

Let Me Go Mr Hill

Chapter 2621

Ruan Yan's heart haha, my mother never thought you were funny, you idiot.

After entering, she took the suitcase and stuffed various designer clothes and bags into it.

When Ji Ziyuan passed by with a water glass in his hand, he mocked:

"Didn't you say that sleeping with me didn't do you any favors?"

"These clothes, jewelry, and bags weren't bought with money?"

Ruan Yan pretended to blink blankly, "But I If I sleep with other gold owners,"

"They will also give me clothes, bags and jewelry, not only that, but also various resources, houses, and luxury cars."

Ji Ziyuan: "..."

This sentence is embarrassing. He was always mean and didn't know what to say.

Ruan Yan pretended to stand up, and accidentally fell out the keys of a Lamborghini in her pocket.

She picked it up quickly, and looked at Ji Ziyuan aggrievedly again, "I'm sorry, my new gold master gave it."

"..."

The water cup in her hand was clenched tightly, and Ji Ziyuan strangled her heart. It's all there,

"Ruan Yan, you need to say one more word, believe it or not, I will let your gold master disappear in situ."

"Don't, I won't say it."

Ruan Yan showed a panic-stricken look, and hurriedly packed her things. Quickly carried the suitcase and walked downstairs.

There was a strong scent of her perfume in the room.

Ji Ziyuan opened the window, but the smell could not escape.

Seeing that Ruan Yan was about to leave, he roared angrily,

“Go away, don’t appear within three meters of me in the future.”

Ruan Yan shook her body and walked faster without turning her head.

after coming out, she found Zhao Xin directly, opened the trunk lid, “sold everything inside.”

Zhao Xin looked at the limited-edition bags and jewelry inside and choked,

“These are all good things, Are you really going to sell it?”

“The disgusting person gave it to me, of course I will sell it,”

Ruan Yan’s eyes looked disgusted as if she was looking at a pile of dirt.

“ ... ”

“That’s right.” Ruan Yan changed her words,

“I will go to Fanyu with me this afternoon and sign a new contract with President Du.”

“Ruan Yan, you are crazy.” Zhao Xin She widened her eyes and blurted out anxiously,

“Why are you returning to Fan Entertainment after finally canceling the contract, that’s a fire pit.”

Ruan Yan’s face warmed, she knew that Zhao Xin was thinking of herself wholeheartedly,

“It’s not the previous contract, and The company has a handle on me...”

As for the handle, she didn’t say, Zhao Xin also understands other people’s privacy, so she didn’t ask.

But what can make Ruan Yan compromise must not be an ordinary handle.

“Don’t worry, you will be my manager in the future.” Ruan Yan patted her on the shoulder,

“The company promised me that I can have an independent studio, which is more free than before.”

Zhao Xin grimaced, still feeling pity for Ruan Yan .

...

In the afternoon, the two went to the company.

No one dared to ridicule Ruan Yan this time.

After Ruan Yan entered the president’s office, Du Xuan said with a smile:

“Ruan Yan, I didn’t expect us to work together again so soon,”

“I just said I have a good eye, you are really a good material for the entertainment industry,”

“In the future It’s only a matter of time before you get the actress.”

Chapter 2622

Forget it, you Tang Qin are also going to be the actress, so I won’t compete with others.

If I accidentally steal it, it will be troublesome to offend Ji Zong.”

Xuan was embarrassed.

“What are you and ours? When you return to Fanyu Entertainment, everyone is still a family.”

Du Xuan took another contract, “Ziyuan has already told me, come and sign it.”

Ruan Yan opened it and watched it for five minutes. , then threw the document,

“Mr. Du, you have dug a lot of holes for me in the contract, yes, the split is four or six points, but later it was proposed that if it is a resource recommended by the company,”

“It should be divided into five or five points. In addition, the benefit clause on page 37 also includes at least one company’s film and advertisement arranged by the company every year.”

“Not only that, when I’m filming outside, I have to bring at least one newcomer from the company into the crew, which is the funniest.”

“What’s more, it must be the female No. 2 and male No. 2 in the play, what’s the difference between yours and the previous contract.”

Du Xuan was embarrassed, and he asked the lawyer to keep these terms in a place that would not attract attention.

Six I didn’t expect Ruan Yan to be able to dig out all of the seventy-chapter contracts in just a few minutes.

Suddenly, he deeply realized that he had underestimated Ruan Yan before.

“Ruan Yan, the difference is quite big. The company agrees with you to go out to open a studio, and the split is also four or six points. The terms are already pretty good.” Du Xuan said cheekily.

Zhao Xin couldn’t listen to it anymore, and retorted:

“It takes at least three months to make a movie, and Ruan Yan can only make two movies a year at most,”

“And she has to make one movie for the company, and the company has to make five movies.”

“Five points, what’s more, the company’s films have always been paid very low, Mr. Du, we are not fools.”

Ruan Yan stood up and became impatient,

“It’s impossible to film for the company, and I can barely accept it with new people for the company. I don’t agree, there’s nothing left to talk about.”

She said before leaving.

“Wait, Ruan Yan, is there anything we can discuss?”

Du Xuan hurriedly held her back again, and the two of them talked for more than half an hour before finally finalizing the contract.

wait for Ruan Yanli

After opening, Du Xuan called Ji Ziyuan and said depressedly: “The contract is signed.”

“Not satisfied?” Ji Ziyuan heard that he was not very happy.

Du Xuan smiled bitterly and sighed,

“Ruan Yan is too shrewd, she saw all the traps I added in the contract, but fortunately she promised to bring new people later.

” Bye.

...

On the other hand, not long after Ruan Yan left the company, she received a secret call on her personal mobile phone.

“Ms. Ruan, our procedures for going abroad have finally been completed successfully, and we can leave tomorrow.”

“Let’s go early.” Ruan Yan breathed a sigh of relief.

It was obvious that those few people had been unable to leave the country, and it was all Ji Ziyuan who was watching secretly.

As long as they leave, Ji Ziyuan can no longer threaten himself.

“Miss Ruan, thank you for taking care of you over the past few years. If you have anything, just give me a call. Our brothers are guaranteed to be on call.

” After leaving Huaguo, change your name and surname so that no one can find him.”

After finishing the call, Ruan Yan was relieved.

She finally no longer has to act in front of Ji Ziyuan.

During this time, even she was deeply disgusted with herself.

...

In the villa, Zhao Xin handed over a thick stack of scripts to Ruan Yan.

“Ruan Ruan, this is the script sent by the major directors. Recently your traffic has soared, and many good books have been sent to the door.”

After speaking, Zhao Xin laughed excitedly, “Let’s pick a good book, I will try to get an actress next year.”

Ruan Yan glanced at the books and said, “Push it off. After I finish filming this movie, I don’t plan to do it for the time being.”

“What.” Zhao Xin was dumbfounded, “If you don’t take such a good opportunity, Ruan Ruan, are you crazy?”

Chapter 2623

Ruan Yan closed the book in her hand and asked, “Zhao Xin, do you think filming is very profitable?”

“Is it needless to say, filming a film can be compared to a lot of people’s hard work.”

Zhao Xin wanted to cry Looking at her without tears,

“You know that my monthly salary is not as good as your monthly salary.”

“Oh, yes, then who do you think I and Du Xuan make money?” Ruan Yan asked again.

Zhao Xin rolled her eyes and suddenly became weird,

“You don’t plan to open a film and television company by yourself,”

“Ruan Ruan, it’s not that easy to start a company, and now the competition in the film and television market is too fierce.”

“Zhao Xin, I can give you one . Opportunity.”

Ruan Yan raised her eyebrows, and her whole person suddenly became very cold,

“A chance to make you and Du Xuan stand shoulder to shoulder,”

“But the premise is that you have to promise me that you can always be loyal to me.”

Zhao Xin has a long mouth . It becomes an “O” shape.

She wanted to ask Ruan Ruan if you were joking, but she knew very well that Ruan Yan would never joke about such a thing.

Clearly, this is true.

Zhao Xin quickly stood up, “Ruan Ruan, I swear, from the moment I left Fanyu, you are my only master,”

“I will follow you in the future, and I won’t even tell my cousin about the secrets between us.”

“If you break your promise, the sky will be struck by thunder.”

Ruan Yan did not believe the oath.

But she believed in people’s desire to go higher.

“Jingle jingle”.

Suddenly, the doorbell rang from outside the villa.

“There is a guest coming, go and open the door.” Ruan Yan reminded, “Bring him in.”

Zhao Xin ran to the door of the villa and was shocked when she saw the man outside, “Qiu...Mr. Qiu.”

When the person in charge of Fenghong Entertainment contacted her last time,

She also checked Qiu Haolin’s profile. In the photo, I didn’t expect that I would actually appear at the door of Ruan Yan’s villa.

“Mr. Qiu, we Ruan Yan have returned to Fanyu, she...”

“I didn’t come here for this,” Qiu Haolin smiled, “Open the door.”

Zhao Xin remembered Ruan Yan’s order, and immediately Open the door.

After entering the living room, Qiu Haolin shook hands with Ruan Yan reverently as if he had changed,

“You have finally seen me, seeing you being scolded on the Internet these few days,”

“I am so furious, Fan Entertainment. It’s too bad, you shouldn’t go back, but don’t worry,”

“We will be on the same boat in the future, and I will definitely avenge this hatred for you.”

Zhao Xin:???

Did something happen that she didn’t know about.

It was the first time she found out that Ruan Yan and Qiu Haolin had such a good relationship.

No wonder there would be a navy who pulled Pei Mochen out this time. It turned out to be....

Zhao Xin suddenly understood, and admired her wise decision to follow Ruan Yan even more.

“Is the funds in place?” Ruan Yan withdrew her hand and asked calmly.

“It’s here.” Qiu Haolin’s eyes were very complicated.

As expected of Reborn who stirred up Wall Street in M country four years ago, but he was shocked, how old was Reborn four years ago.

Still in college?

Chapter 2624

But he has checked Ruan Yan’s background information, and it doesn’t look like a character hiding such a financial bigwig’s vest.

He felt Ruan Yan was mysterious.

Even with Ruan Yan’s current financial ability, there is no need to make such a small amount of money in the entertainment industry.

However, he has self-knowledge and everyone has privacy.

As long as Reborn is willing to help Fenghong, then Fenghong will have the confidence and funds to expand.

Fanyu has today’s confidence, isn’t it also because of the capital chain behind Ji Ziyuan.

“It’s easy to do things with money.”

Ruan Yan motioned Zhao Xin to come over for a cup of tea,

“Fenghong has not developed as well as Fanyu in recent years, you should know the reason,”

“The stars in your hand are going to pick up some fast food dramas for money, and they have money.”

“You can buy high-quality scripts and invite big traffic celebrities,”

“And if you have money, you can make your own variety shows and web dramas,”

“But these all lack a high-quality online media platform.”

Qiu Haolin’s pupils lit up, “You mean... ..”

“Fenghong can take a stake in Feiying Video. Isn’t Fanyu a stake in Qifan Cinema?”

“We can also invest in Dongning Cinemas, and then use Feiying Video, Fenghong Entertainment and Dongning Cinemas.”

“There are such powerful companies. The lineup will naturally be approached by the TV station,”

“And a strategic agreement can be reached at that time.”

Ruan Yan’s opinion made Qiu Haolin tremble slightly with excitement, “But these require a lot of money...”

“I said, money It’s not a problem.” Ruan Yan’s two slender legs overlapped casually,

“What’s more, investment is more rewarding, right?”

“Yes.” Qiu Haolin nodded, “Our Qiu family has been in the entertainment industry for dozens of generations.”

“In recent years, I have known a lot of people, and I will do these things as soon as possible.”

“Fan Yu has recently been targeted by relevant departments, and its actions in the entertainment industry will definitely be restrained, which gives us a chance.”

Ruan Yan reminded meaningfully, “Moreover, Fanyu’s style over the years has not attracted the attention of some small film and television companies,”

“And sometimes it is appropriate to join forces with those small companies.”

“Of course, we want everyone to eat the cake, and eat alone. , it loses its taste and makes people hate it.”

“You said Yes, Ruan Yan, I wish us a happy cooperation.

“Qiu Haolin nodded knowingly, “Look, do you have time to attend our company’s shareholders meeting?” “

No, there are no impervious walls in this world, you can just know my identity. Ruan Yan refused,

“I only have one request at the moment. I don’t want to see Tang Qin make a smooth comeback. I hate this person.” “

“No problem. “

Qiu Haolin laughed suddenly, “If you want me to say, Ji Ziyuan spends money to support such a person, I don’t know if his lower body dominates his brain. Ruan Yan pursed her lips lightly ,

noncommittal.

In fact, she doesn’t have any deep hatred with Tang Qin, but Tang Qin encouraged Ji Ziyuan to block the gun last time, she kept it in her heart.

Ji Ziyuan can’t do anything for now, Tang Qin can still get it After Qiu Haolin

left, Zhao Xin looked at Ruan Yan exactly like he was looking at the boss,

“Ruan Ruan, I didn’t expect you to be the major shareholder of Fenghong, God, why are you so rich, forget it,”

“This is your secret, I have the vision, I really didn’t follow the right person, but if you don’t film, how will Fanyu explain it? Ruan Yan looked at her, “

You didn’t study the contract carefully.

The contract didn't clearly stipulate how many scenes must be filmed each year and how much money should be earned for the company.”
“

Zhao Xin opened her mouth wide, and after reacting, she fell to the ground in admiration,
“Mr. Du was tricked by you. “

It's not a pit. He and Ji Ziyuan both thought that my comeback was in order to continue to make money in the entertainment industry.

President Du's thoughts were all spent on squeezing my personal value to the greatest extent possible.”

Ruan Yan laughed mockingly, “So what if the contract is signed, I don't film or accept advertisements, the contract is not binding on me .
“

Zhao Xin has already admired the five bodies.

” When the time is right, dig your cousin Zhao Hong to Fenghong. “

Ruan Yan said domineeringly, “I want to hollow out Fanyu a little bit.”

“Isn't Ji Ziyuan wanting to expand in the entertainment industry?”

“I let all his layout and thoughts over the years be wasted. People like him are still Go back obediently and be his doctor.”

Chapter 2625

Zhao Xin gasped.

I really did not expect Ruan Yan to be so ambitious.

But Ruan Yan like this is really... quite handsome.

...

In the next few days, Ruan Yan will rest at home with nothing to do,

Occasionally go shopping with Tasha and Lisa, or go to a SPA, and live a very unrestrained life.

On this day, when Ruan Yan invited Tasha and Lisa to play in the badminton hall, Tasha received a call from Song Qingrui.

“Where are you?”

“I’m playing badminton with Ruan Ruan.” Lin

Tasha was getting excited and said impatiently,

“Is there anything? Doesn’t she want to film? You have been playing with her a lot recently, have you forgotten that you have a boyfriend?”

“Why don’t you remember.” Tasha said, “It’s just that every time you go out on a date.”

“Eating, watching movies, taking a walk, and shopping are not that interesting.”

Song Qingrui was shocked, and even his voice gnashed his teeth,

“Are you disgusting me, or do you think it’s boring to be with me?”

“Eh., no.” No matter how dull Tasha was, he knew that the situation was not good,

“Oh, can you play with your friends too? It’s rare that Ruan Ruan is free recently, we can’t be friends and forget about love. Friendship.”

After all, love is such a thing, who knows if it will change one day.

Friends are more reliable.

She silently put the following words in her heart.

Song Qingrui snorted coldly, “Looks like I have to introduce someone to Ruan Yan.”

“Why are you the same as Huo Xu, Huo Xu also said that I want to introduce someone to her.” Tasha laughed.

“That’s because she occupied our women.”

Song Qingrui said angrily, “Tell me the address, and I’ll bring a friend here.” “Okay

, there’s no need to participate if you’re not handsome.”

Song Qingrui: “...”

...

After finishing the call, Ruan Yan threw a bottle of water to Tasha,

“Go to the side of the chat and give up your seat to Lisa.”

“That’s right.” Lisa agreed, “I just wanted to fight, but I lost a hand just now. I still want to win it back.”

“It’s over.” Tasha smiled mysteriously,

“Qing Rui called me just now and said that he would bring a male friend over, Ruan Yan, you are blessed.”

“...”

Ruan Yan was speechless for a while, “Thank you for your kindness, but the friends around Song Qingrui may be rich or expensive,”

“I’m just a little star in the entertainment industry, I don’t deserve it, forget it. Well, I don’t want to play either.”

“Don’t worry, Qing Rui is a measured person, and he won’t bring a man who plays and behaves badly.”

Tasha said confidently, “The so-called Like people gather together, Qing Rui is a good man, and the man around him is also a good man.”
The

voice just fell.

Two tall men walked in at the door of the arena, with handsome appearances like luminous bodies.

The two men, one black and one white sportswear, were Huo Xu and Ji Ziyuan.

Chapter 2626

Lisa glanced at Tasha coldly, "I'm sorry, the man next to me is not a good man."

Tasha coughed awkwardly, "It's alright, some people keep themselves clean, which affects I can't."

Ruan Yan didn't speak, just turned around and walked to a chair to rest and drink water, and wiped the sweat from her face with a towel.

"Wife, I didn't expect you to come here too." Huo Xu was a little surprised when she saw them, and at the same time a little nervous.

After all, his wife hated Ji Ziyuan to death a while ago, and she didn't even allow him to go to bed.

Huo Xu hurriedly added, "I knew you were coming too, so you can call me, I don't need Yo Ziyuan anymore,"

"After all, you know that I have few friends around me, so I can't help it."

After speaking, he glanced with disgust. He glanced at Ji Ziyuan.

Ji Ziyuan: "..."

Mad, this is a typical example of having a wife and abandoning a brother.

However... if he had known that he would meet Ruan Yan here, he would not have bothered to come.

Ji Ziyuan's eyes lightly glanced at Ruan Yan, who was sitting on a chair in the distance looking at his phone, and frowned.

When I saw the boss, I didn't know to come over to say hello, the wings were really hard.

“You guys go to fight over there.” Lisa didn’t want to get too close to Ji Ziyuan, and pointed to the empty field on one side.

Huo Xu was a little unwilling to give up, but thinking of the dog friends around him, he resigned and took Ji Ziyuan to the next venue.

Lisa walked up to Ruan Yan apologetically, “Ruan Ruan, I’m sorry, the card for this arena was given by Huo Xu.”

“I played it last time, and I brought you here because I thought the venue was very good. I didn’t expect Ji Zi Yuan and Huo Xu are also here.”

Tasha said strangely: “So coincidentally, Lisa, did Huo Xu know what you were doing here today and came here on purpose.”

“No, he knows that I don’t like Ji Ziyuan, it’s too late to hide, where will he bring people under my nose.”

After Lisa finished speaking, she suddenly felt that Ruan Yan and Ji Ziyuan had a strange relationship.

The capital is so big, the two of them can still meet by chance if they are broken.

“It’s okay, he’s the boss of Fanyu Entertainment, and the company will have various activities.”

“It’s impossible for us not to meet for a lifetime.” Ruan Yan just finished speaking, and Du Xuan called her.

“You play first,” Ruan Yan handed over the racket and walked to the corner of the arena.

“Yan Yan, Director Liu asked me to ask you, “I don’t want to meet you in this life” is only one third of the filming,”

“When are you going to return to the crew to film.” Du Xuan said anxiously,

“You are the first female lead. No, if you don’t go back, the crew will not be able to shoot normally.”

“I Don’t Want to Meet You in This Life” is the TV series that Ruan Yan and Chen Qianhe filmed together a few days ago.

Later, after she and Chen Qianhe made scandals one after another, the crew stopped filming.

“You said that one.” Ruan Yan said lazily, “But Director Liu didn’t say that I made a scandal,”

“And asked me to compensate for the loss and cancel my contract, so I wouldn’t let me shoot.”

“That was before, you didn’t wash it. Is it clear? Director Liu also returned the compensation fee to the company,”

Du Xuan said, “Director Liu still admires you very much, and there is no way to change it before.”

“Then who changed the role of Du Qianhe No. Acting?” Ruan Yan suddenly asked curiously.

Du Xuan coughed lightly, “Don’t worry about this, the company will arrange it, you just need to take good pictures of your female lead role.”

Who is Ruan Yan, rolled her eyes, and smiled: “Mr. Du , is it inconvenient to say, is that person replaced by Tang Qin?”

“...Cough, Ruan Yan, there is no way, those newcomers in the company need more experience in acting, Tang Qin is more suitable.” Du Xuan said vaguely.

Ruan Yan couldn’t help laughing, the company is really shameless and has no lower limit,

“Mr. Du, let me tell you the truth, I have terminated the contract with Director Liu, and I didn’t like the script of his play very much.”

“Let me pick it up, but I’m not allowed to go out to film, I won’t pick up that shitty drama at all,”

“And now that the contract is terminated, I don’t plan to go back to the crew, as an actress with first-class acting skills like me, that kind of drama is not worthy of my identity.”

Chapter 2627

There are only two fields in the huge badminton hall.

There are only five of them inside.

When Ruan Yan spoke, the badminton on both courts fell to the ground. Even if she lowered her voice,

Her words still spread to every corner.

Lisa and Tasha felt that there was nothing wrong.

But Ruan Yan’s boss seems to be still here....

Several people looked at Ji Ziyuan with a tacit understanding.

With an ironic smile on the corner of Ji Ziyuan’s mouth, he bent down and picked up the ball on the ground.

“Come on, let’s play.” Alvin felt his scalp go numb inexplicably.

On the other hand, Du Xuan was almost annoyed by Ruan Yan’s arrogant words,

“Ruan Yan, are you a little ignorant that the sky is high and the earth is thick, those movie stars are not as arrogant as you, and there are not seven or eight TV series made by Director Liu.”

“There are also five or six films, he has a wide network and knows a lot of people, you have to be so ignorant of praise, don’t offend people and you will not be able to play in the circle later.”

“Anyway, I am not interested, you are not trying to support the soup. Qin, just say hello to her and let her play the female lead.”

“Ruan Yan, the multi-contract for that play was signed when you and the company didn’t terminate the contract.

If you don’t go, you will pay for the liquidated damages yourself. “Du Xuan said furiously.

“Mr. Du, Director Liu couldn’t wait to terminate the contract with me a few days before the accident, and I also signed the contract.”

“As for him returning the money to you, it’s your business. Anyway, it has nothing to do with me. Don’t involve me in the bad debts.”

Ruan Yan hung up the phone decisively.

Tasha and Lisa didn’t ask much about the familiar words. After all, is there an ear next door.

On this side, Ruan Yan took over Lisa’s position.

On the other side, Ji Ziyuan’s phone rang. He gave the racket to Lisa and let her and Alvin play.

Ji Ziyuan took the phone to answer Du Xuan’s call.

Du Xuanzai

The other side complained angrily, “Ziyuan, Ruan Yan doesn’t know what tricks she’s playing. She doesn’t even want to film Director Liu’s play, and she also said that that kind of play is not worthy of her...”

“I listen . It’s here.” Ji Ziyuan said lightly, “We are all playing in the arena.”

Du Xuan gasped, “So you guys are reconciled?”

“No, I met by chance.”

Du Xuan sighed: “I wonder if she doesn’t . Is it because Tang Qin acted as the second female lead?”

“In fact, I felt that it was not good for Tang Qin to be the second female lead.”

“She was at odds with Ruan Yan, but Tang Qin insisted on acting in this drama, or would you persuade Tang Qin to persuade her? Let’s go.”

Ji Ziyuan glanced at Ruan Yan not far away, remembering how cold and arrogant she was talking just now, and suddenly smiled coldly,

“She didn’t run the company, I can do whatever I want, what qualifications does she have to let our company People will accommodate her.”

He deliberately raised his voice so that Ruan Yan could hear what he said.

Ruan Yan raised her eyebrows calmly.

Du Xuan didn’t know the secret battle between the two over the phone, “But she signed a new contract with us, and we can’t control her in many things.”

“Let her continue to be arrogant, and don’t mix in this circle if you can. Ji Ziyuan said loudly,

“I really thought that with the support of others, I would take myself seriously. Other directors are not fools.”

“Women in the entertainment industry are just eating a meal of youth. It’s useless to regret missing those few years.”

Du Xuan Thinking about it, Ruan Yan wouldn’t be so stupid, unless she didn’t want to be in the entertainment industry.

She tried her best to whitewash, surely not to make more money in the entertainment industry.

This time it is estimated that it is a game with myself.

“Okay, I’m playing.”

Ji Ziyuan hung up the phone.

It happened that Lisa and Alvin were still playing, so he sat down to drink water.

The resting place was in the middle of the two courts, and he looked up just to see Ruan Yan standing in front of him playing.

Chapter 2628

Today Ruan Yan wore a neat ponytail for the convenience of playing, wearing black tights and purple sports short-sleeves,

And white sneakers on her feet, revealing a very delicate and clean ankle .

Ruan Yan's playing skills are not bad. Sometimes when she bends over, she sits in his position to see her upturned buttocks,

And sometimes when she jumps up, her chest is quite predictable.

It's not that Ji Ziyuan has never touched her, he is familiar with her body everywhere.

Maybe it's because I haven't been fascinated by women recently.

Ji Ziyuan's eyes became slightly familiar.

He took out a cigarette, lit it, and took two puffs.

Tasha, who was opposite him, saw that he looked unhappy, and secretly gave Ruan Yan a wink.

Ruan Yan: "... " I

didn't quite understand it.

After a while, she saw Tasha throw a high-altitude ball over.

She turned around and chased after her, seeing the ball falling towards Ji Ziyuan, she quickly understood.

The sisters expressed their intentions. In order to live up to others,

Ruan Yan pretended to go all out to catch the ball, and slapped his cigarette with the racket.

The cigarette was knocked off and fell to the ground, and some sparks fell on Ji Ziyuan's arm. He was hot, and he stood up and patted the spark in his hand,

but the back of his delicate hand was still red.

When Ji Ziyuan raised his head, his eyes behind the lens were unreasonable, "Don't you have eyes?"

Ruan Yan's face sank coldly.

Tasha hurriedly came over, "Oh, Mr. Ji, I'm sorry, it's all my fault, I shouldn't have hit you when I missed it."

"What's the matter."

At the entrance of the stadium, Song Qingrui walked in with one of his friends.

see your own

His girlfriend was apologizing to others, and he quickly stepped up to Lin

Tasha's side, "What's wrong?" Tasha pouted aggrievedly,

"Just now my ball accidentally fell on Mr. Ji, Ruan Yan just wanted to take it, but didn't pay attention, and hit Mr. Ji's cigarette."

"It's okay." Ji Ziyuan's eyes faded, and he spoke lightly.

"Mr. Ji is magnanimous and won't take this matter seriously." Song Qingrui gently touched Tasha's little head. He didn't know if her girlfriend's temper was intentional.

It's just that he felt that Tasha's actions were too impulsive and out of anger for a while, but it would make Ji Ziyuan more targeted at Ruan Yan.

"Smoking is not allowed in the arena." Suddenly, the man who followed Song Qingrui said, "No attraction is written on the wall."

Several people looked at him immediately.

The man who spoke seemed to be about the same age as Song Qingrui, with an inch head and slightly darker skin, but his eyebrows were sharp and straight.

What is even more rare is that this person is straight and tall, like a drawn sword.

Ruan Yan was stunned, her eyes and the man's eyes met briefly in the air for two seconds, and then quickly turned away.

"Qingrui, is this your friend?" Lin

Tasha's eyes lit up, "Quick, let me introduce you."

Song Qingrui stared at her, and after a few seconds of frustration, he said quietly, "Zhou Mingli, and I A classmate, we are all studying for a Ph.D."

Ji Ziyuan's eyes flashed thoughtfully.

"You're so tall." Tasha shook hands with him, and then was startled.

The other party's hands had a lot of calluses, but these calluses were not like those who worked hard all the year round, but rather like the ones she met at the Presidential Palace. ...

Chapter 2629

She froze in her heart, the people Song Qingrui brought this time are really good.

"This is my friend Ruan Yan." Tasha immediately embraced Ruan Yan.

"Miss Ruan, hello." Zhou Mingli politely extended his hand.

Ruan Yan also shook hands with him.

Eyes meet, calm and unwavering.

Ji Ziyuan watched coldly, everyone was adults, he knew exactly what Song Qingrui and Tasha were thinking.

But can Zhou Mingli like Ruan Yan?

It's just another play.

"I just want to take a break, Mr. Zhou, why don't you play with me for a while, and I'll chat with Qingrui." Tasha handed the racket to Zhou Mingli, "How is Mr. Zhou's game?"

"It's okay."

Zhou Mingli Standing on the other side, Ruan Yan sent a ball over.

Two people come and go, and one ball can play dozens of rounds.

Sometimes Ruan Yan hits some tricky balls, and Zhou Mingli can catch them. Tasha looked at her

with emotion, "You friend, are you good at technology?"

"I'm not inferior to him. I'll try it later." Song Qingrui took her by the shoulders and said to her ear,

"You've been staring at people all the time."

"Aren't you jealous?" Tasha giggled, "Your friend is really good looking and looks decent, he has a girlfriend Don't worry about it."

"No bad habits." Song Qingrui threw out five words.

Tasha was very satisfied, glanced at Ji Ziyuan beside him, and said in a meaningful way:

"That's good, it doesn't matter if you can fall in love or not, it's okay to be friends, don't be like some people, pretending to be superior, I feel like I have some money

Quan is amazing, but he doesn't know how to respect people.

Ji Ziyuan said lightly, "Miss Lin, be reasonable. When you first came to the capital, I never disrespected you . "

"Because we have no conflict of interest. "Tasha said decisively,

“You didn’t like me. If you liked me, you would definitely think that I came from a small place like me, suitable for play, but definitely not worthy of your Ji Shao.” “

“You misunderstood me a lot. “Ji Ziyuan’s brows didn’t change.

“It’s not a misunderstanding. Tasha raised her chin,

“I also know very well that if it wasn’t for our Lin’s business getting bigger and bigger,”

“And it wasn’t for me and Qingrui being in contact, Ji Shao, you wouldn’t necessarily chat with me on an equal footing here. “

“You are making me think too much.” Ji Ziyuan curled the

corners of his lips, and there was a faint smile on his handsome face that would make any woman blush

.

I’m tired of playing, go and play. “Lisa came over suddenly.

Ji Ziyuan took the racket.

Alvin immediately followed, hugging his wife, “I’ll take a break too, whoever you are. “

“I’ll come.” Song Qingrui dared to let Tasha come on, and quickly replaced Alvin.

When he and Ji Ziyuan walked to the court together, he smiled gently,

“Tasha is more impulsive, so don’t have the same knowledge as her. “

“No. “Ji Ziyuan spit out two words with thin lips.

“But.... “Song Qingrui suddenly smiled meaningfully,

“Mr. Ji, sometimes you think people are not good, maybe it’s not the other party’s problem, but you really don’t look down on people. “

Ji Ziyuan’s deep eyes flashed slightly.

“Actually, I also understand.” Song Qingrui said,

“People like us have lived on the pyramid since childhood,”

“And we are born with a bunch of people around us who are flattering and flattering, but I always feel that all people are created equal.”

“Really, I don’t think so.” Ji Ziyuan’s attitude was lazy and sloppy.

“Mr. Ji, being too arrogant is not a good sign.” Song Qingrui reminded kindly.

Ji Ziyuan smiled softly, obviously not agreeing.

...

after a hearty badminton match.

Ruan Yan went to the bathroom to wash her face.

Zhou Mingli also came out of the men’s toilet on the other side and washed his hands.

Both of them lowered their heads, he smiled softly,

“It’s been a long time since I played like this with you, but your golf skills are not as good as you are now.”

Ruan Yan didn’t look up, “Did you come here on purpose?”

“Accidentally . , Qing Rui said that her wife has a good friend who is single and wants to introduce it to me, I guess it is you.”

Zhou Mingli whispered, “This is not very good, we can meet in the future.”

Ruan Yan raised her head and looked at He, “It’s not good to be too close to me. I am a person who lives in the spotlight.”

“You have a bright future. If you are too close to the entertainment industry, it will affect your future.”

“Xiaoxiao,” Zhou Mingli whispered. Sigh, “I just don’t want to see you bruised and bruised all over, but I can only keep watching you in the dark.”

Those two words made Ruan Yan tremble slightly.

She hadn’t heard someone call her that for too long.

And in this world, only Zhou Mingli knows her true identity.

“You’ve helped me a lot.” Ruan Yan lowered her eyes, “If it weren’t for you, I wouldn’t be able to find those outstanding men at all, and I wouldn’t be able to do many things.”

“You said you wanted to take revenge yourself .

,I respect you. Zhou Mingli asked complicatedly,

“Then what are you going to do in the future, stay in, I don’t want you to continue to entangle with Ji Ziyuan, he will only hurt you.” “

Ming Li, although we have known each other since childhood, you know Ruan Yan better, not me Ning Xiaoxiao.

She gave him a deep look, “Don’t get too close to me, I can only live in a dark place where there is no light for the rest of my life, and you are a shining star, you should go farther and higher. ” After saying

that, she turned and left.

Zhou Mingli looked at her back. When

Ji Ziyuan came over, he washed his hands and said in a low voice,

“Major General Zhou, some women are best not to touch, and women in the entertainment industry are far away.” It’s more complicated than you might think. “

As expected of Mr. Ji, he already knew my identity.” Disgust flashed deep in Zhou Mingli’s eyes.

If it wasn’t for this man, how could Xiaoxiao have fallen to this point.

“It is rumored that the Presidential Palace has a special dark guard. Although there are only a hundred people, the people inside are all passing through .”

The most brutal wars and elections were only selected, and the one who could call Song Qingrui brothers and sisters must also be the leader of the Dark Guard.

Ji Ziyuan stood up straight and his eyes met him, “I can’t find the kind of woman I want, do I need Ruan Yan? ” “

After that, he left without looking back.

Zhou Mingli clenched his fists tightly.

Ji Ziyuan, a cool man like you doesn’t understand how good that woman is.

But you will regret it sooner or later, you I never know what I missed.

...

After playing, Ruan Yan was driving back when she received a call from Ji Ziyuan with an order, “Stop at the corner ahead, I will I have something to tell you.”
