

Let Me Go Mr Hill

Chapter 2631

“Mr. Ji, didn’t you tell me not to appear within three meters of you?” Ruan Yan reminded kindly.

“I now allow you to appear within half a meter of my side.” Ji Ziyuan said in a gracious tone.

Ruan Yan listened and laughed directly.

It’s the kind of laughter that comes after hearing a joke.

The phone was quiet for a few seconds, and Ji Ziyuan’s icy voice contained a bit of warning,

“I believe the sponsor you are looking for, and he doesn’t dare to disobey my order.”

“Then go to my sponsor, you guys are fine. Talk to me and let him come to me.”

Ruan Yan hung up the phone.

Ji Ziyuan looked at the phone that was hung up, and his eyes flashed with disbelief.

This woman is so daring, she dares to hang up the phone.

I really can’t take care of her.

Ji Ziyuan quickly informed his subordinates,

“Check Ruan Yan, find out the gold lord beside her, and get the results within a day.”

He wanted to see what kind of man she found to dare to make her so mad .

Ji Ziyuan pondered, the possibility that that person is Pei Mochen is relatively high.

...

Eighteen hours later, his subordinates brought the news, "Mr. Ji, I didn't find out any money owner beside Miss Ruan."

"Did you check carefully enough?" Ji Ziyuan obviously didn't believe it.

"Really not, don't you know what I'm capable of?" The subordinate was a little aggrieved,

"I found out that Miss Ruan has moved to the Zixia Valley villa area near the outskirts of Beijing."

Ji Ziyuan knew that place, although the house price could not be compared with the market price. Different, but different

The villa also costs hundreds of millions.

Ruan Yan made so much money in only a few years since her debut?

Could it be given by Pei Mochen?

Ji Ziyuan sneered, no wonder she always complained that she didn't buy her a house or a car, no wonder she committed suicide for Pei Mochen before.

"Are you sure she doesn't have a gold master by her side?" Ji Ziyuan asked again, "She didn't contact Pei Mochen?"

"No." The subordinate said with certainty.

"Send me the address of her villa." Ji Ziyuan ordered.

Soon, Ruan Yanxin's address was sent, and after Ji Ziyuan got off work from the hospital, he drove directly to Zixia Valley.

When he got to the entrance of the villa, he directly rang the doorbell.

But no one came to open the door.

Ji Ziyuan had no choice but to call Ruan Yan, only to find that...it was blocked.

A certain man laughed on the spot.

Glancing at the wall more than one meter high, he directly climbed the wall and entered.

When he landed, in the grass, a trap clamped his feet with a bang.

The severe pain caused Ji Ziyuan to scream out of control. Even if he could endure the pain normally, his eyes almost turned black now.

“Ruan Yan, get out of here.” Ji Ziyuan fell into the grass in a complacent manner, his handsome face turning pale.

“Who is it, the disturbing sleep in the afternoon.”

The sliding door on the second floor opened, Ruan Yan was wearing silk pajamas, and lazily stretched out from the inside.

Seeing Ji Ziyuan sitting in pain in the grass, Ruan Yan rubbed her eyes in disbelief, “Mr. Ji, why did you sneak up to my house?”

Chapter 2632

“Ruan Yan, are you crazy? Put the trap at home, get out of here and open it for me.”

Ji Ziyuan was already sweating from the pain, but he just bent over to open the trap,

The wound would hurt more intensely, and the more intense it was, the less he could exert himself, and even blood was oozing from his feet.

“Okay, okay, I’ll come down immediately.”

Ruan Yan’s mouth should be fast, and after entering the room, she almost burst out laughing.

The animal trap was originally intended to prevent others from sneaking in, but I didn’t expect it to catch Ji Ziyuan.

Live it, live it.

She slowly changed her clothes and walked downstairs, Ji Ziyuan had waited until she was impatient,

And when she saw that she had changed clothes, he almost vomited blood,

“You still have time to change clothes, Ruan Yan, are you fucking kidding me? “

Mr. Ji, you can't wrong me. I just ran out without wearing underwear. What if you think I'm seducing you.”

Ruan Yan glanced at his wound innocently, and said, “How can I help you.”

“Let's break her apart together, you pull one side, I'll pull the other side.” Ji Ziyuan gasped in pain.

“No problem,” Ruan Yan nodded immediately.

She bent down and used all her strength to cooperate with Ji Ziyuan.

During the whole process, Ji Ziyuan's painful face turned pale, and when he finally broke apart a little bit,

Ruan Yan on the opposite side deliberately loosened his hand and fell to the ground, “Oh, I really

I'm out of energy. “The

trap bounced back again, and Ji Ziyuan screamed in pain, and his whole body was shaking, blood dripping from his feet, which was horrible to see.

“Ruan Yan, you are courting death.” “Ji Ziyuan was already dizzy and dizzy. If it wasn't for the pain now, he would definitely strangle Ruan Yan.

“Mr. Ji, it's none of my business. It's too tight. I can't open it. Come on firemen. Ruan Yanqiang endured the

joy in her heart, took out her mobile phone, and called the fireman. Ji Ziyuan felt that she did it on purpose, and did n't

want to ask her for help anymore.

Waiting for the firefighters to come.

“Call an ambulance again. He made a rough arrangement, and he didn't even bother to wear glasses, so he rudely threw them aside. His

handsome face was as pale as glass, but his thin lips were bright red.

Such Ji Ziyuan looked as good as a ceramic jade. It is very expensive, but it can be broken with a touch.

If other women have been distressed and twitched, Ruan Yan is calmly playing games on the mobile phone on the side.

“Are you still in the mood to play games? “Ji Ziyuan was almost furious. When

he's done, he must kill this woman.

“This is a game I endorse, and sometimes it has to be upgraded. There's no way, it's not easy to make money.”

Ruan Yan sighed without raising her head, “It's actually quite fun, do you want to have fun?”

Ji Ziyuan gasped, and spit out a word, “Go away.”

“Mr. Ji, you are going too far. I really want to use the game to distract you.”

Ruan Yan got up and patted the grass on her butt0cks. ,

Okay, since you won't distract me, then I'll go in the house.”

“You dare, stop.” Ji Ziyuan's pale face was full of gloom,

“Ruan Yan, you put the trap at home privately? Illegal behavior, now that I am injured, you have the right and responsibility, understand.”

“I violated the law, and I am willing to lose money.”

Ruan Yan shrugged, “Don’t worry, I will compensate you for your medical expenses and mental damage,”

“But Mr. Ji It’s illegal to break into my house without saying hello.”

The eyes of the two men silently competed in the air.

The first time ended with Ji Ziyuan’s failure.

Because he was in so much pain that he was unable to think about why Ruan Yan had become so sharp and sharp.

More than ten minutes later, the fire truck came.

Ruan Yan opened the door and let the firefighters come in to free Ji Ziyuan, and then the ambulance came and took the ambulance to the hospital.

As for Ruan Yan, she didn’t have that leisurely way to accompany her.

She made a phone call to inform Du Xuan.

Du Xuan was dumbfounded when he heard it, “You mean, Mr. Ji climbed the wall of your house, was injured by a beast and was sent to the hospital?”

Chapter 2633

Du Xuan was dumbfounded when he heard it, “You mean, Mr. Ji climbed the wall of your house and was injured by a beast and sent to the hospital?”

“I didn’t mean to, you know, I’m so popular, There are always some black fans harassing me.”

“I was smashed by black fans last time I played the car. I did this to protect myself, who knows that Mr. Ji is... so lawless.”

Ruan Yan complained faintly.

Du Xuan: “...”

Well, he actually thought it made some sense.

“Don’t say I’m unreasonable, I’ll send you one million here, as compensation for medical expenses and mental damages,”

“I think this money should be enough for Mr. Ji, you remind him, don’t try to deceive me, it’s urgent I,”

“I sent it to the Internet to consult a lawyer.” After Ruan Yan finished speaking, she hung up the phone ruthlessly.

Du Xuan looked at the phone and took a deep breath.

Is Ruan Yan arrogant and borrowing courage from the sky?

Half an hour later, when Du Xuan arrived at the hospital, Ji Ziyuan was already lying on the hospital bed, with his right foot wrapped in thick gauze like a zongzi.

It’s just that Ji Ziyuan was in a really bad mood. His handsome face was as cold as an ice sculpture, overflowing with cold air.

“Ruan Yan, tell her to come in.” Ji Ziyuan, who has always collapsed in front of Mount Tai, has never been so furious.

In other words, no one dared to hurt him.

Especially when the other party is a woman.

He even thought that Du Xuan came so quickly, it must be because Ruan Yan didn’t dare to come alone, so he pulled Du Xuan on too.

I want Du Xuan to intercede and dream for her.

“ ... ”

Du Xuan was stunned for a few seconds, and after reacting, the corners of his mouth twitched, “I didn’t see Ruan Yan.”

“What, she didn’t come.” Ji Ziyuan shivered in anger,

“You contact her and let her appear in front of me within 20 minutes, otherwise, she will never want to appear in the entertainment circle in her life.”

Du Xuan has a headache . , but still avoided Ji Ziyuan and called Ruan Yan,

“You better come here, pay the money to President Ji in person, admit your mistake, apologize, I’ll say something nice to you, this is all it’s over.”

“I’m not going, I just want to protect myself, isn’t it wrong?”

Du Xuan said angrily, “Do you really want to be banned?”

“I think about it, I still have it in my hometown. If it is really blocked, I will go home and farm.” Ruan Yan said helplessly.

Du Xuan: “...”

Is there any land?

Is she joking?

Du Xuan said that he didn’t understand the entertainment industry a bit.

After returning to the ward, Ji Ziyuan said coldly: “How?”

“Uh... Ruan Yan transferred me one million yuan, saying it was to compensate for your mental loss and medical expenses.” Du Xuan was trembling. Say.

“One million?” Ji Ziyuan laughed in complete anger, “She is quite generous, but I only have one million feet. Find me a lawyer and I will sue her.”

Du Xuan kindly reminded, “Mr. Ji, Ruan Yan is a public figure. If the trouble gets bigger, others will know about you crawling into her house...” The

Ji Group may not be able to accept this kind of scandal from its own president.

Ji Ziyuan's handsome face was as gloomy as the night,

"I don't believe in a woman who can't be cured without me, you give me news, in the entertainment circle, whoever dares to help Ruan Yan in the future will be against me,"

"Mrs. Ji. All medical resources in the family will not be open to the other family."

Chapter 2634

Du Xuan clicked his tongue.

This is really cruel.

Who hasn't gotten sick these days.

However, Ji Ziyuan had not used this trick for a long time, and it seemed that he was being forced.

"Mr. Ji, Ruan Yan did something wrong, but she was injured by black powder a few days ago. For her own safety, it is understandable to put animal traps at home."

"Why do you speak for him?" Ji Ziyuan suddenly He asked coldly,

"You don't like her, do you? Oh, by the way, I heard that you gave her 50 million in private when she terminated the contract with the company."

It was a hot day, and Du Xuan oozes out from behind. Layers of coldness,

"I was wronged, I gave her 50 million because I felt that the company was wrong, and I felt a little sorry, as for me speaking for her,"

"It was because the company had made too many scandals a while ago, and many people were afraid to Only Ruan Yan has a good image and can still make money for the company."

“The company has never been unable to operate without an artist. If it is, then you, the president, don’t need to sit down. Yes.” Ji Ziyuan gave a warning.

Du Xuan was so frightened that his heart trembled, and he no longer dared to say a good word for Ruan Yan.

It’s just that this president is too suffocated to sit in the middle.

“Tell her, when she understands, let her kneel down and beg for mercy.” Ji Ziyuan gave the order in a cold voice.

He had never suffered such a big loss.

What’s more, he didn’t forget Ruan Yan’s attitude when he was injured.

Shortly after Du Xuan left, Mrs. Ji and Tang Qin came over, and Tang Qin was still carrying some tonic soup in his hand.

“What’s the matter with you? Why did your feet get hurt by the beasts? Who did it?” Mrs. Ji looked distressed. Although her son was ruthless, he was his own.

“I will handle this matter myself.” Ji Ziyuan was leaning on the hospital bed, without glasses, his handsome face was slightly pale,

If you are sick, you will be beautiful.

Tang Qin’s heart skipped a few beats as he watched from the side.

It was the first time she saw Ji Ziyuan’s appearance. She knew that this man was poisonous, but she still attracted women like poppies.

“Ziyuan, I made some tonic for you, which will help the wound recover.” Tang Qin put the soup on the table diligently and gave him a bowl.

Ji Ziyuan looked at her fixedly, the more he looked, the more angry he became.

It stands to reason that these things should be done by Ruan Yan, the initiator.

“Who asked you to come.” Ji Ziyuan’s cold tone was very rude.

Tang Qin is pretty and white.

“You child, why are you so cold?” Ji’s mother glared at her son, “I went shopping with Qinqin. She heard that you had an accident and came over immediately.” After a

pause, Ji’s mother said again: “I see that your leg is injured, and there is no one around to take care of you, so let Qinqin stay and take care of you.”

“Auntie, it is my honor to be able to take care of Ji Shao.” Tang Qin immediately said that a man’s injury is the weakest time, she must seize this opportunity.

“But I don’t want you to take care of me.” Ji Ziyuan didn’t give any face at all,

“Tang Qin, can you take care of your knowledge, can you still hold me, you can’t do anything, you can’t sing well, and you can’t act well, Am I tired of staying here?”

This was too mean.

Tang Qin’s eyes were red after being hit hard.

Ji Ziyuan was in a bad mood, and his mood became even worse,

“Why are you crying, Ruan Yan has been scolded more viciously by me, and I have never seen you like this.”

“Without being scolded, I can’t sing and act, except for some blood loss. , what else.”

“Ziyuan, are you speaking human words?” Ji’s mother’s eyes widened, her son was so good-looking, how could his mouth be poisoned.

“There are even more non-human words, do you want to try?” Ji Ziyuan asked sarcastically.

Chapter 2635

“There are more non-human words, do you want to try it?”

Ji Ziyuan raised his head sarcastically, “I’m hurting my leg right now, so it’s hard for me to greet you in a friendly way, even if you’re my mother. Now , what kind of onion is she.”

Ji Mu was almost angry, “We care about you, Tang Qin is still my savior.”

“Yeah, for your sake, I will give her whatever resources she wants. , still not satisfied, let me marry her, and let me greet her?”

Ji Ziyuan mocked, “If it wasn’t because you needed her blood, she could appear in front of me again and again and ask for it?”

” You...”

“Auntie, it’s alright.” Tang Qin stopped Ji’s mother and forced a smile:

“Ji Shaogang was injured, and he was in a bad mood, so I’ll leave first and see him another day.”

Originally Tang Qin I really wanted to stay, but Ji Ziyuan’s mouth became more and more vicious.

It wasn’t so obvious before.

Recently, Ji Ziyuan is looking down on her more and more.

She’s not that completely shameless either.

“Okay, then be careful on the road.” Ji’s mother felt very sorry after watching her leave.

It wasn’t until there were only two people left in the room that Ji’s mother walked to Ji Ziyuan’s side and said angrily,

“Ziyuan, you don’t know how to respect people, you know, I also know that if I weren’t your mother today, it’s up to you.”

“I don’t have the right to make irresponsible remarks on your side, and I don’t understand what’s wrong with your father’s education and I’ve made you become like this.”

“What have I become?”

Ji Ziyuan raised his eyebrows. Eyelid, “If it weren’t for me, Ji’s family would have gone bankrupt long ago.”

“Would you and Dad be able to eat and drink well in the capital? Also, don’t walk too close to Tang Qin. Blood transfusion is blood transfusion. She has ulterior motives.”

Mother Ji laughed angrily, “I’m not related to her, she has lost blood to me so many times, of course I have to be nice to her, could it be that she is a kind person who donates blood for no reason? It’s you, Would you?”

“...”

Mother Ji: “Blood is precious.

Not necessarily, but our blood is indeed relatively rare. When she finished the blood transfusion, she may also be at risk. For the sake of profit, she can be regarded as half her life.

She saved me several times. My life, you are my son. It is normal to compensate her for her career and get what she needs. You don’t need to scold her so badly.”

As long as she doesn’t think about marrying me, she always appears in front of me, and I don’t bother to scold her.” “Ji Ziyuan is the most impatient of others to teach him.

“I think you have no respect for women at all. Ji Mu said angrily, “

You think that you are powerful and superior, and look down on those women.

Women in any industry have their own difficulties. You don’t need to feel that you are superior to others.

If you keep this attitude, those who care about you Sooner or later people can’t stand it. “

Ji Ziyuan chirped, “With my identity, someone will naturally post it upside down. “

You are wrong. A woman who is truly cherished will stay away from you if you repeatedly humiliate her like this.” “

Ji Mu said word by word, “Look at your friends, they get married and have children, which one is like you, maybe you think it’s okay to live like this,”

“But when you get old, you will find that you still need a caring and understanding person around you. your people, then you will feel alone. “

Ziyuan, if you don’t know how to respect others, you will never be able to reap your sincerity, at least emotionally. “

Ji’s mother left.

Ji Ziyuan leaned on the head of the bed and was a little distracted.

Over the years, there have been too many women around him.

But there are many, and he can’t even remember the appearance.

The only thing he can remember clearly It was Ning Xiaoxiao.

Even, because of Ning Xiaoxiao, he began to not believe in feelings.

After so many years, the truth is clear. But in

some respects, he seems to have formed a habit.

Moreover, sometimes thinking of Ning Xiaoxiao, the whole person seems to become extreme, the mood is irritable, and he can’t control his emotions.

If...if Ning Xiaoxiao was by his side, he would definitely not be like this.

Chapter 2636

It’s just... she’s dead.

Every time he thinks of her, his heart is always desolate.

...

After Ji Ziyuan lay in the hospital for three days, Alvin learned about his hospitalization and came to see him with fruit.

“It’s rare, it’s the first time I saw you in hospital.” Alvin said in surprise, “How did you get hurt?”

“ ... ”

Ji Ziyuan didn’t look very good, why did everyone who came had to ask this again question.

As a party, he has no face to say at all.

“What about Lisa, can she allow you to come to see me?”

Ji Ziyuan changed the subject and picked up an orange and started peeling, “Last time on the court, she didn’t like me very much.”

Alvin felt sad when she mentioned this.

“She, she took her child and Ruan Yan to Hawaii for vacation these two days, and she also played various shows in the circle of friends every day. I guess she got carried away with it.”

Ji Ziyuan almost smashed the orange on the spot.

He was lying in the hospital with transfusions every day, but Ruan Yan, the damn woman, was still in the mood to go on vacation?

Doesn’t she know that she has been completely blocked by this circle?

Wasn’t she in a hurry and didn’t want to come over and beg her forgiveness?

For the first time, Ji Ziyuan found that he couldn’t understand Ruan Yan’s woman.

“Look at your wife’s circle of friends.” Ji Ziyuan stretched out his hand.

“What are you doing?” Alvin looked at her vigilantly.

“Don’t worry, I’m not interested in your wife, I just want to see what Ruan Yan is up to.” Ji Ziyuan said, holding back his anger.

Alvin watched his temples jump.

It’s rare to see the indifferent Ji Ziyuan feel so emotional when he mentions a woman.

He raised his eyebrows in surprise, “Aren’t you attracted to Ruan Yan?”

“I’m very moved.” Ji Ziyuan sneered, “It’s the kind of temptation that wants to kill her.”

Alvin was even more amused. , “Interesting, I haven’t seen any woman you’re so emotional about, but there’s no need to look at my wife, just look at Ruan Yan.”

He turned on his phone and clicked on Ruan Yanfa’s circle of friends yesterday.

Ji Ziyuan was stunned, “You added her? How come I never read about her Moments.”

“Oh, obviously, you were blocked by others.” Alvin pointed out calmly.

Ji Ziyuan: “...”

He grabbed Alvin’s mobile phone. The latest time Ruan Yan posted was last night.

She took a group photo with Lisa, Xiaoxi and Leng Leng. Ruan Yan was wearing a ginger-colored bikini, her hair was twisted into a ball head, revealing a beautiful and charming face,

Her waist was slender, her legs were white and long, and her graceful body was uneven and uneven.

The sun fell on her face, and Ruan Yan had a faint smile in her eyes.

Below, there are various photos of her food.

Going forward, it was a back view of her dragging her luggage at the airport.

Ordinary jeans and T-shirts look like advertising magazine photos.

As the date is pushed forward, there are also various makeup photos of Ruan Yan.

Ji Ziyuan found out that he had added Ruan Yan's WeChat, but had never seen these photos.

"Excuse me, can you give me the phone back?" Alvin asked helplessly.

Chapter 2637

Ji Ziyuan threw the phone to him expressionlessly, "When will they come back?"

"Didn't you end with Ruan Yan?" Alvin had a big head,

"Can you stop provoking others, I'm in It's hard to be a person in the middle, a beautiful woman has something to do with your company."

Ji Ziyuan smiled gloomily.

Beautiful women have many things to do, but Ruan Yan was the only woman who got him into the hospital.

Alvin shook his head helplessly, "I said it's okay to be indifferent before, why are you so cold now,"

"Let's find a girlfriend to live well, look at my current life, how satisfying I am."

"That's it . You are lucky to meet Lisa." Ji Ziyuan said lightly.

"It's good to be obsessed, but I also need to be good at discovering that we will always grow old one day."

"When we were young, we lived among thousands of flowers. No matter how interesting it is to play, a few are sincere to you."

Alvin said, " I can be sure that even if I get old in the future, Lisa will be willing to accompany me, we will grow old together,"

"And you, men will also get old, when your face is full of wrinkles, go find someone in your twenties You're such a beautiful girl, in the bottom of your heart, people may despise you for being old."

Ji Ziyuan was startled, thinking that one day he would be despised, and then frowned coldly.

"Actually, there are still quite a few good women in this world, but you always look down on others, there's no need."

"Look at Lisa and Tasha, didn't they all grow up in small places? Even when I went to dinner parties,"

"I often watched them. There are a lot of clean girls who have the courage to refuse the wine table culture, these are the precious qualities of girls."

Ji Ziyuan gave Alvin a deep look, "You have been changed a lot by Lisa."

Alvin "Heh ." laughed, "I have well-behaved children and a beautiful wife, you don't understand how full my life is now.

Really happy. "

Ji Ziyuan: "..."

He really doesn't quite understand. A sweet

wife?

Children?

What's it like ? It's

too far away from him.

...

The plane landed at Beijing Airport.

Ruan Yan opened On the mobile phone, I received a WeChat message from Zhou Mingli: [Have you come back, let's have dinner together tonight?]

Ruan Yan hesitated for a moment when she thought of the gift she brought to Zhou Mingli in the suitcase.

“Wow, Mr. Zhou is asking you. Lisa leaned over to take a look and joked,

“Go, anyway, you have nothing to do recently, you might as well find a boyfriend. “

I don't really want to find a boyfriend. Ruan Yan was in a complicated mood.

The emotional hurt she suffered in her previous life was too deep, which made her full of resistance and resistance.

Even the body she used was Ruan Yan's, so why should she be happy.

Besides, even if she took revenge, My heart is already scarred, and I don't want to fall in love at all.

Xiaoxi jumped up to Ruan Yan, “Aunt Ruan Ruan, don't you want to have a cute little princess like me?

Ruan Yan looked down at Xiaoxi's cute little face,

“Aunt Ruan Ruan likes you very much, but I never thought about being a mother. ” Lisa was startled, “

Ruan Ruan, not all men are like Pei Mochen and Ji Ziyuan. “

“Of course I know.” Ruan Yan felt sad, “I just...it seems like I don't know how to love someone anymore.” “

Love is an instinct, and she doesn't seem to know it at all.

Lisa was stunned and didn't know what to say.

Even if she was hurt badly by Alvin, she was not like Ruan Yan.

Chapter 2638

After the four walked out of the airport, Alvin personally came to pick up his wife and children.

By the way, Ruan Yan was sent back to the villa.

After watching the car leave, Ruan Yan turned around to get in the car, when suddenly several tall men surrounded her from behind.

“Miss Ruan, Master Ji, please come over there.” One of the burly men who was 1.9 meters in length walked over and said.

“What if I refuse.” Ruan Yan asked calmly.

“Then we can only force you to go.” The man said with a warning.

“...Okay.”

Ruan Yan nodded.

The burly man gave her a strange look. Few women can be so calm when faced with such a thing.

These people sent Ruan Yan all the way to the villa on Xueming Mountain.

Ji Ziyuan has been recuperating in his villa since he was discharged from the hospital.

Ruan Yan has been to Xueming Mountain many times, but mainly to play at Huo's Villa, and this is the first time to Ji Ziyuan's side.

Although it is not as big as Huo's Villa, it has more than 2,000 square meters.

When Ruan Yan entered, Ji Ziyuan was lying on a reclining chair in a loose white home uniform, with an injured foot resting on Lihua next to him, with a gauze wrapped around his foot.

The afterglow of the dusk fell on his beautiful face, and the thick eyelashes dyed a shadow under the eyelids.

“Ruan Daxing had a good time playing abroad, I finally invited you here.”

Ji Ziyuan looked at her with deep black eyes, “Look, you have been doing well recently, your face is full of flesh and ruddy.”

“Full of vigor and blood.”

“Thank you, President Ji, for your compliment.” Ruan Yan replied in a warm voice.

Her attitude completely irritated Ji Ziyuan,

“Ruan Yan, do you think I’m complimenting you, you put me in the hospital, you’re good, go abroad for a cool vacation, don’t you take it seriously?”

I still thought I wouldn’t dare to mess with you. “

“What kind of trick are you talking about?” Ruan Yan asked suddenly.

Ji Ziyuan met her dark eyes, stunned, and laughed angrily, “I thought I would touch you, just dream. “

“That’s good. Ruan Yan nodded, “I also quite dislike you. “

“What did you say?” Ji Ziyuan looked at her in shock with an incredible look.

The bodyguard on the side was also dumbfounded. It’s

really been a long time since I saw a woman who dared to challenge Ji Ziyuan.

“Am I not clear enough?” Ruan Yan’s eyes showed a bit of slack,

“You are injured, I can’t be ruddy and full of blood, is Hua Guo in charge of you, Ji Ziyuan, if you have that ability, why don’t you do it?” president. “

” Ruan Yan.... “

Ji Ziyuan gripped the armrest of the reclining chair grimly, his eyes cold as if he could eat people.

“Bold.” “The burly bodyguard shouted,” Apologize to President Ji immediately, otherwise don’t blame us for being rude. “

Mr. Ji, I have an appointment with Zhou Mingli for dinner. If I disappear, or leave your villa sideways,”

“I’m afraid you will be in trouble too.” Ruan Yan raised her eyebrows, her beautiful little face was always fearless.

Ji Ziyuan stared at her stubbornly, his eyes wishing to poke a hole in her,

“Okay, in just a few days, he hooked up with Zhou Mingli. , No wonder he is so arrogant, but you think that a mere Zhou Mingli can do anything to me,”

“Or you think that you have the ability to affect him enough, stop dreaming, Ruan Yan, what kind of thing are you? “

Just try it, Mr. Ji, my interpersonal relationship is not as bad as you think.” Ruan Yan walked in front of

him step by step, and looked at his contemptuous eyes, “Or...will you let the person next to you break my leg and try?” “

Chapter 2639

Ji Ziyuan met her eyes.

The woman’s eyes were calm and deep, without a trace of fear.

No woman had ever dared to look at him like this without being afraid, or even dared to provoke him.

Ji Ziyuan suddenly remembered Ruan Yan from a few days ago, and his eyes narrowed slowly, “Ruan Yan, you didn’t have this attitude before, who gave you the confidence.”

“Of course my people have left China to fly far away. .” Ruan Yan told the truth, no longer hiding.

God knows how disgusting she was dealing with him in a vain and condescending manner during that time.

Ji Ziyuan stared at her for a long time, and finally came to a realization.

“So it is.”

Ji Ziyuan smiled hoarsely, “I didn’t expect it, I didn’t expect it, I was wrong.”

No wonder she suddenly changed different from before, he thought she used the original one. It is a hard-to-play approach, and later the nature is revealed.

In addition, her submissive appearance during that time made him very disinterested. It turned out that she had been acting with him all the time.

“As expected of an actor, he is very good at acting,” Ji Ziyuan pointed at her, his eyes like a poisonous snake, “Ruan Yan, if you have the ability and dare to play with me, you are the first.”

“Do you think I dare to play with you? , so I started to have a little interest in me again.” Ruan Yan curved her lips mockingly, “Women are probably playthings for you, they can provoke your interest when you don’t get them.

Funny, when you get it, it’s like garbage. “

“You know me well. Ji Ziyuan sneered lowly.

“So Ning Xiaoxiao is the same for you.” Ruan Yan suddenly said coldly.

The name made Ji Ziyuan’s body suddenly tense. He stared at her coldly, with a chill overflowing.

Ruan Yan was not afraid at all. She is so nice, she will respond to every request, let her have a deep-rooted love for you, and when she can’t extricate herself, you kick her away mercilessly. From beginning to end, you are playing with her at all. The position in your mind is not as good as a Ning Lexia. “

“Who told you this?” Ji Ziyuan frowned coldly, “Lisa?” Tasha? “

Of course not, Xiaoxiao and I have always been in correspondence.

Ruan Yan walked over to him and looked down at him condescendingly, “Ji Ziyuan, every time you force me to go to bed, do you know what I’m thinking about, nausea, vomiting, you coaxed my good friend to go to bed? ”, to play with her feelings, and even let her die unexpectedly, you not only have no conscience at all, but you also forced Ning Xiaoxiao’s friends to sleep in your bed, why don’t you die.
“

” Ruan Yan , do you want to die ? The

bodyguard on the side jumped in shock and rushed forward to grab her arm.

“You continued. Ji Ziyuan’s temple was violent, he stared at Ruan Yan, wishing to poke a hole in her.

Ruan Yan took out a bottle from her bagMedicine, “Do you know what this is, it is the medicine that made me forcefully cooperate with you in bed, are you surprised that I have changed so much later, because I have to eat this thing every time I go to bed with you, and I can’t do it without it. Ah, I think you are disgusting, you always look like you are so good at your skills, hehe, I laughed so hard, you used me as a doll to vent, and you looked down on me all day long, you thought I was worth it Are you?” The

surrounding air was extremely cold.

The bodyguards next to him were shaking.

They had never seen Ji Ziyuan’s face so angry, he was on the verge of rage.

But Ruan Yan continued to say: “Actually, I really dislike you for being dirty. Even since I was with you, I have to go for a medical examination every week. I am afraid that I will get sick. So you are high above and look down on women, I really don’t know who gives you confidence, women with ability and self-worth can look up to you, what can you attract, that kind of third-rate women.”

After she finished speaking, she threw the medicine away contemptuously. On him, “Don’t think about going to a woman all day long. Your skills are not good, and your character is also bad. Mr. Ji, please improve your quality when you make money.”

“Ruan Yan, you are courting death.”

Ji Ziyuan caught Holding the medicine that was smashed on his chest, he stood up from the reclining chair in anger on the spot, not even caring about the injury on his feet.

“Mr. Ji...” The bodyguard reminded in horror.

Chapter 2640

Ji Ziyuan was like crazy, stepped on the ground, grabbed Ruan Yan’s neck angrily, and looked like he wanted to strangle him.

Live into your thirties.

Ji Ziyuan had never met anyone who dared to mock her and sneer at him as recklessly as Ruan Yan.

What is the most taboo in his life, a man’s ability in a certain area, and dignity, Ning Xiaoxiao.

But Ruan Yan all committed her taboo.

If he didn’t kill her today, he wouldn’t be Ji Ziyuan.

Ruan Yan was almost choked by his fingers.

However, she has been a person who has died once, and even when she is on the verge of death, she maintains an absolute calm.

She stepped on Ji Ziyuan’s injured foot hard and stomped on it and turned.

Ji Ziyuan’s face turned pale on the spot.

Ruan Yan took the opportunity to push him away, but Ji Ziyuan was caught off guard and pushed him down on the grass in embarrassment.

“Mr. Ji...” The bodyguards were really frightened, two helped Ji Ziyuan, and the other two went to restrain Ruan Yan.

Ruan Yan took out the anti-wolf spray and sprayed it into the eyes of the two bodyguards.

“Grass the grass, something.” The two bodyguards couldn’t keep their eyes open.

Ruan Yan seized the opportunity to run towards the gate.

“Catch her, let me catch her.” Ji Ziyuan roared, “I must kill this woman today.”

The bodyguards and security guards in the villa took the initiative to receive the news, and the gate was also blocked. The blockage was so tight that Ruan Yan had no choice but to run to the corner of the wall.

The large fence is two meters high.

When the bodyguards surrounded her, Ruan Yan turned around and quickly climbed up the wall. That movement was similar to that of a monkey, and she quickly disappeared into the yard.

The bodyguards were dumbfounded.

Ji Ziyuan was furious, “Don’t hurry to chase, you idiots, what’s the use of you, you can’t even catch a woman.” The

bodyguard hurriedly chased out.

Ruan Yan ran all the way. This was on the Xueming Mountain. Usually, except for the people who lived on it, there were very few vehicles coming and going.

She ran for more than ten meters, and a black off-road vehicle “creaked” stopped in front of her.

Zhou Mingli jumped down from inside and quickly supported her, Jun's face turned cold, "What's going on?"

"Someone is chasing me."

Ruan Yan was subconsciously relieved when she saw him.

Zhou Mingli looked up and saw Ji Ziyuan's bodyguard chasing after him.

His face turned cold, and he took out the gun directly from his waist and pointed at them.

The bodyguards of Ji's family immediately stood in place, unable to move.

"Zhou Mingli, let me remind you that you climbed up from the bottom to get to where you are today."

Ji Ziyuan was pushed over in a wheelchair and saw Ruan Yan being protected by Zhou Mingli, her handsome face. As if plated with a layer of hostility, "I think carefully with my brain, whether it is worth fighting against our Ji family for a woman who has known each other for a few days."
