Let me go, Mr. Hill By Shallow South Chapter 2119

When Freya was thinking about it, she didn't notice Ryan's eyes sinking slightly.

"So..."

Ryan used chopsticks around the noodles, "I have an alumnus who came back from studying abroad and went to Canberra University, but he is younger and works as a teacher there. He had inquired about Kian. Kian was really knowledgeable.

However, after Kian's divorce and returning to Australia, he seemed to have had two romances. One of them was a student of Canberra University. He was only 23 years old.

Because of Kian's refined personality, he was in school. Many young girls have a crush on him, but the girlfriends he has been with before are all young and beautiful, but you are also in the beautiful range, Kian should like you very much."

"..."

Suddenly, Freya was a little bit stunned.

It is not impossible for a professor to fall in love with a student.

But it shows that Kian may also like young and beautiful girls, and there are many young girls chasing him, and the probability of derailment in the future is also high.

Kian is also a divorced person, even he is only in a relationship.

After all, Freya was derailed once and she was afraid of repeating the same mistakes.

"Freya's mother may not know about Kian's real identity. Freya's mother only knew about Kian that Kian is really a good person from all aspects."

Ryan added, "Yes, my friend said that Kian is very busy. Although there are children, basically no one has seen them in school."

"..."

Kian didn't bring children at all.

Freya believed it. During the meal before, she felt that Kian didn't understand the child at all.

What does it explain, it means that Kian doesn't even care about his own children.

If you go further in the future, don't expect him to be half of Ryan to Dani.

Before giving birth to a child, Freya would not consider that the conditions for choosing a spouse must be a warm man who cares for the family and takes care of the children, but after having a child, and seeing Ryan treat Dani so well, she will think Ryan is also a man, Freya Can't find a man be like Ryan.

And even though Shaun used to be scumb*gs, he is also very good to the two children now. Shaun picks up all kinds of cram schools, and even goes to the playground and plays with Shaun.

Freya had a wrong marriage, so she would not want to wrong herself.

After thinking about it in her mind, Kian just passed.

"Forget it, I won't meet Kian in the future, I will tell him clearly when I go back." Freya said decisively.

A smile flashed across Ryan's eyes, but his face became more real, "have you not touched it, he is indeed very promising..."

"I am also very promising," Freya curled her lips, "I don't want money, Kian likes beautiful beauties."

"Is Kian handsome?, he is so average, Freya can't compare with Ryan."

Ryan smiled.

Freya glanced at Ryan handsome face, and then thought about Kian's face, there was really no idea at all.

What does it mean that there is no harm if there is no contrast.

"Then tell me freya, what kind of man do you like, I will help you find it." Ryan tilted his head slightly and moved closer to her and said "

Freya is not the same as her mother. she must investigate people clearly. at last freya liked him from now"

Freya looked Ryan's beautiful eyes and both Ryan and Freya were very close, almost only a fist apart, and there was reflection in the depths of Ryan and Freya eyes.
