

Love So Sweet 330

330 Send Your Sister Away

When Bai Qi entered his apartment, he was pleasantly surprised to find that his girlfriend and little sister were together in the kitchen.

The two girls that he loved most were having their meal in the kitchen while chatting happily.

Bai Qi stood at the door while watching them both. After a while, Bai Xi Xi turned around and finally saw her brother.

Her eyes lit up. "Brother Bai Qi!"

The smile on his face widened when he saw his little sister had noticed his presence.

"When did you arrive?" Bai Xi Xi asked. "Brother, why are you standing there without making a sound?"

"I come back a while ago." Bai Qi walked over to his sister's side and patted her head. "You were too busy talking with your Pretty Sister that you did not notice me."

Bai Xi Xi had a sheepish smile on her face. "Pretty Sister made some noodles for dinner." It was her favorite food and Bai Xi Xi was very happy about it.

"Really?" Bai Qi watched his little sister nod. He stood up, wanting to walk over to his girlfriend when he realized that his little sister was tugging at his clothes.

.....

"Brother, you should go ahead and get changed first. Later, we can eat together," Bai Xi Xi said. Seeing that her brother remained unresponsive, Bai Xi Xi blinked her eyes innocently. "I'm hungry."

Bai Qi had a helpless smile on his face.

It seemed that someone liked the noodles that her Pretty Sister had made. His little sister was too impatient that she would not even allow him to kiss his girlfriend.

Zhang Li Xue stood in the kitchen while watching the two siblings. Noticing the look on Bai Qi's face made her laugh. "Alright, you should listen to Xi Xi. Go ahead and get changed first. The noodles should be done soon. Then, we can eat our dinner."

A sigh escaped him. Now that his girlfriend had spoken, Bai Qi had no other choice but to turn around and get changed.

His gaze stopped on his little sister for a few seconds longer.

Just as he had thought. His little sister was trying to steal his girlfriend away.

Bai Qi had already made his plan to let his sister return to her room after dinner so that he could spend his time with Zhang Li Xue.

Under his little sister's gaze, Bai Qi turned around and headed to his room. After a quick shower, Bai Qi came out of the room just in time as the food was ready.

Zhang Li Xue raised her head and smiled when she met his gaze. She turned to Bai Xi Xi and asked her to set up the dining table.

Seeing this, Bai Qi decided to take advantage of the situation to approach his girlfriend. He peeked at his sister before leaning over to kiss Zhang Li Xue on the cheek.

His sudden action startled her. Zhang Li Xue swept her gaze around and finally heaved in relief when she saw that Bai Xi Xi was not watching.

She shot a warning look at Bai Qi. "What are you doing? Your sister is still here."

"It's alright. Xi Xi would not mind it." Bai Qi grabbed her hand and gave it a gentle squeeze. He leaned over and whispered, "I miss you."

His voice was so close to her ear and it was making her body grow very weak. She could not bear to push him away.

Bai Xi Xi returned to the room to help carry the bowl of noodles. Seeing that the two of them were standing in the kitchen together made her pause. Her eyes finally rested on her brother. "Brother Bai Qi, what are you doing?"

Bai Qi coughed. "Nothing." He moved away and walked over to the sink to wash his hands. "Xi Xi, wash your hands. Then, we can have our meal."

Seeing this puzzled her a little more. Bai Xi Xi turned to her Pretty Sister, but she too had turned to look away. Bai Xi Xi really could not understand just what was the two people doing.

Then three of them had their dinner together.

The atmosphere was very lively with Bai Xi Xi and Zhang Li Xue's chattering voices. With the two of them getting along very well, Bai Qi could only join in the conversation once in a while.

As Zhang Li Xue had helped him to cook, Bai Qi took the task to clean up the dishes.

Once he was done cleaning up the kitchen, Bai Qi reminded his sister to sleep early as she still had to go to school.

Bai Xi Xi said goodnight to her Pretty Sister reluctantly before she went to bed.

Seeing that there was no one else around, Bai Qi quickly moved by his girlfriend's side and pulled her closer.

Zhang Li Xue could not help but laugh upon seeing the way her boyfriend was acting.

Her Doctor Bai was too adorable, right?

She leaned into his chest and pecked at his cheek. "Doctor Bai, did you deliberately send your sister away?"

"Un." Bai Qi was not shy to admit it. "If Xi Xi was still around, she'll steal your attention away."

Zhang Li Xue could not resist pinching Bai Qi's cheek before kissing him at the same spot.

The two of them were cuddling without doing anything much. Zhang Li Xue let Bai Qi hold her hand and played with her fingers.

Recently, Bai Qi seemed to like holding her hands and tugging her fingers a lot.

“What are you thinking about?” Zhang Li Xue poked at Bai Qi’s cheek again.

“Li Xue, you are leaving for H City in a few days,” Bai Qi spoke. “Your flight is in the morning, right?”

Zhang Li Xue nodded. “Mhm...”

Bai Qi heaved a sigh. “I have to work in the morning. Unfortunately, I won’t be able to send you to the airport.”

Zhang Li Xue smiled. “It’s fine. You can pick me up at the airport then.”

Bai Qi held her tightly. “I’m going to miss you.” He was unwilling to let her leave.

“Well, I’m going to miss you too.” Zhang Li Xue smile. “Doctor Bai, you should stay here and work hard for that surprise you wanted to prepare for me.”

Bai Qi laughed, amused that his girlfriend had not forgotten about this matter.
