

Love So Sweet 274

274 Chocolate-Flavored

Zhang Li Xue led Bai Xi Xi away.

Seeing that Bai Qi had not paid for his items yet, she then found a place for them to sit down and wait.

Bai Xi Xi licked at her ice cream and glanced at Zhang Li Xue. She thought about the man who seemed familiar with her sister and asked, "Pretty Sister, who was that man earlier? A friend?"

"Mhm..." Zhang Li Xue nodded. "That brother is a friend. His office is somewhere near here. I guess, there might be a chance for you to run into him later."

Bai Xi Xi lowered her gaze.

Thinking of running into that man again made her feel uncomfortable. That person might look friendly, but Bai Xi Xi did not like the man's inquiring gaze on her.

"Xi Xi, quickly eat your ice cream before it melts."

Hearing her words, Bai Xi Xi quickly ate her ice cream again before it melts.

Just as they were about to finish their ice cream, Bai Qi called Zhang Li Xue's number to tell her that he was waiting for her in front of the entrance.

.....

The two girls quickly finished their ice cream before they went to look for Bai Qi together.

When they arrived, Bai Qi stood in front of the entrance with the shopping cart by his side.

Zhang Li Xue quickly helped to carry some of the bags in his hand.

"Did you enjoy your ice cream? Was it delicious?" Bai Qi asked his sister.

"It's good." Bai Xi Xi nodded. She looked at the items in the cart and spoke, "Brother, let me help you to carry some stuff."

Bai Qi took a few lighter bags and handed them over to his sister. "Then, Xi Xi should help me to carry these."

Her sight was blocked the moment Bai Xi Xi held the bag. Because of that, she failed to see her brother leaning over to kiss her Pretty Sister's lips.

When she finally adjusted the bag in her hand, Bai Xi Xi only saw the shy look on her sister's face. Before she could ask about it, her brother had already turned to her again.

"Xi Xi, did you buy the ice cream from that shop?"

Bai Xi Xi followed her brother's line of gaze and nodded. "Un. It's that one."

"Their ice cream tasted delicious."

The little girl's eyes lit up. "Brother, you have tasted their ice cream before?"

“Mmm...” Bai Qi glanced at his girlfriend and flashed a playful smile at her. “I’ve tasted the ice cream before. It’s very sweet. The chocolate-flavored ones tasted the best.”

“The chocolate flavored?” Bai Xi Xi blinked. “It’s the same flavor that Pretty Sister got.”

“Really?” Bai Qi glanced at his girlfriend and smiled.

The moment their gazes met, Zhang Li Xue shot a dagger look at the man. She could still feel his tongue against her lips. It made her face turn redder.

Seeing that Bai Xi Xi had turned away, Zhang Li Xue quickly hit Bai Qi in his arms. “You... why did you... so suddenly?”

“I’m helping you to wipe the ice cream from your lips,” Bai Qi said.

Then, just now, the kiss was his way to help her wipe the ice cream stains on her lips.

Before the girl could hit him again, Bai Qi quickly held her hand tightly. “Come on. Let’s go back to the house.”

Zhang Li Xue followed the siblings back to the apartment and pursed her lips into a thin line. She was holding the shopping bags in one hand and Bai Qi’s hand in another. She glanced at Bai Xi Xi who was leading their way before leaning over to Bai Qi. “Doctor Bai, I think that you are getting shameless.”

The corner of his lips tilted up. “Then, you don’t like it?” There was a hint of playfulness in his voice.

Her heart skipped a beat.

Even though her boyfriend was a little shameless, Zhang Li Xue found that she really liked this person very much. In fact, her feelings for him continued to grow the more they spend their time together.

Zhang Li Xue gave his hand a gentle squeeze. “Well, I still like you very much.”

Bai Qi merely smiled upon hearing her words.

Once they arrived at the apartment, Bai Qi placed the shopping bags on the table and started to sort them out.

“Xi Xi, are you tired?” Bai Qi had noticed that his little sister has been rubbing her eyes for a while. He patted her on the head and spoke, “Go back to your room and sleep. I’ll wake you up when it’s time for dinner.”

Bai Xi Xi glanced at the shopping bags on the table. Even though she was feeling sleepy, she still wanted to help her brother.

“Don’t worry about these things,” Bai Qi said. “Your sister is here to help out.”

“Xi Xi, you should go and rest,” Zhang Li Xue said. “There are only a few things for us to do. I’ll help your brother to clean up. Later, we’ll have a hotpot to celebrate you moving in, alright?”

After listening to her sister’s persuasion, Bai Xi Xi finally agreed to return to her room to rest.

Zhang Li Xue helped Bai Qi to put away the things that they had bought earlier. Looking at the cup lined up on the counter made her sigh. They were really cute together.

Just then, Bai Qi stood behind her and wrapped his arms around her waist. His chin rested on her shoulder.

“Miss Landlord, you have worked hard.” He leaned over to peck at her cheek. “Thank you for your help.”

Zhang Li Xue laughed. She turned around in his embrace and wrapped her arms around his neck. “Then how do you plan to reward me?”

His lips curled into a roguish smile. Bai Qi leaned over and pecked at her lips a few times.

Zhang Li Xue raised a brow. “Do you think this is enough?”

“Is it not?” Bai Qi raised a brow.

“What do you think?”

“I think it’s better to give you a few more kisses.” He held her body tighter before leaning over to kiss her lips deeply.
