and handed it to Nameless Nie.

"Old Pal Shen!" Nameless Nie looked displeased. "What are you doing?! What are we? We're sworn brothers! Why are you giving me a gold bar for nothing? Aren't you slapping my face?! Don't do this next time!"

As Nameless Nie finished speaking, he hastily put away the gold bar.

"Brother Nie, I understand! I'll give you a gold brick next time!" Eldest Young Master Shen quickly replied.

Ye Wanwan: "..."? *Where did this oddball come from...?*

“Come, you’ve worked hard, Steward.” Eldest Young Master Shen took out a gold bar and handed it to the elderly steward.

“Thank you, Eldest Young Master Shen.” The elderly man nodded at the young man in thanks.

The elderly steward was already used to Eldest Young Master Shen giving him gold bars or cash every time he visited.

Chapter 1517: Watch your words

“Come, Worriless, Linglong... Long time no see, take your greeting gifts.” Eldest Young Master Shen walked to them.

“Thanks, but we’re fine...” Nie Linglong said.

“Pretentious!” Eldest Young Master Shen glanced at them before strolling toward Madam Nie. “Auntie Nie... here’s your greeting gift!”

“Um...” Madam Nie was a bit embarrassed as she looked at the gold bar he handed to her but accepted it in the end.

“Here, a greeting gift. Take it!” Eldest Young Master Shen walked to Ye Wanwan and lavishly pulled out a gold bar for her.

Ye Wanwan: *“...” Where did this foolish son of the landlord come from? I don’t know him at all... but he’s going to give me a gold bar without even asking...?*

“Thank you!” Ye Wanwan smiled at Eldest Young Master Shen and accepted the gold bar unabashedly.

Only a fool would decline it!

“Oh right, who’s this beauty? I’ve never seen her before?” Eldest Young Master appraised Ye Wanwan up and down.

“...” Why did you give me a gold bar if you’ve never freaking seen me before...?

“Old Pal Shen, she’s my sworn brother!” Nameless Nie replied instantly.

Eldest Young Master Shen nodded and turned to Ye Wanwan. “Beautiful miss, do you have a boyfriend? Are you married?”

“Old Pal Shen, why did you come here today?”

Nameless Nie asked curiously before Ye Wanwan could reply.

“Ah... good question.” Eldest Young Master Shen beamed. “I came to invite you to my break-up banquet! You all have to come!”

Eldest Young Master Shen quickly took out invitation cards and handed them to Nameless Nie and the others.

“Old Pal Shen, don’t worry! Whoever doesn’t go will be a grandson!” Nameless Nie was brimming with excitement.

Soon, Eldest Young Master Shen distributed the invitations to Nie Linglong and “Woriless Nie” as well.

“Beautiful miss, you should come too!” Eldest Young Master Shen walked to Ye Wanwan. He took out another invitation and handed it to her.

“...” *Break-up banquet...? What the heck is that...?*

Ye Wanwan planned to reject the invitation when Nameless Nie leaned into Ye Wanwan’s ear and quietly told her, “Sister Famous... This is a moneybags’ banquet... If you go, they’ll give gold bricks and such...”

“I’ll definitely come.” Ye Wanwan accepted the invitation politely.

“Alright, we have a deal then.” Eldest Young Master Shen nodded and turned to Madam Nie with a smile. “Auntie Nie, I’ll take my leave now.”

After receiving a response from Madam Nie, he turned and left.

As Ye Wanwan watched the landlord’s foolish son leave, she couldn’t help but marvel inwardly, *Ah, he’s a serious spendthrift...*

Regardless of how rich the Shen family was, could they endure their eldest young master’s squandering? He would give out gold bars as greeting gifts and gold bricks for attending his banquet... Wasn’t the richest family in the Independent State, the Shen family, too extravagant?

“I’ve gotten two gold bricks this year already!” Nameless Nie quietly exclaimed to Ye Wanwan. “I’ve attended his break-up banquet twice this year; this is the third time.”

Ye Wanwan: “...”

Before Ye Wanwan could respond, an immensely familiar voice was heard outside the living room.

Soon, Tangtang, wearing a little black suit with a bow tie, slowly entered the living room with an aloof expression.

“Grandma, I’m back,” Tangtang greeted as he looked at Madam Nie sitting in the chief seat.

“Little thing, where did you run off to play?” Nameless Nie asked the boy.

Tangtang expressionlessly glanced at Nameless Nie. “Uncle, please be mindful of your wording.”

Chapter 1518: Don’t want Tangtang to be cold-blooded

“Tangtang...” Ye Wanwan called out softly while looking at the nearby Tangtang.

Tangtang’s expression became obviously startled when he heard Ye Wanwan’s voice and reflexively turned to look at her.

Disbelief emerged in Tangtang’s detached gaze, which was quickly replaced by excitement and joy.

“Mommy...?” Tangtang immediately walked toward Ye Wanwan and carefully examined her, afraid he was imagining things.

“Worriess Nie”’s expression darkened when she heard how Tangtang addressed her, and a cold glint flickered through Nie Linglong’s eyes.

Blood was truly thicker than water. The real Worriess Nie had clearly lost her memories, and Tangtang also didn’t know she was his mother, but he still acted so familiarly with her... and so aloof toward the fake Worriess Nie who was pretending to be his mother...

“Tangtang, what are you saying?! Who are you calling ‘Mommy’?!”

“Worriess Nie” stared at Tangtang with a deep frown.

Tangtang glanced at “Worriess Nie” but quickly looked away with no desire to pay attention to her. All his attention was focused on Ye Wanwan.

“Mommy... how come you’re here in the Independent State...? Weren’t you in China, Mommy?” Tangtang couldn’t understand why Ye Wanwan was standing right in front of him.

China was too remote from the Independent State. Normal people weren’t familiar with the Independent State, and many people had never even heard of it.

Moreover, people who wanted to enter the Independent State needed a special permit.

“I’ve been here a while... I’ve wanted to visit Tangtang for a long time, but it hasn’t been convenient,” Ye Wanwan replied with a smile.

Tangtang shook his head and said, “Mommy, you can treat the Nie residence like your own home and visit me at any time...”

He turned to Nameless Nie and asked, “What do you say, Uncle?”

“Oh... I shouldn’t talk. I’m afraid my wording will be problematic,” Nameless Nie answered.

Tangtang became expressionless. “Are you sure, Uncle...? If Grandma learns...”

“Hahaha!” Nameless Nie laughed before Tangtang could finish speaking. “Little darling, look at what you’re saying... Wanwan looked after you for so long in China, so of course she should treat the Nie residence like her own home now that she’s in the Independent State. Is this even a question? You’re too inconsiderate, child...”

Ye Wanwan: “...”

“Tangtang, don’t be so inconsiderate. She’s not your mom. You can’t call people your mom carelessly,” Nie Linglong said to Tangtang.

“I don’t mind having another mommy,” Tangtang said.

“You don’t mind, but your mom minds,” Nie Linglong retorted.

“Linglong... enough... This is all my fault... It’s my fault that I was forced to leave home due to an accident and abandon Tangtang...”

“Worriless Nie” looked woeful like she had suffered some immense grievance.

“Sister Worriless, don’t say that... You had your reasons... Anyway, aren’t you back now?” Nie Linglong comforted her.

Nie Linglong turned to Tangtang. “Look... Look at how sad you made your mom, Tangtang!”

Before Nie Linglong could say anything more, Madam Nie interrupted with a slight frown. “Alright, that’s enough.”

“Mom!” Nie Linglong turned to Madam Nie.

“It’s human nature that he developed affection after Wanwan looked after Tangtang for so long in China. What? Do you want Tangtang to be cold-blooded instead?” Madam Nie asked Worriless Nie and Nie Linglong.

Chapter 1519: Take Tangtang out to run errands

Nie Linglong and “Worriless Nie” secretly looked at each other. It appeared Madam Nie was a bit biased now.

However, that was fine. There was no way this woman could stay in the Nie residence forever, and they had millions of ways to make Madam Nie and Tangtang dislike this woman!

Soon, Madam Nie told everyone to start eating, and lunch commenced.

At the table, Tangtang kept introducing the Nie family’s characteristic dishes to Ye Wanwan. He didn’t eat much himself but picked up nearly all the delicious dishes and placed them into Ye Wanwan’s bowl.

“Worriless Nie” and Nie Linglong’s face were so dark that ink could start dripping at any second, but they couldn’t comment on it too much right now.

After lunch, Tangtang stuck to Ye Wanwan’s side and grasped her hand, unwilling to let her go for a single second in fear of Ye Wanwan escaping.

“Mommy, you should stay here,” Tangtang suggested while looking up at her.

Nie Linglong didn’t allow Ye Wanwan to respond before interjecting, “Tangtang, don’t cause trouble. Your auntie has her own business to attend to.”

Ye Wanwan smiled softly and said, “I don’t have much to do these next few days. If Auntie Nie doesn’t object, I can stay here to keep Tangtang company.”

Tangtang immediately turned around and looked at Madam Nie pitifully, “Grandma...”

“Of course you can,” Madam Nie replied with a smile.

“There aren’t any spare rooms in the house,” Nie Linglong said with a furrow of her brows.

“That’s fine. Mommy can sleep with me. Both my room and bed are big,” Tangtang retorted coldly.

Tangtang looked at Ye Wanwan. “How about you sleep with me, Mommy?”

“Sure.” Ye Wanwan nodded.

It was only after Ye Wanwan agreed that a smile spread across Tangtang’s face.

“Wanwan, don’t you have something to do this afternoon? Let’s go; I’ll drive you.” Nameless Nie wiped the grease from his mouth and stood up.

Ye Wanwan was startled. *?I have something to do?*

Nameless Nie walked to Ye Wanwan and quietly said, “Have you forgotten about the Fearless Alliance...?”

Ye Wanwan finally remembered that her current identity was the president of the Fearless Alliance... Even if she wanted to stay at the Nie residence, she should at least finish dealing with the matters at hand first...

“Mommy... when will you be back...?” Tangtang asked with a face full of longing.

“Why are you so broken-hearted? Can’t you just come with us?” Nameless Nie looked at Tangtang.

Tangtang’s eyes brightened, and he hastily stood up, clutching Ye Wanwan’s hand.

“Nonsense!”

“Woriless Nie” suddenly stood up. “Eldest Brother, how could you allow Tangtang to go out with a strange woman?!”

Before Nameless Nie could answer, Tangtang turned around and coldly glanced at “Woriless Nie.” “Please mind your words. She’s my mommy from China, not a strange woman.”

“Tangtang, Mommy’s just worried about you!” protested “Woriless Nie.”

“Then your worries are rather unnecessary,” Tangtang replied.

“Enough. Tangtang is going to be with me. What are you afraid of?” Nameless Nie was very displeased.

“Tangtang, you have to stay with Wanwan and your uncle and can’t run off. Do you understand?” Madam Nie said after a moment.

“Yes...” Tangtang nodded vehemently. “I understand, Grandma...”

Since Madam Nie voiced her decision, Nie Linglong and “Woriless Nie” stopped objecting.

Soon, Nameless Nie led Ye Wanwan and Tangtang out of the Nie residence.

After walking through the main entrance, Nameless Nie turned to Ye Wanwan and said, “Boss Famous... My acting is good, right... I still have something to do, so you should take Tangtang with you and have fun... Also, um, I don’t have any money on me, can you...”

Ye Wanwan: “...”

Chapter 1520: He’s the President’s illegitimate son

Ye Wanwan glanced at Nameless Nie. She remembered that the filthy rich moneybags of the Shen family gave him a bar of gold...

"Don't you have a gold bar...?" Ye Wanwan asked.

Nameless Nie giggled. "Sister Famous, what are you saying? A gold bar is a gold bar, and money is money; they're clearly two entirely different things..."

"Ah..." Ye Wanwan nodded and said, "Then give your gold bar to me, and I'll give you money."

"Sister Famous..." Nameless Nie looked at her, wanting to say something but held back.

A while later, Nameless Nie's gaze landed on Tangtang, and he said with a giant grin, "My little darling, my dear nephew..."

"No," Tangtang answered indifferently.

"Tangtang, I'm your uncle!" Nameless Nie exclaimed with a frown.

"No," Tangtang repeated.

Ye Wanwan looked at Nameless Nie in exasperation. Didn't this fool swear a blood oath that his whole family would die if he used even a cent from the Nie family again...?

However, technically speaking, Tangtang's surname wasn't Nie. Unfortunately, they didn't know who Tangtang's father was.

In the end, Ye Wanwan had no choice but to take out a few hundred dollar bills and hand them to Nameless Nie.

"Sister Famous, I knew it! With our relationship, there's no way you wouldn't give me some if I asked," Nameless Nie said with a satisfied smile as he accepted the money.

Then he drove away without looking back.

"Mommy... where are we going?" Tangtang asked her quietly.

"Mommy still has some business to deal with. You just need to follow Mommy, but... Tangtang can't speak carelessly," Ye Wanwan replied.

"What do you mean, Mommy?" Tangtang looked confused, no idea what Ye Wanwan meant by speaking carelessly.

Ye Wanwan pondered for a moment before inquiring, "Does Tangtang know the Fearless Alliance?"

Tangtang nodded lightly. "I know them. They aren't anything good."

Ye Wanwan: "..."

"Tangtang, Mommy is currently the president of the Fearless Alliance..." Ye Wanwan explained helplessly.

"Mommy is... Bro Flattop?" Tangtang looked surprised.

“Yes... Mommy is gonna bring Tangtang to the Fearless Alliance, but Tangtang can’t mention Mommy’s past in China, alright?” Ye Wanwan asked with a smile.

“Okay.” Tangtang nodded docilely without a trace of his previous Little Devil personality.

Ye Wanwan called a taxi and entered with Tangtang before directing the driver to head to the Fearless Alliance’s headquarters.

...

In the afternoon, Ye Wanwan led Tangtang into the headquarters of the Fearless Alliance.

“Greetings, President!”

Many Fearless Alliance members immediately walked forward to receive Ye Wanwan when they saw her and reverently greeted her.

Ye Wanwan nodded in response and quickly walked into the elevator with Tangtang in tow.

“Who’s the child with President Fearless...?” A Fearless Alliance member asked with a face full of curiosity.

“Could it be... he’s our President’s... illegitimate son?! Look, he shares some similarities with our President!”

“Don’t run your mouth off! You’ll be dead if the President heard you!”

“Right, right, right. Even if he’s the President’s illegitimate son, we can’t speak carelessly...”

...

As soon as Ye Wanwan entered the office, Virus and Great White stood up and walked toward her.

Ye Wanwan started when she saw them; she’d nearly forgotten the ancestor, Virus, was inside the office.

Ye Wanwan wasn’t worried about Great White since Tangtang had a good relationship with Great White, but Virus...
