

Let me go, Mr. Hill Chapter 2688

Chapter 2688

“You feel right. We did know each other in our previous life.”

Charity’s sighing voice came over, making the always smart Catherine a little stunned.

All kinds of strange thoughts flashed through her mind at that moment, and she blurted out, “You don’t carry the memory of your previous life.”

After speaking, she had the sudden impression that she was mentally retarded.

“It’s over; I’ve recently become stupid. I almost believed you.” Catherine pressed her brow, unsure whether to laugh or cry.

“I truly carry the memory of my previous life.” Charity said.

Catherine :”...”

She felt as if she had stepped into a supernatural fantasy TV show.

“I’d like to invite you and Freya to dinner tonight. Some information has been withheld from you. It’s past time for you to learn the truth. Don’t tell anyone else, by the way.”

Charity secretly laughed when he noticed there was no sound.

They must have been very surprised at night.

Catherine squeezed her face tightly after hanging up the phone.

Was she not awakened from a dream?

Is it possible that Eliza was someone she knew in a previous life?

Catherine had only heard on the Internet from time to time that some foreigners were born with memories of previous lives, but no one would believe such nonsense.

She assumed Eliza was joking with herself, but is Eliza a joker?

“Eliza called us for dinner at night.” Catherine contacted Freya with a daze.

Freya stated, “But I already have a meeting with Ryan.”

“Push it off. We have something very important to discuss.” Catherine stated unequivocally.

“What’s the problem? Could it be that you want to build a big company and become the richest man in Australia?” Freya was made nervous.

Catherine said, “No...But there is something You may not know. Eliza acquired 10% of the shares of Jewell Corporation and she is now a shareholder of Jewell.”

“Haha, your joke isn’t even funny.” Freya didn’t believe it at all, “Jewell family isn’t as good as it used to be, it’s not something that ordinary people can afford. Where can Eliza get such a large sum of money? Even

if she has been in the entertainment industry for decades, she will not be able to purchase Jewell Corporation.”

“I didn’t lie to you, she’s now……. the wealthiest of the three of us.” Catherine expressed her envy, saying, “I’m going to slaughter her at night and dig out the secrets of her body.”

“Isn’t today April Fool’s Day ?”

“No.”

“Hold the grass, hold the grass.” Freya was shocked.

“Can you change the word ?” Catherine said, who had a black line across her brow.

“This is not the right hand. I can’t stop the galloping horses in my heart by holding the grass. Eliza is too much, earning a lot of money silently, and now I’m the poorest in our third middle school, I want to do discuss with her about how to make money.” Freya almost cried.

“Do you have a lot of money ?”

“Who would think there was too much money ?” Freya shot back.

Catherine laughed. She continued to meditate after she hung up the phone. She tried to recall memories from her previous life, but her mind went blank.

After sometime, Shaun called Catherine, “Wife, I’m back from a business trip. Can we go to the movies alone at night ?”

“No, I have an appointment with Eliza that I can’t miss.” Catherine simply said.

“I didn’t go home last night, do you miss me at all?” Shaun’s mouth twitched.

Chapter 2689

“Didn’t you just see it yesterday morning?” You’ll see it when you return in the evening. You can return to see the baby.” Catherine doesn’t have time to deal with him right now.

Shaun said, ” You and Eliza can also schedule an appointment for tomorrow, as you have been making appointments recently. “

No, we have important matters to attend to.”

Catherine can’t wait for the night to come.

Shaun’s heart twitches with jealousy as the phone beeps and hangs up.

Shaun thought, “This Eliza has never looked for a boyfriend and is always hooking up with my wife. Unfortunately, if I come across a suitable boyfriend, I must introduce him to Eliza.”

Thinking of this, Shaun called Ryan, “Your friend... Miguel and Eliza have any progress?”

“Your wife ignored you tonight?” Ryan is furious after being just rejected by Freya.

Shaun was taken aback and realized in an instant, “Freya won’t accompany you tonight?”

Ryan said: “...”

Shaun smiled, inexplicably relieved that he wasn’t alone. “As Miguel’s friend, you must remind me that Eliza is a good girl. Let him not miss it, and if he has a good impression, he should pursue it boldly.”

“Don’t worry, I’ll persuade him.” Ryan is also perplexed because Miguel is pursuing his girlfriend in a Buddhist manner. It’s no surprise he’s never had a girlfriend. There is a reason for being single.

In the evening.

Charity decided to eat at a small restaurant. Although small, the courtyard contains rockeries and flowing water, as well as rows of green bamboos planted along the walls’ corners.

The scent of begonia flowers pervades the courtyard as the evening breeze blows in.

Charity arrived 5 minutes late, followed by Catherine and Freya.

Charity: “I wasn’t expecting you to arrive so early.”

Charity sat down, without make-up, and went out with a pure face. Her small face was pure and pure under the lamp, as if it could seep water.

“I didn’t want to work the whole day because you had me hooked.”

Catherine stated quietly.

“Me too.” Freya glanced at Charity, “Eliza, you are too much. You are making a lot of money quietly without telling us. Are you wearing countless vests, the legendary hacker? Is it you, the legendary genius doctor, legendary musical genius, or legendary scientist?”

Charity :”...”

“Freya, what kind of bull have you been watching recently?” Catherine was speechless. A cowardly book.”

“Does fiction originate in reality? It’s not impossible,” Freya said with a smile.

“I appreciate you looking down on me so much. But I didn’t It’s so powerful,” Charity smiled.

“Is it true that you know me from your previous life?” Catherine asked nervously and sternly.

“What?” Freya was excited and thought she was hallucinating, “What about the previous life? You didn’t tell me anything important, Memories.”

“Eliza said that she and I knew each other in a previous life.” Catherine said.

Freya grumbled, “Then you know each other. We must have known each other in our previous life, it’s impossible for the two of you to know each other. Please leave me alone.”

“Don’t worry, it has to be, otherwise why would the three of us play so well?” Catherine winked at Freya.

“I know all of you...” Charity laughed.

Freya was excited, “You really do remember your previous life! You are too much and you keep hiding from us. Can you say my past life, What kind of person was I? I believe I was a powerful person in my previous life, so I was also a scientist.”

Catherine said, “How about me? Was I a couple with Shaun or another man in my previous life?” Charity’s mouth corner pumped.

Catherine and Freya thought a lot and questioned.
