

## Love So Sweet 255

### 255 It's Not Me

Zhang Yi Hai was unable to react for a long time, even after the ceremony had ended. He could not stop thinking about what his friend had told him.

The thought that his sister was in a relationship made him feel as if it was fake.

But then, Zhang Yi Hai recalled how his sister has been acting a little strange in the morning.

The frown on his face deepened.

Of course, the person that Zhang Yi Hai had suspected of dating his sister was no other than Mu Zhen Yu. After all, this man was the only person who he could not get rid of for a long time.

For the past few months, he has been busy with various activities at his college. Zhang Yi Hai thought that Mu Zhen Yu could take advantage of his absence to date his sister.

Zhang Yi Hai recalled seeing Fang Su Jin at the event.

He was going to find her, wanting to verify his sister's dating news. However, when he found her again, Zhang Yi Hai saw that Fang Su Jin was still with that man from earlier.

The two of them left the building together.

.....

As a vehicle arrived, the man helped Fang Su Jin with the door before he walked around the car and slid into the driver's seat.

Looking at them together gave him a strange feeling.

It seemed that the two of them are together.

At the same time, Zhang Yi Hai thought that Fang Su Jin's expression did not show that she liked that man. The smile that she showed that man did not reach her eyes.

Zhang Yi Hai could not help but wonder about this man. However, no matter how long he looked at him, Zhang Yi Hai could not recognize him.

Then, another thought came to his mind.

Could it be that Qian Ji had made a mistake? Perhaps he had mistaken his sister and Fang Su Jin?

Fang Su Jin often hung around with his sister. Even though his sister had skipped a year, the two of them remained very close. He would often find them together while he was looking for his sister.

Zhang Yi Hai had thought that he would feel more comfortable after thinking of it that way. However, his heart was still uncomfortable.

He did not know what was going on with him.

Turning around, Zhang Yi Hai finally left the hotel and headed to the mall in the west part of the city to shop for some things. His sister asked him to play basketball in the evening and he recalled needing a new attire.

He tried to put the matter in the back of his mind.

Zhang Yi Hai decided that he could ask his sister about the rumor when he sees her in the evening later.

He paid for the items and was about to head back home when he ran into a familiar face.

It was then that he recalled that someone had once mentioned that Mu Zhen Yu's new office was located around the west part of the city.

Zhang Yi Hai stared at Mu Zhen Yu and was once again reminded of his sister's dating rumor.

Mu Zhen Yu gave him a quick nod before he turned around and left.

Zhang Yi Hai frowned. He hesitated, wondering if he should speak to him, and asked if this man was dating his sister.

However, before he could make any decision, Mu Zhen Yu had already turned around and looked at him.

"Zhang Yi Hai." Mu Zhen Yu had a serious look on his face. "Do you know that your sister is seeing someone?" Mu Zhen Yu saw the change in Zhang Yi Hai's face and thought that the boy was surprised to hear the news.

"My sister?" Zhang Yi Hai frowned.

From Mu Zhen Yu's words, it doesn't seem that his sister was dating this person.

Mu Zhen Yu narrowed his eyes. "It seemed that you did not know about it." He had thought that the Zhang family would definitely know that Zhang Li Xue was dating someone. Now that he thought of it... when he had asked, Zhang Li Xue said that her mother know about it. She did not mention the others.

Zhang Yi Hai snapped out of his trance. "The person that my sister is dating isn't you?"

Mu Zhen Yu chuckled. "It's not me. You're looking at the wrong person."

"Then, how do you know if my sister is dating someone?"

"Your sister personally told me this news," Mu Zhen Yu said. He looked away as he thought of the day he was rejected. "I came to see her confess. She told me that she was already seeing someone. Initially, I thought that it was her way to reject me. But, later, I saw her with her boyfriend together."

Zhang Yi Hai froze.

He would think that Qian Ji might have gotten the rumor fixed up. However, Zhang Yi Hai knew that Mu Zhen Yu would not recognize the wrong person. Mu Zhen Yu liked his sister for a long time. There's no way that he would lie.

"You know that person?" Zhang Yi Hai asked.

"Unfortunately, I don't."

Zhang Yi Hai pursed his lips into a thin line. Then, without saying a word, Zhang Yi Hai turned around to leave.

Mu Zhen Yu watched the boy's back with a complicated look in his eyes. He did not know what will happen when Zhang Yi Hai met his sister.

Whatever it is, Mu Zhen Yu knew that Zhang Yi Hai would definitely not make it easier for that man to date his sister.

In the past, he had watched how Zhang Yi Hai and the triplets get rid of the flies around Zhang Li Xue.

Now that Zhang Yi Hai knew about it, he would definitely get rid of that fly around Zhang Li Xue, right?

It was hard enough for him to be the only man who could stay around Zhang Li Xue. Mu Zhen Yu just wanted the man to suffer a little bit. If he was unworthy, he should stop seeing Zhang Li Xue soon.

A deep frown appeared on his face as many thoughts came to his mind.

After a while, Mu Zhen Yu heaved a long sigh and looked away.

Whatever it is, this matter should no longer have anything to do with him.
