Chapter 2661

Zhou Mingli saw Ning Xiaoxiao's slightly changed face, and hurriedly said: "What is my sister-in-law, this is my sister, you know, my uncle, my ancestor."

Ning Xiaoxiao: "..."

"OK "Brother Li, go do your own work." Su Ge is not someone who has never had a relationship between men and women, and most of his brother Li is still on the way to chase.

"Go away." Ning Xiaoxiao almost kicked Zhou Mingli.

"Okay, I'll get out right away." Zhou Mingli turned and got into the jeep with a smile.

Ning Xiaoxiao stood on the edge of the mountain, watching the car leave a trail of smoke and dust on the S-shaped road.

There was confusion in her dark pupils.

When Ruan Yan in the dream left, she said that she had her persistence.

Perseverance....

It turned out that there were some things she never let go.

Back in the desolate villa, Ning Xiaoxiao received a call from Zhao Xin, “Ruan Ruan, good news, the Tourism Bureau wants to find you as a spokesperson. This kind of endorsement is at the national level, and the endorsement fee is not high, but it is of great significance. , do you want me to pick it up for you.”

“No.” Ning Xiaoxiao refused directly, “I won’t participate in any activities in the entertainment industry.”

“There was no way before, but now everyone is begging you to go back.” Zhao Xin said regretfully, “You can invest in Fenghong as a major shareholder, while receiving advertisements to earn some extra money and get to know more people. This is the case with many senior actors.”

“No, I plan to come back and start a company.” Ning Xiaoxiao said.

“Opening...opening a company?” Zhao Xin was dumbfounded.

“But...you have no experience as a boss, so it’s not that easy to open a company.

” Ask about the situation of the Ning Group.” Ruan Yan arranged her own thoughts.

Zhao Xin quickly conveyed Ruan Yan’s words to Qiu Haolin, “Mr. Qiu, why don’t you persuade Ruan Ruan, I know she has money, but it’s not easy to make money. She is too young, she is only 24 years old today.

” 24 years old?” Qiu Haolin was stunned for a moment, then suddenly smiled bitterly, he had been dealing with Ruan Yan for a long time recently, and he had forgotten her real age.

“Yeah, 24 years old,” Zhao Xin nodded, “it’s too young, others may not believe her.”

“You think the things she did have put the wily Ji Ziyuan in prison, and her? Do you feel like an immature person?” Qiu Haolin asked back.

Zhao Xin was stunned, “But.... “

” Ruan Yan , it is not as simple as you think . Qiu Haolin glanced at her lightly, “You are 22 years old, how much money do you have, and how much she saves, don’t judge Ruan Yan by your standards, just follow her well, it’s your honor to follow her.” “

I know that for sure. Zhao Xin nodded, if it wasn’t for Ruan Yan, how would someone like Qiu Haolin take care of her.

“Tell her, I will collect information on Ning’s as soon as possible. “

Qiu Haolin was a little strange, how could Ruan Yan like the Ning family.

Since the death of Ning Xiaoxiao, the Ning family has been devastated, and finally sold by Ning Zetan at a low price.

...

A month later.

Far away in the northwest. Ning Xiaoxiao received a mysterious call from the capital.

“Reborn, what you explained has been arranged properly. “

“I didn’t scare the snake.” Ning Xiaoxiao asked coldly.

“No, there are endless negative news about Ji’s family now. Relevant units have been censoring Ji’s family and fined more than one billion yuan. Now Ji Zehao can’t take care of himself, and Ji Ziyuan is being watched strictly in prison. Yes, you can’t even watch mobile phones and TV, and no one is allowed to visit the class. Ji Ziyuan has no way to get first-hand information about the company. “

Very good. I’ll be back in a month.” “

Ning Xiaoxiao ended the call.

...

Beijing Airport.

When the plane landed on the ground, Ning Xiaoxiao came out of the VIP channel with three bodyguards.

Outside, a group of reporters immediately surrounded her when they saw her figure, “Ruan Ruan, you finally came back from the northwest side, I heard that this time you built more than ten schools and twenty schools there. There are several hospitals, and they also funded local road repairs. It must have been a long time.”

Under the flash, Ning Xiaoxiao was wearing a light blue T-shirt and jeans. With short Japanese hair, her beautiful face is decorated with short hair and small bangs, her lips are red and her teeth are white, and she is full of girlishness.

“It’s hard work, but I’m very satisfied that I can help others, and I’ve had a good time.”

Ning Xiaoxiao faced the media with a generous and calm manner, which made the reporters couldn't help but sigh. People have completely disrupted the calm lake in the medical world of China.

“Ruan Yan, are you really planning to go back to the entertainment industry? Many fans are waiting for you.” The reporter asked.

“No, I plan to do something I like to do in the future. Thank you for the support of the fans over the past few years. I can only say sorry here.”

Ning Xiaoxiao bowed sincerely and left the airport.

The reporters only photographed her back.

Ning Xiaoxiao appeared too suddenly and walked too fast, but her news still caused shocks in the entertainment industry.

Many people know that Ruan Yan is back.

So everyone recalled, it seemed that Ji Ziyuan was coming out soon.

...

Japanese restaurant.

Tasha ordered a lot of dishes with the menu, and finally asked the waiter to serve two bottles of good wine, “In order to celebrate Ruan Ruan's return, I invite you to eat whatever you want, you're welcome.”

“You Don't rob me.” Jiang Lisahurriedly said, “Ruan Ruan, you are finally back. Fanyue and I were bored after you left for the past two months.”

“Come on, one of you has a boyfriend and the other has a boyfriend. Husband, child.” Hearing the voice of the good sister, the corners of Ning Xiaoxiao’s lips curled up slightly.

“Boyfriend and husband are tired of facing each other every day.” Tasha said with a smile, “How about it, I heard that Zhou Mingli was chasing you for a month, is there any progress?”

“I haven’t thought about it yet. Love.” Ning Xiaoxiao changed the topic of Hua, “Ji Ziyuan is coming out soon.”

“Yeah, I suddenly found that three months is too fast, so I should be sentenced to three years.” Tasha said unhappily.

“These three months have probably been the longest time in my life for Ji Ziyuan.” Jiang Lis suddenly gave Ning Xiaoxiao a meaningful look, “When Ji Ziyuan was first in prison, Alvin visited the prison once, but later it seemed Since there was a riot, no one was allowed to visit the prison from two months ago.”

Ning Xiaoxiao’s eyes flickered slightly, and Tasha nodded, “I think I heard Qingrui talk about it once.”

“You may still I don’t know, a few days ago, Ji’s family was shorted.” Lisa’s tone was a little playful, “The entire Ji family was directly robbed of 90 billion and then retreated. Ji Ziyuan may still be in it. I don’t know the news.”

Chapter 2662

“Ji Ziyuan will definitely go crazy.” Tasha just felt very happy, “But then again, it’s a bit of a chocolate, there are people who are short on this side, and there is a problem in the other side of the prison. Ah.”

“I can only say...there are too many people staring at Ji’s fat meat now.”

Lisa poured wine for the two of them, “Ruan Ruan, talk about the one in the northwest. Let’s live, you see that everyone is tanned.” The

topic was quickly turned away, and Ning Xiaoxiao chatted with them about some interesting things in the northwest.

It wasn’t until after nine o’clock that Alvin’s call reached Lisa’s mobile phone, and everyone was ready to go home.

“Alvin’s car is downstairs.” Lisa stood up, “He took two children to play at the nearby playground today, and now he’s here, the children are probably tired and want to sleep.”

“Okay, I It went well with you, let’s go back in your car.”

Tasha stood up.

When the three walked out of the box, Tasha realized that he had drunk too much and needed to go to the bathroom, “Wait for me.”

After she left, Lisa leaned against the wall, the corridor was dimly lit, and a pair of beautiful eyes dyed It was a little hazy, “Ruan Ruan, you want to bring down the Ji family?”

“Huh?” Ning Xiaoxiao turned her head thoughtfully and looked at her, “Why do you say that.”

“From your accident, to Ji Ziyuan was imprisoned, then donated 100 million yuan, and then Ji’s scandals emerged one after another, all of which are linked one by one, and the fuse of all this is from you.” Lisa’s eyes gradually showed complexity, “Actually, I have always considered myself to be very smart, but I found out that Fan Yue and I may have never understood you.”

“Lisa, everyone has their own secrets, as long as you know Dao, I really think of you and Fan Yue as friends, and I didn’t even think about taking advantage of you.” Ning Xiaoxiao gave a wry smile. She knew that the keen Lisa would detect many things.

“I never doubted you.” Lisa sighed softly, “It’s like you were humiliated by Ji Ziyuan, you never told us, if you told us, Fan Yue and I would definitely try our best to help you, I just a little annoyed, as your friend, you can only see that you are always fighting alone, or looking for allies behind you, and we can’t help you at all.”

That’s fine. This is about me and Ji Ziyuan. Don’t make Alvin embarrassed. You see, this time he watched Ji Ziyuan go in for you, and he didn’t help him with the lawsuit.”

Ning Xiaoxiao smiled and patted her shoulder, “Enough is enough.”

Just at this moment, Tasha also came back.

The three said goodbye at the door. In the

car, Alvin and Ning Xiaoxiao nodded politely through the window.

It wasn't until late at night when they returned to the villa.

Alvin coaxed the two children back to the bedroom . Afterwards, Lisa came out of the shower. She didn't know whether her face was from a bath or a drink. There was a moving blush in the white. Under the orange light, her eyes were watery and charming, and her skin was glowing. Light fragrance. The

man's eyes were deep.

Without saying a word, he slapped her across and carried her onto the bed, pressing him directly.

“Alvin..... Lisa exclaimed and reached out to push him.

“I'll talk about it later.”

Alvin couldn't hold it anymore, so he lowered his head and kissed. The rational string in Lisa's mind was quickly pulled.

In the spacious bedroom, the temperature rose.

Clothes fall on the ground one by one.

It stopped after a long time.

“How much wine you drank at night, the taste of wine is in your mouth.”

Alvin put her in his arms after eating and drinking, his voice hoarse.

“Hmph, they drink fruit wine, doesn’t it smell bad?” Lisa glared at the man with a cat-like gaze.

“It smells good, as long as your body smells good.” Alvin kissed her little cheek, and then said complicatedly, “Do you really like Ruan Yan that much?”

“Yeah, don’t you?” Lisa’s charming eyes suddenly sobered up, “Because she has dealt with your brother?”

“I didn’t like it, and I didn’t dislike it. I know it’s Ziyuan’s fault. I’m a lawyer, so I can tell the difference between black and white.” Alvin quickly explained, “I just think Ruan Yan is not that simple. I have asked myself countless people. To be honest, I can’t understand Ruan Yan.”

Lisa was silent for a while, and suddenly said: “Actually, I can’t understand it either. But I can feel that Ruan Yan is sincere to me and Fanyue. When I saw her for the first time, I felt very kind, as if I had known her for a long time.”

Alvin suddenly became jealous, “Then your first Did you feel this way the first time you saw me?”

“Seriously.” Lisa said angrily.

“I’m serious too.” Alvin’s dark eyes were deep, “I’m jealous.”

“Okay, don’t be jealous, Ruan Yan and I are friends, are you the one I love.” Lisa He smiled and kissed him on the mouth, “Maybe when I meet you in my next life, I will also have this strong feeling.”

“It seems that you feel that you and Ruan Yan were also good friends in your previous life.” Alvin was helpless. said.

“Well, I feel that way.” Lisa turned to look at him, “Ji Ziyuan will be released from prison soon, Ruan Yan, I am I don’t know what she wants to do, but I predict that the two will definitely have a fight. Ji Ziyuan is your friend and Ruan Yan is my friend. I hope that neither of us will interfere, okay. Alvin sighed softly, “

Ziyuan lost one billion yuan and went to jail, and Ji’s vitality was also seriously damaged. Can’t Ruan Yan just let it go? To be honest, Ziyuan is much more ruthless than me. I’m in a hurry, I can do anything, or you can persuade Ruan Yan to wait for Ziyuan to get out of prison, and I will hold him down and tell him not to take revenge, and the two will have nothing to do with each other in the future. “

” Ji’s quilt took away ninety billion, do you think Ji Ziyuan will give up? Lisa disagreed.

“I checked this matter. It seems to be from a foreign team called Reborn. Speaking of this Reborn is too mysterious. A few years ago, he appeared on Wall Street, made a lot of money, and then suddenly disappeared. . Alvin frowned and said.

“I don’t know what is the relationship between Reborn and Ruan Yan, whether they know each other or not, but Ji Ziyuan will definitely be counted on Ruan Yan. “

Lisa said lightly, “Let’s not worry about it. If you help Ji Ziyuan, then I can only help Ruan Yan. It just so happens that our husband and wife will also have a good fight, who is more powerful.” “

“Don’t. Alvin’s scalp was numb, “I promise not to participate. As for you want to fight with me, we can just fight on the bed, darling.”

Jiang Qing glared at him, before opening her mouth, her lips were blocked by him again. She

was forced to have a fight with him.

next day.

Villa.

A blond long-haired woman, The thick stack of documents was placed on the coffee table, “Reborn, Ji’s shares have successfully completed the acquisition of Office Ten. “

” Ji Zehao has no doubts. “Ning Xiaoxiao, who was sitting on the sofa, asked with her legs crossed

“Ji Zehao is just a bum, and Ji Ziyuan is not even shrewd.” The long-haired woman said disdainfully, “Ten years ago, if Ji Ziyuan had not returned from his studies, the Ji family would have changed hands long ago, by the way, Cheng Zifeng proposed to meet with you.”

“No need.” Ning Xiaoxiao said lightly, “Just bring a message to Cheng Zifeng to reassure him that I will not be a stumbling block for him in Ji’s future.” The

long-haired woman Doubtfully, he said, “Why don’t you consider working with Cheng Zifeng, and when Ji Ziyuan comes out, the two of you will join forces to compete with Ji Ziyuan.”

“This time Ji Ziyuan can be imprisoned, and he loses because he ignores his opponent. When he came out again, do you think it would be so easy to deal with?”

Ning Xiaoxiao shook his head, his eyes were as wise as a blade, “The Cheng family is not Ji Ziyuan’s opponent, you see, these years, the Cheng family has He was so pressed that he didn’t even have a chance to catch his breath, Cheng Zifeng just couldn’t see clearly.”

“Then...” The long-haired woman was even more worried.

“Don’t worry, I don’t want to control Ji’s family, I don’t know anything about medical treatment.”

Ning Xiaoxiao smiled lightly, “I just look forward to Ji Ziyuan when he comes out and see the woman who sent him to prison, he suddenly became a Ji’s shareholder, how would he thank him, Ji’s is a cornucopia, and the better Ji Ziyuan develops in the future, it’s just to make money for me.”

“Reborn, you really make me admire.” The long-haired woman suddenly smiled. , “You said before that you had plastic surgery, and I am still surprised that your plastic surgery marks are seamless. To be honest, I have a little doubt that you may not be the real Reborn, but I don’t doubt it now, because your personality is still the same as before.”

“No doubt, The face has changed, but the core has not changed.”

Ning Xiaoxiao slowly stretched out her hand, “Daila, let’s make money together in the future.”

“You finally understand that money is the most reliable.” Della shook hands with her, “There have been many times before. find you, You are not interested in money, I am very happy to see your change. “

“I used to be so stupid.”

Ning Xiaoxiao shrugged mockingly. Once

, she only wanted to go back to China to accompany her parents, to inherit the Ning Group, and even to be one step closer to Ji Ziyuan. In the

end, her family was ruined.

...

Prison, In the early morning, the heavy door slowly opened.

A tall figure came out from it, a man in a black T, his long legs wrapped in jeans were slender and straight, and his short hair did not show the slightest appearance of a man. It even made his handsome facial features clearer, sharper edges and corners, and a pair of stern eyes that were

more like a wolf king who had been dormant for a long time returning to his country.

“Ziyuan.... “

Ji’s mother greeted him immediately, “You can figure it out. During your absence, my father and I were both anxious to death.” Ji Ziyuan ‘s

gaze faintly glanced at the people who came to pick him up from prison today, his parents, Tang Kai, and... Tang Qin.

Seeing his gaze fell on him, Tang Qin’s nervous heart pounded. Ran jumped, “Ji Shao, uncles and aunts are very worried about you these days, I...I am also.... “

Speaking of the back, her face flushed.

“How is the company situation ?” Ji Ziyuan was too lazy to listen to her, and turned to look at Ji Zehao. Ji

Zehao’s heart skipped a beat, he was obviously his son, but he was really staring at him at the moment, which made him a little horrified

.

As for Yuan, the whole person is even more aggressive.

“The company... internal and external troubles. Ji Zehao said helplessly, “The Cheng family’s gang, while you’re in jail, have been secretly making appointments with shareholders in private, wanting you to come back without a foothold, and wanting to kick me out of the board of directors.”

“Cheng family, the clown jumping on the beam, there is nothing to be afraid of.” Ji Ziyuan said lightly, “I only need a week to get Cheng Zifeng to step down obediently.”

Ji Zehao moved his lips unnaturally.

“Or did you do something else stupid?” Ji Ziyuan’s eyes sharpened sharply.

Ji Zehao glared at Ji Ziyuan angrily, “I’m your dad, how did you talk to me? After all, it’s all your fault.”

“Tang Kai, you say it.” Ji Ziyuan was too lazy to listen to his father Go on.

Tang Kai whispered: “Some time ago, when the company was investigated and punished by relevant departments, a force took the opportunity to short Ji’s stock market and took it away... After 90 billion, Ji’s stock was also affected. Heavy setback.”

Outside the prison, only the sound of birds could be heard in silence.

Ji Ziyuan’s dark eyes shrank fiercely, followed by the coldness of Sen Leng gushing out.

“Dad, I asked you to stare at the company, so that’s how you stared at me?” Ji Ziyuan clenched his fists, his eyes gloomy and bloodthirsty, “There is a capital change in the stock market, you can’t notice it at all, you can’t see it. “

No, during that time there were endless negative news about the company, and I was busy dealing with it. In addition, since you were arrested, Ji’s stock price has been in turmoil. The other party should have a professional team and a premeditated one. We didn’t care too much about buying a little bit...”

Ji’s mother also spoke for her husband, “Ziyuan, you really can’t blame your dad, he’s been too busy recently, often working overtime until midnight, the Cheng family Those people have always been aggressive, and your father can’t handle it alone.”

Ji Zehao coughed in response to his dry scalp, “I know what my abilities are, so I haven’t held you back all these years, and Ji’s has now become In this way, the main thing is you to provoke, and maybe the person who takes the money is also your enemy, who makes you usually arrogant and leaves no room for it. “

” When Ji’s family was about to change hands, when you spent the money I earned, why didn’t you say it was my fault ?

Ji Ziyuan’s eyes exuded sullen anger, “It’s not me, you can be comfortably respected and respected by others, but now you only know that I am not . Mother

Ji and Ji Zehao were embarrassed.

Seeing this, Tang Qin summoned his courage and said, “Young Master Ji, the top priority now is to restore the company’s losses. “

Ji Ziyuan didn't even give her a look, turned around and strode into the car.

Tang Qin bit his lip humiliatingly.

Now her reputation in the entire entertainment industry is completely ruined, and even Feng Hong even greeted the insiders. , completely block her, and her only escape is Ji Ziyuan.

In any case, she must hold on to this big tree.

.....

After Ji Ziyuan got into the car, let Tang Kai take him directly Entered the Ji family.

Even if Ji Ziyuan was away for three months, the shocking force of so many years is still there. In

addition, his release from prison today has already attracted the attention of the company.

As soon as he appeared, the news spread He went all over the company.

The door of the president's office was kicked open by Ji Ziyuan.

Cheng Zifeng stood up immediately and said with a bad face: "Ji Ziyuan, what are you doing? You don't even know how to knock when you come in. This is my office now. . "

"Are you sure you want to rob me?" "

Ji Ziyuan walked over with a blank face, and slammed a fist into Cheng Zifeng's face.

Chapter 2666

Zhang Zifeng was beaten and fell to the ground, his face and mouth aching.

He was furious and shouted, “Someone, Ji Ziyuan beat him up, call the police and take him away.”

In the past few days, he had arranged several groups of bodyguards at the door.

At this moment, after shouting for a long time, it was Tang Kai who came in.

“Mr. Ji, everyone outside has solved it.” Tang Kai said respectfully.

“Okay, someone is also arranged to deal with me.” Ji Ziyuan picked Cheng Zifeng up, and Cheng Zifeng resisted violently.

It’s just that his chubby body is Ji Ziyuan’s opponent, and he was beaten to the ground quickly after a few punches.

“Don’t... don’t fight.” Cheng Zifeng usually eats and drinks delicious food, but he has never been treated like this before, and he can’t hold it any longer, “Ji Ziyuan, you’d better restrain yourself, recently Many

departments are already investigating Ji Shi, and you have brought it all together. Many people on the board are dissatisfied with you. If the news of you beating me up in the company spreads, you will be locked up for a few months if you believe it or not.”

“Something is wrong. Once stupid is enough, do you think I’ll do it a second time?”

Ji Ziyuan mentioned Cheng Zifeng, his short hair made him look even more sinister, “I heard that your mother was traveling in country F recently, today Have you contacted her?”

Cheng Zifeng’s pupils were shocked, and he suddenly understood.

Ji Ziyuan was not in a hurry and let him go, “Contact your mother. The old man is traveling abroad. If something goes wrong, it will be troublesome. After all, you are a filial son.”

Cheng Zifeng couldn’t care less, and quickly picked it up He dialed his mother’s number from the mobile phone, and when the call was connected, his face turned white and blue for a while.

“Ji Ziyuan, you despicable villain.” Cheng Zifeng said angrily, “That Ruan Yan scolded him for being targeted. You are bloody and ruthless. You are really not a thing.” “Have Ruan Yan scolded me like that, why don’t I know.” Ji Ziyuan frowned, “Give you an hour to pack up and get out of this office, otherwise don’t blame me for not giving you a chance.”

Cheng Ziyuan was angry. He clenched his fists, very unwilling, why is he older than Ji Ziyuan, yet subservient to him for more than ten years, “Ji Ziyuan, even if you drive me out, it is a fact that the Ji family suffered heavy losses this time because of you, and You have already been in prison, and you have a criminal record. When the board of directors is

opened, if you don't give everyone an explanation, it may not be so easy. Besides, the outside world has already been very disgusted and disgusted with you, and your re-appointment will only make Ji's situation worse. Bad."

"Then I don't mind supporting a puppet to come to power, but that puppet is definitely not you."

A sneer appeared on Ji Ziyuan's face, "Cheng Zifeng, I'm afraid you don't know me very well. I like to be in power, no one can stop him, even if Ji is going to perish, he can only perish in my hands."

"Mad." Cheng Ziyuan was shocked, "You are too selfish."

"Are you finished? Get out with your things." Ji Ziyuan raised his chin arrogantly, "Otherwise, I don't mind throwing you out in person."

Cheng Ziyuan glared at him fiercely, but with deep helplessness and unwillingness.

In the end, I could only resign myself and take my notebook and go out.

When I walked to the door, I remembered something, paused, and sneered, "Ji Ziyuan, you are arrogant to put it bluntly, thinking that you can control everything by yourself, you can drive me away, but there are always some things in your hands. Unexpected."

After saying that, he went out with a look of unwillingness.

Ji Ziyuan looked at Tang Kai with a sullen look, "I don't know what else is going on in the company."

Tang Kai was stunned for a moment, and said doubtfully, “No, I’ve told you everything I know.”

“Go to check, check carefully.”

Ji Ziyuan instructed lightly.

Ruan Yan taught him a profound lesson in person, so that he no longer dared to look down on anyone.

Maybe not paying attention, there is a hole in the bottom of the boat that no one notices.

“Okay.” Tang Kai turned to leave.

“Wait.” Ji Ziyuan stopped him, “What’s going on with Ruan Yan?”

Tang Kai was stunned, and quickly said, “She donated all the billion you gave to poor areas, and it has received rave reviews on the Internet, her popularity and The traffic is far beyond the first line. Several tourism bureaus across the country asked her to endorse her, but she refused, saying that she would not enter the entertainment industry again.”

“What does she want to do?” Ji Ziyuan sat in the leather seat. A woman, he no longer regards her as a plaything to solve his needs, but an opponent that he can face up to.

Even now, he found that he couldn't understand Ruan Yan.

“You can't figure it out, how can I possibly guess.” Tang Kai said flatteringly, “But Ruan Yan returned to the capital a month ago, she has never entered the entertainment industry again, and many capitals offer sky-high remuneration and She refuses all advertising fees, she seems... really doesn't care about money, and recently, she has been in her villa, occasionally shopping with friends, etc., and nothing has happened.”

After a pause, Tang Kai said hesitantly, “Maybe what she did before was mainly to retaliate against you. Now that you have returned from prison, she has also put it down.”

“Put it down?”

Ji Ziyuan seemed to hear it funny Like a joke, “The game between me and her, since it has started, there is no time to let it go. Tang Kai was silent. He

had long expected someone like Ji Ziyuan to report flaws, so he didn't care if things were wrong at the beginning.

Ruan Yan was very smart, but she didn't think about the consequences.

“Ji Shao, how do you want to deal with it ?” she. Tang Kai said hesitantly, “At this time, you have just been released from prison. If something happens to Ruan Yan, everyone will doubt you. It is unwise to act at this time.” “

“Of course I know.” Ji Ziyuan glanced at him lightly, “Knowing yourself and the enemy is the only way to win a hundred battles. The reason why I lose is that I don’t know Ruan Yan well enough. You send someone to the place where Ruan Yan was born and investigate Ruan Yan.” “

“Good. “

Not long after Tang Kai left, Ji Ziyuan set out to find out all the information of Ji’s family in the past three months.

Until Du Xuan came in.

I haven’t seen each other for three months. Du Xuan, who used to be in high spirits, seems to be a lot haggard, “Mr. Ji, I I’m looking forward to your return, I’m really sorry, Fan Yu... I didn’t keep Fan Yu. Du Xuan said bitterly, “

After you were imprisoned, many of Fanyu’s well-known artists have quit their jobs, and even promising newcomers have been poached. Those who didn’t quit are because they couldn’t pay the liquidated damages themselves. But when Fenghong said something, no one in the circle dared to use our company’s artists. “

” Fenghong is so powerful now . Ji Ziyuan raised his head sternly, “I remember that before I was in prison, I asked you to investigate Fenghong’s new shareholders, do you have any concerns ?” “

“Yes. “

Du Xuan’s face was complicated.” The person who provided Fenghong with a steady stream of funds was a mysterious figure named Reborn. “
