

Love So Sweet 316

316 This is Not Good

The sound of the alarm woke Bai Qi up.

Realizing that someone was in his embrace, he quickly turned around and switched it off. Then, he looked at his girlfriend and heaved in relief upon seeing that she was still asleep.

Bai Qi leaned over to kiss her forehead. But he suddenly thought that it was not enough. He leaned over again and started kissing the tip of her nose and cheeks. Once he saw the frown on her face, Bai Qi finally stopped.

“What time is it?” Zhang Li Xue spoke. Her voice was groggy. She was awake but was too lazy to open her eyes.

“It’s still early,” Bai Qi said. He patted her shoulder and coaxed her to sleep again.

He had deliberately set up an alarm a few hours earlier, wanting to visit the hotel’s gym to work out just like he did yesterday.

However, with the little fairy in his arms, it seemed that he will have to forget about heading out.

It was not easy for them to stay together like this. Of course, Bai Qi wanted to accompany his girlfriend for a while longer.

Zhang Li Xue whimpered as she stretched up her body. One of her feet was out of the quilt and the cold air made her shiver.

.....

Swiftly, Zhang Li Xue returned to Bai Qi’s side, snuggling to find a comfortable space. His warm body was very comfortable.

However, the more that she continued to move around, the more Bai Qi’s expression turned a little... uncomfortable.

His brow furrowed as he felt her soft body rub against his.

Bai Qi pursed his lips, hoping that the person would stop moving around soon. However, it seemed that this person was addicted to rubbing her face on his chest. Bai Qi was having a hard time suppressing his urge.

“Li Xue.” His voice turned hoarse.

“Un?”

“Stop moving around.”

The befuddled girl could sense that something was wrong with her boyfriend’s tone of voice. However, she was unaware that she was the cause of it.

Zhang Li Xue finally opened her eyes and looked at her boyfriend with a dazed look in her eyes. "What's wrong?"

His breath was stuck in his throat.

In front of her was a pretty lady with her pair of misty eyes staring back at him.

The girl was covered with the quilt, leaving only her head to be seen. However, Bai Qi still thought that this person was very alluring.

He could not help but wonder if Zhang Li Xue knew just how attractive she was to him.

Seeing the pair of eyes blink innocently tugged something in his heart.

"Bai Qi-"

The question she wanted to ask remained incomplete. Just as she had opened her mouth, Bai Qi leaned over and pressed her into the bed. Her lips were caught in a deep kiss.

Bai Qi kissed her lips aggressively as if he wanted to punish her for unintentionally seducing him. He continued to suck on her lips and bite them as if he wanted to eat her alive.

His intention was to let her go after she had learned her mistake. But once he tasted the soft lips, Bai Qi found that he was unable to pull away. He was addicted to her taste.

Zhang Li Xue whimpered when he bit her lips again.

She was still in a daze and could not understand just why would Bai Qi suddenly kiss her.

When she finally snapped out of her trance, Zhang Li Xue had already lost her strength. Trying to reciprocate his kisses had made her weak. She could only let him kiss her the way he wanted. Her fingers grasped the front of his shirt.

Zhang Li Xue struggled to catch up her breath. Gradually, she could feel her body heating up.

A soft moan escaped her.

Suddenly Bai Qi stopped. He pulled away and looked at the girl trapped under his body. Then, he leaned again to rain his kisses on her face. Her eyes, nose, and cheek.

When his lips found her lips again, Bai Qi's kisses had turned tender. It was as if he was trying to coax her.

Subconsciously, Zhang Li Xue wrapped her arms around his neck. "Bai Qi..." She finally managed to call his name between her breath.

After kissing her one more time on her ears, Bai Qi wrapped his arms around her waist. His face buried into her neck as he inhaled deeply to compose himself.

Zhang Li Xue could feel the heat on his body through his shirt.

Seeing that the man did not move for a long time, Zhang Li Xue became worried.

"Bai Qi." Her voice was soft and seducing. "What's wrong?"

Bai Qi inhaled deeply again. "Just let me stay like this for a while, alright? Li Xue, don't move."

The innocent girl was puzzled by his request.

"I just wanted to hold you for a while longer."

Zhang Li Xue pursed her lips and stared at the ceiling in front of her. Her body felt hot. Being hugged like this for a long time made her feel embarrassed. She could still feel his palm touching her waist. His touch was scorching.

"This is not good." Bai Qi muttered after a long time. He had thought that holding her for a while longer would help him suppress some urges. However, he realized that he was mistaken.

Zhang Li Xue tried to pull out of his embrace to look at his face. However, she soon noticed that something was wrong.

There's a strange sensation around her thigh.

Gradually, her face turned red as a cooked lobster.

Zhang Li Xue could sometimes be a little slow on this matter. However, this time, she quickly understood what she was feeling.

That thing...

Zhang Li Xue became speechless.

She was not expecting something like this to happen. What should she do in this situation?

Bai Qi gritted his teeth. His arms around her waist loosened. Then, Bai Qi quickly rolled out of bed, wanting to calm down in the bathroom.

However, he did not get to get away as Zhang Li Xue grabbed his shirt to stop him. Bai Qi turned around and saw his girlfriend lowering her head shyly.

Zhang Li Xue gathered her courage to look at his face. "Are you alright?"

He patted her head and sighed. "Be good. I will return shortly."

Zhang Li Xue continued to hold his shirt tightly. "That... Do you want it?"
