

## Love So Sweet 238

### 238 Leave the School

Zhang Li Xue's face turned uglier when she heard Bai Xi Xi's answer.

She could not imagine just what Bai Xi Xi would feel when her friends said those words to her. Bai Xi Xi was still a little child. She must have been very sad.

Zhang Li Xue could not help but hug the little girl a little more tightly. If only Yan Ning was not a child around Bai Xi Xi's age, she would really want to find him and fight.

This was the first time that Zhang Li Xue had visited the kindergarten for something like this. Although she did not know how to handle this matter, Zhang Li Xue was aware that she should not find trouble.

If she did anything recklessly, it was Bai Qi and Bai Xi Xi who will have to face the consequences.

Moreover, Bai Xi Xi only had a few months left to stay in this kindergarten. Then, she will start school.

Zhang Li Xue swept her gaze around the room and finally found the boy who was involved in this fight.

His cheek was a little red from Bai Xi Xi's slap. At this time, the little boy was holding his game console in his hand. However, his eyes were watching Bai Xi Xi intently.

Noticing that Zhang Li Xue was looking at her, the boy quickly looked away and lowered his head, pretending that he did not care about what was going on.

.....

"What are you doing?" Mrs. Yan shifted her body to block her son from Zhang Li Xue's gaze.

Zhang Li Xue snapped her eyes and met the woman's gaze. "What do you want?"

Mrs. Yan lifted her head. "I want you to apologize to my son."

"You want Bai Xi Xi to apologize for hitting him, but did your son apologize to her for saying those hurtful words?"

"What did my son do? He only spoke the truth. The child is someone without a parent."

Mr. Yan nodded. "My wife is right. My son only spoke a few words. But is that the reason for her to hit my son?"

Zhang Li Xue shot a murderous glance at Mrs. Yan, causing that woman to flinch.

"Headmaster." Mrs. Yan walked over to the elder man's side. "I think someone as violent as this child should not be allowed to stay at the kindergarten. Who knows if she will start hitting another kid?"

The corner of Zhang Li Xue's lips turned to a sneer.

It was their son who had started this fight first. However, they now wanted Bai Xi Xi to leave the school. How was this fair to Bai Xi Xi?

Her fist was really itching to punch someone. It seemed as if it has been a while since she did that.

“Miss Zhang, you should do what Mrs. Yan had told you to do,” the headmaster spoke.

“Headmaster, do you also agree for Bai Xi Xi to leave the school?”

The headmaster pulled a face. His eyes were looking at Zhang Li Xue in displeasure.

Earlier, he had already read Bai Xi Xi’s file. The girl only had her brother. They were nobody. Even if they wanted to make a big issue over this matter, they won’t succeed. The headmaster thought that he could not afford to offend the Yan family as compared to a pair of orphan siblings.

“Bai Xi Xi had made a mistake. In this kindergarten, we don’t approve of violence. Miss Zhang, letting her leave the kindergarten is very fair to her.”

“Fair?” Zhang Li Xue took a step forward. However, she was quick to realize that someone had tugged at her sleeve to stop her from acting recklessly.

At this time, Fang Su Jin was glad that she decided to tag along.

With Zhang Li Xue’s temper, who knew what will happen?

Although this girl might seem like a sweet, innocent girl, there was also a time when she would turn into a local tyrant.

Once, one of the triplets fought in school and it was Zhang Li Xue who showed up to protect the boy. The image of Zhang Li Xue wearing a pink, fluffy skirt as she kicked that boy was still fresh in her mind.

Zhang Li Xue was someone who would protect her own people.

The headmaster coughed. “It’s better if Bai Xi Xi leaves voluntarily. Otherwise, I have no other choice but to kick her out. Then, going to school next year would be problematic for her.”

“Pretty Sister...” Bai Xi Xi held Zhang Li Xue’s cloth tightly. She heard the headmaster’s words and was worried that she will have to leave.

She still wanted to continue going to school. She wanted to study hard so that she would be able to help her brother in the future.

But if she had to leave kindergarten, how will she continue her study?

Bai Xi Xi glanced at Yan Ning who was seated comfortably on the sofa.

If her apology would make the headmaster let her continue to stay at this school, then, she would apologize.

However, thinking of Yan Ning’s smug smile when his parents were scolding her made her unhappy. Bai Xi Xi was not willing to apologize. Yan Ning deserved to be hit.

Zhang Li Xue shot an assuring smile at Bai Xi Xi. Then, she took a deep breath and looked at the headmaster angrily. “This isn’t fair. Headmaster, if you continue to bully us like this, then, don’t regret it if we complain about you to the higher-up.”

The headmaster hesitated for a brief second. However, as Mrs. Yan shot him a look, the headmaster began to stand straight again. “Then, you just do that. I’m not afraid.”

Of course, both the headmaster and the Yan couple did not think of Bai Xi Xi that much. Even if they wanted to complain, with Mr. Yan's status in society, the higher-up would not dare to do anything.

"Bai Xi Xi, let's go. If this kindergarten did not want to accept you as a student, I'm sure that there will be another that will accept you," Zhang Li Xue spoke. "You're a smart girl. I'm sure that there are other kindergartens that want you."

The headmaster sneered.

Their kindergarten was considered as one of the best with someone in Bai Xi Xi's family income. The headmaster did not believe that the other kindergarten will accept her. Moreover, with his connection, he could still make it difficult for them.

Zhang Li Xue turned around while carrying Bai Xi Xi in her arms.

Staying longer in this place would make her heart boil.

Seeing that Zhang Li Xue had left, Fang Su Jin quickly followed her closely.
