

## Love So Sweet 231

### 231 Unexpected Guests

A week later, the Zhang family received unexpected guests.

However, Zhang Li Xue looked at the couple who was sitting in the living room chatting with her parents without looking surprised at all.

Mo Qing Huan raised her head when she heard a movement. She turned and saw her friend walking in their direction. "Li Xue."

The two of them met and hugged each other tightly.

Mo Qing Huan pulled away again and gave her friend a lookover. "Li Xue, you don't seem surprised to see me here."

Zhang Li Xue laughed. "I already know that you will be coming today. A little birdie told me this news last week." A mischievous glint appeared in her eyes.

Of course, she was not going to tell her friend that it was Bai Qi who had given her this news.

Mo Qing Huan was planning to surprise her, however, Zhang Li Xue had a bigger surprise.

It was rare for the couple to visit them in Y City. Li Qin Yao let the auntie prepare a few more dishes and let the couple have a meal together.

.....

If it's not because the couple had already booked a room at the hotel, Li Qin Yao would insist the couple stay at their house. Anyway, staying at their family hotel was almost the same.

As the dishes were served, the group began to eat and chatted.

This time, the couple was visiting Y City because He Rong had an important matter to deal with.

Later, their conversation shifted to Mo Qing Huan and He Rong's newlywed life. Although they both have been together for a while, they still wanted to be in a two-person world for a little longer. Therefore, they have not thought about having a child yet.

After the meal, He Rong let his wife follow Zhang Li Xue.

Mo Qing Huan followed Zhang Li Xue into her room where the two of them catch up on a lot of things.

As they were gossiping about their roommates, Zhuang Li and Mao Xin Yi, Mo Qing Huan noticed that her friend has been looking at her phone every few seconds.

This was such a strange thing for Zhang Li Xue. In her memory, Zhang Li Xue was not someone who would often look at her phone. Seeing this, Mo Qing Huan could not hide her curiosity.

"Li Xue, who are you texting?" Mo Qing Huan asked. A playful smile curled on her face. "Don't tell me that you are seeing someone now?"

Zhang Li Xue smiled sheepishly.

Seeing the look on her friend's face, Mo Qing Huan's expression began to change. "It can't be..." She looked at her friend in disbelief. "Really?"

"Alright. Don't speak too loud," Zhang Li Xue placed a finger on her lips. "Don't tell anyone about this, alright?"

Mo Qing Huan only wanted to tease her friend a little bit. Who knew that she had hit a jackpot?

In the past, Mo Qing Huan had watched a few boys in their university trying to hit on Zhang Li Xue. However, the girl was too crazy about basketball and joining the tournament.

Mo Qing Huan had thought that there would be no one who would attract Zhang Li Xue's attention.

Even the captain of the basketball team of their university could not attract Zhang Li Xue's attention. That man was too weak and was defeated by her friend a few times.

"Hey, which person had tricked you to fall in love? Does your dad know about this?"

"He doesn't know about it yet," Zhang Li Xue said. "However, my mom already knows. Huan Huan, don't mention this in front of my dad yet. After all, I only started seeing this man recently."

Mo Qing Huan continued to look at her friend's expression as if judging whether she was telling her the truth or not.

Looking at Zhang Li Xue's face, it doesn't seem as if she was making things up.

Mo Qing Huan could not hide her surprise upon finding out that Zhang Li Xue was seeing someone.

"Since you're here, how about I introduce you to him?" Zhang Li Xue suggested. "Huan Huan, you have some time to meet him?"

Mo Qing Huan's eyes lit up. "Really?" She composed herself and spoke, "Alright, let me take a look at this man and see if he's really suitable for you. If he turned out to be a bad person, then, I'll have to ask He Rong to beat him. Otherwise, I could report this to your dad and let him beat him."

Zhang Li Xue laughed. The thought of letting her father and Bai Qi meet made her sweat.

The two friends chatted for a long time. Obviously, Mo Qing Huan took her time to tease her friend. She tried to find out more about this man. However, Zhang Li Xue did not want to say a word.

Mo Qing Huan could only wait until they would be introduced later.

After spending a few hours with the Zhangs, the couple excused themselves.

He Rong had already made an appointment to see his friend and Li Qin Yao could not make them stay for a long time. The couple had to promise to come and visit her again before they went back to L City.

Once they left, Li Qin Yao noticed that her daughter with her purse and her car keys in hand, ready to head out. "Li Xue, you're going out?"

"Un." Zhang Li Xue nodded. "I probably won't be home for dinner."

Li Qin Yao raised a brow. "Going out with Bai Qi?"

Zhang Li Xue smiled shyly. Fortunately, her father went back to his study to look at some documents after the couple had left.

“Huan Huan and He Rong still did not know that you and Bai Qi are together, right?” Li Qin Yao could still remember that she had met Bai Qi at Mo Qing Huan and He Rong’s wedding.

He Rong should be very familiar with Bai Qi.

Zhang Li Xue laughed. “Un. Bai Qi said he’s meeting He Rong for dinner after this. We are planning to give them a surprise.”

Li Qin Yao stretched her hand to pinch her daughter’s nose. “You naughty girl. Go. Go. Just don’t come back too late, alright? Otherwise, your father might ask some questions.”
