Chapter 2704

“I have to go abroad with the president tomorrow, I have to go back and prepare in advance.”

Zhou Mingli said a little annoyed.

“Didn’t you say you’re on vacation tomorrow?” Ning Xiaoxiao’s eyes flashed.

“Yeah, it’s changed again temporarily.” Zhou Mingli’s eyes were strange, “It seems that I asked you to accompany me to buy clothes, but I can’t buy it.”

“Wait for you to come back.”

After Ning Xiaoxiao sent Zhou Mingli away, she was very I soon received a text message from Ji Ziyuan: [If you really want to be nice to Zhou Ming, stay away from him. ?

Sure enough....

Ning Xiaoxiao had long felt that this matter had something to do with Ji Ziyuan.

Did not expect ah.....

But it’s normal. After all, the Ji family has been standing in the capital for decades. If the previous incident hadn’t caused too much trouble in front of the public, Ji Ziyuan would definitely have a way to get out of prison.

...

the next day.

Ning Xiaoxiao was woken up by Jiang Qingxin's phone call.

"I wanted to call you yesterday when I wanted to go back, but I was afraid to wake you and Zhou Mingli in the world..." Jiang Qingxin laughed, "What did you guys do after that?"

"Go to bed. "

Cough cough... so fierce." Jiang Qingxin, who was eating breakfast, choked in shock.

"Do you really believe it?" Ning Xiaoxiao laughed, "When did you become like Fan Yue?"

Jiang Qingxin was a little disappointed, "I didn't expect you to be joking with me."

Ning Xiaoxiao was startled.

She's actually quite straight-forward.

Especially after the soul wear, there are fewer smiles, let alone jokes.

But since he revealed his identity yesterday, the whole person seems to have relaxed a lot.

“That’s good.” Jiang Qing said sincerely, “A lot of things have happened, and the dead can’t be resurrected, but we still hope that you can come out of the shadows as soon as possible and be more happy.”

“Thank you.”

Ning Xiaoxiao took out the black beans from the refrigerator and planned to cook some soy milk in the morning.

From now on, she wants to be nice to herself.

“By the way, Xiaoxiao, I’m making this call. I want to tell you that when I was chatting with that Zhong Kehao yesterday, I got something out of his mouth. This time, when he came to Beijing, Pei Mochen seemed to want to cooperate with him. The business in the city.”

Ning Xiaoxiao was surprised, “Australian City is a famous gambling city, and it mainly develops tourism and gambling.”

“I think Pei Mochen may have intentions to intervene in the latter.” Jiang Qingxin said, “Then But the huge profit industry, and the Pei family is engaged in the hotel industry, and can know a lot of rich people, and I heard Zhong Kehao mean that the hotel of the Pei family is not as good as the business on the surface, and now there are many innovative new types. The hotel is very popular among young people. If Pei Mochen wants to take over the hotel, he has to

do something.” “It’s interesting.” Ning Xiaoxiao looked playful, “I think Zhong Kehao really wants to curry favor with you.”

“That’s natural, Zhong Kehao really wants to use me to get on Uncle Cang’s line.” Jiang Qingxin smiled, “Why, you want me to help you.”

“I just suddenly thought of a way to break Pei Mochen faster.” Ning Xiaoxiao said “In China, it is against the law to engage in gambling. Since he wants to do it, he should help him.”

“I understand.” Jiang Qingxin was stunned, “The relationship between Zhong Kehao and Pei Mochen is actually normal, nothing more than that. A friend who has eaten several times and drunk several times, he is very smart.”

“Isn’t it good to be smart, easy to deal with.” Ning Xiaoxiao smiled, “I just want to trouble you.”

“It’s okay, Zhong Kehao It is true that I have some strength in Australia City, it is not a bad thing to know such a person, and... I have always felt very uncomfortable.” Jiang Qingxin said suddenly.

Chapter 2705

“What are you thinking, you didn’t feel sorry for me, on the contrary, you helped me a lot.” Ning Xiaoxiao said seriously.

“Okay, Xiaoxiao, no matter how you wash some things, when you were in prison, apart from Ji Ziyuan, you couldn’t get rid of Huo Xu.” Jiang Qingxin said calmly, “The moment you were sentenced, I really didn’t care. The way to forgive Huo Xu, it was his stupidity with Ji Ziyuan and Song Rongshi that hurt you, but I thought I forgave him a few years after your death, this matter has always been a thorn in my heart.”

“He once killed Lu Liyang who lost a finger. Later, Huo Xu cut off his own finger and compensated Lu Liyang, but no one can pay for your life. Come down, after all, who doesn’t want to use their own body.”

“I’m very grateful to Ruan Yan, if she hadn’t given up her life, you might be gone, since it was Pei Mochen who hurt her, then I’ll help her out. , it can be considered to make me feel more at ease.”

Ning Xiaoxiao was silent.

Although she has a very good relationship with Jiang Qingxin.

But if you want to ask her what her impression of Huo Xu is, to be honest, she doesn’t like Huo Xu.

Because Huo Xu believed so much in Ning Lexia back then.

When she learned that her parents had died in prison, she put Huo Xu and Ji Ziyuan on the top list of the hate list.

You can like a person, but why do you like to be blind in both eyes.

Jiang Qingxin continued: “One more thing, I heard that someone has been inquiring about the situation of the Ning Group recently, and it seems that they intend to buy it at a high price. That person is you.”

“...”

Ning Xiaoxiao was dumbfounded.

It’s also a trouble if your girlfriend is too smart.

At first, Zhao Xin was asked to inquire about the situation of the Ning Group, but the result was that after Ning Zetan sold the company, it fell into Jiang Qingxin’s hands after several turnovers.

She asked directly, Jiang Qingxin would definitely not be embarrassed to ask for her money, and would definitely give it to her.

A Ning's, no matter how bad it is, it is tens of millions.

Why did she take over in vain. Ning Xiaoxiao said solemnly

, "If the friendship between two people is going to last a long time, we can't blindly take advantage of you. Besides, I'm not short of money."

"But I'm not short of money either."

Will you accept it for free?" Ning Xiaoxiao asked.

Jiang Qingxin was speechless for a while.

After a long time, he smiled bitterly, "Okay, I respect your opinion. I have a contract here. You can give me as much as I bought before. If you are fine in the morning, we will go through the formalities."

"Okay."

Jiang She hung up the phone and went back to the study to look for materials after breakfast.

But I couldn't find it after searching for a long time.

"Wife, what are you looking for?" Huo Xu, who had sent the children to kindergarten, came back and couldn't help but ask when he saw the mess that was being turned over.

"Where's the Ning Group's documents?" Jiang Qingxin asked.

“I helped you put the lockbox last time.” Huo Xu helped her find the document, “Why do you want this all of a sudden?”

“Sell it.”

Huo Xu was stunned, “Why, you didn’t buy it because of Ning Xiaoxiao before. Oh, you said that’s the only thing you can do for her.”

“...”

Jiang Qingxin gave him a complicated look.

You can’t tell him that Ning Xiaoxiao is not dead.

Just this traitor, maybe he will tell Ji Ziyuan in the next second.

“After thinking about it, I’m actually not very good at taking care of it, and I’ve been losing money. It’s better to sell it than that.” Jiang Qingxin said, “I’ve found a suitable buyer, don’t worry, don’t worry about it.”
