

## Love So Sweet 247

### 247 A Small Gathering

Before heading to Zhang Yu Ying's place, Bai Qi sent his sister to Auntie Ji's place and promised to pick up his sister again when he came back.

This time, Zhang Yu Ying mentioned that she had something to tell about what happened in S Country and Bai Qi did not want to let his sister know about it. Their father died tragically and Bai Qi did not want to make his sister stay.

When he returned to the vehicle, Bai Qi found that his girlfriend still had a smile on her face.

It was not difficult to see that this girl was still laughing at him after his sister took her side earlier.

Bai Qi looked at his girlfriend with a grim look in his eyes. "Are you still having fun?"

Zhang Li Xue blinked her eyes innocently. "I don't understand what you are talking about?" She turned around quickly and slid into the vehicle.

His lips pursed into a thin line. Bai Qi followed after his girlfriend and pulled her towards him.

Before the girl could say a word, a kiss had already fallen on her lips. His fingers entangled in her hair as he licked and sucked at her lips.

"You..." Zhang Li Xue had to steal her breath before she would get suffocated.

.....

The kiss was very intense. It was as if Bai Qi was punishing her for having too much fun after his sister backed her up.

Just as her body turned softer, Bai Qi's kisses turned gentler, as if he was coaxing her.

Earlier, Bai Xi Xi told her that her brother was inexperienced

But, Zhang Li Xue thought that Doctor Bai seemed to have a lot of experience. Otherwise, how could he kiss her until her mind turned to a goo?

As the kiss ended, Bai Qi hugged his girlfriend in his arms and kissed the top of her head.

A heavy sigh escaped him as he calmed down.

Bai Qi had wanted to get back when he saw the mischievous smile on Zhang Li Xue's face. But in the end, he found that his plan had backfired.

The person who had to suffer was him.

"We should head over to my aunt's place soon," Zhang Li Xue said as she calmed down. "Otherwise, we'll be late for dinner."

"Un." Bai Qi nodded, but he still did not move away.

It was a few minutes later that Bai Qi finally let her go. He started the engine and the two of them left for Zhang Yu Ying's place.

With Zhang Li Xue's instruction, the two of them finally arrived at the place.

"Is this the place?" Bai Qi looked at the huge house in front of him.

"Uh-huh. This is the place." Zhang Li Xue looked out the window and frowned. "But, why are there a lot of cars here?"

Moreover, the house seemed very bright and lively. It seemed as if her aunt was hosting a small gathering.

Zhang Li Xue found the answer to her question just as Bai Qi drove closer.

The corner of her lips began to twitch as she noticed the cars and their plate number.

Her aunt had definitely invited a few people she knew, but they were the people that she was not ready to meet at this time.

Subconsciously, Zhang Li Xue glanced at Bai Qi with worry. "Should we just come over another day?"

Bai Qi was quick to figure out that something was wrong with his girlfriend's tone. "What's wrong?"

Zhang Li Xue did not know how to explain that there would be a few more people they were going to meet in the house.

"Doctor Qi is here too?" Bai Qi spoke as he pulled over the car into a parking spot. He saw a familiar car and recognized that it was his mentor's.

"It's not just my Uncle Qi Zheng," Zhang Li Xue muttered.

Someone came out of the house before Zhang Li Xue could tell her boyfriend to turn around and leave.

Zhang Li Xue saw that her Uncle Qi Zheng stood at the door and knew that it was too late for them to leave. She did not know if she should get angry at her aunt for setting her up like this.

"Should we go out?" Bai Qi asked.

Zhang Li Xue heaved a sigh. "Bai Qi, later, things might be a little difficult for you. It seemed that other than Uncle Qi Zheng, there would be a few people as well. They can be a little troublesome to get along with."

Bai Qi shot her an inquiring look. Seeing the worried look on his girlfriend's face, Bai Qi could only hold her hand tightly and flashed her a smile.

"It will be alright. Don't I still have you by my side?" Bai Qi gave her hand a gentle squeeze. "Let's go out first."

Zhang Li Xue did not have much choice but to alight the car with Bai Qi. As soon as they come out, Qi Zheng walked over to greet them.

“Li Xue, don’t be angry at your aunt,” Qi Zheng spoke as he approached them. “Your Uncle Ming Wei was around when your aunt discussed your dinner plan.” He let out a sigh and continued, “You know that it was hard for them to hide certain things from your Uncle Ming Wei. When he heard that you would be coming with Bai Qi, he asked the others to gather around as well.”

Hearing her uncle’s explanation, Zhang Li Xue knew that she could not get angry with her Aunt Yu Ying. Perhaps, her aunt found it difficult to deal with her Uncle Qi Ming Wei as well.

“Uncle Qi Zheng, did my father know about this?” Zhang Li Xue asked.

“Fortunately, he did not know that everyone is gathering here tonight,” Qi Zheng said. “You should be at ease. We will not tell him anything.” He glanced at Bai Qi and continued, “We all agreed that you should speak to your father yourself.”

Zhang Li Xue heaved a sigh.

Now that there are more and more people who know about her relationship with Bai Qi, Zhang Li Xue began to consider that perhaps she should tell her father earlier before he would learn the news from someone else.

But just the thought of speaking to her father made her anxious.

“Let’s go in first,” Qi Zheng spoke.

Taking a deep breath, Zhang Li Xue held Bai Qi’s hand and the couple headed into the house together.
