

Love So Sweet 357

357 Go and Follow Them

Zhang Yi Hai did not know whether he wanted to laugh or cry as she looked at his sister.

A while ago, she was too happy and the smile on her face was too transparent when she heard that they were heading to the hospital.

But in just a short time, the smile on her face disappeared. Although she did not make a fuss, Zhang Yi Hai could still see that his sister was unhappy.

He only said that they were going for a walk in the park for some fresh air. However, this person was unhappy because she could not meet her boyfriend earlier...

His sister was still upset about this change of plan and did not want to say a word to him.

While Fang Su Jin was pushing the wheelchair into the park, Zhang Yi Hai did not forget to send a few texts to Bai Qi.

Perhaps, it was because they were at the park during working hours. There were a few people around, but the park was not crowded.

After walking around the park for a while, Bai Qi finally appeared at the side. Seeing that both Zhang Yi Hai and Fang Su Jin had noticed his appearance, Bai Qi placed a finger at his lips, motioning them not to make a noise about it.

Without Zhang Li Xue's knowledge, Zhang Yi Hai withdrew his hand and let Bai Qi take the wheelchair.

.....

Bai Qi lowered his head to look at the unsuspecting victim. His little fairy was wearing a pink dress with some flowers pattern on it.

Seeing this almost made him laugh.

It felt just like the first time he saw her when she was wearing a flowery dress.

Bai Qi thought that this should be a sign that his plan would go smoothly as he hoped to be. He turned to Zhang Yi Hai and nodded.

Zhang Yi Hai heaved a breath of relief upon watching as they both left. Although he was very curious to know what will happen next, Zhang Yi Hai did not dare to follow them closely and expose the surprise.

"That's it?" Fang Su Jin's voice broke the silence between them. She stared in the direction where Bai Qi and Zhang Li Xue were heading and thought that this kind of surprise was dull.

They were only supposed to chauffeur Zhang Li Xue to the park and let her have a surprise date?

What nonsense is this?

Fang Su Jin retracted her gaze and turned to Zhang Yi Hai. "Zhang Yi Hai, just what exactly did Bai Qi plan to do? It can't be that he wanted us to take your sister out for a walk, right?"

“That’s not it.” Zhang Yi Hai pursed his lips, worried that he might have said too much. However, Fang Su Jin’s interest was piqued.

“What is he planning to do?” In her excitement, Fang Su Jin grabbed the young man’s arms tightly.

The touch startled Zhang Yi Hai. His gaze shifted to the hand that was holding his arms. Zhang Yi Hai then looked away. Suddenly, he did not know what he was going to say.

“Zhang Yi Hai, tell me.”

His throat bobbed. Zhang Yi Hai thought that Fang Su Jin was too close. However, it seemed that Fang Su Jin was not aware of what she was doing.

“Brother Bai Qi...” Zhang Yi Hai shifted his gaze away. “He’s planning to propose.”

“What?” Fang Su Jin stared at the man in shock. “Bai Qi is planning to propose?”

The grip around his arms was getting tighter and it was leaving a red mark. However, Zhang Yi Hai did not feel any pain.

“Mhmm...” Zhang Yi Hai nodded.

“Then, what are we doing here?” Fang Su Jin tugged at his arms. “Let’s go and follow after them.”

After a few steps, Zhang Yi Hai stopped. “Sister Fang, it wouldn’t be good to follow them, right?” In his opinion, this was a private matter. He did not want to disturb them.

“We’ll just watch them quietly from afar,” Fang Su Jin said. “Zhang Yi Hai, aren’t you curious to know your sister’s answer?”

Zhang Yi Hai was indeed curious. Although he was almost sure that his sister would not reject the proposal, there was such a possibility...

Thinking of his mother’s reaction upon knowing Bai Qi’s plan, Zhang Yi Hai decided to go and spy on them. If his mother asked, then, he could give the answer.

Just like that, Zhang Yi Hai agreed to Fang Su Jin’s idea.

The two of them sneaked after the couple.

Just as Bai Qi stopped moving, Fang Su Jin took out her phone and started to record the whole thing. She wanted to look at her friend’s shocked expression. This recording could be something that the couple would watch again when they are older.

...

Meanwhile, Zhang Li Xue was beginning to feel that something was quite wrong,

Her brother and Fang Su Jin were too quiet. It was understandable for her brother not to say a word, but, why was her best friend so quiet?

Zhang Li Xue frowned. She looked up and realized that they were heading to a big tree at the center of the park.

Zhang Li Xue was about to turn around and look at her brother when she realized that the wheelchair had stopped . Her ears picked up the sound a familiar footsteps.

Then, a shadow loomed over her.

Zhang Li Xue squinted to adjust her eyes. All of a sudden, Bai Qi appeared in front of her with a bright smile on his face.

“You!” Her eyes were wide and her mouth agape. “Bai Qi, what are you doing here? Aren’t you supposed to be busy at work?” Her gaze swept at her surroundings and Zhang Li Xue realized that her brother and her best friend were no longer around. “That was strange... Where are my brother and Su Jin?”

Bai Qi chuckled. He pinched his girlfriend on the cheek and spoke, “They already left some time ago. Zhang Li Xue, are you surprised to see me?”
