

Love So Sweet 107

107 Truly His Sister's Fan!

The group of six went out to have their lunch. Because they were at the beach, the group decided to eat at a seafood restaurant not far away from the hotel.

The locals had praised this restaurant for its quality of ingredients and price.

Zhang Li Xue looked at the various types of food on the table and snapped a few pictures to post on her social media.

Then, the group began to eat happily and chatted. Although her favorite chicken wings were not on the table, Zhang Li Xue could still eat a lot.

After they ate the group decided to return to their room for a quick break before coming out to play again when the sun was no longer as hot.

Zhang Li Xue took an hour's nap before she woke up. She looked out the glass door with a bright smile on her face.

After pestering Fang Su Jin to change her clothes, the two of them came down and walked around the hotel area.

Zhang Li Xue could not help but to snap a few pictures of the surroundings. With Fang Su Jin by her side, the two friends would alternately take pictures of each other.

"The swimming pool area looked nice. Su Jin, let's take a few pictures over there as well." Without waiting for her friend, Zhang Li Xue had already run around to check out the pool area.

.....

Fang Su Jin could only heave a sigh as she followed this hyperactive friend.

The two friends were admiring the big swimming pool which was facing the sea. Swimming in this pool would definitely be great with such scenery.

Zhang Li Xue was shooting a few pictures for Fang Su Jin when she noticed her brother walking over with a frown on his face. She waved her hand, urging him to come over quickly.

"Yi Hai, help me and Su Jin to take a few pictures," Zhang Li Xue said as he handed over her phone to her brother. "Remember to take it from a nice angle."

Zhang Yi Hai was about to complain that his sister did not wait for them and come over together. However, when he saw the smile on his sister's face, Zhang Yi Hai decided not to say anything about it.

He raised the phone and counted with a monotone voice before clicking the button at the center a few times. Zhang Yi Hai checked the photo he took before handing it over to his sister. "Alright, see if it's alright."

Zhang Li Xue pulled her friend over to look at the photos. Seeing that the two of them looked pretty, Zhang Li Xue smiled in satisfaction.

“Where are the triplets?” Zhang Li Xue asked as she slid her phone back into her pocket.

“We were looking all over for you,” Zhang Yi Hai said. “Hold on. I’ll let Da Bao know that I’ve found you, girls.” He took out his phone and called the eldest of the triplets.

“Just tell them to head over to the beach,” Zhang Li Xue said. “We’ll meet them over there.”

Zhang Yi Hai relayed his sister’s words and watched as the girls walked over to the beach, holding hands.

He couldn’t help but let out a helpless sigh.

At least, his sister’s mood had turned better. He has been worried when he noticed that his sister has been in a bad mood for the past few days.

Now that she was running around with a smile on her face, Zhang Yi Hai finally felt a bit better.

Zhang Yi Hai trailed after the girls until they arrived at the beach.

As soon as they saw the blue water, the girls started to soak their feet in the water. The triplets arrived at the scene just in time and dragged Zhang Yi Hai to swim in the water.

Meanwhile, Zhang Li Xue and Fang Su Jin continued to play at the side.

Noticing that there was a small stall selling coconut juice, Zhang Li Xue volunteered to go and buy a few for everyone.

Fang Su Jin sat at the side while looking after everyone else’s belonging. Looking at the scenery in front of her, Fang Su Jin decided to take out her sketchbook and do a quick sketch.

Her head lowered as she was focusing on her drawing.

Not long after, her movement halted when she noticed a shadow looming over her. Fang Su Jin raised her head and met Zhang Yi Hai’s inquiring gaze.

“Where is my sister?”

The corner of her lips twitched. It seemed that each time Zhang Yi Hai would talk to her, his first question would be about his sister. This boy is truly his sister’s fan!

“She went over to buy some juice.” Fang Su Jin pointed in the direction where Zhang Li Xue was.

Zhang Yi Hai saw that his sister was not far away and finally took a seat beside the girl.

His sudden movement startled Fang Su Jin. She had thought that Zhang Yi Hai would head over to his sister like he usually did. Why would he sit down beside her? The feeling was too scary, alright?

Fang Su Jin caught Zhang Yi Hai looking at her and quickly evade her eyes.

However, her gaze fell on his muscled chest. The drop of water slid smoothly on his skin.

Fang Su Jin quickly look away before she would get a nosebleed. This scenery was just too much for someone like her. Still... she could not help but to glance at him a few more times.

It was the first time that she had looked at those muscles from a close distance. Fang Su Jin did not expect that Zhang Yi Hai's body would look good.

A few seconds later, Fang Su Jin began to scold herself. This person was her best friend's little brother! She should not be having any improper thoughts!

"I bought some coconut juice!"

Zhang Li Xue's voice made her sigh in relief. Fang Su Jin raised her head and looked at her friend as if she was her savior.

"I only bought two. Let's share. Yi Hai, you can share with the others." Zhang Li Xue stretched her arms and handed the coconut to her brother. Then, she held the other tightly in her arms. "This one is for me and Su Jin."

Zhang Yi Hai clicked his tongue. "Sister, you should have bought more. Just one wouldn't be enough for me and the triplets."

"Then you can go buy yourself," Zhang Li Xue said. "I only have two hands. I can't carry more."

Zhang Yi Hai stared at the coconut and took a sip from the straw. Then, she looked at his sister again and spoke, "Sister, the triplets suggested for us to have dinner at the hotel's restaurant. On weekends, the hotel would grill some food nearby the pool. I heard that their chicken wings were good as well."

The girl's eyes sparkled at the mention of her favorite food.
