Chapter 2315

“Haa, am I a garbage collection station?” Freya’s merciless irony.

Ryan smiled gracefully, “I know, you won’t get back with Rodney. So I’ll just say something but if he really comes to pester you I’ll defend my boyfriend’s rights without hesitation.”

Freya threw a coquettish white eye at him.

Ryan’s chest felt hot. He really wanted to abduct her into the house where he lived.

But the environment here is not suitable, he can only continue to endure.

It’s just that he already has an idea and he doesn’t want to continue to sneak around like this.

...

Freya didn’t quite understand Ryan’s thoughts.

It’s just that when I went to the company the next day, I immediately went to Catherine’s office, “I’ll treat you tonight, to celebrate finally getting that little bitch Sarah to get her retribution, by the way, call Ruan Yan, this kind of thing. Let’s have a good drink and two drinks to celebrate.”

“Sarah has done so many bad things and killed Aunty Jennifer, She was disfigured, maimed, and abandoned by men, how can that be enough?” Catherine raised her head from the desk. Her beautiful little face hides coldness.

Freya was stunned, "That's true... so what are you going to do next?"

"I've asked Garrett to help Sarah find a lawyer to file a lawsuit."

Catherine suddenly smiled.

"..."

Freya was stunned and found that she couldn't understand what Catherine was thinking, "Is it necessary? no matter how she fight this lawsuit, the Snow family will not let her win?"

"I can't win but I can still bite Rodney hard."

Catherine hugged Freya and leaned against the leather seat, "Do you remember, when Shaun and Sarah were in a lawsuit, Rodney was stunned. How did Rodney stand by Sarah's side? He kept persuading Shaun to give up the astronomical breakup fee but it fell to him. If he could not win, I would disgust him."
"

Do you want to disgust Rodney or Shaun wants to disgust Rodney?" Freya asked amusingly.

"I think."

Catherine looked at her, "Who let him bully you?"

Freya was suddenly moved and ran over to hug Catherine, "Cathy, I love you more and more. why are you so domineering? if you weren't a woman, I would definitely fall in love with you."

“Alas, if you are a man, there’s nothing to Shaun.” Catherine squeezed her little face lightly, “After all, when I was the most helpless in my life, it was you who accompanied me and also helped me take care of Suzie and Lucas. I will never forget it.

“Cathy, you left your phone in the car and forgot to take it...”

The door of the office was suddenly opened and Shaun’s face turned black when he saw this scene inside, “Cathy, Freya, what are you doing?”

A gnashing voice came out of thin lips.

Shaun strode over and pulled Freya away, who was holding Catherine.

It wasn’t for Catherine last night and Shaun didn’t know that Freya was dating Ryan recently. he would have wondered whether the sexual orientations of the two women had changed.

Chapter 2316

“Master Shaun, what are you doing?”

Looking at Shaun’s jealous look, Freya pursed her lips deliberately, “Cathy and I are talking to each other just now. Also Cathy said that Freya wanted me to be a man. Yes Shaun, you have nothing to do and Freya also said that she will never forget me.”

“Is what Freya said true?” Shaun glared at Catherine, and Catherine’s face extremely ugly.

Catherine: “...” Cough, Freya said that... but it’s just a pure sisterhood relationship. Is it necessary...to make her seem cheating?

Freya immediately stood up in front of Shaun, “Young Master Hill, what are you doing? although you are reconciled with Catherine now. My position in her heart is irreplaceable and I was with Catherine when she was at her most helpless and despondent but it was you, who once hurt Catherine for so long. We still need to rack our brains. Take revenge, can you show the courage of a man? this time I really cleaned up Sarah who ruined the relationship between the two of you.”

As soon as the voice of Freya fell, Shaun froze.

Freya suddenly felt a little regretful after seeing Shaun face.”Shaun, forget it, I’m just talking nonsense, what I mean is to recognized Sarah’s true face clearly. It’s time to get rid of her but she ran away and now she ran back and made so many things...”

Before Freya could finish, Shaun had put down his phone and slammed the door to leave.

Freya blinked, “Did I say something wrong?”

“You’re right.”

Catherine picked up her phone and said, “Sarah was Rodney’s girlfriend from the beginning and it was because of him. Sarah met Rodney and Chester and Rodney has hurt so many of us, so he should clean up himself.”

“Freya....”

Catherine interrupted her. Her thick eyelashes drooping slightly, “Although Shaun and I are reconciled. Sarah is the hurdle that has always existed in our hearts otherwise you would think that why don’t we want to get married again after being together for so long? It’s ridiculous or not. I, you, Charity, lost so much in the hands of a mere Sarah. I’m not reconciled. For Sarah, I want her to get the justice and she deserves in the law.”

“You’re talking about Aunty Jennifer’s death?”

“Yes.”

Catherine nodded, “Whether Sarah is disabled or disfigured, it can make my heart happy but what about the Aunty Jennifer and Charity? Aunty Jennifer was killed by her. Only by letting everyone know the bad things Sarah has done and letting the law judge her can I feel at ease.”

Freya’s eyes narrowed and Suddenly understood.

Therefore, Catherine never agreed with Eliza’s way of dealing with Sarah.

...

Sarah was taken back to the hotel by Garrett after spending a week in the hospital.

At the same time, there is also the lawyer’s letter that Rodney came with.

Rodney wants to Sarah for fraudulent marriage and ask Sarah to compensate for the money that spent on their marriage as well as a huge amount of spiritual compensation.

After Sarah received the lawyer’s letter, she scolded Rodney with all kinds of vicious words in the hotel and then begged Garrett, “Garrett, you must help me get a lawyer to win this lawsuit. I also want Rodney and beat him and wants to go to jail and want him to be disgraced.”

“Okay, Sarah, don’t worry, I will definitely seek justice for you.”

Garrett comforted, While holding back inside.
