

## Love So Sweet 291

291 Zhang Li Xue was Mesmerized

After meeting her colleagues, Zhang Li Xue went around to help them to set up a few things before the banquet began.

Worried that her boyfriend was going to show up soon, Zhang Li Xue decided to stay around the entrance so she would be able to see Bai Qi when he come over.

A lot of guests continued to walk into the hall.

Some of them recognized Zhang Li Xue as Zhang Yu Han's daughter and had stopped by to greet her. Zhang Li Xue took the host's role and welcome everyone to the banquet.

The phone in her hand buzzed.

Zhang Li Xue tapped her fingers on the screen to check the message. Her lips curled into a smile when she saw her boyfriend's name.

According to Bai Qi, he had arrived in the parking space and was walking over to the hall.

Thinking that she was going to see her boyfriend after this put her in such a good mood. She had already introduced Bai Qi to her family. And today, it was going to be the first time for them to appear in front of the public together.

"Xiao Li Xue?"

.....

Zhang Li Xue raised her head when she heard the familiar voice call her name. "Brother Zhen Yu." Her lips turned into an amiable smile. "Thank you for coming over to the company's celebration. Are you here alone?"

"My parents and my brother will be coming over shortly," Mu Zhen Yu said. He took a step back and smiled. "You look pretty today."

"Thank you," Zhang Li Xue said. "You should go in first. The ceremony will be starting soon."

Mu Zhen Yu wanted to stay around and chat. However, seeing that Zhang Li Xue was busy welcoming the guests, he could only retreat for the moment.

Once he saw a face that he recognized, Mu Zhen Yu stayed to chat with his group of friends.

Zhang Li Xue stayed at the entrance to wait for her boyfriend.

"Li Xue."

Another person greeted her. Zhang Li Xue turned around and saw that her younger aunt walking over with her Uncle Wei Jun Hao.

"Why are you here?" Zhang Yu Ying asked. She looked at the door and frowned. "Why are you welcoming the guests at the door?"

This girl was the President's daughter and the heir to the Zhang Group's Hotel. She should be staying close to her father and meeting important people in the industry.

"Aunt..." Zhang Li Xue lowered her gaze. "I'm waiting for Bai Qi."

Her eyes lit up and Zhang Yu Ying's lips turned into a teasing smile. "So, that was why you have been standing here for a while."

Zhang Yu Ying saw the shy look on her niece's face. She could not help but to pinch the girl's cheek. "Is he coming over soon?"

"Mhm..." Zhang Li Xue nodded. "He should be here any minute now."

Zhang Yu Ying and Wei Jun Hao looked at the door as they were anticipating seeing the young man coming over as well.

"Bai Qi told me that the two of you are going to head to S Country next week," Wei Jun Hao spoke.

"Mmm... His leaves have been approved," Zhang Li Xue said. "Bai Qi wanted to deal with the matter as soon as he can."

"Your father let you go to S Country with Bai Qi?"

Wei Jun Hao was curious. He knew how much Zhang Yu Han loved his daughter. Although he was willing to give Bai Qi a chance, it did not mean that he would be willing to let his daughter spend a few days alone with the young man.

"Uncle, what are you saying? I'm already an adult. Why would my father stop me from going?" Zhang Li Xue batted her eyelashes. "Moreover, aren't you and my aunt coming over as well?"

The person who was investigating the matter in S Country was Wei Jun Hao's friend. Of course, he will have to come over to S Country

Wei Jun Hao chuckled. He did not doubt that Zhang Yu Han would let him and his wife babysit their niece while they were in S Country.

As the three of them continued to chat, Zhang Li Xue finally saw the man she was waiting for.

Seeing that her boyfriend was dressed handsomely in his suit turned Zhang Li Xue into a daze.

Her Doctor Bai in his white coat was handsome enough. Now that he was in his suit, Zhang Li Xue was mesmerized. Bai Qi was really good-looking in anything he wear.

Why is her Doctor Bai this handsome?

For the first time, Zhang Li Xue began to think that she really had good taste. Otherwise, how could she fall for Bai Qi?

Bai Qi walked into the ballroom and headed straight to his girlfriend.

Their gazes met and everything else around them seemed to have disappeared. At this time, they only have eyes for each other.

Bai Qi finally reached Zhang Li Xue's side. He flashed her a smile and spoke, "Hi."

"Hi." Her voice trembled. Her good-looking boyfriend was standing next to her and his look was making her flustered,

Bai Qi shifted his gaze to look at the elders beside his girlfriend. "Aunt Yu Ying, Uncle Wei, hello."

Zhang Yu Ying gave the young man a look over. "It's good that you were able to come over as well." She took a step back and gave Bai Qi a lookover. Then, her lips tilted into a smile. "I see that the two of you are wearing the same color. What is this? Couple outfit?"

Zhang Li Xue glanced at her boyfriend and realized that he too was wearing a dark blue suit.

Wei Jun Hai turned to his wife and spoke, "You like that? Then, why don't we wear couple outfits next time?"

Zhang Li Xue touched her nose.

In fact, they did not plan for this to happen. She did not expect that Bai Qi would wear a suit almost the same color as her dress. However, she was too shy to explain this to her uncle.

"Li Xue," Zhang Yu Ying called. "Why don't I help you and Bai Qi to take a picture together before the ceremony begins?"

Zhang Li Xue exchanged a look with Bai Qi. Then, she nodded.

As they stood closer, Bai Qi was reminded of the day Zhang Li Xue and her aunt came to visit his place before he moved away.
