

## Love So Sweet 106

106 [Bonus chapter]Why Would She be Scared of Him?

The moment the girls got into their room, Fang Su Jin slammed her body on the mattress. A satisfaction sigh escaped her as the mattress bounced.

In the past few days, she was busying herself with some paintings and did not have much time to rest. Now that she was lying on this comfortable mattress, Fang Su Jin did not want to move.

“Su Jin, look at this. The scenery is pretty,” Zhang Li Xue shouted from the balcony. She turned and waved her hand, motioning Fang Su Jin to come over and join her.

Fang Su Jin flipped her body and lay on her stomach. Instead of going over to her friend’s side, the girl was watching the blue sky from her position with a lazy expression.

“Li Xue, I’m too lazy to move,” Fang Su Jin said.

Zhang Li Xue laughed. “What’s wrong with you? Don’t tell me that you were watching some drama last night?”

“That’s not it. I got some inspiration and started to work on my drawing,” Fang Su Jin said.

But, that was not the only reason she was exhausted.

In the vehicle, Fang Su Jin caught Zhang Yi Hai glancing at her a few times. The scenes scared her so much that she was unable to relax.

.....

It really made her wonder if Zhang Yi Hai had some grudge against her.

Now that they were alone in the room, Fang Su Jin finally could lower her guard and relax.

“You worked too hard,” Zhang Li Xue said. “Are you planning to have another exhibition? I heard that the last one is a successful one. Some people bought your paintings as well, right?”

“Mmm... I’m still a newbie. It won’t be so soon before another exhibition. I guess it will depend on my agents too.”

Although her parents would be able to help with such things, Fang Su Jin decided not to rely on them that much. This way, she could also paint leisurely.

Anyway, her family was also rich. She would not have to work that hard to support herself.

Zhang Li Xue continued to stand on the balcony to adore the beach scenery.

The white sand and the blue water seemed to be calling her over.

It has been a while since she visited a beach. She wanted to go over and play around in the water as well.

Going on this trip is definitely a good idea. At least, she was able to forget all about her unhappiness.

The smile on her lips stiffened. Zhang Li Xue was silently scolding herself for remembering an unpleasant memory.

“Su Jin, I’m going to the bathroom for a while,” Zhang Li Xue said. “In a while, my cousins will come over to send our luggage. Remember to open the door for them.”

Fang Su Jin waved her hand lazily. “Un. I know. Go ahead.”

The atmosphere turned quiet the moment Zhang Li Xue closed the door.

Fang Su Jin stared out the glass door from her position, watching the blue sky and the clouds moving slowly. The scene was so relaxing that she felt a little sleepy.

Just in time, someone pressed the bell.

Fang Su Jin took a deep breath before walking over to the door. She stretched out her body a little and let out a big yawn, causing her eyes to grow misty.

Without bothering to look through the peeping hole, Fang Su Jin unlocked the door and come face to face with Zhang Yi Hai.

Instantly, she was regretting this move. Fang Su Jin knew that she should have checked before she opened the door. However, Zhang Li Xue had said that the triplets might come over to deliver their luggage. Because of those words she had momentarily forgotten that this young brother came over as well.

Fang Su Jin wanted to slam the door and hide. However, Zhang Yi Hai had entered the room with his long legs while their luggage. She could only step aside to let him in.

“Where’s my sister?” Zhang Yi Hai asked as he put down the luggage.

“In the bathroom.”

Zhang Yi Hai nodded. He was about to leave when he noticed Fang Su Jin’s reddened eyes. Moreover, her eyes looked a little misty. Instantly, he recalled that this girl had broken up with her boyfriend a week ago.

Earlier, Zhang Yi Hai had thought that Fang Su Jin had gotten over her breakup.

It seemed that the girl knew how to act strong in front of others and cry secretly when nobody was watching. He did not know that this girl could be this silly.

Suddenly, Zhang Yi Hai found that he did not know what he should do in this situation.

Should he comfort her or pretend that he did not see anything?

Fortunately, Fang Su Jin was unaware of Zhang Yi Hai’s thoughts. Otherwise, she might as well cough out some blood. Her eyes reddened because she was feeling sleepy. The mist in her eyes came after she let out a big yawn. She was not crying over a nonexistent breakup.

Fang Su Jin felt that something was wrong with the way Zhang Yi Hai was looking at her. Zhang Yi Hai was quite tall. Because of his height, the man was towering over her by a head.

This height difference was making her feel a bit uncomfortable.

Fang Su Jin shifted her gaze and spoke, "Are you waiting for your sister?"

Her question snapped him out of his thought.

"Mmm... It's alright. Sister Fang, tell my sister that we will be waiting for her in the lobby," Zhang Yi Hai said. "We'll go to the restaurant together."

"Oh." Fang Su Jin glanced at the door, hoping that the man would get the hint and leave the room as soon as possible. It was only when he was not around that she would feel more at ease.

Zhang Yi Hai pursed his lips. He gave another glance at Fang Su Jin before he walked out.

The moment he left, Fang Su Jin let out a breath of relief.

She leaned her body on the door and frowned as a thought came to her mind.

This was not right.

Zhang Yi Hai was a few years younger than her. Why would she be scared of him?
