

# Love After Marriage, He Got A Free Wife

## - Chapter 128 - Pink Bubbles

### Chapter 128: Pink Bubbles

Fang Xiaonuan asked curiously, "Hubby, then why do you want me to make a decision? Don't you already have your own ideas?"

Ji Lingchen smiled lightly as he stroked his wife's hair. "I'll let you decide."

Fang Xiaonuan was stunned. Her husband was just going to let her decide when the contract was worth more than a billion?

She continued to ask, "What if my decision is the opposite of what you want?"

"I think that the second-in-command of the company schemes too much. He wanted to compete fairly for the position, yet he insisted on using underhanded methods."

"Furthermore, he even took advantage of my husband and my father. He must have a very bad character!"

"Relatively speaking, I think that Director Tang may not be very capable, but his character is not a problem. Working together would put us at ease..."

"So, husband, let's continue working with them!"

Ji Lingchen knew that his little wife would definitely not let him down.

Ji Lingchen said, "Alright, I'll get the lawyer to deliver the contract in a while." After saying that, he even touched his little wife's hair. Her hair was thin and soft, like that of a child.

Fang Xiaonuan was wearing the bracelet that her husband had given her. She thought about it and felt that she should express her gratitude. Therefore, before going downstairs, she stood on her tiptoes and quickly kissed her husband on the cheek. Then, she ran downstairs to eat. Ji Lingchen was left in the same spot with a face full of lust.

...

In the classroom.

Fang Xiaonuan was holding a large cup of dark red liquid and drinking it.

Liu Siyu asked, "Xiaonuan, what are you drinking?"

Fang Xiaonuan said proudly, "Brown sugar water. My husband purposely made it for before he left."

Before going to school in the morning, Ji Lingchen took her cup of water away. Then, he looked at the picture on her cup and said, "The kitten looks a little familiar."

Ji Wen asked, "Uncle, when did you get a cat?"

Ji Lingchen looked at his wife and said, "It looks like the kitten in my arms."

Fang Xiaonuan replied shyly, "Ugh, why did you call me a kitten again?" Her tone was full of sweetness. It gave Ji Wen a headache.

Ji Wen thought, 'Showing off your love so early in the morning, that's enough!'

After arriving at school, Ji Wen told Liu Siyu many stories about his uncle and Fang Xiaonuan.

"Oh my God, Xiaonuan met her true love after marriage?" Liu Siyu said in surprise.

The two looked at Fang Xiaonuan, who was giggling foolishly, and nodded in unison. "Looks like she really met him."

Liu Siyu sighed. "You've been single for so many years, but then you met your true love after marriage. This must be a gift from the heavens!"

Ji Wen said, "When will the heavens give me a gift? Let my uncle and Fang Xiaonuan go somewhere else. Otherwise, I'll be too sullen at home."

Liu Siyu said, "You probably don't deserve a gift. It's better for you to rely on yourself."

During class, whenever Fang Xiaonuan heard boring knowledge, her husband's face would pop up in her mind, and then she would begin to giggle foolishly.

Liu Siyu and Ji Wen looked at each other, then said helplessly, "Though I'm sitting so far away, I can practically see pink thought bubbles popping up above her head. She is giving off the sweet scent of love!"

...

Ji Corporation, CEO's office.

Jiang Rui, who had been criticized yesterday, brought a new report to the CEO's office today. He hurriedly handed the report to Ji Lingchen. When Ji Lingchen looked at the data, his heart seemed to jump out of his throat.

Ji Lingchen looked at it carefully. This time, there was finally no problem with the data, but a single glance from him would cause Jiang Rui to feel a ton of pressure.

Ji Lingchen said, "I know what's been going on with your family. How are you going to deal with it?"

Jiang Rui suddenly raised his head and looked at Ji Lingchen, his face full of shock. He had never thought that Ji Lingchen would find out about his family matters. However, thinking about it, his scandal would have spread throughout the company. He said in a panic, "CEO Ji, I won't let my family matters affect my work anymore. Please give me another chance!" There were already enough things to worry about at home. He could not lose his job again, or his family would really have no hope at all.

Ji Lingchen took a deep breath. He began to have self-doubt. How heartless was he in the eyes of the employees? His normal questions of concern actually made his subordinates fear him to such an extent. He quickly said, "I don't want to fire you."

"I'm prepared to give you a week's vacation. Can you handle your family matters in this timeframe?"

"CEO, I . . ." Jiang Rui looked at Ji Lingchen pitifully. Vacation? But why did he feel that he was still fired?

## **Chapter 129: You Are Not a Coward!**

Ji Lingchen was helpless. Gentleness did not seem normal on him. On the contrary, he made people feel afraid. He coughed a few times and composed himself. With a solemn face, he said, "Within this week, go and settle your home matters. The company will hire people to temporarily take your place. After a week, if you still have not solved your family issues and if you're still bringing unnecessary emotions into work, hand in your resignation letter!"

"Yes, yes. Thank you, CEO!" Jiang Rui saw that the CEO had gone back to normal and he finally believed his words. He quickly bowed and thanked him.

"No need to thank me. This was all my wife's idea," Ji Lingchen replied.

“Wife?” Jiang Rui was puzzled. He had never met the CEO’s wife. Why would the CEO’s wife know about his family matters and even intercede on his behalf?

Ji Lingchen said, “It’s the little girl you saw yesterday. She’s not my niece. She’s my wife, Fang Xiaonuan.”

“Ah!” Jiang Rui was so shocked that his jaw almost fell to the ground.

That little girl, he really thought that she was the CEO’s niece. So, it turned out that she was the legendary CEO’s wife!

“Thank you, CEO. Thank you, Madam!” Jiang Rui said and left the office.

He entered the elevator. The elevator door was about to close when Secretary Song suddenly appeared.

“Secretary Song, what instructions do you have for me?” Jiang Rui asked.

Secretary Song said, “I just received the order from the CEO. I have already transferred 100,000 yuan into your account. Director Jiang, don’t let the CEO down.”

Jiang Rui was stunned. The CEO not only gave him a holiday, but also gave him money to help with emergencies. He had mixed feelings, and tears were welling up in his eyes. He could only express his gratitude. “Thank you!”

...

Just as Fang Xiaonuan had said, after this incident, Ji Lingchen’s status in the hearts of the employees had risen once more.

Assistant Liu had lunch with Ji Lingchen at noon. Suddenly, he brought up the topic that the employees of the company had been discussing fervently.

“CEO, everyone is proud and happy to be working at Ji Corporation.”

Ji Lingchen said, “Pass it down. All of this is because of the CEO’s wife, not me.”

Assistant Liu said, “No, CEO Ji. What you said when you signed the contract with the Tang Corporation has already caused everyone in the capital’s business circle to start asking about the madam.”

“If everyone in the company finds out that the madam has such a good heart, she will definitely be surrounded by many people the next time she shows up.”

Two days had passed since the signing of the contract with the Tang Corporation. Jiang Rui had also been gone for two days.

That day, after Ji Lingchen had signed the contract, Director Tang was very grateful to him. However, Ji Lingchen was passive-aggressive. "For me, if I can't even manage my subordinates well, I won't continue to work with them."

"If you really want to thank me, you should thank my wife. She was the one who asked me to give you another chance. Make good use of this opportunity."

After that, Ji Lingchen's wife became popular.

Ji Lingchen asked coldly, "Who is asking about Xiaonuan?"

Assistant Liu said, "Many companies are asking about her. They probably want to win her sympathy in advance so that she can put in a good word for them."

Ji Lingchen said, "Remember these companies. Never cooperate with them! Also, spread the news. If anyone dares to disturb her, they will bear the consequences!"

Assistant Liu said, "Yes." Assistant Liu never expected his boss to be like this after marriage. He wanted everyone to know how good his wife was and did not want anyone to disturb her.

Fang Xiaonuan naturally did not know her husband's intentions. She was still a rebellious child. Before her period was over, she started having cravings again. After dinner, she "accidentally" walked to the fridge. She looked left, right, and all around. When she saw that there was no one around, she quietly opened the fridge door and reached her naughty little hand towards the ice cream.

"Ahem."

Suddenly, a cough came from behind her. Fang Xiaonuan heard the familiar voice and pouted. "Hubby..."

Ji Lingchen looked at the chocolate ice cream in her hand and said calmly, "Put it back."

Fang Xiaonuan looked at the fridge and then at the ice cream in her hand. She said coquettishly, "Hubby, I just want a small bite..."

Ji Lingchen said, "Put it back!" His eyes were filled with an unnegotiable look.

Fang Xiaonuan immediately became like a deflated balloon and obediently put the ice cream back.

Ji Wen, who was watching this, said mockingly, "Fang Xiaonuan, don't be afraid. You're not a coward!"

Ji Lingchen raised his leg and kicked Ji Wen's butt. "How can you talk to your aunt like that?"

Ji Wen rubbed his butt like a frightened little mouse. He put his hand over his butt as he left.

## Chapter 130: Saving Her Butt

Fang Xiaonuan did not expect her husband to kick him. She was glad that she understood the situation and put the ice cream back. Otherwise, she would not have been able to save her butt too!

"Go upstairs and take a shower, then sleep," Ji Lingchen said.

Fang Xiaonuan went upstairs obediently. However, after a while, her appetite returned and she pretended to have a stomachache. Just as Ji Lingchen was anxiously looking for medicine for her, she said, "Hubby, actually, one ice cream would help."

Ji Lingchen was speechless. "You'd be in even more pain!"

"Hubby, my stomach hurts!" Fang Xiaonuan simply tossed and turned on the bed and rolled to Ji Lingchen's side.

Ji Lingchen was sitting by the bed, leaning against the headboard while reading, but the kitten beside him rolled over. He glanced at her and told her to stop.

"Honey, my stomach really hurts. I'm in so much pain, I'm crying!" Fang Xiaonuan did not give up and tried again.

This time, Ji Lingchen reached out his hand, then placed it on her lower abdomen and gently rubbed it.

"Honey, your hand won't work this time. Only ice cream can stop the pain." Fang Xiaonuan continued to act shamelessly.

Ji Lingchen closed the book and placed it on the bedside table.

Was he going to relent? Fang Xiaonuan was about to celebrate when the man pulled her into his arms. "Since rubbing your stomach is useless, go to sleep. You won't feel any pain once you fall asleep."

“But, I, I...” Fang Xiaonuan was full of steam. She did not want to sleep!

Ji Lingchen never pictured bickering his wife.

“Hubby, I don’t want to sleep. I want to see the stars,” Fang Xiaonuan said.

Ji Lingchen said, “There are dark clouds today. You can’t see the stars.”

Fang Xiaonuan said, “Hubby, I have something to talk to Ji Wen about.”

Ji Lingchen pinched his wife’s little face and said seriously, “After eight o’clock in the evening, I won’t allow the two of you to meet.”

Fang Xiaonuan said, “Then I’ll talk to Dad. I have something to discuss with him.”

Ji Lingchen said, “Dad’s asleep.”

Fang Xiaonuan said, “Hubby...”

Ji Lingchen said, “If I find out that you’ve been secretly eating ice cream before your period ends, next time, I’ll make sure there is no ice cream in the fridge.”

Fang Xiaonuan sighed gloomily and mumbled softly, “Dad and Mom always say that you’re good to me, but you won’t let me eat ice cream. That’s not treating me well.”

Ji Lingchen said perfunctorily, “Yes, I’m not good to you. I always mistreat you.”

Fang Xiaonuan pouted. “Hmph, it’s good that you know!”

Fang Xiaonuan was still protesting in his arms, but soon fell asleep without realizing it. She finally stopped complaining about her stomachache and her craving for ice cream.

Ji Lingchen woke up in the middle of the night and deliberately instructed the maids to hide all the ice cream in the house, in case his little greedy cat wanted to eat it secretly while he was out.

“If second young mistress asks you for ice cream tomorrow, no one is allowed to tell her where the ice-cream is. Otherwise, they will be fired!” Ji Lingchen threatened.

The maids quickly nodded in agreement. The butler naturally also joined the ice cream-hiding team. “Second young master, what if the master wants to eat it?”

Ji Lingchen looked at the butler and said sternly, “Let him ask me for it!”

The butler smiled awkwardly. It seemed that only the second young master could manage the old master!

After Ji Lingchen's midnight activity, the next morning, the two people at the dinner table had sullen faces. Both of them looked depressed.

Fang Xiaonuan woke up very early. The first thing she did when she woke up was run to the refrigerator to get ice cream. However, when she opened it, she found that all the ice cream had disappeared!

Similarly, Old Master Ji had also woken up early to look for ice-cream. He had also sneaked to the fridge. Looking at the empty fridge, he said in confusion, "Why is it gone? There were more than ten yesterday."

Old Master Ji rummaged through the fridge from top to bottom but could not find a single ice-cream.

Fang Xiaonuan and Old Master Ji both chose to ask the butler, "Where's the ice cream?"

The butler replied, "Second young master says you must ask him for ice cream if you want it!"

Ji Lingchen clearly knew that the two of them were afraid of him and did not dare to ask him for the ice cream. Therefore, at the dining table, the two of them glared fiercely at Ji Lingchen.

Feng Qi asked, "What's wrong? Why are you all staring at Lingchen?"

Ji Lingchen's lips curled into a smile. "Sister-in-law, it's fine. Xiaonuan just loves me too much."

Fang Xiaonuan said, "Hah! You hid my favorite ice cream. I don't love you!" She could not take it anymore and yelled at her husband in front of everyone.

The maids in the dining hall felt their hearts tremble. She was yelling at second young master. Even if they were husband and wife, second young master had a very bad temper. No one could figure him out. Plus, the young mistress quarreling in public would make the second young master look bad. Wouldn't this start a fight?
