

Let me go mr. Hill chapter 2700

Chapter 2700

“It’s none of your business which man I’m with.”

Ning Xiaoxiao hung up the phone impatiently and coldly.

Zhou Mingli gave her a thumbs up, “Crazy.”

Ning Xiaoxiao looked at him tiredly, “What do you want to do?”

“Nothing, let him think you have a boyfriend and stop pestering you.” Zhou Ming Li smiled complacently, “Well, you owe me another favor.”

“...”

Ning Xiaoxiao was speechless and did not want to speak.

His favor is really too easy to owe.

Forget it, anyway, I already owe enough, so I don’t have to worry about the debt.

...

in the villa.

Ji Ziyuan looked at the time on the phone.

Eleven twenty-five.

This woman is still with Zhou Mingli so late?

Orphans and widows?

what are they doing.

to chat with? go to bed? sleep?

Ji Ziyuan is not a pure man, and he will not believe that a man and a woman will stay together at night, and they will just chat.

For some reason, just thinking of Ruan Yan lying in the arms of another man, Ji Ziyuan's chest swelled inexplicably.

Want to kill people.

This feeling is not just a man's possessiveness, there is something else.

He hadn't felt this way for a long time, and the distant memory seemed to be only when he was with Ning Xiaoxiao.

Damn, he hadn't had time to conquer Ruan Yan, except for him, Ruan Yan didn't want to be with other men.

Ji Ziyuan got up abruptly, took the car keys, went downstairs to get the car, and galloped towards Ruan Yan's villa.

...

11:40.

Ning Xiaoxiao had fallen asleep next to the window in the car.

When Zhou Mingli stopped at the traffic light, he quietly glanced at her.

She slept very relaxed, her eyelashes trembled in the street lamps outside the window, her skin was delicate, and on her slender neck, there were a few short strands of black hair, and the small earlobes that hit her ears were looming in the black hair, and she was very beautiful. Burning eyes.

Zhou Mingli quickly looked away, his heart beat faster, and then he laughed.

He was too familiar with Ruan Yan's face, but he never let him feel this way, he just treated Ruan Yan as kind as his sister.

Since the core inside was changed, his feelings for her have also changed.

To him, Ning Xiaoxiao is like the stars in the sky.

Even if he is working hard now, he has achieved some success.

But Ning Xiaoxiao was still the most unattainable place in his heart.

Others said that she was abused by Ji Ziyuan.

From his point of view, she was always clean.

It's just that he didn't dare to be abrupt, because he was afraid that his enthusiasm would push her further and further.

After arriving at the villa, Zhou Mingli quietly took out the car keys from her bag, opened the electric gate, and after the car drove in, he got out of the car, went around to the passenger seat, and gently hugged her.

Let me go mr. Hill chapter 2701

Chapter 2701

Ning Xiaoxiao woke up just as soon as she was picked up.

A pair of dark and beautiful eyes with a little ignorance and then regained clarity.

“Don't come down, I'll carry you up.” Zhou Mingli showed a smile, “You are so light, don't you have a hundred pounds.”

“Let me down.” Ning Xiaoxiao is very uncomfortable being held by a man like this. .

Zhou Mingli looked at her quietly for a while, and finally sighed and put her on the ground, “It's too late, let me spend the night on your sofa, you see, it's not safe for me to go back in the dark.

Ning Xiaoxiao glanced at the tendon on his body, “I think it's more unsafe for others to see you.” “

It makes sense.” Zhou Mingli nodded solemnly, “Then I can’t let me go back, it will scare others. “

Then you won’t scare me by staying here?” Ning Xiaoxiao pointed out.

“We are so familiar, how can we scare you.” Zhou Mingli laughed with a row of white teeth.

Ning Xiaoxiao sighed with emotion that sometimes people have darker skin and their teeth look much whiter, “You can do whatever you want.”

“Give me a blanket, I’ll just sleep on the sofa.” Zhou Mingli was greatly relieved.

As soon as the two went in, they turned on the lights in the house, and the doorbell rang suddenly outside.

“Who is coming to see you at night.” Zhou Mingli walked to the screen and saw Ji Ziyuan outside, Jun’s face darkened suddenly, “Look, fortunately I decided to stay tonight, or else you will be alone Women’s homes are so unsafe.”

Ning Xiaoxiao frowned when she saw the screen, “Don’t pay attention to him, he won’t dare to come in.”

After speaking, Ning Xiaoxiao went upstairs to take a shower.

As soon as I entered the room, a deafening voice suddenly came from the loudspeaker outside, “Ruan Yan, I know you are at home. If you don’t open the door for me, I will play a song at your door, and don’t want to sleep in your entire community.”

Ning Xiaoxiao The corners of her beautiful mouth twitched fiercely.

Probably didn’t expect Ji Ziyuan to be so shameless.

next moment.

Ji Ziyuan’s magnetic voice sounded again: “Now let everyone listen to a “Morning Exercise Song”.”

Ning Xiaoxiao staggered and almost fell.

It’s really immoral, and people play morning drills in the early morning.

Immediately afterwards, Ning Xiaoxiao’s cell phone rang, and the property management called and begged, “Miss Ruan, can you settle the grievance between

you and Master Ji in private? Don't disturb the residents of the community sleeping, everyone can't offend Ji Ziyuan, only You can call me here."

"I'm sorry, I've caused everyone trouble, I'll fix it."

Ning Xiaoxiao said as she walked downstairs.

Zhou Mingli cursed with a dark face: "I thought I was shameless enough, but I didn't expect someone to be more shameless than me, Xiaoxiao, wait here, I'll open the door and beat him.

"Want to be expelled from the military?" Ning Xiaoxiao glared at him, "Go open the door and let him in."

"Then... how about I pretend to be your boyfriend?" Zhou Mingli said, "Let him think you are It's my girlfriend, you can retreat in spite of difficulties and stop pestering."

Ning Xiaoxiao didn't intend to do this, but she couldn't figure out Ji Ziyuan's intentions, so she thought about it and nodded.

Zhou Mingli was overjoyed, and immediately went out with a smile on his face.

Even if he was just pretending, he was happy.

As soon as the door outside opened, Ji Ziyuan got out of the car with a cigarette in his mouth, but he didn't see Ruan Yan, but Zhou Mingli first.

"You sleep here at night?" Ji Ziyuan took the cigarette out of his mouth and narrowed his eyes slightly.

"Ji Ziyuan, your behavior is completely disturbing the people. You are also a big president anyway. Doing this kind of thing is boring." Zhou Mingli took off the loudspeaker in the car and turned it off, and the community suddenly became quiet.

"It's really boring." Ji Ziyuan said leisurely, "Ruan Yan used to make me fun, and she even played me in prison. Now she doesn't play with me, I'm not used to it, what do you think?"

"She's already my girlfriend, don't bother her anymore." Zhou Mingli's face turned cold, and he suddenly walked in front of him.

The two are about the same height, but Zhou Mingli has been training all the year round, and his body seems to be stronger. Compared with Ji Ziyuan's handsome face in front of him, he feels a little weaker.

“Girlfriend?” Ji Ziyuan’s eyes were deep and he suddenly chuckled, “Then tell me where is the most beautiful mole on Ruan Yan’s body.”
