

Love So Sweet 347

347 Lured Away

When Bai Qi walked out of his room the next morning, he found that his little sister was already in the kitchen, preparing some breakfast for both of them.

Bai Qi looked at the toast and scrambled egg that his sister had prepared and smiled. His little sister had grown up and now know how to make breakfast for him as well. This scene made him feel very touched.

After a few seconds, Bai Xi Xi seemed to have noticed her brother's presence. She turned around and spoke urgently, "Brother Bai Qi, what are you standing there for? Quick, let's have our breakfast together. Then, we can go and visit my Pretty Sister."

The feeling he had earlier had quickly disappeared.

From the look at it, his little sister had woken up early morning just to visit Zhang Li Xue.

Heaving a sigh, Bai Qi then took a seat and ate his breakfast quietly.

He too wished to visit his girlfriend sooner and look at her condition.

The two siblings had their breakfast together. Then, when they were ready, Bai Qi and Bai Xi Xi headed to Zhang's residence.

When they arrived, Zhang Yi Hai was the one who greeted them at the door.

.....

Bai Xi Xi looked at the tall man in front of her and quickly hid behind her brother's legs. Although this person's face looked a little similar to her Pretty Sister, Bai Xi Xi thought that this man's face was a little fierce.

Initially, Zhang Yi Hai thought that Bai Qi arrived alone. However, he soon noticed that there was a short girl beside him. The little girl was holding a bouquet of flowers in her hand.

A while ago, he had heard from his sister that Bai Qi had a little sister who was twenty years old younger than him. Zhang Yi Hai did not expect that the girl would be this short.

Noticing her presence, Zhang Yi Hai's expression gradually turned softer. He bent forward to get to the little girl's level and smiled. "Hello, you must be Bai Xi Xi."

Bai Xi Xi was stunned when she saw the smile on Zhang Yi Hai's face. It turned out that when this brother smiled, his face would turn very handsome. "H-hello." Bai Xi Xi stuttered.

Zhang Yi Hai stepped aside and spoke, "Come on in."

The Bai siblings entered the house together and walked over to the living area.

Bai Qi scanned his eyes around the room and soon, Zhang Li Xue's maternal grandmother, Xu Yilan, popped out from the dining area.

"Yi Hai, who is it?"

Zhang Yi Hai turned to his grandmother and spoke, "Grandma, this is my sister's boyfriend, Bai Qi, and his little sister." He turned to Bai Qi and coughed. "Brother Bai Qi, this is my maternal grandmother."

Last night, Xu Yilan had seen Bai Qi accompanying her granddaughter. However, she was too worried about her granddaughter that she did not get to know this young man well.

Now that they were properly introduced, Xu Yilan took this chance to observe Bai Qi.

"Hello," Xu Yilan smiled. "You can call me Grandma Xu."

"Grandma Xu, hello." The siblings greeted her politely.

"You come over to see Li Xue?" Xu Yilan asked. "That's right, did you both have your breakfast yet? Why don't you join us for breakfast?"

"Grandma Xu, we have already eaten our breakfast," Bai Xi Xi answered.

Xu Yilan shifted her gaze to the little girl again and smiled. The little girl was cute and well-behaved. Xu Yilan immediately liked her. She saw the bouquet in Bai Xi Xi's hand and asked, "Who is the bouquet for?"

"Grandma Xu, this is for my Pretty Sister."

"Pretty Sister?" Xu Yilan was amused to hear someone addressing her granddaughter like this. "Then, why don't you go upstairs and look for her? I'm sure that she will be happy to see you."

Bai Xi Xi raised her head and looked at her brother. She was anxious to meet her Pretty Sister. Until she could see her with her eyes, Bai Xi Xi would not be at ease.

"Yi Hai, why don't you lead them upstairs?" Xu Yilan shot her grandson a look.

"Then, follow me." Zhang Yi Hai turned around and led the siblings upstairs.

This was not the first time that they had visited the house. Therefore, Bai Xi Xi and Bai Qi both were familiar with the layout.

As they approached the room, the door was slightly ajar and they could hear Zhang Li Xue's voice as she spoke to her mother about some clothes.

Zhang Yi Hai knocked on the door and peeked into the room. Seeing that his sister was properly dressed, Zhang Yi Hai then reported, "Sister, your boyfriend, and his little sister are here to visit you."

Instantly, Zhang Li Xue's eyes lit up. Just as she was about to ask her brother to let them in, Zhang Li Xue realized another problem. She turned to her mother and whispered, "Mommy, how do I look?"

"My daughter always looks pretty."

Zhang Li Xue combed her hair with her fingers. "Really?"

Li Qin Yao was amused. She took the small mirror and handed it over to her daughter.

Zhang Li Xue pulled the mirror and patted some powder onto her face. Once she was satisfied, Zhang Li Xue kept the powder and asked her brother to let her guests in.

Zhang Yi Hai came out again and spoke, "Brother Bai Qi, you can go in now."

Bai Qi glanced at his sister. He knocked on the door again and entered the room. The moment he stepped into the room, Bai Qi gave his girlfriend a lookover. Seeing her energetic face made him relieved. Only then did he turn to Li Qin Yao. "Aunt. Hello."

"Xi Xi, you're here as well." Li Qin Yao was happy to see the little girl coming over as well.

"Aunt. Hello." Bai Xi Xi greeted politely. Her gaze shifted to Zhang Li Xue who was sitting on the bed. "Pretty Sister, how are you feeling? I heard from my brother what happened."

"I'm alright now. Sorry, Xi Xi. I made you worry."

Bai Xi Xi shook her head. Then, she recalled that she was holding the bouquet in her hand. "Pretty sister, this is for you."

Zhang Li Xue took the flower from Bai Xi Xi and gave it a sniff. The fresh scent of the flower made her smile. "Thank you, Xi Xi. I like it very much."

Hearing her words put a smile on Bai Xi Xi's face.

Li Qin Yao looked at the scene in front of her and smiled. She turned to Bai Xi Xi and spoke, "We need a vase to put the flowers. Xi Xi, why don't you come with me and help me to look for a suitable vase?"

Bai Xi Xi was unaware that she was being lured away. "Alright." She liked this auntie and immediately agreed.

Li Qin Yao held hands with the little girl and led her out. Then, she turned to her son and spoke, "Yi Hai, what are you doing? You come with me as well."
