Chapter 2651

“Didn’t I call the police a few days ago, saying that Ji Ziyuan wanted to kill me, but I was actually taken to his villa by Ji Ziyuan’s people that day. I had a big argument with him, I scolded him, but he actually touched me. When I was in the house, I felt very dirty, and every time I used medicine, I told it about it, and he had no face and started to choke me.”

“If I hadn’t escaped from the villa that day, I was rescued on the way. , I don’t know if I can live to see you all.”

“Is it shocking? Yes, this year I have lived a life where life is worse than death.”

“If you don’t believe me, I have a recording, I have already recorded it. Be prepared, so that one day you will be able to expose this person’s hypocrisy.”

“If I lose contact after posting this video, you shouldn’t be surprised.”

Ruan Yan then released a recording.

“Ruan Yan, let me tell you, you are an artist of the company, you have signed a contract, and as a person in the company, you should always put the interests of the company and the boss in the first place. Is it also given to you by the company? Let me advise you, take this 100 million and go, the company can still find a chance to let you come back.”

“Don’t take me for a fool, is it so easy to come back, I Today is a first-line celebrity .”

“You’re courting death.”

“Ah.”

“What kind of thing are you? You dare to smash things in my office. Didn’t I teach you a lesson last time? I warn you, don’t go too far and piss me off. I have no chance for you to come back.

” Don’t feel any guilt for me. “What is guilt, and what are you, it is worth my guilt.” “

...”

Ruan Yan posted ten recordings.

Some of the recordings included Ji Ziyuan’s threats, while others had Ji Ziyuan calling her a dead fish, calling her cheap. Although her magnetic voice was faint, she said it to the point. It is as unpleasant as it sounds. After the

video and recording were made public,

the whole country was shaken.

[Hold the grass, is Ji Ziyuan still a human? He persecutes people and scolds them for being cheap, why don't such people die]

[Part 1 One such scumbag is Song Rongshi, Song Rongshi was brainwashed by Ning Lexia to make him like this, but Ji Ziyuan, I really feel that he is used to being high above and looks down on women.]

[Yes, I think so too, he really Don't treat women as human beings, and look down on us ordinary people.]

[Wuwu, my goddess Ruan Yan was trampled by her like this, it's so distressing, I'm going to report it.]

[I also want to report, this kind of person I actually still have the medical resources of Huaguo. I would rather not go to Ji's hospital if I don't treat a disease in my life.]

[I can't believe how hard Ruan Yan had been in the past few days. After the incident broke out, I even scolded her. I'm not a human being.]

[Don't talk about it, let's go to the police, we can't let Ji Ziyuan go.]

“...”

Tang Kai thought in his mind after hearing this. There are only two words: it's over.

No matter what Ji Ziyuan does afterward, his image has completely collapsed this time.

Moreover, the words Ji Ziyuan said were so harsh that passers-by would find it unpleasant, even he felt too arrogant.

Chapter 2652

The headquarters of Ji's Group.

An emergency meeting is underway.

Ji Ziyuan sat on the leather seat and heard the public relations department arguing for a long time. He couldn't bear to slap his palm on the table, "What I want is a plan that can minimize losses after taking responsibility. Until now, all of you are still shirking responsibility for that petty profit, am I spending so much money to support a bunch of trash?"

The people in the public relations department were all terrified.

After a long time, it was the department manager who spoke first: "We will write a public apology first. As long as we have a good attitude, everyone will forgive us. After all, our Ji's medical resources are the leading in the country, unless everyone doesn't want to treat the disease.

"Excuse me."

Suddenly, the door of the conference room was pushed open, and several policemen walked in, "Ji Ziyuan, someone reported that you were

suspected of a case of forcing women, please come to the police station with us.”

“I am now I’m in a meeting, if you have anything to do, you can go to my lawyer.” Ji Ziyuan thought that Ruan Yan was doing something else, and said impatiently.

The leader was a policewoman who had listened to many recordings of Ji Ziyuan on the Internet, and now she was very disgusted with this person.

The policewoman handcuffed him without saying a word, “Don’t talk nonsense with us, the person who reported you has already submitted a lot of recordings, and there are even hundreds of millions of people on the Internet who are following this case, you must follow us.”

Said . After that, he pulled Ji Ziyuan and left his seat.

Ji Ziyuan’s handsome face instantly turned as black as the night.

After he was taken away, there was an uproar in the conference room.

What’s going on here.

Can you still see Ji Ziyuan being forcibly arrested by the police in his lifetime ?

The thoughtful person quickly contacted the other shareholders of Ji’s. at the police station.

When Ji Ziyuan saw the evidence presented by the police, he was always calm and self-controlled, but he was also shocked now.

That crazy woman Ruan Yan secretly recorded so many words during her time with him.

Not only that, she also posted a lot of recordings on the Internet. She did not disclose some of the privacy on the bed, but just handed it over to the police.

“I didn’t force her, we did it voluntarily.” Ji Ziyuan was familiar with the law after all, and quickly denied it all, “She asked me for money several times, and I also gave her bags and jewelry, and we were engaged in money transactions. “

Are you talking about these bags?” The policewoman took out a few photos. “These bags have been sold long ago, and all the money sold was donated to charities in your name. As for the money you said, Ruan Yan has never used yours.”

“Ji Ziyuan, we checked the women you were with before, and you have given them real estate, luxury cars, money, and luxury jewelry, but Ruan Yan has nothing and she doesn’t exist. I like you, why should a first-line actress be with you?” The

policewoman sneered sharply, “You have good skills, but your recordings show that she is uncomfortable in bed, don’t try to quibble, your bad behavior will give you The society has had a great impact.” After the

policewoman finished speaking, she stood up, “We will submit the information to the Public Procuratorate later, and your case will be filed soon.”

After the policewoman left, Ji Ziyuan’s hands were embarrassed. Clenching his fists on the table, the veins on the back of the fist burst out.

Damn Ruan Yan, he was able to push him to this point.

What does she want to do.

An hour later, lawyer Long came over and said, “Mr. Ji, I’m sorry, this case is too noisy and the impact is too bad. I tried a lot of methods, but I couldn’t release you on bail.”

Chapter 2653

Think that the Internet is full of people who abuse themselves.

Ji Ziyuan has never been as embarrassed or embarrassed as he is now since he was born.

“Hot search, spend money on me.” He roared in a low voice.

“I can’t hold it down.” Lawyer Long smiled bitterly, “Everyone in Huaguo who has access to the Internet on a mobile phone knows about this, and many people pay attention to it. This thing can’t be held down at all, and some negative news from Ji’s before has also attracted the attention of the relevant departments. , Tomorrow the investigation team will enter Ji’s investigation, and now Ji Dong’s side is also busy investigating the company’s affairs, so I’m afraid that something will go wrong.”

Ji Ziyuan took off his glasses and slammed it on the table.

His handsome face was as sinister as Shura.

Lawyer Long sighed, “As a representative of Ji’s family, such a scandal has brought Ji’s image to the verge of a low point, and it has also caused a lot of people’s dissatisfaction with Ji’s, especially some of Ji’s competitors. It popped up, and there was even a problem within Ji’s family. Many directors were arguing in the company today.”

Ji Ziyuan took a deep breath, “The situation in the company is very serious, I must go out and deal with it as soon as possible, is there any way to deal with it? I’ll go out on bail first.”

“I can’t bail out, the top is watching this case.” Lawyer Long was silent for a while before he said complicatedly, “Once you go out, it will cause public outrage, and the police station will be crowded with people. Everyone is organized spontaneously by Ruan Yan’s fans, don’t underestimate an A-list star, with tens of millions of fans, and Ruan Yanlu’s popularity is good.”

“Ruan Yan said that I forced her, is the evidence complete?” Ji Ziyuan was annoyed Said, “Find a loophole for me and overturn all her confessions.”

“Mr. Ji, did you record any recordings during your relationship, or make some intimate videos or something?” Lawyer Long asked tentatively, “As long as there is one piece of evidence, We can overturn her testimony, so to speak, she used the tape to extort money and you didn’t give it or something...no, who would be bored recording this stuff. “Ji Ziyuan said upset, “The day I let her go, she took all her bags and there were surveillance records in the elevator. “

“The problem is that those bags were sold and donated in your name. She could say that you asked her to sell them.” Lawyer Long frowned, “Mr. Ji, you shouldn’t have approached this woman in the first place. From the first day you forced her, she has held a grudge and collected evidence silently. One is to bring down Fanyu, and the other is to sue you again.” .

Ji Ziyuan was silent.

In fact, he also thought about it.

He has always played with other women, but he never thought that one day he would be played with by Ruan Yan.

Ha.

Ruan Yan’s class is really exciting.

She told him not to I look down on women.

This time, he fell for it.

He underestimated how cruel Ruan Yan can be to herself.

Once a person is cruel to himself, nothing can fail.

He hates Ruan Yan, but he also admires him a little.

“If... ..If you go to Alvin, maybe there will be a turning point. He is the most powerful lawyer in the circle, and black can be said to be white.”
“Lawyer Long said tentatively.

Ji Ziyuan gave him a complicated look,” Lisa must have hated me when this news spread out. Reconcile with Lisa, don’t make him embarrassed.
“

“But . . . “

You say the best way you can think of.” Ji Ziyuan interrupted him.

“Then the police will file a public prosecution. If you pay a larger amount of compensation and have a good attitude of admitting your fault, you will be jailed for up to three months.” Lawyer Long said weakly, “If you don’t go in, Ji’s influence will be even greater. People outside will say that we, Ji’s only covering the sky, have done wrong things, and even the law is useless to you.

Chapter 2654

Ji Ziyuan slowly leaned back his tall and straight body.

It seemed like a century of silence before he said: “Okay, the company can help me watch carefully, and I can’t make any mistakes, my dad is not capable.”

“Mr. Ji, don’t worry, Ji Dong is not capable, Ji’s other Our people will keep an eye on them, and no one will dare to act rashly.”

Ji Ziyuan nodded, his eyes flashed fiercely.

Ruan Yan, this hatred, we count it, it will belong in Japan.

...

a week later.

The judge sentenced Ji Ziyuan to three months in prison and compensated Ruan Yan for the loss of 100 million yuan.

The sky-high compensation payment has once again aroused heated discussions among everyone, and some people even spoke sarcastically.

[One billion, how many zeros, I can’t make so much money in my life.]

[I don’t know why, but suddenly I feel that Ruan Yan has made a lot of money. Although she is a first-line star, some stars can only earn so much money in their lifetime. Well, she was slept by Ji Ziyuan for a while.]

【 Suddenly wanted to be Ruan Yan and asked Ji Ziyuan to compensate me. 】

【 Are you sick? Ruan Yan is greedy for this money, she just wants to get justice. 】

[By borrowing our hands, we made one billion yuan, which is really crazy.]

[I can only sigh that sleeping first-line stars really make money.]

When the discussion among netizens was in full swing, the next day, Ruan Yan's studio posted a statement of donation: [Ruan Yan donated all 1 billion to schools and poor children in poor mountainous areas, and I hope that the majority of students can receive a good education. , to contribute to the motherland, and at the same time, to Every penny can be used in the most suitable place, Ruan Yan will personally go to the mountain village to supervise the operation of the project.]

All of a sudden, there are a lot of good products about Ruan Yan on the Internet.

[Wuwu, those who were jealous of Ruan Yan came out yesterday, we Ruan Yan don't care about money at all]

[Mom, I admire Ruan Yan to the death, one billion, if you give it, give it in capital letters.]

[Hehe, those internet celebrities, those well-known companies, learn it, one billion, are you willing to donate, anyway, Ruan Yan will be my idol in the future.]

At this moment, in the villa, Tasha looked at Ruan Yan who was packing her luggage, her heart was bleeding, "You said, donate as much as you want, don't you think you can donate it all, and leave a few hundred million for others. What are you going to say?"

"You are thinking too simply, the temptation of a billion is too great, this is a hole that Ji Ziyuan dug for me when he went in, understand." Ruan Yan smiled indifferently, "Besides, it is true that many places are too poor. It is a good thing to help others."

“Fan Yue, Ruan Yan did the right thing.”

Lisa’s beautiful eyes were very complicated, “Ruan Ruan, I found that I used to be really too much. I underestimate you, you are better than me, you can go out and get Ji Ziyuan in, who can do it except you.”

“Yeah, if I don’t have the courage.” Tasha sighed secretly, how many A woman dared to openly admit to being persecuted, and even released so many recordings.

“I don’t care about other people’s eyes.” Ruan Yan raised her head, the morning sunlight fell through the curtains and fell on her white face, her black and determined eyes revealed unparalleled strength.

Lisa and Tasha were both stunned and speechless.

Chapter 2655

“Ruan Ruan, in fact, you don’t need to go to the mountain village to supervise yourself,” Lisa felt a little distressed, but also not very relieved, “Those places have strong ultraviolet rays and the environment is difficult.”

“That’s right, if you are bored, come with us. Take care of the company.” Tasha said carelessly, “Why don’t we invest in a project again and again, or we will accompany you on a trip.”

She felt that Ruan Yan’s matter is now known to everyone, although Ji Ziyuan has been retributed , but Ruan Yan, the party involved, was definitely not feeling well.

“Lisa and I just came back from our trip,” Ruan Yan stood up and hugged them both, “don’t worry about me, I’m fine, I’m more invincible than any of you, I just want to see more and do it Charity activities, in addition, since I have donated money, I definitely hope that every penny can be used for those who need it most, rather than being greedy by some people.”

“It is a good thing to do charity activities, In this case, our Yuexinyan Company also donated 500 million yuan,” Lisa said with a smile, “Anyway, we can’t spend all the money we earn, so why don’t we all help those in need.”

“Ruan Yan, remember to protect Take

good care of your skin, don’t come back and become a black man.”

Tasha also teased, “Come back early, we will wait for you to eat, drink and have fun in the capital .

“

any say.

She took a taxi to the train station before dawn.

When she was about to enter the station, someone suddenly came to pick up her luggage behind her, "I'll help you with it." A

low voice rang in her ears.

Ruan Yan looked back and met a pair of sword eyebrows.

In the bright morning light, Zhou Mingli was wearing very simple jeans, white T, a black shirt and a large bag behind him.

"You...what are you doing?" Ruan Yan was stunned, and after she had reacted, she sank pretty.

"You answer the phone yourself. After Zhou Mingli took out his mobile phone ,

he dialed a number and threw it to Ruan Yan.

Ruan's mother's voice came from inside, "Yan Yan, I heard Mingli say that you are going to the northwest alone, no, it's too dangerous, we will do it. You can go to public welfare activities, but you can't go alone. Ming Li told me that he can go with you. "

Mom, I just went over there to find out the situation first. My team will come over in a few days, and there will be someone there to meet me." Ruan Yan didn't expect Zhou Mingli to contact Ruan's mother. The most helpless thing in this world is Ruan's mother.

"Anyway, I don't worry about you girl. When you entered the entertainment industry, please don't worry about it ." Well, the result. Mother Ruan choked up as she spoke, "I have suffered so much, and I didn't tell me. I only saw it on the Internet. Anyway, I will send you a

gift. I agree. Do you want to wait for my mother to come to accompany you?" Go together. "

"You're not in good health, don't run around, okay, I'll let him follow."

Ruan Yan took a lot of

effort to comfort Ruan mother.

She smashed the phone into Zhou Mingli's arms with a little depression,

"You are too impulsive, follow me all the way there, don't you want to work? Also, do you know how many reporters and media will stare at me when I go to public welfare activities this time? "

"I'm on annual leave, half a month off, I'll be your bodyguard for the past half month." Zhou Mingli took out a pair of

sunglasses from his bag and put them on, smiling showing a row of white teeth, "Look at me, don't I look like a qualified bodyguard." "

"Stop making trouble." Ruan Yan's little face was cold and helpless, "I've had a lot of trouble recently. Don't look at many people who sympathize with me and stand by my side, but any man who comes close to me will only become a joke for others." ,especially you..... "

Xiaoxiao, what's the age now?" Zhou Mingli interrupted her, "Don't you just lack that layer of film, now there are many women who don't have a film."

Chapter 2656

Ruan Yan's shocked mouth opened slightly.

I can't believe that he, who has always been strict, would say such words.

“Am I wrong?”

Zhou Mingli asked rhetorically, “Don't try to figure out others with your own thoughts. When people in our team talk about you, they always say admiration in capital letters. Dare to compete with Ji's, it's brave, one billion If you donate a huge sum of money, donate it. This is kindness. Even our president's wife praises you in private. You ask how many people in this world can be like you. To be honest, it will be a joke. Everyone is a person with a bad mind.”

Ruan Yan was stunned.

She also knew that Zhou Mingli was comforting her, but his words warmed her heart.

“You said that, I suddenly feel like I'm pretty good. It's a combination of traditional virtues.” Ruan Yan laughed at herself.

“Xiaoxiao, you are a victim from beginning to end, but you are still willing to help others. It's already very good, let's go.”

Zhou Mingli took all her luggage and said, “From this moment on, I am Your bodyguard.”

“...”

Ruan Yan looked at him quietly for a while, then said helplessly: “Ming Li, you are very good to me, but I am a dead person, I can’t help it. Response to you.”

“I didn’t ask you to respond to me, it’s enough to treat me as a friend, friends, help each other, take the train to the northwest, it will take several days, the girl’s house is really unsafe, and who knows Ji Will the family take revenge on you on the way?”

Zhou Mingli said frankly, and walked forward with his luggage.

Ruan Yan sighed and could only follow her fate. in the prison visiting room.

Alvin was sitting on one side with the microphone, while Ji Ziyuan on the other side was wearing a blue prison uniform. After his hair was shaved, it was easy to lose a little bit of beauty, and to be more angular and unruly.

“I didn’t expect that I would be able to chat with you like this in my lifetime.” Alvin jokingly joked.

“I didn’t expect it either.” Ji Ziyuan hooked his thin lips mockingly, “This is the most unforgettable moment in my life.”

“So I told you not to underestimate women.” Alvin sighed, “What are you doing? I have a status, and it’s not that there are no women, so I have to force others to do it.”

Ji Ziyuan was silent.

In fact, he couldn't do this kind of thing before. In the past, asking a woman was nothing more than taking money. You love me.

But the more Ruan Yan refused, the more itchy he became.

“Maybe...you get agitated when you don't get it.”

“But you don't necessarily cherish it when you get it.” Alvin shook his head, “In the end, you still want to dig a hole for Ruan Yan, I gave her one billion, what do you think she did?”

“One billion is a big temptation.” Ji Ziyuan said lightly, “She hates me so much, it's not because I didn't give her money or a luxury car. Are you comfortable?”

“You are wrong.”

Alvin said, “She donated one billion yuan to the poor mountainous areas, and in order to use every penny, she personally went to the mountainous areas to build schools and hospitals. The incident has been reported even abroad. All major TV programs are praising her and asking everyone to set an example to her. You ruined Ruan Yan, but also fulfilled her and pushed her reputation to a peak. I believe that any movie star I can't compare to her after that.

Chapter 2657

Ji Ziyuan's face is astonished.

He has seen too many women in his life.

Although he kept saying that he loved him, most of them were for his money and power.

Some women even tried their best to make money from him.

He is also very clear that Ruan Yan has been in the entertainment industry for a long time, and that little money may not be in his eyes, so one shot is one billion.

Once netizens know that Ruan Yan has compensated one billion yuan, the trend on the Internet will definitely change.

When he comes out, maybe he can save some of his image.

It's just that he didn't expect Ruan Yan to be more decisive and smarter than the directors in his company.

Now it's better, he bled a billion, but instead established Ruan Yan's image.

Not only passers-by, but even the country will speak for her.

Just ask, there are several public figures in the world who can be as generous as Ruan Yan.

Ji Ziyuan hated Ruan Yan, but at this moment, he also sincerely admired him.

“No wonder I lost.” He suddenly laughed softly, “I really underestimate her, I am convinced that I lost this game, but I also remember her.”

For Ruan Yan, I no longer feel that There is a bit of Ning Xiaoxiao on her body.

And not just because she's beautiful.

Ji Ziyuan's eyes were full of curiosity.

He is not only curious and gnashing of hatred, he also wants to break her arrogance and let her crawl under his feet.

Seeing Ji Ziyuan like this, Alvin frowned slightly, “Ziyuan, it's enough, this time, your image has fallen to the bottom, if you continue to trouble Ruan Yan after you come out, it's not just you, even Ji's will cause trouble. “

He is also a man, and he understands a man's mentality too well.

The more he can't get it, the smarter the prey, the more he wants.

Ji Ziyuan's behavior made him very angry, and he didn't even understand how Ji Ziyuan would do such a thing. Lisa has been in a cold war with him.

But when he was in the most difficult time, Ji Ziyuan supported his brother, and it was too difficult for him to be in the middle.

“How is Ji’s situation? Ji Ziyuan suddenly sneered, “After I leave, the directors should be ready to move, and the relevant departments should also want to suppress Ji’s. “

Ji’s dominance has made many people jealous, but you still don’t know how to restrain yourself. This time you are in prison.... Alvin sighed, “This aspect of the medical field should change in the future. Ji’s family is now under investigation, and many directors put the responsibility on your Ji family. At present, Cheng Zifeng has been promoted to serve as the interim president. The market, as well as the following small and medium-sized hospitals, are supported to rise. Obviously, the pattern will change in the future, and Ji’s dominance may not appear. “

Ruan Yan should have cooperated with Ji’s competitors, she alone is not enough to make Ji’s like this.

Ji Ziyuan gritted his teeth secretly. He never imagined that he would take all precautions and finally be ruined by a woman. “

Recently, Ji’s Hospital has been negative. In fact, the local private hospitals under Ji’s rely on themselves to be the best in the locality. A good hospital not only receives kickbacks, but also has a poor attitude towards patients and hospital sanitation. Many problems have emerged this time. Alvin thought about it and told the truth, “

Before the avalanche, no snowflake was innocent. Ji Ziyuan was startled, “

You mean I’m not managing it properly?”

“You are strict, but across the mountains and rivers, it’s normal to disobey managers. In fact, in the final analysis... it’s that your Ji family is too strict with your peers, and you have no competitiveness. Now, if there are not some critically ill patients, many people are reluctant to go to Ji’s, which also gives others a chance.”

Alvin stood up, took the microphone and said earnestly, “Three months later. , Mr. Ji waits for you to come back and change, you should reflect on it in prison.”

“Thank you for telling me this truthfully.” Ji Ziyuan suddenly laughed, “I’m afraid I won’t be angry only if you tell me these words, I wouldn’t dare to replace it with someone else...”

“Then do you understand where your biggest weakness is, Ziyuan, men are bigger-minded, we were born with much superiority than ordinary people, so we grew up eating The best, the best education is also the best, but this is not the reason why we look down on others, there are many very smart ordinary people, you just haven’t given yourself a chance to discover.”

Alvin said: “I know why I Do you understand this, because I have been down and I have lost everything, I can understand the difficulty of ordinary people, and everyone is worthy of respect.”

After he finished speaking, he sighed softly, put down the microphone and left .

Ji Ziyuan sat on the chair with complicated eyes.

...

Northwest.

On the fifth day that Ruan Yan arrived here, she was gorgeously ill.

She has never been here in two lifetimes. When she first came, she was surprised by the beautiful snow-capped peaks here.

It’s just that the temperature difference between morning and night here is too big, and the people who went out early and returned late to personally inspect the schools and villages in the poor mountainous area here, the body couldn’t bear it and started a high fever.

Dazed, she seemed to see another petiteThe figure came towards her.

“Xiaoxiao, are you Xiaoxiao? It’s been a long time.”

“Ruan Ruan?” She looked at the figure, feeling a little excited, “Are you coming back?”

“I won’t go, Xiaoxiao, you will replace it in the future. I live a good life and take care of my mother,” the figure said in a low voice, “I think I’m too tired, I’m going to leave in the future, and I won’t come back.”

“Ruan Ruan, don’t leave, no one can live for anyone else. Go down, this is your body, I’ve been occupying it for too long, I’m very grateful to you, you gave me the opportunity to take revenge and fulfill my wishes, now...I have nothing to love anymore .” She said eagerly.

The figure smiled at her, “Do you really have nothing to love?”

She was startled, her eyes flashed blankly, “I don’t have hate or love now...”

“But you have you . “

I don’t understand what you’re talking about.”

“You can look for it, I believe you can find it, and when you find it, maybe you can find love, Xiaoxiao, be happy instead of me. Live with your heart, you must be happy, there will be no Ruan Yan in the world in the future, you are the real Ning Xiaoxiao.” The

figure gradually disappeared.

Ning Xiaoxiao’s body struggled desperately, “Ruan Ruan, don’t go.”

“Xiaoxiao, wake up.” Someone was calling her eagerly and slapped her face.

Ning Xiaoxiao gradually woke up from the chaos, and saw Zhou Mingli’s handsome bronze face, and he was still holding a towel in his hand.

“Are you still Xiaoxiao?” Zhou Mingli said a little uneasy when he saw her dazed appearance, “You kept calling Ruan Ruan just now.”

“Then who do you want me to be?” Ning Xiaoxiao recovered from the daze , looking up at him.

Chapter 2659

Zhou Mingli was silent for a few seconds, then said seriously: “Ruan Ruan is fine, Xiaoxiao is fine, I will guard you anyway.” I

just take care of Ruan Ruanhui as a younger sister, and I will keep my love for Xiaoxiao at the bottom of my heart .

Ning Xiaoxiao was stunned, sat up with difficulty, and smiled lowly, “Thank you for saying that.”

“Xiaoxiao...Did you have a nightmare?”

Zhou Mingli gently dialed her damp brunette.

She was sweating a lot just now.

Strange things were being said all the time.

“Maybe she burned her head, she seemed to see Ruan Yan, and she said she was leaving.” Ning Xiaoxiao looked down at her hand, “You know, I always felt like she didn’t leave, and wanted to return this body to her. Give it to her, but Ruan Yan can’t have it if I dirty her up.”

Her desolate and self-blaming appearance made Zhou Mingli feel distressed, “No, Ruan Ruan is kind-hearted, she doesn’t I’ll figure it out.”

“...”

Ning Xiaoxiao looked blank.

Zhou Mingli smiled bitterly: “I’ve been with Ruan Ruan for a long time, and I know her better. She is really a very simple girl, or else I wouldn’t have believed Pei Mochen’s sweet words. When I talked to her on the phone, I tried to persuade her, but she doesn’t listen, when people like Pei Mochen want to get a woman, they are too gentle and pampered, Ruan Ruan has never been in love, how can she understand the routines of the rich and the young.” Ning Xiaoxiao clenched her fist under the quilt.

“When she fell in love with Pei Mochen, she was tired of convenience. Ruan Yan, who is ignorant of the world, couldn’t bear such a blow.” Zhou Mingli sighed, “It’s just that she is too stupid, and shouldn’t take it lightly for a man. Suicide, she forgot how hard it was for Aunt Ruan to drag her down. Fortunately, you...live instead of her, otherwise Aunt Ruan would definitely commit suicide.”

Ning Xiaoxiao was silent for a long time, ” I have always avenged myself, and when I go back, I will avenge Ruan Yan.”

Pei Mochen.

She had dealt once before.

It's just that he was targeted by Ji Ziyuan at that time and didn't have time to deal with him.

“Go ahead, I'll support you.” Zhou Mingli looked at her for a while, even with a smile, “Actually, I always wanted to vent my anger for Ruan Ruan, but my identity is special, so I can only hide in the dark, I don't know anything about shopping malls, and sometimes it's useless to think about myself.”

“Who says you're useless, you found so many people for me and made me a lot of convenience, otherwise, I would There is absolutely no way to do it.” Ning Xiaoxiao's pale lips curled into a smile.

“Okay, lie down.” Zhou Mingli wanted to help her lie down, but just touched her soft waist.

His hands felt as if they had been hit by an electric current all over his body.

I never thought that a woman's waist could be so slender.

For men who live on the battlefield Zhou Mingli, the emotionally hairy boy, suddenly his handsome face became hot.

Fortunately, the skin is dark enough to be seen.

He tried his best to hide his embarrassment and sneered: “I don't have any other skills, and I do have a lot of people I know. After I went back from vacation, I arranged a few people with good skills to come to your side, all of them. I've seen blood.”

Ning Xiaoxiao was stunned and was about to open his mouth when Zhou Mingli reprimanded: “Don’t refuse, or I’ll tell Aunt Ruan to guarantee that she will come over to take care of you in person.”

“Don’t always threaten Aunt Ruan Ruan. Me.” Ning Xiaoxiao glared at him weakly, her moist black eyes were not as cold as they used to be because of the fever, but a little softer.

Zhou Mingli’s heart softened suddenly, “There is no way, since Ruan Yan is gone, it is only right for you to take care of her mother, and the Ji family is not so simple, what if Ji Ziyuan finds someone to deal with you, although others are temporarily in prison However, the Ji family has also cultivated a lot of capable people.”

Ning Xiaoxiao was silent.

She is clear about this.

Just like the Tang Kai next to Ji Ziyuan, who once worked as a mercenary abroad and had lives in his hands.

“Good.”

Zhou Mingli touched her head when he saw that she was not talking.

When Ning Xiaoxiao’s dark eyes stared at him, he said solemnly, “Your hair is quite oily, it’s time to wash it.”

Chapter 2660

Ning Xiaoxiao's throat moved, and the word "go" came to the tip of his mouth.

Did he think she didn't want to wash her hair? This place was too far away, and it was inconvenient to even use water.

"I'll boil water for you, and I'll let you try my shampooing skills later." Zhou Mingli said suddenly with great interest.

"Don't..."

Before Ning Xiaoxiao finished speaking, the person had already run away.

Half an hour later, Zhou Mingli boiled a pot of water in, then mixed cold water into the basin, and got a basin of warm water.

"Come on, I used to wash my mother's hair often." Zhou Mingli rolled up his sleeves.

Ning Xiaoxiao's thin lips moved, seeing that people were in high spirits, and she was dizzy, maybe it would be more comfortable to wash her head.

Just after lying down, she regretted, “Can you be gentle, my head is not your prey.”

“Then I will treat your head as a gun, I have always loved my gun.” Zhou Mingli thought, and really slowed down strength.

“...”

Ning Xiaoxiao was speechless.

There is a reason for being single for so many years.

It’s actually easier to wash your hair, but it’s not that easy to blow dry long hair.

Ning Xiaoxiao thought about it for a while, then simply picked up a pair of scissors, and after measuring it, “Kazha” cut the long hair behind him short.

The long hair that used to be long now only reaches the neck.

Zhou Mingli’s handsome face, who came in with a hairdryer, was dumbfounded, “What are you doing?” “Staying here for a few months, it’s inconvenient to wash your hair, and it’s even more inconvenient to blow your hair, so it’s better to cut it short.”

Ning Xiaoxiao lightly cut the scissors.

That neat force made Zhou Mingli feel ashamed, and couldn’t help muttering in a low voice, “If I hadn’t known that you were a girl since I was a child, I would have suspected that there was a man’s soul in you, and I wouldn’t be as good as you.”

Ning Xiaoxiao He glanced at him blankly, “If you keep doing this, you will never find a girlfriend for the rest of your life.”

“I was wrong, Sister Xiaoxiao, I’ll give you a blow.”

Zhou Mingli plugged in the plug.

After five minutes of blowing, Zhou Mingli looked at her hairstyle and was stunned for a while, then rolled his eyes and said, “Hurry up and take the medicine, I’m going to cook.”

After speaking, he slipped away in the blink of an eye.

Ning Xiaoxiao hesitated for a while, picked up the phone, opened the selfie, and saw that her new hairstyle was blown like a hedgehog, she gritted her teeth.

If it wasn’t for being sick, I would really like to kill Zhou Mingli.

After being speechless for a while, he wanted to laugh again.

That guy, just like before, made excuses to escape when he did bad things.

...

Zhou Mingli stayed in the northwest for ten days, and was not ready to leave until the bodyguard he had found came over.

“Brother Li, don’t worry, we will protect my sister-in-law.”

Su Ge, who just arrived, patted his chest. He has been working in East Asia and has no clue about domestic news. He thought Ruan Yan was Zhou Mingli’s daughter. friend.
