

## Love So Sweet 349

### 349 What Bad Things?

After searching for a suitable vase for a long time, Li Qin Yao finally took Bai Xi Xi back to her daughter's room.

Bai Xi Xi entered the room, carrying the vase that Li Qin Yao passed to her a while ago with a smile. The little girl was completely unaware of what was going on.

"Pretty Sister." Bai Xi Xi walked over to her sister happily. She raised the vase in her hand and asked, "Look. Is this suitable?"

Zhang Li Xue laughed. She couldn't help but pinch the girl's cheek a bit. "Un. It's suitable."

"Xi Xi, come over here," Li Qin Yao called. "We'll put the flowers in the vase, alright?"

The little girl nodded. She held the vase in her hand cautiously and watched as Li Qin Yao helped her to arrange the flower into the vase. Then, she took a step back to admire the flowers. The flowers she chose earlier were really good.

Seeing that this matter had settled, Bai Xi Xi walked over to Zhang Li Xue to check on her. This time, she spent her time looking at the injury around Zhang Li Xue's body. The cast around Zhang Li Xue's left leg seemed really scary.

"Pretty Sister, does it hurt?"

"It doesn't hurt that much after I ate my medicine."

.....

Bai Xi Xi was distressed.

She knew that this would mean that her Pretty Sister would not be able to walk around with her leg. She knew that Zhang Li Xue and her brother liked playing basketball very much. But with her injury, it seemed that she won't be able to play for a long time.

Bai Xi Xi turned to her brother and asked, "Then, when will Pretty Sister get better?"

"It will depend on her." Bai Qi looked at his girlfriend with a serious look in his eyes. "If she rests properly, her leg will heal faster."

Zhang Li Xue saw the look and thought that the man was warning her to be obedient.

She was someone who liked to move around, but Bai Qi's warning gaze seemed a little scary.

Of course, Bai Qi would indulge his girlfriend in anything, but when it comes to her health, he did not want to compromise.

Bai Xi Xi heaved a long sigh. She looked at Zhang Li Xue again and spoke, "Then, Pretty Sister, you have to rest well. Listen to the doctor and eat your medicine. You have to get well soon."

"Alright. I'll listen to you." Zhang Li Xue could only make a promise to Bai Xi Xi.

The two of girls chatted for a while, ignoring Bai Qi who was standing at the side. Seeing this scene, Bai Qi turned to Li Qin Yao and discussed with her Zhang Li Xue's condition.

Just then, an auntie come over and knocked on the door. She flashed a smile at their guests before turning to Li Qin Yao. "Madam, the guest room is ready."

Li Qin Yao's eyes lit up. She spoke briefly with the auntie before turning to her daughter again. "Li Xue, I let the auntie tidy up the room downstairs. With your injury, we think that you should stay in that room. This way, you can move around easily."

Last night, it was too late for them to tidy up the guest room for Zhang Li Xue's convenience. They could only ask Zhang Yi Hai to carry his sister upstairs.

Zhang Li Xue nodded. "Alright. I'll listen to you."

This way, her mother did not have to bring her meal upstairs. When she was bored, she can also use the wheelchair to take some air in the garden.

When the auntie walked away, Li Qin Yao turned to Bai Qi again. "Bai Qi, can I ask for your help?"

"What is it?"

"With Li Xue's injury, it would be hard for her to move around," Li Qin Yao said. "Can you help me carry Li Xue to the guest room downstairs? If it's too much, I can ask Yi Hai to help as well."

Bai Qi glanced at his girlfriend and smiled. "It's alright. I can carry her. Li Xue is not that heavy." It would not be the first time for him to carry her in his arms anyway.

"Then, I'll be counting on you." Li Qin Yao turned to Bai Xi Xi again and spoke, "Xi Xi, let's bring the flower to the new room."

The little girl happily picked up the vase again, wanting to help her pretty sister to move.

Zhang Li Xue saw her mother walk away in surprise. "Mom, I'm going to move right now?"

"Un." Li Qin Yao nodded. "Since Bai Qi is already here, it's best if he can help us. Don't worry about your stuff. Auntie is going to help you carry them later." Without waiting for her daughter to reply, Li Qin Yao had already left with Bai Xi Xi.

Once they left, Zhang Li Xue turned to her boyfriend with a helpless look in her eyes. "Doctor Bai, I will be counting on you."

Bai Qi chuckled. "Then, tell me when you are ready."

Zhang Li Xue spread her arms and nodded. "Then, I'm ready."

Bai Qi tapped his finger on Zhang Li Xue's nose. Then, he leaned forward and carried her in his arms. Swiftly, Zhang Li Xue wrapped her arms around his neck so that she won't fall.

"Is this alright? Are you comfortable?" Bai Qi asked. He tried to be more careful with Zhang Li Xue's injured leg.

“It’s alright.” A mischievous smile curled on her lips. Zhang Li Xue took this chance to bury her nose in the crook of Bai Qi’s neck. The tip of her nose rubbed on his skin a few times, making him a little ticklish.

His throat bobbed. “Li Xue, don’t make trouble.”

Zhang Li Xue laughed but did not stop herself from acting coquettishly with her boyfriend. “Doctor Bai, are you ticklish?”

Bai Qi looked at his girlfriend with a dangerous look in his eyes. “No. I’m just afraid that I won’t be able to stop myself and do bad things to you.”

“What bad things?” Zhang Li Xue blinked innocently.

His eyes narrowed. Bai Qi leaned over and bit at the girl’s lips lightly. “Li Xue, it’s not good to seduce me like this. Be good.”

Zhang Li Xue had a sheepish smile. The warning tone in Bai Qi’s voice told her that she would be in a dangerous position if she continued to tease him.

Bai Qi heaved a sigh. “Just hold on tight to me.”
