

Love So Sweet 278

278 [Bonus chapter] Bai Sibling's Visit

On his next break, Bai Qi finally arranged a date with Zhang Li Xue to visit her house.

Zhang Yu Han was satisfied when he heard that the young man will finally visit their house. He still did not like this brat for wanting to take his daughter away. However, the thought that he could vent his frustration made him feel more at ease.

These days, his friends seemed to be busy with their work. His usual target to play basketball, Wei Jun Hao, seemed to be busy with something and has been visiting S Country for a few weeks.

Zhang Yu Han had no one to accompany him to play basketball.

When he heard that Bai Qi was going to visit their house for dinner, Zhang Yu Han knew that this was the time for him to check on the young man's skill.

He might be able to vent his feeling a little with this game.

Li Qin Yao walked into the garden and found that her husband had a strange smile on his face. She walked over to his side and laughed. "Yu Han, what are you thinking about? What's with the smile on your face?"

Zhang Yu Han wrapped his arms around his wife's waist, dragging her closer.

Instantly, his wife's face was buried in his chest.

.....

A satisfied smile curled on his lips.

He really loved how he could hide his tiny wife in his embrace.

"What's wrong with me smiling?" Zhang Yu Han asked.

Li Qin Yao narrowed her eyes. "It seemed like you are up to no good."

Zhang Yu Han laughed. He leaned over to kiss his wife's forehead and spoke, "You're thinking too much."

Her brow raised. The two of them have been married for years. It was not as if she did not understand her husband.

"Bai Qi will be arriving with his sister in a while," Li Qin Yao spoke. "Hubby, you have to be good."

Zhang Yu Han heaved a sigh. "I know. Didn't I already promise to give that brat a chance?"

Li Qin Yao chuckled at the way her husband had called Bai Qi a brat. She wondered just how her husband would react if he knew that Bai Qi had bullied their daughter the first time they met.

Back then, Zhang Yu Han was so mad. That was the beginning when he had started to watch the boys around their daughter.

Knowing her husband, Li Qin Yao decided to keep this secret with her. Perhaps, when he truly accepted Bai Qi, then, she would tell him about it.

The sound of the doorbell echoed.

The couple pulled away and looked at each other.

“That should be Bai Qi and his sister,” Li Qin Yao said. She held her husband’s hand and led him to the house.

When they walked into the living area, their daughter was already welcoming the Bai siblings into the house.

This was the first time that Bai Xi Xi had visited her Pretty Sister’s house. She could not help but look around in amazement. She did not think that her sister’s house would be this big.

Noticing that a few people were walking into the room, Bai Xi Xi quickly stood up straight and held her brother’s hand tightly. However, her expression was more at ease when she saw her sister’s mother.

“Bai Qi, you’re here.” Li Qin Yao smiled as she walked over. Her gaze fell on Bai Xi Xi and her smile widened. “Xi Xi, you’re here as well.”

Bai Qi looked at the elders in front of him and smiled. “Auntie, Uncle.”

Zhang Yu Han merely replied to his greeting with a nod. His gaze finally fell on the little girl beside Bai Qi. The little girl was cute. However, she also resembled Bai Qi too much.

He looked at Bai Qi again and frowned. “This is... your daughter?”

The moment those words escaped his lips, his wife began to nudge him on the waist. Meanwhile, his daughter was laughing at the side.

Zhang Yu Han looked at his wife helplessly, wondering just what mistake he had made.

“Didn’t I tell you that Bai Qi is coming with his little sister?” Li Qin Yao whispered. She already mentioned this a few times. How can he still get confused?

Zhang Yu Han looked at the little girl in disbelief. Then, he looked at Bai Qi again and asked, “This is your little sister?”

Bai Qi coughed. “He held his sister’s shoulder and spoke, “My mother gave birth to her when I was twenty years old.”

Zhang Yu Han suddenly felt a little uncomfortable about this misunderstanding. Looking at the siblings’ faces, he already knew that there should be a story behind it.

After his daughter had introduced Bai Qi as her boyfriend, his wife has been trying to tell him a bit about Bai Qi’s background. However, he never listened to it properly.

Zhang Yu Han only knew that Bai Qi’s parents had passed away years ago.

“I’m sorry.” Zhang Yu Han flashed an awkward smile. “I did not expect your sister to be this young.”

“It’s alright.” Bai Qi glanced at his girlfriend who was suppressing her laughter at the side. “In the beginning, Li Xue also misunderstood that Xi Xi is my daughter.” A helpless smile curled on his lips. “A lot of people would think that way.”

Zhang Li Xue had an embarrassed smile on her face. She still remembered how she had thought that Bai Xi Xi was Bai Qi’s daughter the first time she saw her.

Bai Qi looked at his sister again and patted her shoulder “Xi Xi, quickly greet them.”

Bai Xi Xi looked at Zhang Yu Han cautiously. This was her Pretty Sister’s father, but Bai Xi Xi thought that this man had a fierce look on his face, especially when he was frowning earlier.

The little girl stepped forward and greeted, “Hello Auntie, Uncle. Thank you for your invitation.”

Li Qin Yao smiled happily when she look at Bai Xi Xi. The little girl was too adorable and well-mannered!

“Alright. Let’s go in and talk,” Li Qin Yao spoke. “Xi Xi, you can follow your Sister Li Xue to look around the house. Dinner will be ready in a while.”
