

Love So Sweet 328

328 You Show Up

After a successful meeting with Zhang Yu Han yesterday, Bai Qi was in a very good mood. His colleagues naturally noticed this as well.

While Bai Qi walked over to the nurse's station to check on some files, Nurse Tian stopped him and whispered, "Doctor Bai, you seemed to be in a good mood today."

"Nurse Tian, why would you say this?"

A teasing smile curled on her lips. "Doctor Bai, the smile on your face is pretty obvious," Nurse Tian spoke. "In fact, everyone else noticed your mood. Tell me, did something good happen? You won some lottery?"

Bai Qi let out a chuckle. He recalled how his meeting with his little fairy's father again and the smile on his face stretched up.

Seeing the look on his face, Nurse Tian thought that Doctor Bai's happiness should be better than winning some lottery.

"Nurse Tian, I will share the news with you later," Bai Qi said.

The elder nurse clicked her tongue. "Why can't you share it with me now? Doctor Bai, didn't I treat you the best here?"

"I'm sorry Nurse Tian, I could not say anything about it right now." Bai Qi said. "But, when the time comes, I will let you be the first to know."

.....

Nurse Tian looked at him suspiciously. However, since Doctor Bai did not speak, Nurse Tian could not do anything about it.

A sigh escaped him. "Forget it. Since you are not willing to speak about it, then, I won't force you."

Bai Qi flashed her another smile. He jotted down something on the file and finally slid the file to Nurse Tian again.

Just as he was about to leave, Nurse Tian called out his name again.

"Nurse Tian, what is it?" Bai Qi spoke.

The elder nurse raised the takeaway bag from the table. "Doctor Bai, remember to thank your girlfriend for the snacks."

His eyes lit up as Bai Qi looked at the paper bag. His girlfriend sent some snacks to everyone in his department. Then, he should have his portion as well, right?

Nurse Tian smiled when she looked at the young doctor. "Alright. I won't tease you anymore. Doctor Bai, your girlfriend is waiting for you in your office. She got here while you were discussing with the patient's family. I asked her to go and wait in your office."

“Nurse Tian, thank you.” He took a step and paused. “Then, I have to go now.”

Nurse Tian laughed upon seeing the anxious look on Bai Qi’s face. Doctor Bai’s expression was just too adorable.

Bai Qi ran over to his office without looking back.

He stood in front of his room and inhaled a deep breath. Bai Qi pushed the door open and saw his girlfriend sitting on the chair in front of him.

“You’re back.” Zhang Li Xue stood up with a sweet smile on her face. “Doctor Bai, are you busy?”

Bai Qi entered the room and closed the door behind him. Without saying a word, he walked over to his girlfriend and pulled her into his embrace.

His sudden movement was too sudden, surprising her. Zhang Li Xue laughed, wondering what was going on with her boyfriend.

“What’s going on?” Zhang Li Xue asked. “Something good happened?”

“Mmm...” Bai Qi pulled away and pressed his lips on her lips.

“What happened?”

A mischievous smile curled on his lips. “You show up. That’s what happened.”

Zhang Li Xue stared back at him speechlessly. “You’re a sweet talker.”

Bai Qi leaned over and kissed her lips a few more times. Once he had enough, he finally pulled away.

By this time, Zhan Li Xue had already forgotten to ask about her boyfriend’s good mood.

Bai Qi glanced at the time and noticed that it was a little too early for his girlfriend to show up at the hospital. “Why are you here early?”

“I missed you.” Zhang Li Xue looked at Bai Qi coquettishly.

For the past few days, both of them have been busy with work. They did not get the time to meet. She had tried to finish her work early before she came to find him.

In a few days, she will be going with her father to H City. Zhang Li Xue just wanted to spend as much time as she could with Bai Qi before that trip.

Otherwise, she would miss him a lot.

“I missed you too.” Bai Qi heaved a sigh. He just wanted to keep this little fairy in his pocket and bring her everywhere he goes to.

As he recalled his meeting with her father again, Bai Qi had a feeling that the days should not be too long.

Since her father had agreed, then, he could only let his girlfriend make her decision. Last time, he had already mentioned marriage to her.

Bai Qi hoped that she would give this matter some thought and agreed.

Zhang Li Xue lifted the takeaway bag by her side and spoke. "I bought you something. Doctor Bai, you haven't had your dinner yet, right?"

Bai Qi shook his head "Let's just eat in my office. The rooftop is too cold these days and there were too many people around the cafeteria."

Zhang Li Xue naturally did not have an objection. She watched as Bai Qi cleared his desk before she set up the food.

"That's right. Didn't you say that you had an appointment with someone yesterday? How did it go?" Zhang Li Xue asked.

Bai Qi was about to pick up his chopstick when he heard her question.

Seeing that he did not answer, Zhang Li Xue began to think that perhaps, his meeting did not go as well as he had hoped.

"Is there anything that I can help you with?" Zhang Li Xue still remembered that Bai Qi had mentioned that she might be able to help him with this matter.

"It's alright." Bai Qi tried to hide his smile.

He was excited, but worry that his girlfriend would know about this surprise before he could prepare for it.

"It went well?"

"Mmm... You could say that. Let's talk about this again later."

"What secret are you keeping from me?"

Bai Qi laughed. "I'll tell you about it after you return from H City."

Her brow rose. "Is it a surprise?"

"That's right. I have a surprise for you. But you have to wait for a while before it will be ready."

Her lips pursed into a thin line. Zhang Li Xue was even more curious to know about this surprise.
