

Love So Sweet 246

246 Internal Injury

Bai Xi Xi was indeed good in her study and will attend the new kindergarten starting next week. Although it was not as close as the previous one, at least, Bai Qi would be at peace, knowing that his little sister will not be mistreated.

Li Qin Yao accompanied them until the procedure was done. Then, the two of them went to have a meal together before she left.

Zhang Li Xue watched as her mother left with a smile on her face.

When she told her mother about Bai Qi's circumstances, her mother was a little worried. Fortunately, her mother liked Bai Xi Xi and found that the little girl was too adorable.

Her mother had seen her interaction with Bai Xi Xi and was more at ease that her relationship with Bai Qi's little sister seemed very good.

As it was not easy for Bai Qi to get a day off, the two of them planned to visit her Auntie Yu Ying. Anyway, this matter has been on their agenda for a while, but they both did not get the time to visit.

Zhang Li Xue called her aunt and was told to come over to her place for dinner.

Seeing that they have a few hours before the appointment, Bai Qi decided to bring his sister around to look at the apartment that he had chosen previously.

The little girl sat beside her brother obediently while listening to the pros and cons of each apartment.

.....

They visited Zhang Li Xue's place last and looked at the little girl again.

"Xi Xi, which one do you like best?" Bai Qi asked.

The little girl pondered over this question and spoke, "Brother Bai Qi, which one is the closest to the hospital?"

"It's the first apartment we saw."

Bai Qi exchanged a look with his girlfriend. Then, he turned to his sister again. "Xi Xi, you don't like this apartment?"

The moment they walked in, Bai Qi could see that his sister liked this place very much. Therefore, it was surprising that the little girl would choose the first one.

"I liked this apartment," Bai Xi Xi said. She looked out the window and thought that the scenery was quite beautiful as well. "But, Brother Bai Qi, I didn't want you to be too tired. It's better to stay somewhere near the hospital."

Bai Qi stared at his little sister in surprise. Then, a gentle smile appeared on his lips. His little sister was too considerate.

He stretched his hand and patted the little girl's head. "Xi Xi, you don't have to think too much about it. I'm also thinking of getting a car. Then, it would be convenient to travel back and forth.

"Really?"

"Un." Bai Qi nodded.

Bai Xi Xi lowered her gaze.

She only had her brother but her brother was often busy at the hospital. She would like to let her brother rest rather than spend his time traveling.

However, she could not deny that she liked this apartment and the facilities around it. Suddenly, Bai Xi Xi found herself in a dilemma.

Seeing the look on his sister's face made Bai Qi sigh. "Alright. You don't have to decide now. Let's think of it later."

Bai Xi Xi nodded. "Alright."

While Bai Xi Xi walked around the apartment, Bai Qi turned to his girlfriend and wrapped his arms around her waist. "Are you disappointed that Xi Xi did not choose your place?"

Zhang Li Xue laughed. "Of course, not. I already said that everything will depend on you." A playful glint flashed in her eyes. "I thought about it. If I can't rent this place, maybe I'll consider staying here after I get married."

Anyway, this was also what her Uncle Li Mu Bai had told her when he gave her the apartment.

Bai Qi's eyes turned darker when he heard her words. "Then, who are you planning to marry?"

Zhang Li Xue pretended to ponder over this matter.

Seeing that his girlfriend had not answered him quickly, Bai Qi could not help but playfully tickled her waist.

Zhang Li Xue yelped before she could escape him.

Bai Xi Xi who was in the other room was surprised and came out quickly. She looked at the couple and shot a look at her brother. "Brother Bai Qi, are you bullying my Pretty Sister?"

She did not know what happened, but the mischievous look on her brother's face convinced her that her brother was bullying someone.

Zhang Li Xue ran over to Bai Xi Xi's side and hid behind the little girl. "Xi Xi, your brother is bullying me." She put on a pitiful look on her face. Then, when Bai Xi Xi was not looking, Zhang Li Xue stuck out her tongue playfully at Bai Qi.

"Brother Bai Qi, don't bully Pretty Sister."

Bai Qi was amused to see his little sister protecting his girlfriend. "Xi Xi, you are my little sister. Shouldn't you be on my side?"

“But, I am on your side.”

Bai Qi thought that his little sister was confused.

“If I did not stop you, then, what will happen if my Pretty Sister run away?” Bai Xi Xi said. “Brother Bai Qi, it’s not easy for you to get a girlfriend.”

Bai Qi almost choked upon hearing his little sister’s words. The words sliced a spot on his heart, giving him an internal injury.

“I like Pretty Sister very much.” Bai Xi Xi held Zhang Li Xue’s hand tightly. Then, she looked at her brother with a serious look on her face. “Then, you have to treat my Pretty Sister nicely, you know?”

Zhang Li Xue looked at the little girl and pulled her into her embrace. “Xi Xi, you are so nice. I also like Xi Xi very much.”

She could tell that after Bai Xi Xi found out that she was dating her brother, Bai Xi Xi has been closer than ever to her.

Initially, Zhang Li Xue wanted to play around, but looking at the girl’s tiny body protecting her made her heart warm.

Bai Xi Xi’s face reddened. Then, she turned around to return the embrace. “Pretty Sister, my brother is very inexperienced. You have to forgive him.”

Bai Qi was watching the two girls warmly and suddenly felt as if he was going to vomit blood after hearing his little sister’s words.

He had never been in a relationship before, but Bai Qi would never think that his little sister to call him inexperienced!
