Let me go, Mr. Hill By Shallow South Chapter 2014

A grave look washed over Shaun's face. "Rodney, you can't simply barge into the manor."

"Shaun, you might have Titus and my uncle as your biggest support. Even so, Titus has gone abroad and my uncle isn't your uncle." Rodney glared at Shaun furiously. "I don't wish to be on bad terms with you either, but you forced me to do this."

"I forced you?" Shaun was thoroughly disappointed in him.

The Snowden members rummaged through the cupboards in the manor. Even Old Madam Hill and Old Master Hill woke with a start in the middle of the night.

"Rodney, what's going on? It's the middle of the night." Old Master Hill fixed his eyes on Rodney coldly. At this moment, he still did not know what was happening.

"Nothing, Grandpa." After Shaun said to him, the Liona members finally arrived.

The members of Snowden and Liona began to fight each other in the manor.

After the police were notified about it, they hurried over and settled the matter.

However, Rodney accused Shaun and Catherine of kidnapping. Catherine was exasperated by Rodney's behavior. "Rodney, you abandoned Freya for Sarah. Are you also planning to lose Shaun, your buddy, because of her too?"

She was not worried about Rodney accusing them in front of the police because they did not do it. Even if the police investigated the matter, the two of them would not be found guilty. However, if the incident became severe, it would tarnish Hill Corporation's reputation. Previously, Wesley hollowed out half of Hill Corporation. Things had finally begun to look up. If the company was negatively impacted again, it would be very troublesome. This was also why Catherine and Shaun had been putting up with Sarah before this.

Nevertheless, no one expected Rodney to go so far for Sarah.

"If you hand Sarah over, I'll take our friendship into account and pretend that nothing happened." Rodney clenched his fists. He held back and gave Shaun the last chance.

“ She’s not here, so I can’t hand her over to you. ” Shaun had nothing much to say to Rodney, his former good friend.

“Fine. Since you guys insist on not handing her over, don’t blame me for being abrasive once I find the evidence.”

Rodney’s eyes flashed with utter despair. He turned around and got in his car. Then, the car drove out of view.

He headed to the hospital. After spending one night investigating the case, there had been significant progress on it.

Only after Rodney left the manor did Shaun return to his bedroom. He picked up his phone, only to realize that Chester had tried calling him a few times.

He immediately called Chester back. After he got through, Chester said, “I heard Rodney brought his people to kick up a fuss in the Hill family’s manor. ”

“Mm. He even destroyed the manor’s gate.” Shaun asked with a frown, “What on earth happened to Sarah?”

“It’s really not your doing?” Chester said in a serious tone, “We’re buddies. Please be honest with me.”
