### Chapter 2641

After Zhou Mingli turned the gun in his hand, he put it back on his waist handsomely, his eyes were sharp and determined, “I just saw a weak woman at the foot of the capital, being bullied, she asked me for help, I am The guard beside the president happened to see it, and naturally he couldn’t just sit back and ignore it. Does President Ji think that I am against Ji when I reach out to help, or does President Ji think that your status is above the law?”

Such a big hat was buckled down. , even Ji Ziyuan did not dare to touch it.

He narrowed his eyes coldly, never expecting this Zhou Mingli to be so ignorant of praise.

“Ruan Yan not only offended me, but also injured my foot, shouldn’t I be held accountable?” Ji Ziyuan lifted the bleeding foot, “Since you want justice, who will explain my injury? “

You wanted to strangle me first.”

Ruan Yan raised her neck hoarsely, revealing the red finger marks on it, “I was almost strangled by you, and hurting your foot was for self-defense, why? , Just because you are the president of the Ji Group, you can decide a person’s life or death at will? If it wasn’t for my luck today, maybe I would have died in your villa.”

Zhou Mingli saw the fingerprints on her neck, his eyes Yi sneered, “Mr. Ji, you are so majestic, but I only learned today that the powerful can kill people at will.”

Ji Ziyuan Jun’s face twitched, “I am sitting in a wheelchair, how can I strangle her, it is me, who was She scolded her bloody head.”

“Anyway, I have to call the police about this incident today, and I need a professional person to identify my injuries,” Ruan Yan said, taking out her mobile phone and calling the police directly.

Ji Ziyuan glared at her, his handsome face full of sternness, “Very good, Ruan Yan, you really annoyed me. If I don’t take care of you, my surname will not be Ji.”

He said viciously. After the warning, he rushed to the bodyguard and said, “Send me to the hospital.”

If this foot is not treated, it will be useless.

After Ji Ziyuan got into the car and left, Zhou Mingli took back his gaze, and looked at Ruan Paullplessly and distressedly, “This time you acted too rashly, have you ever thought that if I’m not in the capital, you are like this with Ji Zi Yuan tore his face he may not even be able to get out of the gate of the villa, Ji Ziyuan is not as simple as what outsiders see. “

I just don’t want to bear it anymore.” Ruan Yan ‘s

eyes flashed with deep boredom. She couldn't forget the trampling and contempt of this person when she stayed by Ji Ziyuan's side.

Why did he threaten her to stay by his side with despicable means? She despised her like that.

She hated Ji Ziyuan's arrogant face.

She just wanted to let him get out of control and make him furious.

"Don't worry, I informed you before I came, that I knew that you would come. If you are not in the capital, I will certainly not. Ruan Yan looked at him gratefully, "

Mingli, thank you, but Ji Ziyuan is narrow-minded. If you help me this time, will it affect you?" Zhou Mingli rubbed her hair helplessly, "

I came out of the battlefield step by step with my fists. Unless I make a mistake, Ji Ziyuan can't interfere in my affairs, I'm just worried about you, I can't protect you all the time, or...you just pretend to be with me, so that Ji Ziyuan doesn't dare to be too arrogant. "

"Stop kidding." Ruan Yan took a step back, her cold eyes were complicated, "

I said, I'm a big star, you are a guard hiding in the dark, if you interact with a public figure, how will people on the Internet talk about you. "

"I don't care about that. "Zhou Mingli's heart is full of powerlessness," The big deal is that I don't work with the president anymore. "

Ming Li, what Ji Ziyuan said just now is right, you have come to this day step by step from the bottom, don't let those wounds on your body be left in vain. Ruan Yan turned around and turned her back to him, “

You forgot, when we were watching TV together when we were young, you told me that you wanted to be a general in the future. You have ambitions and ambitions, and I, I am A person who died once, and now I have revenge, but those close relatives around me have died, and I can't find the meaning of my existence. “

“Xiaoxiao, don't do this.”

## Chapter 2642

Zhou Mingli was a little scared when he heard her empty and blank voice, “There are still many things in life, have you forgotten there is Aunt Ruan, since you have become Ruan Yan, you have to take good care of her family, There are no close relatives in the past, but you can get married and have children, so that your husband and children are your family.”

Of course, if she wants, he is willing to be her other half at any time.

It's just that he was afraid that he would scare her, and even make her gradually move away from him.

"Others have said what you said, but... my heart is numb, and I don't know how to love someone," Ruan Yan shook her head, "I even lost the instinct to love someone. "

"..."

Zhou Mingli's heart ached slightly.

How much pain does a person have to go through to become like this.

"It's okay, Xiaoxiao."

He stretched out his long legs, walked over, and touched her head again.

His edges and corners are so sharp, but at this moment they are all soft, "Take your time, don't worry, in the last life, maybe you loved too hard, but in this life you don't understand love, let the people who know how to cherish you come and love you slowly. You."

He believed that sooner or later, her heart would slowly open up.

He is in no hurry.

No one knew that Zhou Mingli, who was in his teens, watched Ruan Yan go to the capital with his mother back then. How lost he was after being Miss Qianjin.

Obviously it used to be a compound.

Ning Xiaoxiao became the eldest daughter, but he and Ruan Yan could only continue to live in a small city.

At that time, he told himself that he must work hard to become a friend worthy of her status.

But he couldn't study, so he could only join the army.

In the baptism of countless bullets on the battlefield, he finally stood out.

But she has already become a prisoner of labor, she died, and she can't even see the body.

Fortunately, God gave him another chance.

He has long understood that after so many years of chasing, what he really wants is not the identity of a friend at all, he just wants to stand by her side and become an important half of her life.

“Xiaoxiao, do you remember the cartoon the three of us watched together when we were young, I said that I wanted to be a knight, and I have always been, because knights can protect those who want to guard.”

‘Even if the prince is with the princess at the end, A knight is always alone and that's okay.

Ruan Yan looked up at him blankly. The man's bronzed skin was as handsome as a real knight in the sunset.

Her heart was inexplicably touched.

If only Ning Xiaoxiao and Cen Jing hadn't come to the capital, hadn't come to Ning's house, and hadn't met Ning Lexia and Ji Ziyuan.

## Chapter 2643

Seven o'clock in the evening.

The doctor bent down nervously to bandage Ji Ziyuan's wound.

The whole time, the atmosphere did not dare to come out.

He dared to swear that after working with Ji Ziyuan for so long, he had never seen Ji Ziyuan's face so ugly.

You know, in the hospital workplace, Ji Ziyuan has always been pleasant.

"Mr. Ji, your injury... dealt with... dealt with it." The doctor reminded timidly, "but you must pay attention to rest, otherwise..."

"I am also a doctor. , I know better than anyone."

Ji Ziyuan interrupted him coldly.

He also knew very well that Ruan Yan stepped on it with all her strength.

She hated him and hated him so much.

Ji Ziyuan, who has always been arrogant, has never been humiliated as severely as he is today.

Up to now, Ji Ziyuan couldn't believe it, when she touched her, she actually said that she wanted to take medicine.

This is definitely Chi Guoguo's trampling dignity for a man.

What made Ji Ziyuan even more angry was that Ruan Yan's face in front of him was completely intentional, just to make him despise her and look down on her.

It turned out that, as expected, he quickly disliked her and even let go of the men who threatened her.

After calming down a little at this time, Ji Ziyuan suddenly realized that Ruan Yan knew him so well.

This woman who knew herself said she hated him and hated him.

While Ji Ziyuan was angry, he also had a deep sense of doubt and frustration.

Is he... that bad.

Isn't he... good enough?

It's so ridiculous. Not to mention the doctor, even Tang Kai, one of his subordinates, was the first to see Ji Ziyuan angry for a while, dazed for a while, and gnashing his teeth for a while.

There was a knock at the

door, and several policemen in plainclothes walked in with strange expressions, “Is that Mr. Ji, I’m sorry, we just received a call from a woman named Ruan Yan, she said. ...Mr. Ji, you intend to murder her, we received a report, please go to the police station with us.”

“Murder?” Ji Ziyuan laughed after two words burst out of his throat.

He really didn’t expect that Ruan Yan really called the police, thinking that with Zhou Mingli’s support, he would dare to confront him head-on, right?

Tang Kai hurriedly said: “We are law-abiding, and it is impossible to do this kind of thing. This is a misunderstanding.”

“Because...Miss Ruan has obvious scratch marks on her body, plus Miss Ruan I ran out of Mr. Ji’s villa in the afternoon, so...” The policeman looked helpless.

Ji Ziyuan, who dares to offend.

“Mr. Ji, please come with us, Ruan Yan is also a public figure, and it will be difficult for everyone to make trouble.”

“Okay.”

Ji Ziyuan smiled coldly.

Very good, Ruan Yan sent him to the hospital for the first time, and sent him to the police station again for a record.

After Ji Ziyuan arrived at the police station, his lawyer soon came over, and within ten minutes, he took Ji Ziyuan out of the police station smoothly.

“Mr. Ji, don’t worry, your foot was also injured by Ruan Yan. When there was a dispute, you were all around you. Ruan Yan has no actual evidence at all.”

Lawyer Long is a top expert in the industry, although he is worse than Alvin A bit, but the means in all aspects of lawsuits are far less than Alvin’s bottom line.

## Chapter 2644

When

Ji Ziyuan got into the car without a single glance, he suddenly remembered what Ruan Yan said.

She said that in her heart, Ning Xiaoxiao is not as good as Ning Lexia. ”

Lawyer

Long...” Ji Ziyuan put his hand on the car door and asked coldly, “Did the case of Ning Xiaoxiao have a lot of loopholes?”

“It’s Mr. Ji who said you must win. If you don’t win, let me go.”

“...”

Oh, right?

Turns out he said that too.

Ji Ziyuan slammed the door and got into the car without a single glance.

Tang Kai looked at Lawyer Long and shook his head angrily.

Lawyer Long looked puzzled. Did he do something wrong? He also used money to do things.

In the car, Ji Ziyuan instructed the driver, “Go to the bar.”

“Mr. Ji, you are injured and cannot drink.” Tang Kai looked embarrassed.

Ji Ziyuan glared at him coldly, and Tang Kai, who stared at him, didn’t dare to say a word.

He had several bottles of wine at the bar.

...

was dizzy when he woke up in the villa the next day.

It wasn’t until after going downstairs and seeing Tang Kai walking around in the living room that he said, “Let someone bring breakfast.”

“Mr. Ji, you...the news about your visit to the police station yesterday. Tang Kai hesitated and said, “There are two media in the entertainment news that Ruan Yan went to the police station to report that you wanted to kill her.”

Ji Ziyuan's eyes tightened, and he ordered coldly, "Show me."

Tang Kai quickly handed him the phone.

Ji Ziyuan swiped the screen a few times, hehe, he was not only on the entertainment news, but also on the hot search.

Two media outlets took photos of Ruan Yan entering the police station, and the article also gave a very sturdy name: [Ruan Yan reported to the police that Ji Ziyuan wanted to murder her].

There are also scars on Ruan Yan's neck in the photo, which looks shocking. My god, Ruan Yan is so pitiful, kiss and hug, my goddess should not be treated like this. 】

【Who is Ji Ziyuan, who dares to pinch our Ruan Yan's neck, it's so serious, it has to be pinched hard. 】

【I am a forensic doctor, and I have seen a lot of strangled deceased leaving traces similar to those on Ruan Yan's body, definitely strangling to death. 】

【No, what identity does Ji Ziyuan have to pinch us Ruan Yan's neck? 】

[Hehe, let me give you some popular science, Ji Ziyuan, chairman and president of Ji's Group, chairman of Fanyu Pictures, Ji's medical resources are all over the world, most of the private hospitals in China belong to Ji's, Forbes In the first half of the year, the list announced that Ji Ziyuan was worth 200 billion US dollars. He is currently worth more than Alvin, and is on a par with Song Junyue. ]

[Grasping the grass, it's so awesome, no wonder it's so arrogant, no wonder the former vice president of Fanyu dared to sleep with the artist below, it turned out to be backing Ji Ziyuan. ]

[I don't know any Ji Ziyuan, but there is a very good doctor named Ji Ziyuan in Jingcheng Hospital. He is very good-looking and the doctor is very good. ]

[I've seen what I said upstairs, and he's really handsome. It is said that you have to make an appointment to queue up for surgery. ]

[Ji Ziyuan himself is indeed a very good doctor, but this person is very caring. Anyway, several actresses in the circle have something to do with him, and he is the one who supported him. ]

[I heard that Fan Yu was choosing a concubine before, so Ji Ziyuan shouldn't be the one who really chose the concubine. ]

[Everyone remember Tang Qin, there are rumors that Tang Qin's resources are so good. I have a news friend in the financial industry. They say that Tang Qin and Ji's wife are very close. It is estimated that Tang Qin may be Ji Ziyuan's woman. The last time the affair between Ruan Yan and Pei Mochen broke out was that the company used Ruan Yan to block Tang Qin's gun. ]

[With that being said, it's really possible that Tang Qin was still on the hot search the day before Ruan Yan's accident. ]

[I heard that Ruan Yan has now been banned from the entertainment industry, and it is also a notice from Ji Ziyuan that if anyone dares to film Ruan Yan's drama, Ji's medical resources will be closed to the whole family. ]

## Chapter 2645

[Ji's is really arrogant, the medicines sold are more expensive than other pharmacies, and the number of outpatient clinics is getting higher every year. ]

[No, last time I had a little cold and it cost me more than a thousand to go to the hospital, huh, huh. ]

“...”

Ji Ziyuan's face became more and more ugly when he saw the back.

He never imagined that there would be someone who would dare to release his news.

What caught him even more by surprise was that netizens even raised the matter from his private life to Ji's group.

If things keep fermenting....

“Du Xuan, let him roll over immediately.” Ji Ziyuan gritted his teeth.

“Mr. Du is already on his way, or...you have some breakfast first.” Tang Kai said cautiously.

“I’m still in the mood to eat breakfast?” Ji Ziyuan sneered. If things continue like this, the shareholders of Ji’s Group will come to him to trouble him.

Five minutes later, Du Xuan hurried to the villa.

Ji Ziyuan looked at him like a dead man, “Du Xuan, I give you so much money every year, what are you doing with the money? You can’t stop Ruan Yan’s business, now, look, online The people in the gang took out my identity, things fermented all night, you haven’t asked the navy to press me down, and you haven’t asked anyone to delete it, you are too comfortable to sit in the position of the president.”

Du Xuan Wanting to cry without tears, “Mr. Ji, I have been looking for someone to suppress and delete it last night, but the people over there deserve me well, and no one pays any attention to me at all. After investigation, I found out that this incident was a front-runner. Below the hongAccording to the media released by the media, Fenghong seems to have invested in a major shareholder recently and invested a lot of money in it. Taking advantage of Fanyu’s image setback during this period, Fenghong expanded aggressively and also invested in Feiying Video. , and also invested in Dongning Cinemas. Ruan Yan told you that it came from Feiying Video. “

Flying Video can be among the top three in terms of domestic video traffic.

Ji Ziyuan had previously invested in a company with the highest traffic. He had considered Flying Eagle before, but he didn’t like it later, but now he is thinking of Fenghong.

“What is the origin of the shareholders who invested in Fenghong? “Ji Ziyuan asked solemnly,” To be able to deploy Feiying and Dongning at one time, I must have invested a lot of money. “

The other minority shareholders of Fenghong don't seem to know the identity of that person. Du Xuan said helplessly, “

In addition, Fanyu expanded too much in the entertainment industry before, squeezing a lot of small companies. Now other companies in the entertainment industry are not very satisfied with our Fanyu, but Fenghong's side is not satisfied. After letting it go, he claimed to be willing to cooperate with a small company. If the product produced by the other party is qualified and can pass the review, it only needs to submit 10% of the profit to broadcast it through Fenghong's platform. “

” Qiu Haolin has an expert behind him. “

Although Ji Ziyuan has never dealt with Qiu Haolin, he has investigated Qiu Haolin's behavior, and he doesn't seem to be someone who would do such a thing.

But I have to say that this is a very good move, and put Fanyu on the fire all of a sudden . Hot roasted, his plan to expand into the entertainment industry is likely to be cut in half.

Du Xuan hesitated before saying, “Mr. Ji, will the mysterious shareholder of Fenghong be a competitor of Ji's Group? After all, Ji's Group is still very popular both at home and abroad. “

“Very likely. Ji Ziyuan ‘s

slender hand tapped on the armrest of the wheelchair thoughtfully, “I am more inclined to foreign competitors, and domestic ones are not good enough. “

### Chapter 2646

“If the other party can keep giving Fenghong a steady stream of money, Fanyu...may have to leave sooner or later.” Du Xuan said what was in his heart, “You don’t know, these few days Fenghong’s people offered high prices to poach several big-name artists from our company, and even Fenghong was willing to pay compensation, the company’s Zhan Yi has already proposed to terminate the contract.”

Ji Ziyuan’s face suddenly turned cold, “Why didn’t you follow me? Say.”

“You are injured, and I will not affect your mood.” Du Xuan smiled bitterly, “Recently, the company is really not very good, many directors

do not consider our company's actors, we do not have scenes, and it is difficult to receive advertisements, Ruan Yan I'm not filming anymore, and now even Zhanyi is leaving..."

"It seems that the other party is really prepared, and it is very likely that there will be other moves."

Ji Ziyuan is very clear that he is attacking the entertainment industry. The plan is probably going to die.

The most important thing now is that Ji's image must be maintained.

"Du Xuan, you find a relationship with me. Hot searches must be suppressed. No matter how much it costs, Ji's negative news should be deleted. If the other party is unwilling, you should ask the other party to consider the consequences of offending Ji's." Ji Ziyuan warned.

Du Xuan's scalp was numb, and there was suffering.

Fanyu used to be the leader of the entertainment industry, but now Fenghong has risen, can others keep their mouths shut?

He wasn't quite sure either.

At this moment, Ji Ziyuan's phone rang.

Ji Zehao's angry voice came from inside, "Ji Ziyuan, you have done a good deed, Ji Shi is famous again because of you, I have reminded you a long time ago that you should not enter the entertainment circle, you don't listen to me, you are self-righteous, not wrong. If you want to eat a fat man in one go, it's still hurting Ji's, you talk to the board yourself.

Ji Ziyuan rubbed his eyebrows, "I'll come to the company right away."

“You better hurry up.” “Ji Zehao said angrily, “Ji’s has been envied by people these years, and can’t be dragged into the water, understand. “

...

the top floor of the clubhouse.

Ruan Yan sat quietly in front of the bar with a red wine glass and overlooked the scenery of the capital.

“Du Xuan asked Mr. Wu from Flying Eagle Video and said harshly, Mr. Wu was still a little afraid of Ji Zi Yuan, there is a meaning to stop. “

It’s a pity that Qiu Haolin sat opposite Ruan Yan,” it’s a pity, if there is more fire, Ji Ziyuan might even be shaken as chairman of the Ji family... “

Ji’s water is very deep, even if Ji Ziyuan doesn’t take action, Ji’s directors won’t let things spread.

Ruan Yan was quite calm, “Let President Wu agree to Du Xuan . “

Then our plan.... “

The roots of the Ji family are here, so it’s normal for President Wu to be taboo.” Ruan Yan hooked her red lips and shook her head, “Ji Ziyuan’s arrogant confidence is nothing more than Ji Shi, if one day Ji Shi is in trouble. “

“What do you mean?” Qiu Haolin took a deep breath and stared at the courageous woman in front of him

. Ruan Yan lost the list and went over. “There are also foreign companies that are coveting them. Ji Ziyuan’s life is too comfortable, which makes

him more and more proud and self-confident. It's time to find something for him.

Qiu Haolin clicked his tongue, "Don't provoke women casually, I believe it . "

## Chapter 2647

"You don't have to participate in things that go against Ji's family."

Ruan Yan suddenly gave him a cold look, "Your goal is to bring down Fanyu, and now Ji Ziyuan may not have the intention to attack the entertainment industry anymore. "

That's just a moment of comfort."

Qiu Haolin smiled bitterly, "I'm on your boat, how can I get a chance to disembark. Ji Ziyuan is a person who will report flaws, and this failure may become a shame in his life. , Can he let me go easily? When Ji Shi is stable, he will settle the account with me. Instead, I might as well follow you first. When he breaks an arm, Ji Ziyuan will not be able to trouble me. ."

Ruan Yan raised her eyebrows, her cold eyes flashing with surprise.

Unexpectedly, Qiu Haolin was quite smart and could have anticipated this in advance.

It's no wonder that in the entertainment industry, without the support of a strong background, it has been able to compete with Fanyu for so long.

“You're right.” Ruan Yan rarely praised, “Ji Ziyuan will find out about us sooner or later. In fact, my report to the police this time is just an introduction, and I know very well that Ji will find someone to suppress it soon. , but there are some things, once a thousand people see it, it will not take long for 10,000 or 100,000 people to know about it, especially those from the relevant departments.”

Qiu Haolin was shocked.

“The plate of Ji's shop is too big, do you think the people above will be satisfied, not satisfied, just lack a chance, the competitors below are also not satisfiedAny market must have competition. Ruan Yan glanced at the list in her hand, “

You can contact these people to connect Ji Ziyuan's competitors as a whole. First, take a big bite of Ji's big cake, and then everyone will slowly divide it up.” “

“Will they agree.” “Qiu Haolin is apprehensive.

” You can tell them that Ji's negative news can be conveyed from Feiying video. Ji's family has not had the slightest scandal over the years. No, you have become a loophole here. Ruan Yan reminded, “

Also, for those artists who are unwilling to change jobs in Fanyu, their scandals can be exposed, and if they don't get it, they will destroy the truth. You don't understand it, right? "

Understood," Qiu Haolin sucked in a breath. Such a

beautiful and young woman is more ruthless than him. Fanyu

may not know that Ruan Yan is a wolf in sheep's clothing. After all the unbearable scandals of Fan Entertainment artists

, Qiu Haolin suddenly turned around and asked, "Ruan Yan, you have no bad news in Ji Ziyuan's hands. "

Yes, I was forced to be his woman." Ruan Yan spoke lightly, as if discussing today's weather, "But I don't plan to join the entertainment industry for a long time, it doesn't matter. "

"Okay, if you say that, I'll give it a go." "In the afternoon, Ji's related negative news was slowly suppressed.

But what followed was that the artists of Fanyu Pictures were caught in major scandals. Several actresses slept with Zeng Shuheng, who broke the scandal before, and some male artists abandoned their ex-girlfriends after they rose to prominence. Ex-girlfriend was violent.

To make matters worse, these scandals all have photos and recordings or videos.

For a while, Fanyu was caught in a storm again.

Even, many companies are scrambling to cancel their cooperation with Fanyu.

Du Xuanyi was busy and dizzy all afternoon.

He didn't understand what happened to Fanyu at all.

Originally, he thought that Fanyu would last for a while, but now he finds that he may not survive even a week.

In the Ji Group's office.

Ji Ziyuan sat in the leather seat, breathing clouds and mist, his handsome face was shrouded in smoke.

“Mr. Ji, these photos on the Internet must have come from the inside.”  
Du Xuan pointed to the photos on his mobile phone and said, “Look, this one was taken at the annual meeting last year, and this one is the company's agent. The chat records...”

“Who do you think did it?” Ji Ziyuan was as handsome as ice.

“It's definitely someone who has been in the company for several years and may have quit the company.” Du Xuan murmured his guess.

“I think... it’s Ruan Yan.”

Ji Ziyuan flicked the soot and smiled.

If it was before, he might not doubt it.

But what Ruan Yan said in his villa last time, how hated he was.

In addition, Ruan Yan plans to leave the entertainment industry, she doesn’t care about the way back.

“Ruan Yan?” Du Xuan was stunned, “Why did she do this, the company held her up with one hand.”

“Because she hates me.”

Hate him for forcing her to obey him with despicable means.

On the bed, he also tramples on her and humiliates her.

Ji Ziyuan suddenly realized deeply that he had underestimated Ruan Yan.

Or Ruan Yan hid too deeply.

She obviously hated her own humiliation so much, yet she could endure and hide under him.

Oh, he really had never seen such a woman before.

Du Xuan opened his mouth slightly, “Then I’ll contact Ruan Yan...”

“Mr. Ji, it’s not good.”

Secretary Hu Qin suddenly knocked on the door with a tablet, “It broke out on the Internet that you and Tang Qin It ‘s something that happened.”

Ji Ziyuan took a look at the tablet and saw that Tang Qin was shopping with Ji’s mother some time ago. The most explosive one is the video of Tang Qin holding his hand into the presidential suite, and in the clubhouse, Tang Qin Qin Xiaoniaoyiren posted a photo of him sitting on the sofa.

Many things were from last year, but at that time, some people would not dare to post it on the Internet after seeing it, so he didn’t care.

Now, the entertainment industry is veryMany reporters dared to break the news.

[Look, look, I guessed right, Ji Ziyuan is indeed Tang Qin’s gold master, no wonder Tang Qin has so many resources to come back after stealing Lisa’s songs. ]

[I don’t understand, Tang Qin doesn’t look particularly beautiful in the entertainment industry. Does Ji Ziyuan have bad eyesight ? ]

[Maybe Tang Qin’s bed technique is very good. ]

[Don’t say that upstairs, maybe it’s true love, you see Tang Qin is shopping with Ji’s mother. ]

[Please, Ji Ziyuan, if you have money, you can buy a mansion and a villa for Tang Qin, but don’t force us to eat shit, we don’t like Tang Qin. ]

【That is, you love to eat shit, there is no need to stuff it for us. 】

“...”

Ji Ziyuan threw the tablet and said with a cold face, “You go out first and deal with the matter at hand.”

Seeing that his face was not very good, everyone rushed to avoid and hide. .

After the door closed, Ji Ziyuan picked up the landline and dialed Ruan Yan.

“Hello.” A cold voice came from inside.

Ji Ziyuan only felt the flames rush to the top of his head, “Ruan Yan, did you break out the matter between me and Tang Qin, and the company’s artistes?”

“Yeah.” Ruan Yan admitted generously. “Wonderful?”

“Ruan Yan, do you have to court death?” Ji Ziyuan’s eyes changed suddenly, “Do you think I really can’t do anything about you?”

“Mr. Ji, your parents probably didn’t give it to you . I’ve been in class, I’m just giving you a good class, don’t look down on women.

## Chapter 2649

Ruan Yan smiled slowly, "Since you forced me to sleep with you, I have secretly received negative news about the company's entertainers.

Fortunately, I'm also an insider of the company, so it's easy to get it, before everyone pays attention. , listen to it secretly in the toilet, or check other people's mobile phones, it's very simple, I learned from you, it's not too late for a gentleman to take revenge."

"Okay, you did teach me a lesson." Ji Ziyuan's eyes It's all a deep haze, "But you think you can hit me hard with this little thing, naive, I don't see the life and death of those people at all."

"You didn't see it, but Fanyu You also smashed into it. It's a lot of money."

After a pause, Ruan Yan suddenly played with her taste, "Besides, I'm not trying to hurt you, I just want everyone to see how deeply you feel for Tang Qin, and you've spent so much money for others. , I can't let people be the underground lover for a lifetime."

"What do you mean?" For no reason, Ji Ziyuan had a bad premonition.

"Compared to the image of President Ji as a scumbag, it's better than admitting that you have no regrets for Tang Qin."

Ruan Yan smiled playfully, "Actually, I know very well that you look down on Tang Qin, although you don't understand you. Why do you want to support her, but it must be very interesting to get together with a woman you don't like, Mr. Ji, I'll wait and see."

Ji Ziyuan grinned, "It sounds like you know me very well."

“I think it’s this The person who knows you best in the world.” Ruan Yan thought for a while and added, “

Knows

you better than Alvin.” side spread over.

Ji Ziyuan didn’t want to admit that he and Ruan Yan had known each other for a year or so.

“Ruan Yan, I didn’t expect you to be so selfish. The side that thought it was. “

“Don’t believe me, try it?” Ruan Yan’s tone was provocative, “I remind you, if you deny your relationship with Tang Qin, then things about you and other female stars will be revealed in the future, thanks to Mr. Ji, you are too confident and careless. Thinking that you have absolute authority, no one dares to spread your news indiscriminately, but today’s media is not so afraid of you. “

“You dare.” Ji Ziyuan’s eyes flashed with shock and Dawson’s coldness. He closed his eyes and quickly regained his composure, “Ruan Yan, don’t you just want to take revenge on me? I’ll give you one billion and let you leave China.”

Ruan Yan continued as if she hadn’t heard it: “By the way, maybe I will be interviewed by reporters. For example, talk about how Ji Jiu always uses his power to force me to sleep with you, while forcing me to sleep with you, while on the other hand. ” Spend huge sums of money to hold Tang Qin, and then use me as a shield, Mr. Ji, your character will definitely refresh the three views. “

“I use power to force you?” Ji Ziyuan sneered, “Are you sure about your kidnapping of others?”

When did I kidnap someone. Ruan Yan said in surprise, “You mean Ning Lexia?” She was shot a few days ago, so I’m afraid she won’t be able to testify for you, Mr. Ji. After being stunned for a few seconds ,

Ji Ziyuan couldn’t help laughing in a low voice. I

didn’t expect it.

He has always calculated others, but now Ruan Yan has been calculated.

“Ruan Yan, if you don’t want to die, let me know .” . “Ji Ziyuan’s soft tone is horrifying to hear,” I promise to fulfill you. “

You shouldn’t have threatened me, you’ll regret it.”

Ruan Yan hung up the phone. Ji

Ziyuan smashed the landline directly.

He called Tang Kai in, “Go to Ruan Yan, no matter what you do, stop her mouth.” “

## Chapter 2650

Tang Kai shuddered when he saw Ji Ziyuan's handsome face turning cold.

Ji's Ji Ziyuan has always been a ruthless person, otherwise he would not be today.

Ruan Yan was still too stupid.

"Mr. Ji, it's not good." The secretary rushed in, "Just now it was reported on the Internet that the vice president of our hospital in Lushi received bribes from a pharmaceutical company, and it was reported that doctors in Nanshi received kickbacks. Now a lot of reporters are downstairs in the head office."

"Where are the reporters taking the lead?" Ji Ziyuan asked coldly.

The secretary thought for a while and said, "It seems to be from Beijing TV."

"Contact the public relations department immediately and have a meeting." Ji Ziyuan motioned for the secretary to push him over.

"Mr. Ji, Ruan Yan's side..." Tang Kai asked hesitantly.

"Control her as soon as possible." Ji Ziyuan almost said in a gnashing voice.

.....

When Tang Kai took someone to the villa to find Ruan Yan, the subordinate who was sitting in the co-pilot suddenly said, "Boss Tang, Ruan Yan recorded a video and posted it on the Flying Eagle."

“Bring it here and have a look.”

Tang Kai grabbed the phone and clicked it.

Ruan Yan inside was wearing a white T with a ball head, and her face was beautiful and clean.

“Hello everyone, I’m Ruan Yan. I believe everyone should know that I haven’t appeared in the public eye for a while. People in the know may know the reason, because... I was banned and was banned by Fan Yuying. I was personally ordered by the president of Ji’s Group. Who dares to invite me to make a movie, then the medical resources of Ji’s Hospital will be closed to the person who helped me. Everyone gets sick sometimes, so I have no filming now. It’s gone.”

Tang Kai only felt the cold sweat on his forehead.came out.

“Is Ruan Yan crazy ?” the subordinate said.

Tang Kai felt a chill down his spine.

Whether Ruan Yan is crazy, he doesn’t know.

Ji Ziyuan must be going crazy.

Ruan Yan in the video went on to say: “Of course, I don’t actually want to film anymore. For filming, I paid too much and I was too tired. Everyone must be wondering why Ji Ziyuan wanted to block me, right ?”

“Because last year . At that time, Ji Ziyuan fell in love with me and asked me to sleep with him. I refused many times. Later, he used despicable means to persecute me. I can’t agree with his character, but how could I possibly be his opponent.”

“Later I moved to where he lived. How can I put it, when I lived with him, he was a little new at first, right? Later, he basically didn’t see me as a human being. He probably regarded me as a cat and a dog. In his bones, he looked down on women. When he was in a good mood, he was a little nicer to you. When he was in a bad mood, you were his venting tool.

” I’ve been enduring it until he got tired of me. When he got back with Tang Qin, I thought I had a chance to leave, but he still didn’t let me go.”

“The most unbearable thing for me is that some time ago, Fan Entertainment broke out all kinds of scandals, and Tang Qin was also involved. He pushed me out without hesitation to block the gun. I had a good relationship with Pei Mochen, which was rendered as an unbearable deal by them.”

“Who I can accept this kind of thing. In the end, I really can’t stand it, but I can’t do anything about it. I can’t fight it, so I have to admit it. I only have one request. The company forced me to go back to sign a contract to earn money, I had no choice but to sign a contract, but I refused the company’s arrangement, and Ji Ziyuan simply blocked me.”
