

[Let me go, Mr. Hill Chapter No. 2111] Novel By Shallow South

Chapter 2111

As long as Freya close her eyes, it is the grand fireworks display, and She can't sleep with excitement.

Fortunately, Freya was feeling young, and when she got up the next morning, she looked pretty good.

At the breakfast time, Ryan came over.

Today Ryan wore a black down jacket with a white shirt and a brown scarf around his neck.

Freya recognized at a glance that she gave the scarf yesterday, but Freya didn't expect that Ryan would wear it today.

The gift she gave was valued, and she was very happy in her heart.

So much Freya ate a few more small wontons for breakfast.

After taking a sip of porridge, Heidi smiled and asked casually: "You two came back together last night, where did you go to play?"

Before Freya could answer, Ryan had already lazily said, "She is in a bad mood. I'm afraid she can't think about it, so I went out with her for two drinks."

Heidi looked at Freya with concern.

Freya was still ignorant and didn't understand why Ryan lied, "I..."

"She knows about the marriage of Brother Rodney."

Heidi frowned, and there was a little pity in Freya's eyes, "His invitation came yesterday, but we didn't plan to go."

"Godmother, it doesn't matter, I want to open it now." Freya said openly.

Heidi nodded, still admiring the character that Freya can afford to let go. After all, she herself is also a very strong woman, and naturally doesn't like those who are too weak. If it's not good, it happens that I have a few candidates with good family background and good character. You can add them to Whatsapp to learn more about them. I will post on Whatsapp to you later."

Freya: "... .."

Ryan said angrily: "Mom, I remember that there are so many things about Mrs. prime minister, but you are obsessed with being a matchmaker all day." Heidi gave him a look. She has a good family background. I think Freya stays in the laboratory all day long. The social circle is too narrow, so she should pay attention to it when she meets a good one."

After a pause, she said to Freya, "I also do it for Rodney about to get married. It is said that your face is always bad. At this time, find someone better than him to slap Sarah and Rodney in the face. You have to let Rodney understand that he don't cherish you, really I will cherish you better than him."

Ryan yelled: "She goes home from work every day to see Dani, there is no time to go on a date."

"Can't we chat with Whatsapp first." Heidi said lightly.

"For those who talk about the contract, you can meet each other and the relationship must be slow and it is not to get to know a person. Besides, there is no stipulation that she has to get married when she is in a relationship. A woman, she should enjoy the moment."

Ryan was depressed, but he didn't dare to say too much. His mother was too smart and it was easy to show off if he said too much.

Freya also had nothing to say.

Freya also had nothing to say.

What Heidi said is not unreasonable, and Heidi has a very open mind, and it is for her good. If she refuses, she will be disappointed.

Anyway, talk first and be friends if it doesn't fit.

"Okay. Godmother, I'll listen to you." After a while, she nodded.

It wasn't until after leaving the restaurant that she said with a calm face, "Do you want to fall in love?"

"No."

Freya saw his handsome face, "Godmother, she cares about me, too. And my circle is indeed narrower, why are you...it seems unhappy." There was a movement in her heart, but Ryan immediately said, "I'm afraid you will ignore Dani when you talk about love, little guy."

"Don't worry, your daughter is the most important thing at this stage." Freya was still rushing to go to work. When Freya turned to leave, suddenly she remembered something, "By the way, you just...why did you lie to you?"

Chapter 2112

"You said what happened last night." Ryan copied his pockets with an open face, "I'm afraid my mother said me. Yesterday she called me to entertain some foreign guests. She must find a beautiful excuse. You are sad. It's a good excuse to want to drink. After all, it would be very troublesome for a girl to get drunk outside."

"So you had something important last night." Freya became guilty and said, "Don't be like this next time. After all, entertainment is important..."

"Forget it, for those foreign guests, it's better for you to be relaxed."

Ryan touched her head, "Don't think about it. Let's talk about it personally, but don't touch it rashly. If you have a better impression, tell me first, and I'll check your character. Those noble boys are hidden, and you can't tell whether it's good or bad on the surface."

"Freya very much believe him." Freya went to work, and said bye. "

Freya waved to him.

Ryan looked at her back and smiled. He was so good to Freya, he didn't believe that she could get used to other men.

Moreover, even if that man is good, he will be a mess after passing his hands.

...

Soon after arriving at the company, Freya received three unfamiliar whatsapp messages.

At the same time, Heidi also sent a message: [I recommended you on whatsapp, add them first, and then change it if it is not appropriate, not to contact too much at a time, so as not to dazzle you.]

Freya funny, after she passes, there is immediately a man take the initiative to send a message over.

She talked about it, and these three identities are very good.

The first is Zayden, who runs a bank at home, is currently thirty-two years old and unmarried.

The second Lukas, the nephew of the mayor of Canberra, is currently working in the Ministry of Foreign Affairs. He is 30 years old and unmarried.

The third Kian, The youngest physics professor at a key university in Australia. He graduated from top universities in the world and even published several books internationally. He was 31 years old and had a short marriage abroad.

“Wow, your godmother picked these for you. They are all top-notch identities.

They are five or six years older than you, which is pretty good.”

Catherine Jones leaned behind her with a look of gossip and excitement. I am a little envious of you, you are choosing a concubine.”

Freya really has nothing to say. Except Kian had a child, the rest are unmarried, which surprised her. After all, even many wealthy families After the divorce of the daughter, it is difficult to find a higher age and suitable family background.

She can be regarded as the blessing of the name of the prime minister’s daughter.

But it also made her a little uncomfortable, “They just see me as the daughter of the prime minister, otherwise one by one is not married, how could they come into contact with me who has a second marriage and a daughter.”

“That can’t be said, you are pretty and young. These are your strengths. Do you want to get in touch first? It depends on your character. If you are too utilitarian.”

Catherine said curiously, "Look at the photos first."

The identities of these three people are not ordinary. A closer look on the Internet, you can find the photos.

However, after finding out, Freya was a little disappointed, "It looks like an average."
