

Love So Sweet 239

239 Regret

Zhang Li Xue regretted her impulsive decision very much.

Once she stepped out of the kindergarten, she realized what she had done and it was too late to turn around.

Now, Bai Xi Xi did not have a kindergarten to attend.

Her decision would definitely make things difficult for Bai Qi. It was difficult for him to find a place for Bai Xi Xi. But now, he will have to find another place for Bai Xi Xi to study.

However, she could not control her temper.

Her heart would ache whenever she recalled the way Bai Xi Xi had cried. Looking at the headmaster and the Yan couple's arrogant faces made her angry. They were bullying a little girl!

Zhang Li Xue could not allow that to happen.

She would rather not apologize to someone as arrogant as them. They did not seem as if they were remorseful of what had happened. They still thought that they were in the right.

It was all because Bai Xi Xi was an orphan.

.....

But now that she rethink of what she had done, Zhang Li Xue began to wonder if she had made a mistake.

What if Bai Qi was not happy that she had interfered? What if he wanted to break up with her over this matter?

She was not willing...

Zhang Li Xue raised her head and looked at the little girl who was sitting beside her.

Bai Xi Xi's face was still red with tear stains on her cheek.

The two of them stared at each other silently for a long time. In the end, it was Zhang Li Xue who broke the silence.

"Xi Xi, are you angry with me?" Zhang Li Xue spoke. "Because of me, you won't be able to come to this school again."

Bai Xi Xi thought of the question for a while. "Pretty Sister, I know that you are only defending me. Therefore, I won't blame you. I know that everything will be alright in the end."

She liked that her Pretty Sister had not blamed her for what she had done and had taken her side.

Her heart felt a bit heavier as she heard her words.

Bai Xi Xi knew that she was regretting what she had done. And now, this little girl was coaxing her.

Zhang Li Xue stretched her arms and pulled the little girl in her arms. "Xi Xi, you are too precious."

The sounds of footsteps approached.

Zhang Li Xue pulled away and saw that Fang Su Jin was carrying Bai Xi Xi's bag in her hand.

"I have talked to her classroom teacher. It seemed that the boy was the one who had started it. Moreover, this was not the first time that the boy had provoked someone."

Zhang Li Xue's anger returned immediately. But when she looked at Bai Xi Xi again, the anger gradually dissipated. "Su Jin..." Her voice sounded weak. "Do you think I made the wrong move?"

Fang Su Jin could only sigh as she looked at her friend's situation. "Well, at least, you did not beat anyone."

The corner of her lips twitched. "Su Jin, what should I do now?"

Fang Su Jin also did not know what she should do. After all, she too was inexperienced in such a matter. Who would have thought that this kind of trouble would happen at a kindergarten?

Wasn't this supposed to be a place for young children to study?

"I think, you should talk to your mother first," Fang Su Jin spoke. "I'm sure that she will know what you should do."

Zhang Li Xue considered her friend's words and agreed. It seemed that she will have to ask her mother's advice.

Noticing that Bai Xi Xi was staring at Fang Su Jin, Zhang Li Xue finally recalled that she had not introduced the two of them. "Xi Xi, this is my friend, Fang Su Jin. You can call her Sister Fang. Su Jin, this is Doctor Bai's little sister, Bai Xi Xi."

Fang Su Jin flashed a smile at the little girl. "Hello, Xi Xi!"

Bai Xi Xi looked at her shyly. "Hello."

"Xi Xi, can you stay with Sister Fang for a while?" Zhang Li Xue asked. "I need to make a phone call."

Bai Xi Xi glanced at Fang Su Jin before nodding. "Pretty Sister, go ahead. I will wait for you here." Since this sister was a friend of her Pretty Sister, Bai Xi Xi decided that she could trust her.

The corner of her lips turned to a smile. Zhang Li Xue patted the little girl on her hair and spoke, "Such an adorable girl."

Bai Xi Xi was very sensible.

For her to slap that boy, would mean that she could no longer hold her anger.

To think that someone would bully her just because she no longer has her parents...

In the past, Mo Qing Huan had perhaps experienced something similar. After all, her parents too had passed away when she was very little...

As Zhang Li Xue made a phone call to her mother, Fang Su Jin stayed by Bai Xi Xi's side to watch her.

“Xi Xi, why do you call her Pretty Sister?” Fang Su Jin asked as Zhang Li Xue was far enough.

The little girl batted her eyes. “It’s because Pretty Sister is pretty.”

Fang Su Jin laughed. “Then, how about me? Am I pretty?”

Bai Xi Xi was not expecting to be asked this question. She could not answer Fang Su Jin’s question immediately. “Sister Fang, you are also very pretty.”

A satisfied smile curled on her lips. “Xi Xi, you are also very pretty.” Fang Su Jin took out a tissue paper and wet it with some water. “Come. Let me help you to wipe your face.”

Fang Su Jin let out a sigh as she helped Bai Xi Xi to clean up. She had to agree that Zhang Li Xue was right. The little girl was too adorable.

After speaking with her mother for a while, Zhang Li Xue finally returned to Fang Su Jin’s side.

Seeing the look on her friend’s face, Fang Su Jin was able to guess that everything should have settled properly.

“What did your mother say?” Fang Su Jin asked.

“She said that she will help me with Xi Xi’s matter,” Zhang Li Xue said. Then, she heaved a long, heavy breath. “However, I still have to talk to Bai Qi first. I have to tell him what happened and see if he agrees. After all, Bai Xi Xi is his little sister.”
