

## Love So Sweet 352

### 352 I Can Keep This Secret

Fang Su Jin was in the middle of watching some dramas on her laptop.

The scene was quite frustrating. The second male refused to let go of the female lead. The female lead tried to run away, but the second male lead caught her in time. They were on top of the building and the female lead was considering jumping from the building.

Fang Su Jin thought that the female lead was quite pitiful.

After being harassed by a few people, Fang Su Jin naturally understood the female lead's thoughts. However, the female lead's case was more serious than hers.

The second male lead seemed as if he had no boundaries.

Hearing the female lead's pleading words broke her heart. All she wanted was to live freely. She did not have a feeling for the second male lead, but this person continued to pester her, saying that if she stayed long enough, she would learn to love him.

Fang Su Jin's tears streamed down her face and her nose turned redder.

Just as the female lead was about to jump, her phone at the side began to ring. Fang Su Jin was startled. The result was that she missed the moment the female lead jumped down the building.

Fang Su Jin pressed the pause button. Her brow furrowed as she stared at her phone.

.....

She couldn't help but want to curse the person who called her at such a crucial moment.

However, the moment she saw the name on the caller ID, Fang Su Jin began to pause. Instead of answering the call, Fang Su Jin stared at the name for a long time.

She began to wonder if perhaps her eyes were playing tricks on her.

Zhang Yi Hai was calling her?

This could not be real, right?

Although the two of them had exchanged their numbers previously, Fang Su Jin could not figure out a reason for Zhang Yi Hai to call her.

Her eyes shifted to the clock on the wall.

It was almost midnight.

Why would he call her at this time?

Could it be that he had accidentally pressed her number?

But seeing that her phone has been ringing for a while, it doesn't seem that Zhang Yi Hai had accidentally called her number.

Just as the call was about to enter her voicemail, Fang Su Jin finally answered the call.

“Hello,” Fang Su Jin spoke. Because she was not expecting this call, Fang Su Jin almost forgot that she had cried and her voice sounded a little hoarse.

Zhang Yi Hai halted when he heard her voice. “Sister Fang?”

Fang Su Jin sniffed. She rolled on her bed and reached for the box of tissue on the bedside table. “Yes?”

The sound of Fang Su Jin blowing her nose lets him know that she has been crying.

“Zhang Yi Hai, why did you call?” Fang Su Jin asked. “Is something the matter?”

Obviously, Zhang Yi Hai was no longer thinking about Bai Qi’s request. At this time, Zhang Yi Hai was worried about Fang Su Jin. He began to speculate that perhaps, Lin Fang had disturbed her again and made her cry.

“Sister Fang...” Zhang Yi Hai hesitated. “Are you crying?”

“Ah?” Fang Su Jin was startled upon hearing his question. Her gaze fell on the tissue paper in her hand. Then, she looked at the pause scene on her laptop.

“Did that person come and disturb you again?” Zhang Yi Hai narrowed his eyes. He had seen how Lin Fang quarreled with Fang Su Jin not too long ago. That person was stubborn and unreasonable.

“No. It’s not because of that.” Fang Su Jin cleared her throat. “I was watching a drama and the scene was a little heart-wrenching.”

Zhang Yi Hai could feel the corner of his lips start to twitch. He has been worrying about this woman, but it turned out that she was just sad after watching some scenes in a drama.

Suddenly, there was a long silence between them.

Fang Su Jin suspected that Zhang Yi Hai had hung up on her. She glanced at the phone and saw that he did not hang up.

“Zhang Yi Hai?” Fang Su Jin called cautiously. “Are you still there?”

Hearing his name, Zhang Yi Hai finally snapped out of his trance. “Yes. I’m here.”

Fang Su Jin heaved a breath of relief. “You... why did you call?” A thought came to her mind, making her anxious. “Don’t tell me that something happened to your sister?”

When Zhang Li Xue was hospitalized, Fang Su Jin chatted with her friend and found out about that accident. It made her worry. Fortunately, her friend managed to come out of the place alive.

Fang Su Jin wanted to visit her friend, but a certain someone said that she was spending her time with her boyfriend. Because of that, Fang Su Jin could only change the date to tomorrow.

“No. My sister is alright. She’s recuperating well at home,” Zhang Yi Hai said. Then, he finally remembered Bai Qi’s request. “Sister Fang, I have something to discuss with you. Hmm... I was hoping that you could help me with something.”

“What is it?”

“Before I can tell you, I hope that you can help me to keep this a secret.”

Her heartbeat accelerated. The thought that she was going to have a secret with Zhang Yi Hai made her excited. However, Fang Su Jin quickly reminded herself not to think too much.

“What is it about?”

“It’s my sister.” Worried that Fang Su Jin was going to misunderstand, Zhang Yi Hai then quickly explained. “Brother Bai Qi wanted me to help him with something. He planned to give a surprise for my sister.”

Fang Su Jin’s expression gradually eased up. “Bai Qi wanted to give Li Xue a surprise? Sure. I can keep this secret. What do you want me to do then?”

“In a few days, I was supposed to take my sister to a place. But I’m not sure how I was going to convince her to go out. Sister Fang, can you help me with this?”
