

## Love So Sweet 350

350 [Bonus chapter]I Need Your Help

After what happened in H City, Zhang Yu Han has been busy handling a few matters regarding the collapsed hotel.

A few of the staff were involved and he should have stayed in H City to handle everything. However, because of his family, Zhang Yu Han chose to return to Y City and send someone to look after the others.

His wife has been worrying about him and he did not want to make her worry, especially after what happened to their daughter.

Because of that, Zhang Yu Han has been staying in his study for a long time to look into the matter. He needed to look after the others who were involved in the accident as well. Fortunately, his father and sister were around to help him settle some matters.

This way, Zhang Worldwide Group's business was not delayed because of the accident.

After spending a long time in his office, Zhang Yu Han finally came out with a haggard look in his eyes. He has been discussing some matters with the top managers since early morning.

The moment he stepped out of his office, the first thing he saw was Bai Qi holding his daughter in his arms.

His gaze met with Bai Qi. For a few seconds, the two of them were unable to react.

"Daddy," it was Zhang Li Xue who had first reacted.

.....

Meeting her father like this felt a little awkward. She wanted to loosen her hold around Bai Qi's neck but was afraid that she might fall. She could not get off Bai Qi's arms either as her leg was still hurting,

"What are you doing?" Zhang Yu Han asked.

"Mom asked me to move down to the guest room downstairs," Zhang Li Xue said. "It's a little inconvenient for me to move around with my legs. Bai Qi was helping me to move."

"Mmm..." Zhang Yu Han shifted his gaze away. "Then, be careful." He then turned and headed downstairs with a mug in his hand.

Zhang Li Xue patted Bai Qi's arms and instructed him to quickly head downstairs.

As the two of them walked down the stairs, Zhang Li Xue realized that there were a lot of people around.

Her grandparents, Aunt Yu Ying and Uncle Wei were sitting in the living room. The moment they heard the movement, everyone stopped talking and turned to look at her.

This scene made her blush again. Zhang Li Xue tried to hide her face, but this move only made everything seem ambiguous. Her body turned stiff as she did not know what she was going to do next.

“Pretty Sister, sit here.”

Turning around, Zhang Li Xue watched as Bai Xi Xi pushed a wheelchair. Bai Qi placed her on the chair and helped her to sit down comfortably.

“Pretty Sister, how is it? Are you comfortable?”

Zhang Li Xue patted the girl’s head and smiled. “Un. It’s very comfortable. Xi Xi, thank you.”

Bai Xi Xi smiled happily.

“Do you know how to use the wheelchair?” Bai Qi spoke. He lowered his body and started to teach Zhang Li Xue how to move around.

Zhang Li Xue listened attentively before she started practicing a little bit. After using the wheelchair for a while, Zhang Li Xue thought that it was really convenient for her to move around with the wheelchair.

Bai Qi stood at the side as he watched Zhang Li Xue practicing with the wheelchair. Bai Xi Xi stood at the side, giving her encouragement.

A faint smile curled on his lips. Suddenly, he thought of his conversation with Zhang Li Xue in the room earlier.

Initially, he wanted to postpone his proposal and wait until Zhang Li Xue was a little better.

However, he did not think that Zhang Li Xue would still remember the surprise that he had promised to give. It seemed that the girl was looking forward to knowing what it was.

Bai Qi could always come up with another surprise, but Zhang Li Xue was a smart woman.

She would then ask him about his meeting with someone important that he had mentioned to her the other day. If he tried to change this surprise, Zhang Li Xue would definitely figure out that something was wrong.

He wondered if it would be a good idea to propose this early.

But as he looked at his little fairy, his heart started to beat furiously again.

He could not wait to marry this girl and let her stay by his side.

Perhaps, he should go with his plan.

Bai Qi watched as Zhang Li Xue pushed the wheelchair to the living area and started to ponder about her situation.

If he wanted to take her to that place, he will need some help.

But he realized that he did not have a lot of friends in Y City. He did not know just who would be willing to help him with his proposal.

Bai Qi shifted his gaze and coincidentally met Zhang Yi Hai’s. His lips pursed into a thin line as Bai Qi began to consider Zhang Yi Hai to help him.

Meanwhile, Zhang Yi Hai notice the way Bai Qi was looking at him and thought that there was something strange about it. The bad feeling increased as he watched Bai Qi walk over to his side.

“Zhang Yi Hai, can I talk to you for a while?” Bai Qi spoke.

The only topic that they could discuss would be his sister. Thinking that Bai Qi wanted to talk to him about his sister’s condition, Zhang Yi Han quickly agreed.

While everyone’s attention was on his sister, Zhang Yi Hai led Bai Qi to the side door and the two of them walked out to the basketball court.

After walking for a while, Zhang Yi Hai stopped on his track and turned to Bai Qi. “What do you want to say to me?”

“I need your help,” Bai Qi said.

Zhang Yi Hai raised a brow as he waited for the man to continue his words.

Bai Qi looked straight into Zhang Yi Hai’s eyes and spoke, “I’m planning to propose to your sister.”

Instantly, Zhang Yi Hai’s expression stiffened.
