

Love So Sweet 191

191 The Doctor Already Have a Girlfriend

Zhang Li Xue was in a very good mood. Each time that she would recall how her relationship with Bai Qi had changed, the corner of her lips would subconsciously tilt up.

Her colleagues noticed this and thought that perhaps, Zhang Li Xue was very happy to be transferred to the Marketing and Sales Department.

Of course, Zhang Li Xue was unaware of what her colleagues would think as she was too busy wondering why does time seem to move very slowly.

Zhang Li Xue wanted to leave work quickly and head over to the hospital to look for Bai Qi.

Once it was time to clock off, Zhang Li Xue quickly tidied up her desk before running out of the building. She made a quick stop at a restaurant and bought a few dishes before heading to the hospital.

She still did not know much about Bai Qi's preferences. Therefore, she could only choose a few dishes that she had seen Bai Qi eat previously.

The moment Zhang Li Xue arrived at the hospital, the first thing she did was to look for her Uncle Qi Zheng's vehicle. Seeing that it was not parked at its usual place, Zhang Li Xue took the paper bag with takeaway food before heading to Bai Qi's department.

This time, it was still Nurse Tian who was around the nurse's station.

Nurse Tian smiled brightly when she saw Zhang Li Xue approaching. "Miss Zhang, it seemed that you have become a frequent visitor to the hospital." Her gaze fell on the paper bag in the girl's hand. "Are you here to look for Doctor Bai again?"

.....

The tip of her ears reddened slightly.

Previously, Nurse Tian would ask if she came to look for her uncle. But now, she was able to guess that she came to look for Bai Qi.

"Un." Zhang Li Xue nodded. "Is Doctor Bai around?"

"Doctor Bai went to see a patient's family," Nurse Tian said. "However, you can go and wait for him at his office." She walked around the station and spoke, "Come on, I'll walk you to his office."

Zhang Li Xue did not get the chance to say anything. Before she knew it, she was already standing in front of Bai Qi's office. The elder nurse pushed the door and let Zhang Li Xue enter.

"Doctor Bai should be done in a while. Miss Zhang, you should have a seat first."

"Thank you, Nurse Tian."

"You're welcome," Nurse Tian smiled. She stared at the young girl's face for a while. She recalled the way Bai Qi had returned to the department in a good mood after meeting Zhang Li Xue yesterday and smiled.

At her age, Nurse Tian had seen a lot of things. It wasn't hard for her to guess that something had happened between the two youngsters last evening.

After all, Nurse Tian had never seen Doctor Bai smiling that much.

Nurse Tian went back to her station, leaving the girl alone.

Zhang Li Xue took the chance to look around the place again. Although it was very faint, Zhang Li Xue could smell Bai Qi's perfume in the room.

Suddenly, her cheek turned a little warmer.

Around ten minutes later, Bai Qi returned to his office.

He pushed the door and saw his little fairy looking back at him. Their gazes met and suddenly, they both had a silly smile on their faces.

"Are you done with your work?" Zhang Li Xue spoke.

"Uh-huh." Bai Qi nodded. "I can go for a break."

Zhang Li Xue raised the paper bag in her hand. "I brought us our dinner."

"Do you want to head over to the rooftop again?" Bai Qi thought that the rooftop was quite good. At least, he could have some alone time with Zhang Li Xue. Last evening, their talk was cut short because the hospital was calling him. It seemed that they both had a lot to talk about.

"Alright." Zhang Li Xue nodded happily.

The two of them took the elevator to the top floor.

Just like yesterday, Zhang Li Xue noticed that a few young nurses were checking up on Bai Qi.

Zhang Li Xue glanced at the tall man beside her before lowering her head unhappily. Her gaze fell on Bai Qi's hand at the side. After thinking about it for a while, Zhang Li Xue inched closer to Bai Qi and reached for his hand.

Her heart was beating faster as she was sneakily taking advantage to hold his hand. However, the nurses' gaze made her uncomfortable. She wanted to let them know that the good-looking doctor already have a girlfriend.

One of the nurses saw her move and instantly pause. After a while, the nurses started to whisper among each other again. This time, they were looking at both Bai Qi and Zhang Li Xue. Very soon, the rumor that Doctor Bai was holding hands with a young woman spread around the hospital.

Bai Qi was slightly surprised when he felt her warm palm against his. He glanced at Zhang Li Xue and chuckled when he saw her lowering her gaze.

The girl was sneakily holding his hand while hiding.

Bai Qi thought that she was especially adorable this way.

He adjusted his hand and intertwined their fingers together. He held her hand tightly as if he was not going to let her go.

Zhang Li Xue looked up at him in surprise. Their gazes met again and her cheek reddened when she saw the teasing smile on his face.

After a while, they finally reached the top floor. They both walked out of the elevator and headed to the rooftop while continuing to hold hands.

“Bai Qi.”

Bai Qi was placing the paper bag of their takeaway meals on the table when he heard her voice. He turned to his little fairy and smiled. “What is it?”

Zhang Li Xue raised their intertwining hands. “Your hands are very big.”

“You don’t like it?”

Zhang Li Xue held his hand tighter while inspecting their hands “No. I like it very much. I just thought that they would be very helpful while holding the basketball.”

Bai Qi chuckled. With his free hand, Bai Qi pinched at her nose lightly. “Zhang Li Xue, other than basketball, is there anything else in your mind?”

“Of course, there is.” Zhang Li Xue looked at him with a serious look on her face. “These days, I would always think about you.”

The look in his eyes turned gentler and his heart was brimming with happiness.
