

Let me go mr. Hill chapter 2702

Chapter 2702

“...”

Zhou Mingli's anger was suddenly ignited, “You force her, you have the face to say, if you didn't force Ruan Yan, she would like you, garbage “

What about the rubbish,” Ji Ziyuan smiled arrogantly and wickedly, “you haven't answered my question.”

“I won't discuss Ruan Yan's privacy in public.” Zhou Mingli resisted and answered this question , even Qing Zhan's eyes showed disdain, “The netizens are right, you are really a scum.”

“Scum ? I am indeed a scum.”

Ji Ziyuan took a light breath with his cigarette, his handsome face was full of scum. Make a mockery.

If he wasn't a scumbag, how could Ning Xiaoxiao die.

Zhou Mingli's mouth twitched.

The first time I saw someone scolded, I admitted it frankly.

I am afraid that Ji Ziyuan is not sick.

“I think you haven't touched it at all, so you can't answer my question.”

Ji Ziyuan suddenly puffed at Zhou Mingli with a playful look.

Zhou Mingli was furious, grabbed his collar directly, and the fist of the other hand burst out with blue veins.

“Ming Li, stop.”

Ning Xiaoxiao’s cold voice suddenly came from behind.

Ji Ziyuan tilted his head slightly, and turned his eyes to the garden behind the gate. Ning Xiaoxiao walked over on the stone path, wearing a white nightdress, the skirt reached to the knees, and a loose fit on top of the skirt. Her gray home coat, her short hair was slightly messy by the evening wind, but under the shadow of the moonlight and street lamps, she looked more and more picturesque.

In fact, he was very familiar with everything about Ning Xiaoxiao.

But at this moment, I saw her coming.

Ji Ziyuan suddenly felt a little strange, and even thought that Ning Xiaoxiao would look good even if she wore it casually.

People are so weird sometimes.

It was obvious that this woman had slept until she was tired, and she had it at her fingertips.

Now it’s suddenly fresh again.

He even asked him to drive his car at night to find him.

Apart from finding Ning Xiaoxiao before, he never had this urge again.

“Come on, you can hit me towards the bridge of my nose.” Ji Ziyuan pointed to his tall and straight nose, “Put harder, don’t worry, I will definitely let everyone know that the leader of the dark guard who protects the president is here for a female star. Fighting outside must be very interesting.”

Zhou Mingli is someone who has been on the battlefield after all, the more Ji Ziyuan deliberately angered, the calmer he became.

It's just his dignity that makes him look as handsome as Mr. Bao in front of the woman he likes.

“Why do you beat a scum like you, Mingli, you have a bright future, you shouldn't be remembered for such a person.” Ning Xiaoxiao gently held Zhou Mingli's fisted hand.

Zhou Mingli froze.

For the first time, I found out how a woman's hand can be so soft and so soft.

It made him breathe quickly and his heart beat faster.

“Ruan Yan...” Ji Ziyuan's eyes also fell on the hands held by the two of them, his eyes filled with coldness, “You really dated him?”

“No?” Ning Xiaoxiao looked at it lightly. Looking at him, “one has to look forward.”

“What about Pei Mochen?” Ji Ziyuan pointed out, “Last time I saw you two chatting at charity events, and there are signs of reconciliation. It seems that I guessed wrong, then I'll call and ask him.”

Ji Ziyuan took out his phone.

Ning Xiaoxiao frowned suddenly.

Let me go mr. Hill chapter 2703

Chapter 2703

If Ji Ziyuan really told Pei Mochen that she had a boyfriend, it would ruin her plan.

Zhou Mingli quickly glanced at Ning Xiaoxiao and saw her brows knit together.

He knew her too well.

“Stop...” Zhou Mingli withdrew his hand and stopped Ji Ziyuan.

“Why, don’t you mind that your girlfriend is too close to your ex?” Ji Ziyuan smiled, “Let me remind you, Ruan Yan’s first man was Pei Mochen, and he loved him so much that he committed suicide. .”

Zhou Mingli smiled bitterly to himself.

He does, of course he does.

It’s just that he didn’t want to embarrass Ning Xiaoxiao or affect her plans.

“Let him fight, he can fight as long as he likes.” Ning Xiaoxiao suddenly looked at Ji Ziyuan indifferently, “Do what you want, I don’t want to be controlled by others, especially this person is you, Ji Ziyuan, you Be clear, there is no relationship between us that you can control me, in fact, why you came here, I know very well.”

“Oh, talk about it.” Ji Ziyuan looked playful.

“Because you have never fallen so hard in front of a woman, you may have a little admiration and hatred for me, and now you may be impatient to conquer me, rather than simply taking revenge on a woman, after conquering a woman , no matter how hard you abuse it, it will make you more happy and satisfy the distortion in your heart.”

Ning Xiaoxiao looked at him calmly, “You even treat me as your personal property.”

Ji Ziyuan was startled, his eyes gradually darkening. , “The analysis is a bit interesting.”

“Ji Ziyuan, you have to accept the reality, I’m not Ruan Yan or another woman that you can control at will, I’m Reborn, from the day I really fought with you, I It is very clear that your confidence comes from Ji’s family, but Ji’s family is no longer in the past, I am no longer a woman you can easily provoke, and the way you used before is no longer suitable for me.”

Ning Xiaoxiao snapped her fingers beautifully.

Su Ge and others came out of the yard.

Ji Ziyuan bit the cigarette that was gradually burning out, his face was slightly cold, “You have someone, I don’t have anyone?”

“Are you sure you will have a big trouble right after you get out of prison?” Ning Xiaoxiao reminded, “I don’t mind going to prison. For a few months, I’m a homeless person anyway, but can you...can you afford it?”

“...OK.”

Ji Ziyuan looked at Ning Xiaoxiao for as long as a century.

He took two steps back, pointed his long fingers at Zhou Mingli, and smiled, “Do you like her?”

Zhou Mingli frowned.

Ji Ziyuan's brows flashed a very fast anger, "You better stay away from her, or you will regret it."

After that, Ji Ziyuan got in the car and left.

Zhou Mingli snorted as he looked at the shadow of the car going away.

When he turned around, he found that Ning Xiaoxiao frowned.

"Xiaoxiao, you won't believe his nonsense." Zhou Mingli said, "Don't worry, I'm not easy to mess with."

"Ji Ziyuan is not that simple." Ning Xiaoxiao's eyes were complicated, "You shouldn't always show up. It's not a good thing for someone beside me to be stared at by him."

"I don't care, it's a big deal I'll quit." Zhou Mingli said nonchalantly, "With my skills, come and be a bodyguard head office by your side."

Ning Xiaoxiao was speechless . , "If you don't follow the president for a promotion, and go to my side to be a bodyguard, you are not afraid to make your parents mad."

"You are richer than the president," Zhou Mingli said with a smile, "money can make a ghost push you. Grind."

Ning Xiaoxiao: "..."

It was so reasonable that she couldn't refute it.

At this time, Zhou Mingli's cell phone rang, and his expression darkened after he answered it.
