

Love So Sweet 317

317 I Can Help You?

The light in his eyes dimmed quickly. Bai Qi looked at his girlfriend with a dangerous glint in his eyes.

His throat bobbed. It took him a few seconds to finally find his voice. "Don't talk nonsense."

"I am not talking nonsense." Zhang Li Xue had a serious look in her eyes. "I heard that it's not good for you to hold it in for a long time."

These words, was she deliberately seducing him?

"Zhang Li Xue, do you know what you are talking about?"

"Of course, I know."

How old was she now? Why doesn't she know about the matters between a woman and a man? Moreover, after finding out that she has been dating Bai Qi, her mother also gave her a long talk. It was embarrassing, but she knew the reason why her mother had given her such reminders.

Zhang Li Xue has been preparing herself for this thing to happen between them sooner or later.

This was why she was not afraid of coming up with that question.

.....

"Bai Qi, we have been dating for a while," Zhang Li Xue spoke. Her cheek reddened again. "Making love... isn't it something natural between a couple?"

The desire in his eyes was scorching. However, Bai Qi was still sane and able to control his emotion. He loved Zhang Li Xue too much that he did not dare to do anything that would hurt her.

However, his girlfriend's words turned him speechless.

She was so unafraid of him.

Zhang Li Xue began to hesitate when Bai Qi did not speak for a long time. She lowered her head and looked at the outfit she was wearing. Then, she remember that she had just woken up. Perhaps, her hair resembled a bird's nest right now.

"Bai Qi... could it be that you don't want me?"

"Zhang Li Xue." There was a hint of anger in his tone. Seeing the startled look in her eyes, Bai Qi quickly took a deep breath to calm down.

He stretched his hand and pulled her into his embrace.

"Don't say that." His tone of voice was coaxing. "Of course, I want you." He looked at her face and kissed her lips a few times to prove his words. "But Li Xue, this isn't a good time."

Zhang Li Xue recalled that they were going to the cemetery in the morning.

Bai Qi stared into her eyes as he rubbed her cheek with his thumb softly. "Zhang Li Xue, I love you. Because of that, I really cannot take advantage of you."

"I'm willing to let you take advantage of me," Zhang Li Xue spoke. "Because it's you. I trust you."

Bai Qi thought that sooner or later, he would really lose his mind. The devil in his heart was tempting him to do a bad thing.

He pursed his lips into a thin line before speaking again. "We... still need to think of protection. I am a man. I should be responsible."

Zhang Li Xue blinked. She seemed to realize that what Bai Qi said made sense.

Whatever, it is, they still need to think of protection. But... seeing the look on his face made her pity him. Even though he had tried to hide it well, Zhang Li Xue could still see his hardness poking out.

"I'll be fine." Bai Qi said. He hugged her again and spoke. "I'll just think of something."

Zhang Li Xue grabbed his shirt again before he could roll off the bed and escape to the bathroom.

Bai Qi looked at his girlfriend with an inquiring gaze.

"Otherwise..." Zhang Li Xue spoke softly. "I can help you?"

His eyes shifted.

...

Zhang Li Xue flinched as Bai Qi buried his head in her neck and kissed a few spots.

His breathing was hot against her skin. His pants and grunts made her skin turn a deeper red. Zhang Li Xue felt her body getting hot all over.

The temperature in the room was no longer cold, even with the air conditioner turned on.

Zhang Li Xue closed her eyes as she wondered whether she had made the right decision when she convinced her boyfriend that she could help.

Her hands has been working hard for a long time and it was starting to feel a little sore.

However, a certain someone seemed as if he wasn't finished yet.

She bit her lips, wondering if she should stop now.

Just then, Bai Qi grabbed her hand again and began to guide her slowly. He leaned over and whispered, "Didn't you say that you want to help? Zhang Li Xue, are you backing out now?"

"I'm not." Her voice was soft. "But, it has been so long."

Her hands were so sore that she no longer feel as if they were a part of her body.

"Just a little bit more," Bai Qi coaxed. He kissed her face a few times. "Li Xue, be good, alright?"

Zhang Li Xue raised her gaze, wanting to complain. However, she unintentionally caught the glimpse of his aroused look. His eyes hooded and his lips were slightly parted. Once in a while, his throat would move.

It was the first time that she had seen him like this. For a while, she did not know how she should react.

Knowing that she was the cause of his reaction right now shocked her a little bit. Accidentally, she gave him a gentle squeeze.

A few seconds later, Bai Qi whispered her name in a hoarse voice and let out a deep groan.

Zhang Li Xue paused as she felt the sticky and wet sensation all around her hands. She did not dare to look down to see what was going on.

After a while, Bai Qi finally composed himself. He looked at the girl and lowered his head to kiss her lips a few times. Then, he sat up and grabbed the tissue box on the bedside table. Gently, he began to wipe her hand.

The corner of his lips tilted up upon noticing the shy look on Zhang Li Xue's face. Now that everything had ended, the girl did not dare to look him in the eye.

Bai Qi lowered his head and met her gaze. "I'll help you to wash your hands?"

Zhang Li Xue stared at her hands and nodded.

With that, Bai Qi carried her to the bathroom and personally helped her to clean her hand. He was very gentle and thorough. Every part of her fingers was washed carefully. He was treating her hands as if they were some fragile items.

Once everything was done, Zhang Li Xue was carried back into the bedroom.

Bai Qi thought that his girlfriend was too pitiful and helped to massage her tired hands.
