

Love So Sweet 343

343 Let's Come Back Later

Zhang Yu Han and Li Qin Yao headed back to the hospital when the sun was up high in the sky.

Knowing that Bai Qi was around to look after their daughter, Li Qin Yao forced her husband to take a long, good sleep. She knew how tired he was after everything they have gone through.

Now that Zhang Li Xue was safe and sound, the couple could finally relax and rest. The two of them were too tired that they both slept soundly.

Even when Bai Qi send them a text to tell them that Zhang Li Xue was awake, the couple continued to sleep.

When they woke up again, it was a few hours after Bai Qi had sent Zhang Yu Han a message.

The couple get off the bed and collected anything that their daughter might need before they headed to the hospital.

They took a taxi to reach the hospital and went straight t their daughter's room in the VIP wing.

Li Qin Yao pushed the door slightly and peeked into the room. However, her movement halted and she took a step back and closed the door.

Seeing the way his wife was acting made Zhang Yu Han puzzled. "Why didn't you go in?"

.....

Li Qin Yao placed a finger on her lips. "Yu Han, let's come back later."

"Why?"

"They're sleeping together."

Zhang Yu Han's expression turned darker.

Li Qin Yao could not help but laugh when she noticed his expression. "Zhang Yu Han, what are you thinking about? I meant, they are literally sleeping. Bai Qi should be tired after working hard. Let's give them some time together, alright?"

Hearing his wife's explanation, Zhang Yu Han's expression turned better. However, he still blamed his wife for this misunderstanding.

Why did she have to say that they were sleeping together?

"They're in the hospital," Li Qin Yao spoke. "What can they do?"

Zhang Yu Han sneered. Once upon a time, his wife dared to seduce him in his office. Zhang Li Xue inherited her mother's mischievousness. Who knows what that girl dared to do?

"Alright." Li Qin Yao patted his arms. "Let's go and arrange Li Xue's discharge procedure first. Didn't we agree that we're going to take her back to Y City?"

Last night, they consulted Qi Zheng and heard that Zhang Li Xue could be transferred to Y City to recuperate. They wanted their daughter to be comfortable. They were worried that Zhang Li Xue was traumatized to stay in this city for a long time.

Zhang Yu Han nodded. "Qin Yao, accompany me to visit the others as well."

This time, not only Zhang Li Xue was injured. Zhang Yu Han's assistant as well as the architect and project managers were stuck in the collapsed building during the earthquake.

Everyone managed to come out alive, but there were a few of them who was badly injured.

As their boss, Zhang Yu Han needed to visit them and offered some help.

...

Bai Qi woke up again and the first thing he saw was a face of a fairy.

Although Zhang Li Xue's face was a little haggard and there was a slight cut on her cheek, Bai Qi thought that this fairy still looked beautiful.

The most important thing was that Zhang Li Xue was in his arms.

Bai Qi could not stop himself from watching her face for a long time. He wanted to make sure that he was not dreaming. That the girl was really in his arms. Thinking about what happened made him so afraid. Bai Qi was sure that he was not the only one who was feeling that way.

Suddenly, Zhang Li Xue moved closer and buried her face into his chest.

"Don't look at me like that." Zhang Li Xue's voice was a little groggy and seductive. "I haven't washed my face yet."

Bai Qi chuckled. "Well, I don't mind it. My little fairy, you are still beautiful." As if to prove that he was telling her the truth, Bai Qi leaned over to kiss her face a few times.

Being called his little fairy made her shy again.

Zhang Li Xue thought that Bai Qi was exaggerating. However, she was still very happy.

"What time is it?" Zhang Li Xue asked.

Bai Qi turned around and reached for his phone. His brow furrowed when he saw the time. He leaned to kiss his girlfriend on the forehead and spoke, "I should get up first. Later, your parents might come to look at you."

Zhang Li Xue wanted to cuddle with Bai Qi for a while longer. However, as she thought about her parents, Zhang Li Xue had no other choice but to let Bai Qi go.

Bai Qi helped his girlfriend to fluff her pillow and let her lay down comfortably.

Suddenly, Zhang Li Xue tugged at his sleeve and looked at him shyly.

"What's wrong? You're feeling uncomfortable?"

Zhang Li Xue shook her head. She bit her lips and finally spoke, "I might need to go to the bathroom."

Bai Qi halted. He suddenly thought of a bigger problem. "Do you need me to call the nurse to help you?" He could carry her to the bathroom, but, Bai Qi was worried that Zhang Li Xue would be uncomfortable.

Zhang Li Xue lowered her head and nodded. "Un."

A helpless smile curled on his lips. Bai Qi pinched the girl's cheek before he pressed the call button. Soon, a nurse came in and Bai Qi explained the situation.

As Zhang Li Xue's legs were still hurting and she could not walk well, Bai Qi chose to carry her into the bathroom. Then, the nurse would help her with her clothes while Bai Qi stayed outside and wait for her. Once she was done with her business, Bai Qi would carry her back to the bed.

A brief knock was heard and the door slid open.

Bai Qi turned around and saw that Zhang Li Xue's parents had arrived. Seeing that they were both looking well-rested, made him feel more at ease.

He could see that they were both worried about Zhang Li Xue last night and were tired after everything. Fortunately, he chose to text them instead of giving them a call after Zhang Li Xue woke up. He hoped that the couple would get a few more hours of sleep.

"Bai Qi." Li Qin Yao smiled as she walked in. Then, she noticed the empty bed. "Where's Li Xue?"

"She's in the bathroom," Bai Qi spoke. "A nurse is helping her."

Just in time, the nurse came out again and informed him that Zhang Li Xue was done with her business.

Bai Qi went into the bathroom again and carried the girl in his arm.

When they came out, Zhang Li Xue was surprised to see that her parents had arrived.

Being carried by Bai Qi in front of them made her shy. She wanted to hide, but that would make her seem suspicious. Zhang Li Xue finally heaved in relief when Bai Qi put her down on the bed again.

"Mommy, Daddy, when did you both arrive?"
