

Let me go, Mr. Hill Chapter 2670

Section 2670

“That is correct.”

Monte was unable to deny this. When they were dating, Eliza was very nice to him.

He just doesn't like being too comfortable. He feels itchy when he doesn't have it, but he gets tired quickly when he does. Furthermore, his family urged him to get engaged later so that he would not break up with Eliza so abruptly.

The charity event began half an hour later.

When Charity took the flowchart from the waiter, she discovered a small card underneath.

She unfolded it to reveal a sentence: “What do you want, I'll take a picture for you later.”

In an instant, the smirk from the bottom of her eyes vanished. After a while, she slipped the card into her handbag, her eyes pale.

I won a Jame ruby necklace halfway through the auction. As soon as the price was called, a man in his thirties in a suit asked for % 6 million.

—

Charity cast a light glance, and a movie queen who had some friendship with Eliza leant into her ear and said, “That's Mr. Patterson's assistant, I heard Mr. Patterson's fiancée likes this necklace very much. Every time

there is an auction in the capital, Mr. Patterson takes most of these necklaces away.”

“Really!” Charity’s eyes were bright. She’s not sure what the actress said to her unexpectedly. could it be that she was trying to make her jealous ?

When she noticed her uninterested appearance, the movie queen smiled and said, “Don’t get me wrong, I just sympathise with Mr. Patterson, and spend 7 or 8 million dollars, or even tens of millions of dollars on his fiancée every month. It is estimated that he spends seven or eight million dollars on his fiancée every month, It also gives me a headache. After all, Mr. Patterson has not yet inherited the family business. Ms. Thompson is known for her generosity. Ms. Thompson reportedly spent % 300 million per month on her family over the last two years. I’m afraid the Thompson family will be upset to broken.”

Charity became intrigued as well, wondering, “Can Ms. Thompson make money on her own ?”

The movie queen said, “Being a vice president of Thompson Corporation, usually she has visit abroad to see fashion Show and travel with friends outside. So, this type of woman is a headache for a man to marry.”

Charity gave a noncommittal smile. She stood up and went to the bathroom halfway through the auction.

when Charity came out, She saw that Monte dressed in a burgundy suit and was leaning against the wall. His hands were in his trouser pockets.

A slender, handsome, and elegant face with a smile that could captivate women.

Monte's good-looking appearance has the ability to make Eliza fall deeply in the past.

“Have you considered what you want?” Monte straightened up and approached her. His eyes filled with tenderness.

Charity sighed quietly, knowing that she and Eliza had met similar fates, both living the life of a sc*mbag.

But it is entirely their fault that they are unable to resist the beauty of men.

“What if I told you I wanted that ruby?”

“Jame's necklace?” Charity raised her head, her amusement visible in her beautiful and cold eyes.

When Monte heard this, he became intrigued and asked, “Jealous?”

Charity pressed her lips together, disgusted.

“Eliza!” Monte suddenly approached her, his thin lips resting besides her ear and calling softly in a hoarse and low voice.

Chapter 2671

Charity took a step back and looked at him suspiciously.

Monte said, his eyes rippled in circles, “Eliza, you don’t seem to be the same as before. You used to be a little sheep, but now you’re quite charming.”

Charity said coldly, “You already have a fiancée, Mr. Patterson.”
Something like this is inappropriate to say. You don’t want to make me your little lover, do you ? “

Monte said affectionately, “You are different for me because you are the first. Eliza, the woman I gave to me the last time is still fresh in my mind. I’m actually quite annoyed that you were persecuted by Chester. I should not have brought you into the entertainment industry.”

Monte said this while reaching out his hand. Feel her earlobe.

Charity took a deep breath and took a step back and said lonely, “Are you still complaining about me, I actually have no choice but to break up with you. At that time, you pushed too hard, plus our status. The disparity is too great, and my parents do not support us jointly. Eliza, please forgive me.”

Charity said coldly, “What happens if I commit suicide ? When I commit suicide, I just want you to come and see me. How did you treat me ?”

Monte was stunned for two seconds before saying, “I thought you were just threatening me before committing suicide. When I was in a previous relationship, there were other girls who committed suicide, but they were all greedy for my money. I know you are different, you genuinely care about me.”

Charity bit her lip, “You are used to talking sweetly, before and now.”

“Eliza!” Monte’s eyes welled up with tears and he reached out to hug.

A man’s low and smiling voice suddenly came from behind, “You two, am I disturbing something?”

A well-known voice....

Charity, who was standing behind Monte, looked up, stunned.

She almost didn’t notice him. It’s Chester.

Chester.’s hair was cut very short, like an inch head. He dressed in a black tailored suit, wore silver-rimmed glasses, making him appear less personable and elegant.

Chester’s skin has darkened slightly, and the entire person has become more evil and unruly.

Charity suddenly remembered. that Chester was released from prison.

It’s just that he recently got out of prison and didn’t work overtime at the company, so he came to participate in charity activities, which is also a little strange.

“It was revealed to be Mr. Jewell.” Monte quickly calmed down. He would have been afraid of Chester. before, but now that Jewell’s family is obviously suppressed, it is more difficult for Chester to bother him.

“You know, I didn’t expect three months to fly by so fast.”

“Yeah, I didn’t expect to see this scene right away.”

Chester smiled charmingly at the corner of his mouth and approached the two of them slowly, saying, “Young Master Patterson speaks love. I’m not sure if you told Ms. Thompson about the appearance. Do you want me to ask Ms. Thompson?”

“Mr. Jewell, you should take care of your own company first. Eliza, aren’t you lost and don’t know how to get back to your seat, I’ll take you there.” Monte said as his face changing slightly.

Chester is too perverted. Monte doesn’t want Eliza to be alone with Chester. if something happens, it will be troublesome.

“No, I’ll personally send Ms Eliza there later. We are old acquaintances.” Chester said and smiled as his eyes were looking dangerous and meaningful.

“Chester, what do you want to do?” Monte frowned and warned.

“Do you have any skills, Eliza? I’ve only been gone for a few months, and you’ll be back on your ex soon.” Chester teased.
