

Love After Marriage, He Got A Free Wife

Chapter 141: The Affairs of the School Belle

“That won’t do. I’d rather let my son drink milk formula instead of another woman’s milk!” Fang Xiaonuan was stunned.

The man on top of her smiled. It was not that his wife did not understand his hints. She was just a little shy.

Hearing the man’s laughter, Fang Xiaonuan bashfully pounded his chest and said, “Get off. Don’t squish me.”

Ji Lingchen reached out to hold his wife’s head and kissed her again.

Fang Xiaonuan blushed shyly and hit the man a few times to vent her anger.

She spent the night immersed in her sweet relationship. So, she was not aware that a post about her had become popular on the school’s forum.

Shocking! Jing University’s Campus Belle is Dating an Old Tycoon!

Jing University’s campus belle was having a low profile date with a sugar daddy on the street.

Urgent: The Campus Belle Affairs, Chapter One.

The post was full of photos and text, and the evidence was very clear. Not only was there a photo of Fang Xiaonuan holding onto Old Master Ji’s arm and getting into the car, but there was also a photo of the two eating shrimp. There was even a video of Fang Xiaonuan teaching Old Master Ji how to peel the shrimp. After Old Master Ji learned how to do it, the two of them laughed very happily.

In order to get more clicks, some people even drew comics of the scene and posted them.

At night, it was a good time for rumors to spread. It continued to spread until three in the morning.

In the school dormitory, some students who did not sleep forwarded their posts to their friends to fuel the gossip. "Look at this, there are photos and videos. The campus belle is really dating an old man!"

"Hey, hey, don't sleep. Isn't this your goddess, Fang Xiaonuan? Look, she's not only flirting! She's truly dating the old man!"

"Everyone, come and see. I heard that the campus belle of Jing University has fallen for someone!"

...

Everyone came to see what the commotion was about. The situation was getting more and more intense.

The number of hits on the posts was still rising. There were more than a thousand comments about her. Within three hours, the total number of comments on the three posts had exceeded ten thousand.

The number of logged on users exceeded the website's limit. It even crashed for a time. However, some had already saved the posts and circulated them throughout the school's group chats.

The school's group main chat exploded as well. Even some of the teachers who had not gone to bed yet were gossiping about this matter.

The influence of this matter depended on how famous Fang Xiaonuan was. Her scandal surpassed the gossip about Lin Qian.

Seeing that her plan had succeeded, Lin Qian laughed out loud in satisfaction.

Of course, there were also some students who knew Fang Xiaonuan better. The ones who knew her called her one after the other, asking her to quickly refute the rumors.

At four o'clock, Fang Xiaonuan's phone rang.

She was currently in her husband's arms, having a beautiful dream. Initially, she was a little angry with her husband. She hugged her pillow and scooted to the other side of the bed to sleep, avoiding him. However, after falling asleep, she habitually rolled back into her husband's arms.

She heard her phone ring. In a daze, she said coquettishly, "Hubby, it's so annoying. Go answer it!"

The phone also woke Ji Lingchen up. He answered the call. "Hello, who is this?"

The classmate on the other end of the phone was stunned! A man had picked up Fang Xiaonuan's phone! She did not dare to say a word.

She initially believed that Fang Xiaonuan would not do this, but now she really began to suspect that the post had been true. She hurriedly hung up the phone.

Ji Lingchen frowned and glanced at the screen. After confirming that the call had been hung up, he put the phone aside.

The next day, Fang Xiaonuan followed Ji Wen to school.

As soon as she got out of the car, she noticed that many people were staring at her strangely. There were even people secretly taking photos of her and Ji Wen.

The forum page became even more lively. Someone uploaded a photo of the two of them with the caption, "How pitiful! He still doesn't know who his girlfriend is and they haven't broken up yet!"

"My heart aches for Xiaowen. Why is he blind enough to fall in love with a woman like that?"

"Someone! Go and save my Prince Charming. He's been blinded by that little s!t!"

...

Ji Wen was the Prince Charming of Jing University. He did not know how he was chosen, and he only found out after his classmates told him.

Fang Xiaonuan hung out with Ji Wen all day long. They went to and from school together and ate together. Everyone had long assumed that the two of them were a couple. As for Liu Siyu, everyone had their own opinions.

"Ji Wen, don't you think it's a little weird?" Fang Xiaonuan asked with a frown.

Ji Wen looked at the students around him and replied, "It's not a little weird, it's very weird!"

At that moment, Liu Siyu called.

"Xiaonuan, Xiaowen, go to the school forum immediately. D*mn it! I don't know which b*stard is spreading rumors about Xiaonuan again. Quick, take a look!" Liu Siyu said angrily. Her brother, who was driving her to school, could not help but say, "Girls should be careful with what they say."

Chapter 142: Twin Sister

Liu Siyu said, "Brother, this is a big deal. No, I have to call the police. Someone is spreading rumors about my friend!"

Liu Siyan smiled dotingly at his sister. "Okay, I will help you call the police myself!"

Upon hearing Liu Siyu's instruction, Fang Xiaonuan and Ji Wen quickly opened the school's forum page. They did not need to search for it. The forum was extremely popular, and it was the first search result.

They saw all sorts of news about Fang Xiaonuan and the insulting comments that followed. There were even comments that insulted Old Master Ji. Fang Xiaonuan could not help but clench her fists.

Ji Wen also frowned as he read. He kept swiping on the phone. He even opened the forum's homepage to see which daring person had been spreading rumors about them!

In the end, when he clicked on it, he discovered that it was a newly registered account. Ji Wen put down his phone helplessly and said coldly, "I can't be in school anymore. Let's go home."

"No, if we go home now, it would be like confirming the rumors." Fang Xiaonuan suppressed her anger and said, "If I find out who did it, I won't let them get away with this!" She was also wondering who she had offended recently.

Ji Wen picked up his phone again. "I'll inform my uncle about this first."

Fang Xiaonuan shook her head. "We can't ask your uncle to solve every problem we encounter. We can't keep causing trouble for him."

After thinking for a moment, she decided that she should not leave, but if she went to class, it would cause quite a commotion.

"Why don't you announce that the man yesterday was your father-in-law?" Ji Wen asked.

Fang Xiaonuan shook her head again. "My father is about the same age. If someone had said that he was my grandfather, they might have believed it. But we say that he was my father-in-law, no one will believe it."

"Even if you announce that I'm married now, no one will believe that the man was my father-in-law."

“Even if you tell everyone that Ji Lingchen is my husband, no one would believe it!”

“Unless you get your uncle to come forward personally to clarify things, but if you do that, it will still cause trouble for your uncle.”

Ji Wen said, “But you can’t really say that he’s your grandfather, right?”

Fang Xiaonuan had not beaten up Ji Wen for quite some time. She raised her hand and hit him on the head. “Are you stupid? He’s my father-in-law. If you say that he’s my grandfather now, won’t it still be troublesome if I announce my identity in the future?”

Ji Wen rubbed the back of his head. “My uncle already hit me yesterday, and you’re hitting me again today. You two are really too much!”

“My husband hit you? When did he hit you? Why didn’t I know it?” Fang Xiaonuan asked in confusion.

Ji Wen realized that he had let the cat out of the bag and quickly said, “I was wrong. It wasn’t yesterday. It was the day before yesterday.”

Fang Xiaonuan did not have Ji Lingchen’s insight and did not see through Ji Wen’s lie.

After a while, Liu Siyu arrived at school.

Liu Siyan also got out of the car. He walked over and knocked on the car window. “Do you need my help?”

Fang Xiaonuan hurriedly thanked him. “Liu Siyan, thank you for your kindness. But with the current situation, it’s better that I settle it on my own.”

Liu Siyan naturally understood what Fang Xiaonuan meant. He said, “Then I’ll go back to the police station first. If you need my help, ask Siyu to contact me.”

Liu Siyu grabbed her brother’s hand and said coquettishly, “Brother, don’t leave. Go and tell our school’s leaders to delete the posts on the forum!”

Fang Xiaonuan said rationally, “Siyu, deleting the posts won’t shut everyone up. Things will only get worse. Don’t make things difficult for your brother. I can handle this myself.”

Liu Siyan nodded at Fang Xiaonuan and left.

Liu Siyu got into Ji Wen’s car. “Well, you let my brother leave. What should we do next? Last night, my brother confiscated my phone, so I didn’t see the posts.”

The three of them did not live on campus, so when this happened, they were not notified immediately.

“Actually, my relationship with Xiaowen is the easiest to resolve.” After saying that, Fang Xiaonuan looked at Ji Wen, then turned back to look at Liu Siyu in the backseat.

The two of them asked at the same time, “What do you want to do?”

Fang Xiaonuan said with a mischievous smile, “Don’t you think that the two of you look like a married couple?”

Liu Siyu said, “Are you joking at a time like this?”

Fang Xiaonuan said seriously, “I’m not joking. You and Xiaowen are really alike. When I first saw you, I thought that you were Ji Wen’s twin sister.”

Ji Wen said, “Get lost. I’m an only child! Besides, Siyu is older than me by several months. How could she be my twin?”

Chapter 143: Spending the Money of Five Men

Fang Xiaonuan added, “Of course, I know that you two are not related by blood. That’s why I never mentioned this.”

“However, if I were to announce that the two of you are a couple, wouldn’t the rumors about Xiaowen dissipate? Then, I just need to resolve the rumors on myself.”

Ji Wen said disdainfully, “I don’t care about these rumors at all. Hurry up and tell me what you want to do. Let me tell you, it’s going to be gym class soon. When we get to the field, hundreds of people will be pointing fingers at you.”

Fang Xiaonuan said slowly, “Just let Dad come to gym class.”

Ji Wen asked, “What?”

Liu Siyu said, “Are you crazy!”

Neither of them knew what was going on in Fang Xiaonuan’s head.

Fang Xiaonuan’s anger had flared due to the comments on the forum. However, after she calmed down, she comforted herself. Wasn’t it just a rumor? The person who spread the rumor must have been jealous of her. Moreover, those things were too ridiculous and not true. She knew who she was.

“Xiaonuan, are you okay?” Liu Siyu looked at her worriedly. She was afraid that Fang Xiaonuan would lose her temper.

Fang Xiaonuan smiled lightly. “I’m fine. It’s just a small matter. Being angry all the time is not worth it.”

“How is this a small matter? Big sis, this matter has already stirred the entire school!” Ji Wen said excitedly. He really could not figure out what Fang Xiaonuan was thinking. She was always like this. No matter how big the issue was, she could always casually brush it off.

One year, someone almost broke her wrist, but she could still endure the pain and say, “It’s just a small matter.”

And sometimes, when she really encountered a small matter, she would instead make a big fuss. For example, previously, she had gotten a splinter, and because she was afraid of pain, she ran to the hospital! She was really hard to figure out!

Fang Xiaonuan looked at Ji Wen and said calmly, “Did this matter cause any substantial harm to you?”

Ji Wen shook his head.

Fang Xiaonuan said, “Did it make you lose money?”

Ji Wen shook his head again.

“Did it threaten your personal safety?” Fang Xiaonuan asked again.

Ji Wen shook his head again.

Fang Xiaonuan asked, “Did it affect public order?”

Ji Wen compromised and said, “Alright, I admit that it’s a small matter, alright?”

It was indeed the case. There was no substantial damage, no loss of money, and no violation of the law. It was just a small matter!

Fang Xiaonuan nodded. “That’s right! So let’s go to class now!”

Ji Wen and Liu Siyu were speechless.

When the three of them stood at the door of the classroom, everyone fell silent. Their gazes were locked onto the three of them.

With more than forty pairs of eyes staring at them, the three of them walked to the back row of the classroom and sat down.

Fang Xiaonuan said enthusiastically, "Don't bother with us. Just say what you said. If you don't mind, you can speak louder. We'll listen in."

All the students in the class were speechless too.

Fang Xiaonuan's words made Ji Wen and Liu Siyu speechless. They did not know what to say.

"Xiaonuan, what are you..." Liu Siyu asked softly.

Fang Xiaonuan said to her, "It's nothing. We're all classmates. Aren't they just trying to discuss who I'm dating? Let's continue the discussion!"

After saying that, she placed her expensive bag on the table. Then, she said to the entire class, "Look, the official price of my bag is 180,000 yuan. Here's something to talk about. It's meaningless to keep trying to tarnish someone's reputation. You can discuss my 180,000 yuan bag."

"Oh right, my bracelet is worth 30 million yuan. Maybe now you can gain a deeper understanding of who I am and why I'm so rich."

The classroom fell silent. Everyone's eyes were fixed on Fang Xiaonuan's bag and bracelet.

They would never have thought that the bag she usually brought to class was worth 180,000 yuan, and that the bracelet she wore on her wrist every day was worth 30 million yuan.

Fang Xiaonuan's lips curled into a mocking smile as she looked around. She realized that the hatred in Lin Qian's eyes was the most obvious.

She smiled as she looked at Lin Qian. Lin Qian glared at her fiercely and suddenly said, "You're so rich. Don't tell me... Are you dating a few men?"

Fang Xiaonuan thought for a moment and mumbled softly, "You're right, I really the money of several men."

Liu Siyu and Ji Wen were so shocked that they did not know what to do.

Fang Xiaonuan counted on her fingers and said, "I spent money from my grandfather, my father, my brother, and my husband." Then, she turned to look at Ji Wen and added, "Oh right, I also spent my nephew's money."

Finally, she concluded, "I spent a total of five men's money!"

Chapter 144: Understanding

Everyone in the classroom looked at Fang Xiaonuan in shock. She really dared to say that!

Liu Siyu was the first to react, she hurriedly said loudly, "Xiaonuan, if you say so, I've spent quite a few men's money as well. My grandfather's, my father's, my brother's, and Ji Wen's. Does this mean that I'm also dating four men?" Her words seemed to be directed at Fang Xiaonuan, but it was actually directed at everyone in the class.

There was an uproar in the classroom.

Of course, a girl would spend her father's money!

Ji Wen also said, "I spent my grandmother's money, my mother's money, my aunt's money, and Liu Siyu's money. Am I dating four women?"

The classroom instantly fell silent.

Lin Qian gave the person beside her a look, and immediately, a girl stood up and pointed at Fang Xiaonuan. She said, "Those aren't the 'sugar daddies' we're talking about. You're just deceiving Xiaowen. This rotten b*tch! Having someone like you in the capital is the greatest humiliation!"

Fang Xiaonuan did not get angry when she heard that. Instead, she smiled and said indifferently, "Continue."

The girl glanced at Lin Qian. Why had Fang Xiaonuan not reacted?

"Why are you looking at Lin Qian? Did she only teach you a few lines? She should've taught you a few more lines," Fang Xiaonuan said slowly. "Why don't you follow me? I'll teach you how to personally insult people. I can also teach you how to use public opinion to spread rumors about a person. Lin Qian didn't teach you any of this, did she?"

"Fang Xiaonuan, what do you mean?" Lin Qian slammed the table and stood up, pointing at Fang Xiaonuan.

Liu Siyu and Ji Wen immediately understood that Lin Qian was behind all of this!

Liu Siyu scolded excitedly, "Don't you know what she means? You've been a mistress, a hostess, and involved in so many scandals that can't be swept under the rug anymore. So, now you want to drag Xiaonuan down with you? Isn't this exactly something you would do?"

"But why do you have to force your own experiences on Xiaonuan? Even if she's not the school belle, she still has me. When will it be your turn?"

"But you're pretty good too. I want to bow and thank you. Thanks to you, my friend, Xiaonuan, is famous outside of school."

"Although her reputation isn't good now, when the old man in the photo personally comes to explain everything, the rumors about Xiaonuan will be destroyed."

"However, there's one thing I have to criticize you for. Why did you have to post it in the middle of the night? You didn't even dare to use your own account. You deliberately made a new account to make those posts."

"We need our sleep. When we woke up, we had to launch an investigation right away. It was really tiring!"

Fang Xiaonuan gestured to Liu Siyu to keep quiet. She said seriously, "Siyu, as classmates, we should imagine ourselves in her shoes. Working at a nightclub is very tiring. Nighttime is the only time she's free to post. We can't blame her for the inconvenience we experienced. We should understand what working the night shift is like!"

Fang Xiaonuan's words were full of sarcasm, and Lin Qian's anger immediately rose.

"That's right. What you said makes sense," Liu Siyu agreed. She looked at Lin Qian, who was about to lose her temper, and asked considerately, "Lin Qian, you really worked too hard last night. You drank, kept the guests company, and at the same time, you had to post to entertain everyone. I shouldn't have said that to you. I apologize. I hope you can continue to work hard next time and post more explosive news. I thank you in advance on behalf of the entire school."

"Ah! You guys are courting death!" Lin Qian strode forward and was about to hit Liu Siyu.

Fang Xiaonuan was quick-witted. She went over and grabbed Lin Qian's arm. She raised her leg and kicked her lower abdomen. Then, she twisted her hand and pushed her against the table. Her other hand followed the momentum and hit her in the head. She moved smoothly and did not make any unnecessary movements. The students in the classroom were shocked once again.

Fang Xiaonuan actually knew how to fight!

The teacher walked into the classroom and stopped the farce.

Lin Qian would never benefit from messing with Fang Xiaonuan.

Liu Siyu sat on Ji Wen's left and Fang Xiaonuan sat on his right. He quickly clapped for the two of them. "Wow, I feel kind of useless sitting next to you two!"

The two of them had been fighting so fiercely just now that he could not jump in to help at all.

That was especially true since Fang Xiaonuan knew how to fight. He did not even need to fight and could watch from the sidelines. He looked at Fang Xiaonuan in admiration and even changed the way he addressed her. "Auntie, if the teacher had not come, would you have broken her arm?"

Chapter 145: Older Master Ji Arrived

Fang Xiaonuan's soft and cuddly appearance revealed a hint of ruthlessness. "Yes!"

Half an hour later, an old man arrived at the school field.

The butler had accompanied Old Master Ji to the school field. This time, he even deliberately brought along a cane for the theatrics. His legs were agile and he did not need a cane at all. However, this was very good at showing off his status, so he brought it along.

The butler wore a tuxedo and walked behind Old Master Ji. "It's probably because the young mistress wants to take you out to eat again, Master."

"Haha, if that's really the case, my daughter-in-law is too good!" Old Master Ji was extremely happy when he heard this. Actually, he did think so too.

"Our family is still very blessed. We thought that after letting a little girl marry into our family, we would not be able to live a peaceful life."

"But now, ever since Xiaonuan moved in, our life has become more and more comfortable." Old Master Ji had long forgotten the unhappiness he felt when she first moved in.

He was especially happy when he thought about how Xiaonuan had brought him to eat delicious food the past few times. He added, "I didn't even try foods like ice cream and

spicy snacks before. By the way, butler, have you ever eaten pop-tarts? After putting that in my mouth, the sweetness was a wonderful burst of flavor. It was very interesting. I had not heard of it before.”

“I’m glad Xiaonuan joined our family. Otherwise, I would never have gotten to try these foods. How many delicious and interesting delicacies would I have missed?”

“There’s also the shellfish by the roadside. They smelled delicious. After eating them, my mouth felt numb. They’re especially delicious!”

“Xiaonuan said that next time, she’ll bring me to the night market. She showed me the video of the night market. It’s really lively!”

“This child is really filial. She’s much more filial than my second son!”

Old Master Ji had been praising Fang Xiaonuan all this time. Even the butler could hear the pride and satisfaction in his words.

“The young madam is indeed different from the daughters of ordinary families. She’s always mischievous and has a lot of tricks up her sleeve.”

“That’s right. She is the daughter-in-law of the Ji family!” Old Master Ji said proudly. “Since, Lingchen married Xiaonuan, this little girl not only won over Feng Qi, but she also made me rethink a lot of things. She even changed Lingchen’s personality!”

“Have you seen Lingchen smile at anyone before? Look at him now. Whenever he sees Xiaonuan, he smiles so happily!”

The more Old Master Ji spoke, the more he felt that Xiaonuan was really great. However, he suddenly thought of something and said, “That’s strange. What food is Xiaonuan planning to let me try today?”

After a while, the school bell rang. Class was over.

Fang Xiaonuan and Ji Wen left the classroom and walked to the field.

“Xiaonuan, Xiaowen, Old Master Ji is still waiting for you at the field. You guys go over first. I’m going to change my clothes. I’ll be there soon!” Liu Siyu said to the two of them.

The two of them arrived at the field. The old man standing in the middle of the field was impossible to miss.

“Isn’t that my grandfather?” Ji Wen asked, pointing to the center of the field. “The butler is here too.”

Fang Xiaonuan saw them too. She hurriedly shouted, “Dad!”

Old Master Ji heard her voice and looked over. He immediately saw his daughter-in-law and that stingy grandson beside her.

“Xiaonuan, I’m here to pick you up!” Old Master Ji started complaining that the cane was affecting his walking speed. He immediately lifted the cane and walked quickly towards Fang Xiaonuan.

In his hand, the cane was like a sword in the hands of an ancient chivalrous hero. The difference was that the chivalrous hero’s sword was usually hung at his waist, while Old Master Ji was holding it.

Fang Xiaonuan had made her way there, and there were countless pairs of eyes staring at her. She called out “Dad” loudly, and more eyes turned to her.

Old Master Ji met up with Fang Xiaonuan happily.

Ji Wen saw Old Master Ji and called out softly with a smile, “Grandfather.”

“Son of a b*tch!” Old Master Ji took the walking stick and slapped Ji Wen’s butt. “Why are you greeting me so softly? Are you ashamed of your grandfather?”

Ji Wen shook his head, rubbed his butt, and explained, “No, Grandpa. Ugh, you should help auntie clarify things first!”

Old Master Ji asked in puzzlement, “Clarify what?”

Before the two of them could answer, the people on the field began to discuss enthusiastically.

“Quick, look! Isn’t that the old man who was with Fang Xiaonuan yesterday?”

“Yes, that’s him. But she just called him dad. How could her dad be so old?”

“And why did that old man hit my Prince Charming? Isn’t he Fang Xiaonuan’s dad? What does it have to do with him?”

Chapter 146: There Are Many Types of Fathers

“Could it be that Fang Xiaonuan’s father is the man in the tuxedo behind the old man? And that old man is Fang Xiaonuan’s father’s boss? Could it be that her father gave Fang Xiaonuan to the boss?”

“Yes, that’s very possible. When she shouted just now, both of them turned around.”

But someone else posed another question. “But that old man just now already admitted to being Fang Xiaonuan’s father, and he even walked towards her.”

“What do you know? There are many types of fathers. Isn’t the father of a rich man a father? Besides, maybe it’s her godfather!”

“But he’s already so old. Does he still have the energy?”

“Isn’t that something they should worry about? Why are you worrying about it for her?”

...

The surrounding students had different opinions, but each of their comments ignited Fang Xiaonuan’s anger.

Old Master Ji also heard the comments and roughly figured out what had happened. He had gone out for dinner with his daughter-in-law yesterday, but someone had slandered the two of them. People thought they were having an affair! His daughter-in-law must have been mistreated. He was already here at the school. Not only did these people not realize what was true, but they even distorted the truth. Sure enough, you can never convince someone who wants to slander you, because they only believed what they thought!

Fang Xiaonuan immediately walked in front of the person who insulted her father-in-law. Without saying anything, she raised her hand and slapped him. “I’ll teach you a lesson today!”

“They’re fighting. Fang Xiaonuan is getting anxious because someone hit the nail on the head! All we did was tell the truth. Fang Xiaonuan is indeed a b*tch. She doesn’t want to hear the truth. Everyone, quickly go and help. We can’t let her bully her classmates!” Lin Qian took the opportunity to shout this. Meanwhile, the people who were watching the commotion surrounded her.

Ji Wen turned his head and glared at Lin Qian, his eyes bursting with anger. “F*ck you. I think you’ve lived long enough!” He took the walking stick from his grandfather and strode forward to give Lin Qian a smack on the head.

Ji Wen was really angry. He was a man after all, and his strength was much greater than a girl’s. He used all his strength to hit Lin Qian. In that instant, Lin Qian’s vision went black. She felt dizzy and like she was about to faint.

Ji Wen threw away his walking stick. He could not care less about his reputation and so-called pride. He knew that he was taught not to hit women. He punched Lin Qian’s face again.

Lin Qian fell to the ground. She said in disbelief, "Ji Wen, my sister is Lin Rou! You actually dare to hit me? Aren't you afraid of your uncle... Ah!" Before she could finish, Ji Wen stepped on her face.

Ji Wen was completely furious. He had never been this angry since he was young.

The surrounding girls dared to gang up on Fang Xiaonuan because she was a girl.

But no one dared to gang up on Ji Wen. Not only because he was a boy, but also because he was the campus Prince Charming!

The boys did not dare to go forward. Ji Wen was too ruthless. He used almost all of his strength to step on Lin Qian's face. Her nose was probably broken, and there was blood all over her face. It was very frightening!

1

Some of the teachers who passed by saw it and wanted to stop it, but Old Master Ji got in their way!

He wanted to see that little girl with a foul mouth get beaten up by his grandson!

The butler was not idle either. He went straight to the girls to protect Fang Xiaonuan. "Young madam, protect yourself well."

"Butler, get out of the way. If I, Fang Xiaonuan, don't tear their filthy mouths apart today, I don't deserve my name!" Fang Xiaonuan pushed away the butler who was protecting her and reached out to grab the hair of a girl who was charging toward her. With her other hand, she grabbed her neck and flung her out forcefully.

Among the dozen or so girls who were watching, none of them was a match for Fang Xiaonuan.

Fang Xiaonuan was already crazy with anger. She had long lost control of her temper. When she saw their faces, all the vicious words they had just said ran through her mind. They were so unbearable, yet they had said them so easily! She was a person who bore grudges! She was gripping several locks of hair from the girl who had said the worst. She casually flung her to the ground by the hair, and her porcelain doll-like face had a fierce expression on it.

The surrounding girls screamed in fear, not daring to go forward. Fang Xiaonuan was too terrifying!

But to Fang Xiaonuan, this was far from enough!

At this moment, Liu Siyu changed into her sportswear and went to the field. From afar, she could see the chaos on the field. She immediately rushed into the crowd and ran to Fang Xiaonuan's side. When she saw her hand, she said worriedly, "Xiaonuan, there's blood on your hand!"

"It's not my blood." After Fang Xiaonuan said that, her gaze locked on the girl lying on the ground. She slowly walked toward her.

Chapter 147: Entering the Police Station

"Help! No!" The girl saw Fang Xiaonuan approaching her again and begged for mercy. "I'm sorry, I know I was wrong. I shouldn't have said anything, I..."

However, Fang Xiaonuan did not intend to let her off just like that!

The surrounding boys did not dare to stop her when they saw this. They thought to themselves, is this still that soft, cute, and petite school beauty? This was too terrifying!

The commotion on the field quickly alerted the school leaders.

"The students are fighting in a group. There's no way to pull them apart. Call the police, quickly call the police!"

Following that, five school leaders appeared on the field one after another, followed closely by the principal.

However, when the principal saw the old man standing in the middle of the field, he did not bother to reprimand the students. He hurriedly bent down in panic and said, "Good, good, Old Master Ji."

Old Master Ji was furious. In front of all the teachers and students on the field, he strode forward and raised his hand to give the principal a slap.

Everyone was stunned. Fang Xiaonuan's "father" actually hit the principal in front of everyone? It was too unbelievable!

"Have you seen the posts about Fang Xiaonuan on your school's forum?" Old Master Ji asked.

The principal quickly apologized, "I'm sorry, Old Master Ji. I didn't handle this properly. Please punish me!"

“My daughter-in-law is obediently studying at school. She only took me out for a meal, and people are saying that I’m her sugar daddy! Punish? Firing you would be too lenient!” Old Master Ji’s voice rang out.

Everyone also caught the keywords in the old man’s words. Fang Xiaonuan, daughter-in-law, Old Master Ji, fire the principal.

The principal repeatedly apologized, “I’m sorry, we... We were just about to report this to CEO Ji. We didn’t expect things to develop to this stage.”

“Old Master Ji, please calm down. We will definitely give young madam an explanation for this matter!”

The surrounding school leaders also rushed over to show their concern for Fang Xiaonuan, afraid that something would happen to her. If something happened to her, their jobs would be affected.

However, when they saw the person Fang Xiaonuan had beaten up, the school leaders stopped in their tracks and called out in fear, “Young madam.”

Old Master Ji also saw the blood on Fang Xiaonuan’s hands and the scratches on her arms. He exclaimed, “If anything happens to my daughter-in-law... All of you school leaders, get lost!”

After saying that, he quickly went forward to check on Fang Xiaonuan’s hands. “So much blood. Does it hurt?”

“Dad, this is someone else’s blood, not mine,” Fang Xiaonuan said.

Old Master Ji was silent for a moment. Then, he said “Your hands must be hurting from using so much strength then!”

Everyone was shocked. The person who had been beat up was probably hurting even more, right?

Just as Old Master Ji was about to bring his daughter-in-law to the hospital for a thorough check-up, the police arrived. The person leading the police was actually Liu Siyan.

“F*ck, it’s my brother!” Liu Siyu wanted to escape. If her older brother found out that she had participated in the fight, she would be finished!

Liu Siyan looked at the fleeing figure. He helplessly shook his head. It would be better to wait until he got home before dealing with this little girl.

...

Ji Lingchen was in the middle of a meeting at the Ji Corporation's office building. Suddenly, Assistant Liu rushed into the meeting room. "CEO, you need to go to the police station immediately!"

Ji Lingchen frowned. He was very dissatisfied with Assistant Liu's actions. With a dark expression, he asked, "What happened? Why are you being so rash?"

Assistant Liu said, "The madam..."

After Assistant Liu said these three words, Ji Lingchen immediately stood up and said, "The meeting is adjourned." He did not say anything else. He just hurriedly left the meeting room.

The higher-ups in the meeting room stared at each other. This was the first time they had seen the CEO like this. What had happened to the legendary madam?

Everyone discussed amongst themselves and asked Jiang Rui about it. Only Jiang Rui had interacted with the CEO's wife.

Jiang Rui said, "The CEO's wife is very young. She looks like a little girl."

Who would have thought that the CEO's wife, who looked like a little girl, would actually beat someone up? Several people were taken away in ambulances.

Ji Wen was arrested, and so was Fang Xiaonuan. Old Master Ji was worried about the two of them, so he followed them to the police station.

The person leading the team was Liu Siyan. This person was very daring. Even when he threatened him, the officer still resolutely took his daughter-in-law and grandson away. Fortunately, this captain knew his grandson and daughter-in-law.

After arriving at the police station, Fang Xiaonuan and Ji Wen were temporarily detained. Some other students who participated in the fight were also arrested.

In order to prevent the crowd from fighting again, they were separated. Ji Wen and Fang Xiaonuan were detained together, and the others were detained together.

"Why did Lin Qian look like that? Did you do it?" Fang Xiaonuan asked.

Ji Wen said, "Of course. I still have something to tell you. Lin Qian must have undergone plastic surgery. Her nose is fake, and there's something under her chin."

Fang Xiaonuan asked in surprise, "D*mn, is that true?"

"Of course it's true. Let me tell you, I was aiming for her face earlier. That face of hers was deformed!" Ji Wen replied.

Fang Xiaonuan gave Ji Wen a thumbs up. "Xiaowen, just this once. From now on, I'll protect you at home!"

Ji Wen smugly flipped his hair.

Although Old Master Ji was not locked up, he moved a stool to the door so he could accompany them.

"Xiaonuan, you weren't gentle at all. You're a little too hot-tempered!" Old Master Ji said. He was still in the mood to joke with his daughter-in-law.

Ji Wen pointed at Fang Xiaonuan's face and said aggrievedly, "Grandfather, I've already told you. Don't be fooled by her appearance. She's usually very fierce!"

Fang Xiaonuan kicked Ji Wen's butt and then tried to salvage her image. "Dad, I'm usually very gentle at home. When have you ever seen me lose my temper? I'm so gentle and obedient!"

"If they hadn't provoked me, I wouldn't have lost my temper. Besides, who doesn't have a temper, right?" As she spoke, she felt a little guilty.

Old Master Ji nodded, but on second thought, he said, "That's not right. No matter how angry we are, we shouldn't be so ruthless!"

She had pulled off several locks of hair from the girl she was fighting and even rubbed her face against the ground.

Fang Xiaonuan quickly pretended to be obedient and said, "Ugh, Dad, tell me then. What they said was horrible. Shouldn't we beat them up?"

When Old Master Ji thought of what those people said, he could not help but get angry. He excitedly raised his walking stick and said, "We should beat them up!"

They were locked up right next to each other. The students in the cell next door heard their conversation and were all puzzled. They had clearly seen Fang Xiaonuan call the old man "Dad", but why did Ji Wen call the old man "Grandpa"? Wasn't Fang Xiaonuan Ji Wen's girlfriend? What was their relationship?

But the next man who arrived on the scene shocked everyone!

Ji Lingchen had arrived. He had personally come to the police station to get his wife! Of course, he was also getting his nephew since he was here too.

On the way here, he found out what had happened.

“CEO Ji, this is how Madam ended up at the police station.” Assistant Liu spent the journey explaining what happened.

Ji Lingchen’s expression remained the same. He asked, “Is she injured?”

Assistant Liu replied, “I don’t think so. The others are injured.”

Ji Lingchen asked, “Who orchestrated all this?”

Assistant Liu replied, “Lin Qian.”

Ji Lingchen’s expression darkened. “The Lin family again?” Then, he continued, “Immediately purchase Jing University and place it under Fang Xiaonuan’s name. Announce this to the public.” After saying that, Ji Lingchen got out of the car.

Assistant Liu understood what the CEO meant. He had already begun to protect his wife!

Ji Lingchen arrived at the police station.

“Son, you’re here.” Old Master Ji greeted his son happily.

When the imprisoned students saw who had arrived, they were so shocked that their jaws hit the floor. It was Ji Lingchen, the king of the business world, and a subject of conversation during their classes. And that old man was Ji Lingchen’s father!

But this was not the most shocking thing!

Old Master Ji pointed at Fang Xiaonuan who was locked in the cell and said, “What kind of husband are you? Your wife was bullied at school. It took you long enough to get here!”

Shocked! Everyone was shocked!

Someone in the crowd suddenly whispered, “Fang Xiaonuan is actually married, and her husband is...”

All gazes were fixed on the king of the business world.

Ji Lingchen stood in front of the cell and looked at his wife who was curled up like an injured little animal. “Did you get into a fight?”

Hearing Ji Lingchen's voice, Fang Xiaonuan instantly became upset. Her nose started burning and tears streamed down her face. She pouted and nodded.

Ji Lingchen asked again, "Did you win?"

Fang Xiaonuan felt even more upset. She cried out loud, wiping her tears while nodding. It was as if she had been wronged. It was as if she was the one who had been bullied, not anyone else.

Ji Wen was stunned. He had not expected Fang Xiaonuan to cry so suddenly. He quickly comforted her, "Aunt, don't cry. My uncle is here, isn't he?"

Ji Lingchen did not have any intention of coaxing her. He said, "Why are you crying after winning?"

Fang Xiaonuan cried and acted coquettishly. "I'm afraid that you'll get mad at me." In the end, she still caused trouble for her husband. She was afraid that he would get angry and hate her. When she thought that her hubby might hate her, she felt an indescribable pain in her heart. That's why she started crying uncontrollably.

Chapter 149: Protecting the Weak

Ji Lingchen's heart ached when he saw his wife weeping like that. He wished he could hug her and comfort her. How could he be angry? He smiled and waved at his wife. "Come here."

Fang Xiaonuan shrank back and shook her head. "I'm scared."

Old Master Ji said, "Xiaonuan, where did your courage go? Why are you so scared when you see Lingchen?"

Ji Lingchen's gaze locked onto the bruise on his wife's arm. His eyes darkened, and his mood instantly sank. He looked like a dangerous predator now, and his eyes were bloodthirsty.

Fang Xiaonuan was very observant. She immediately noticed that her husband's expression had changed, but she thought that he was angry at her. She could not hold it in anymore and cried out loud.

Ji Wen frowned. "What's wrong with you? Why are you crying again?"

“Hubby, I made a mistake.” She sobbed. Fang Xiaonuan admitted her mistake and continued crying.

The police officer could not stand it anymore. He opened the cell door and let Fang Xiaonuan out.

But Fang Xiaonuan did not dare to come out. She was afraid of being scolded by her husband.

Ji Wen asked, “Are you going out or not? If you’re not going out, I’m going out.”

The police officer pushed Ji Wen back and said, “You haven’t been bailed out. You can’t come out.”

Ji Wen was speechless. He pointed at Ji Lingchen and said, “He’s my biological uncle!”

The police officer looked at Ji Lingchen and then at the documents he was holding. “But CEO Ji is here to bail out his wife. He didn’t bail his nephew out.”

Ji Wen’s heart broke. It broke into pieces.

Lingchen’s heart also hurt upon hearing his wife’s painful cries. He simply walked into the prison and stood in front of his wife. He reached out to wipe the tears on his wife’s face and said extremely gently, “Be good. Don’t cry anymore, okay?”

Fang Xiaonuan pouted and barely stopped crying.

Only then did Ji Lingchen gently take her arm. He carefully looked at the wounds on it, and his eyes were filled with heartache.

Fang Xiaonuan sobbed. “Hubby, do you hate me?”

Ji Lingchen replied, “Hating you would not make my heart hurt this much.”

Hearing this, Fang Xiaonuan could not hold it in any longer. She opened her arms and threw herself into her husband’s arms, starting to cry again.

A moment later, Feng Qi and Mayor Ji arrived.

Seeing the two of them, the police officer quickly saluted and greeted them. “Mayor Ji, Madam Ji, why are you here?”

Mayor Ji pointed at Ji Wen. “To bail him out.”

Ji Wen said with a slightly aggrieved tone, “Dad, Mom, you’re finally here. Quickly bail me out!”

The students next door were so shocked that they could not close their mouths. What was their relationship?

Feng Qi saw that her sister-in-law was also here and that she was crying. She was so worried that she forgot about her son. She walked straight to Fang Xiaonuan and asked, "Xiaonuan, what happened to you? Don't scare me. Why are you crying like this? Are you hurt? Tell me!"

Fang Xiaonuan had a childish temper. She hugged Ji Lingchen and refused to let go. Sobbing, she said, "Sister-in-law, I'm... I'm fine."

Feng Qi did not believe her. How could she be fine when she was crying like this? She asked anxiously, "Tell me the truth. Don't make me worry. What's wrong?"

Ji Wen walked over and pulled his mother's arm. "Mom, your son is still here. Your son, me!"

Feng Qi did not even look at Ji Wen. She pushed him away and looked at Fang Xiaonuan worriedly.

It was Ji Lingchen who explained, "Sister-in-law, Xiaonuan is fine. She just saw and started crying. She's acting coquettishly."

Feng Qi was speechless.

Then, Fang Xiaonuan, who had stopped crying, nodded in agreement. "Yes, sister-in-law, I'm fine. I won a fight."

Mayor Ji finished the bail procedures and came out with his son.

The six members of the Ji family left the police station together.

The students who were still locked in the cell did not speak for a long time. Now, they understood that they had gotten it all wrong!

The news that they learned today was enough to shock the entire capital!

Firstly, Fang Xiaonuan did not have a sugar daddy. The old man was her father-in-law!

Second, the school belle was already married. Her husband was the king of the business world in Jing City, Ji Lingchen!

Third, the Prince Charming was not only the son of an official, but also the heir of a rich family!

Fourth, the Prince Charming and the school belle were not together every day because they were in a relationship, but because they were family. They were aunt and nephew!

After thinking through these points, everyone was dumbfounded! Everyone recalled the content that was posted on the forum. How ridiculous and absurd!

Chapter 150: Being Used

“We’re being used...” someone said after thinking it through. “Lin Qian had a feud with Fang Xiaonuan when she was competing for the school belle title. At that time, she deliberately slandered Fang Xiaonuan.”

“However, her dark history was exposed and her reputation suffered.”

“And Fang Xiaonuan got rid of the rumors and became the school belle.”

“This time, she first spread rumors about the relationship between Fang Xiaonuan and Ji Wen in various groups. Then she used our love for Ji Wen to attack Fang Xiaonuan.”

“Lin Qian’s dark history was naturally buried, and she suddenly looked like a good person who revealed the true colors of the school belle. Now that I think about it...”

“Today, she was also the one who shouted those words on the field and got us riled up so we would attack Fang Xiaonuan. Fortunately, Fang Xiaonuan was skilled and we did not have the chance to attack her. Otherwise, if she really got hurt, the Ji family wouldn’t let us go.”

...

The truth was, even if no one died today, Ji Lingchen would still not let the person who bullied Xiaonuan off easily.

Old Master Ji was still praising Fang Xiaonuan’s fighting skills, but Ji Lingchen’s heart was full of pain.

On the way back, he grabbed his wife’s arm and examined it for a long time.

When they reached home, he first brought his wife back to the bedroom, locked the door, and said, “Take off your clothes.”

“No...” Fang Xiaonuan tugged at her own clothes, as if she was guarding against her husband.

“Be good, let me see if there are any other wounds on your body.” As Ji Lingchen spoke, he started taking off her clothes.

Fang Xiaonuan shook her head. “You’re lying, you’re just trying to be a hoodlum!”

Ji Lingchen was about to use force, but suddenly, his phone rang. He was so annoyed by his wife that he was flustered. He picked up the phone unhappily. “Hello, speak!”

Fang Xiaonuan tried to eavesdrop on the conversation.

Ji Lingchen pushed her away gently and said, “Be good, take off your clothes.”

Fang Xiaonuan pouted and said, “No, I won’t!”

On the other end of the phone, Assistant Liu was panicking. Why did he have to take off his clothes in the middle of purchasing a school? And wasn’t he good?

1

He asked anxiously, “CEO... CEO Ji, do I need to take off my clothes now?”

“I’m not asking you to take off your clothes. Continue,” Ji Lingchen said.

Assistant Liu heaved a sigh of relief. So, the CEO was talking to his little wife. It scared him to death!

He continued, “CEO Ji, the acquisition of Jing University has concluded. The culprit is currently receiving treatment at the plastic surgery hospital. The two students who were injured by the madam have already left the emergency room. All the information about Madam on the forum has been deleted. Those who participated in the fight have all been arrested. The counselors are on their way to bail them out.”

Ji Lingchen grunted and did not say anything else.

Assistant Liu asked again, “CEO, what instructions do you have next?”

Ji Lingchen pushed his little wife who was approaching him and said, “Xiaonuan, if you don’t listen to me, I’ll smack you!”

“Hmph, you won’t hit me! I’m your wife. You have to treat me well!” Fang Xiaonuan hugged Ji Lingchen’s waist and spoke coquettishly.

Assistant Liu thought to himself, 'It seems like the CEO can't do anything to this little madam!'

Ji Lingchen was getting anxious from his little wife's ruckus. He said, "All those who participated in the fight will be expelled. Those who posted rumors will not only be expelled, but they will also be sent to the police station. Those who posted comments and insulted the madam, including the ten people who liked the post, will all receive a lawyer's letter. Those who did not do anything will also be expelled. Pack up and scam!"

1

Assistant Liu said, "Yes!"

Fang Xiaonuan looked at the man who was standing up for her. It felt bittersweet. She confessed, "Hubby, I really like you!"

Ji Lingchen was elated by this confession. His mood instantly improved. He lowered his head to look at his cute little wife. The image of her being surrounded and bullied by a group of people flashed through his mind.

Today, he left the office and spent the entire afternoon at home with his wife.

Fang Xiaonuan said that she would not take off her clothes no matter what. She said that her husband was trying to be a hoodlum, but she was actually worried that her husband would see the scars on her back.

"Hubby, you're really a hoodlum today. I was just taking a shower. Why did you just rush in?" Fang Xiaonuan ran over to question her husband angrily.

Ji Lingchen's Adam's apple bobbed. "If I didn't go in, would you have told me that your back was injured?"

Fang Xiaonuan pursed her lips and said, "I didn't want to make you worry."

Ji Lingchen patted the bed. "Come here and lie down."

Fang Xiaonuan obediently walked over and lay down on the bed.

Ji Lingchen lifted up his wife's nightdress.

"Hubby, I'm going to put on some underwear first." Fang Xiaonuan said, suddenly stopping him.

Ji Lingchen said, "I've seen your entire body. It won't take long."

With that, he lifted up his wife's nightdress, and pulled the quilt over to cover her butt.
