

## Love So Sweet 348

### 348 My Surprise

As she dragged Zhang Yi Hai from the room, Li Qin Yao did not forget to close the door behind her.

In just a few seconds, the atmosphere in the room had turned quiet. Suddenly, there were only Bai Qi and Zhang Li Xue in the bedroom.

Bai Qi looked at the door and smiled. It wasn't hard to see that Zhang Li Xue's mother was giving them a chance to spend their time alone.

Now that he thought about it, it seemed that from the very beginning, Zhang Li Xue's mother has always been very supportive.

Heaving a sigh, Bai Qi turned to his girlfriend and saw that she was looking at him shyly. Their gazes met and a smile curled on their lips. They both seemed to understand her mother's intention.

Bai Qi walked over to Zhang Li Xue and leaned over to kiss her cheek. "How are you feeling today? Still in pain?" He looked at her legs and saw that the dressing has been changed.

"It's still painful, but it's not as bad as yesterday." Zhang Li Xue watched as he continued to examine the wound on her body. "I didn't think that you would come this early."

"Mmm... Xi Xi missed you."

Zhang Li Xue raised a brow. "Just Xi Xi?"

.....

Bai Qi laughed. "Well, I miss you even more." His gaze fell on the thin cut on her face. Fortunately, this kind of injury would not leave a scar on her face.

However, Zhang Li Xu was unaware that her boyfriend was feeling distressed over the small wound.

Bai Qi raised his head and saw the dark circle under her eyes. "Can't sleep last night?" Thinking that Zhang Li Xue probably couldn't sleep because of the pain made him worry again.

"Mmm... It is a little uncomfortable to sleep with my legs." Zhang Li Xue liked to move around when she sleep. But each time she tried to shift her position, the pain in her legs would come again.

Moreover, each time she closed her eyes, Zhang Li Xue would recall the horrifying scene. She kept on imagining that she was still trapped underneath the building.

It was only when she opened her eyes that she felt more at ease.

"Doctor Bai, you're not on duty today?" Zhang Li Xue asked, wanting to change the subject.

Bai Qi sat down by her side and helped to push a few strands of hair behind her ears. "Doctor Qi let me take another day of break. Tomorrow, I should start to get busy." As he stopped, Bai Qi did not miss the strange look on his girlfriend's face.

Zhang Li Xue tugged at his sleeve and batted her eyelids. "Don't you want to kiss me?"

Bai Qi could not help but chuckle. Zhang Li Xue always know what she wanted and would not shy to ask for it.

He rested his palm on her cheek and rubbed it with his thumb softly a few times. Then, he leaned closer and closer.

Zhang Li Xue could feel her heart beating faster as his lips approached hers.

Her breath hitched the moment their lips met. Zhang Li Xue parted her lips and reciprocate his kiss. Her arms moved up and finally rested on his shoulder. Bai Qi's enthusiastic kiss made her smile.

The two of them only parted for a few hours, but Zhang Li Xue missed this man very much. His thin lips and his warm breath finally settled the uneasy feeling in her heart.

Bai Qi pulled away before the situation would turn dangerous for him. He looked at Zhang Li Xue's flushed cheeks and kissed them a few times. Worried that he could not hold himself back, Bai Qi could only hug his girlfriend tightly.

"Did you have your breakfast yet?"

Zhang Li Xue chuckled, noticing that her boyfriend was changing the subject. "Un. My grandmother made me some porridge. It was delicious. Then, my mom made sure that I had taken my medicine." She decided to report everything to her doctor's boyfriend.

Bai Qi pulled away and pinched his girlfriend's cheek. As long as she had a good appetite, then, that is good enough.

Zhang Li Xue rested her arms on his shoulder again. As she stared into Bai Qi's eyes, Zhang Li Xue seemed to recall something. "Bai Qi."

"Hmm?"

"I just remember something important."

Bai Qi tried to read her expression. Seeing the smile on her face made him curious about just what was in her mind. "What is it?" He placed his arms around her waist as he supported her.

The smile on her face widened. "My surprise."

"Huh?"

Zhang Li Xue frowned. "Didn't you say that you are going to give me a surprise after I returned from H City?" Thinking that he had forgotten what he had promised to give her made her unhappy. She has been looking forward to knowing what it was, especially since her boyfriend has been really secretive about it.

Bai Qi stared at her in surprise. His heart was beating fast. Bai Qi did not expect that Zhang Li Xue would remember this surprise.

Suddenly, Bai Qi did not know just how he should tell her about this surprise.

"You didn't forget about it, right?" Zhang Li Xue asked when Bai Qi did not respond to her.

“Of course, not.” Bai Qi heaved helplessly. “But I cannot give it to you yet.”

“Why not?”

“I still need to make my preparation.”

Zhang Li Xue pursed her lips unhappily. The last time they talked on the phone, didn't he tell her that he had already made his preparation? Could it be that he changed his mind?

Bai Qi naturally noticed that his girlfriend was unhappy.

The little pout on her face was adorable. He could tell that she was really looking forward to it. He wondered just how Zhang Li Xue would react when she know what he planned to do.

Bai Qi was unwilling to see his girlfriend unhappy. After pondering over it for a while, he finally made his decision, “Then, let's wait for a few days.”

“I still have to wait?”

“Un.” Bai Qi nodded. “I want to take you to a place first. Let's wait until I'm on my day off, alright?”

Her eyes lit up. Zhang Li Xue stuck out her pinkie finger and smiled. “Then, you have to promise.”
