

Love So Sweet 144

144 Spend Time with Young Girls

Seeing the panicked look on the assistant's face, Zhang Li Xue decided to follow them to look at what was going on.

They arrived at a corner of the office and her eyes caught the sight of a female sitting on the sofa.

Zhang Li Xue did not know what had happened. But the blood dripping down that woman's right leg seemed very scary.

Some of the bystanders were discussing what happened. It was said that the woman accidentally hit the side table and somehow, the sharp glass penetrated her thigh.

Zhang Li Xue stood at the side while watching this scene.

The woman seemed to be in too much pain. The blood was making her dizzy and she could only lean on Mu Zhen Yu's body for support.

Mu Zhen Yu stayed by that woman's side, looking at her injury. While he sat beside that woman, Mu Zhen Yu gave his staff a few instructions to manage the situation.

A while later, a staff ran over with a box of first aid kits.

After staying for a while to look at this situation, Zhang Li Xue finally turned around to leave.

.....

She had promised Bai Xi Xi that she was going to accompany the little girl to play after the event ended.

Zhang Li Xue walked over to her vehicle. Because her AUDI was still in the workshop, these days, Zhang Li Xue has been using her mother's car.

As she pressed the key to unlock the door, Zhang Li Xue could not help but wonder just what Mu Zhen Yu was trying to tell her before his assistant came over.

As she reached the vehicle, Zhang Li Xue heard someone call her name. She turned around and saw Mu Zhen Yu's assistant jog over in her direction.

She waited for the assistant to reach her side and waited for him to speak.

"Miss Zhang." The assistant paused to catch his breath. "President Mu wanted me to tell you that your car's repair should be done tomorrow evening. Should I let them send it to your residence?"

Zhang Li Xue considered the assistant's words for a while. "That's good too. You can let them send the car to my address. Thank you."

The assistant spoke a few polite words before he watched Zhang Li Xue drive away.

Zhang Li Xue entered the main road and wondered whether the matter that Mu Zhen Yu wanted to tell her was about her car.

She did not ponder over this matter for a long time.

Her phone rang and Zhang Li Xue quickly slid her finger on the screen to pick up the call.

“Sister, where are you?” Zhang Yi Hai’s voice reverberated through the hands-free device. “Are you still at the Mu Zhen Yu’s event?”

“No. I already left the place a while ago. What’s up?”

Zhang Yi Hai naturally would not tell his sister that he was worrying that his sister would stay with that man for a long time.

“Nothing. I was wondering if you wanted to head to Younger Aunt’s place and play basketball with the triplets,” Zhang Yi Hai said.

“I’ll pass. I’m going back to Uncle Qi Zheng’s place,” Zhang Li Xue said. “I already promised Qi Yue and Bai Xi Xi that I will accompany them.”

“Bai Xi Xi?”

“Uh-huh... It’s that young girl that Auntie Yun was looking after,” Zhang Li Xue said.

Hearing that his sister was going to spend time with the young girls, Zhang Yi Hai no longer worry that much.

“That’s right, Brother Zhen Yu wanted me to tell you something,” Zhang Li Xue spoke.

Zhang Yi Hai frowned. “What?”

“He said he missed you.”

The corner of his lips began to twitch. Zhang Yi Hai naturally did not believe his sister’s words. His relationship with Mu Zhen Yu was never that good. The two of them only pretended to be civil with each other in front of his sister.

They would never exchange a word if they happen to run into each other on the street.

“He really said that?”

Zhang Li Xue laughed. “No. He was wondering why you didn’t come along to his event. I thought that perhaps he missed you a little bit.”

The two siblings exchanged a few words before they ended the call.

After driving for a few minutes, Zhang Li Xue arrived at her Uncle Qi Zheng’s place. When she entered the house, Qi Yue and Bai Xi Xi were in the garden, practicing basketball like they said they would.

Zhang Li Xue stood at the side to watch them practice for a while.

Seeing that Bai Xi Xi was having some difficulties understanding the technique that Qi Yue had shown her, Zhang Li Xue decided to come out and show her how it was supposed to be done.

The moment Bai Xi Xi saw Zhang Li Xue again, her eyes lit up. “Pretty Sister, you’re back!”

Zhang Li Xue laughed when she saw the look on Bai Xi Xi’s face. “Xi Xi, are you that happy to see me?”

“Un. Un.” Bai Xi Xi nodded.

Zhang Li Xue took the basketball from Qi Yue and turned to Bai Xi Xi again. “Come on. Let me show you how it was done.”

The three of them began to practice a little bit on the basketball court.

After a while, Qi Yue’s mother, Yun Shu came out to tell them that she had prepared some snacks.

Zhang Li Xue led the kids into the house and watched as they washed their hands. She turned to her Auntie Yun and asked, “Auntie Yun, where are the boys?”

Yun Shu smiled. “The two went out to hang with their friends.”

Zhang Li Xue nodded.

So, that was why she had not seen the two brothers at home from the beginning.

Zhang Li Xue sat around the dining area and watched as both Bai Xi Xi and Qi Yue ate the sandwiches that Yun Shu had prepared.

As she was chatting with her Auntie Yun Shu, Zhang Li Xue happened to see the way Bai Xi Xi was staring at the sandwiches absentmindedly. “Xi Xi, what’s wrong? Is the food not to your liking?”

Bai Xi Xi shook her head. “That’s not it. Auntie Yun’s food is delicious.” She lowered her head shyly. “Just that... I was missing my brother a little bit.”

This was supposed to be the day for her brother to accompany her. However, he had to return to the hospital. Because of this, Bai Xi Xi has been thinking of her brother a lot.

The smile on her face faded slightly. Zhang Li Xue turned to her Auntie Yun Shu and saw her helpless look.

Zhang Li Xue watched Bai Xi Xi for a while and noted that the girl was trying hard to cheer herself up. After a while, she spoke again. “Then, why don’t we go over and visit your brother?”

“Really?” Bai Xi Xi’s eyes lit up.

Zhang Li Xue nodded. “But, there is also a possibility that your brother would be busy and would not have time to meet us. If that’s alright?”
