

Love So Sweet 364

364 My Gift

Fang Su Jin quickly dispelled that thought away.

Zhang Yi Hai can be considered her younger brother. She should not be thinking too much.

Fang Su Jin quickly straightened up her thoughts, but she could not help but feel a little disappointed. However, she quickly reminded herself not to think too much.

The elevator opened with a ding.

Seeing Zhang Yi Hai step out, Fang Su Jin quickly followed after him.

“That... Which shop are you going to visit first?” Fang Su Jin asked.

“The men’s department should be on this floor,” Zhang Yi Hai said. “Sister Fang, you said that you have somewhere to go. Should we go and look for your thing first?”

“It’s alright. I’m just going to buy some paint later. I can wait. Let’s go and get what you come here for.”

Zhang Yi Hai touched the tip of his nose. He had no plan to buy new clothing, but it seemed that he now had no other choice. Zhang Yi Hai was silently scolding himself for coming up with such an excuse.

.....

He was such an idiot, isn’t he?

Fang Su Jin hesitated. “Then, how about this? Let’s meet here again in a while?”

Zhang Yi Hai could only agree. After all, he had no plan to really look for new clothes.

The two of them went on their separate ways. However, since Zhang Yi Hai had no intention to look for new clothes, he could only look around without making his decision.

Worried that Fang Su Jin would be waiting for him for a long time, Zhang Yi Hai quickly picked up a few clothes at random before he went to the meeting place again.

His phone chimed just as he stepped out of the store.

He saw the name on his caller ID and quickly picked up the phone. “Mom.”

“Yi Hai, where are you?”

Zhang Yi Hai swept his gaze around him. “I’m at the mall.”

“Mom just called to tell you to that everyone will gather for dinner with your sister and Bai Qi,” Li Qin Yao spoke. “It’s rare that everyone is here. We should take the opportunity to gather.”

“Mmm... Mom, I know. I won’t take too long. I will come back after this.”

The two of them exchanged a few words. After he hang up the phone, Zhang Yi Hai went to the meeting place. However, Fang Su Jin was nowhere around.

He seemed to remember that Fang Su Jin had mentioned buying some paints.

Zhang Yi Hai checked the directory and finally figured out the location of the store. He went to the art store to look for Fang Su Jin.

As soon as he arrived, Zhan Yi Hai could already see Fang Su Jin through the window glass.

Fang Su Jin was so busy looking at some paints on the shelf that she did not pay attention to anything else.

Zhang Yi Hai stood outside the store while taking the chance to observe Fang Su Jin from afar.

He knew that Fang Su Jin has been drawing and painting from a young age. Seeing the serious look on her face made him smile.

As if noticing that someone was looking at her, Fang Su Jin turned around and saw that Zhang Yi Hai was standing outside the store.

Their gaze met. Fang Su Jin seemed surprised to find Zhang Yi Hai standing out there with a smile on his face.

Her heart skipped a beat. All of the sudden, Fang Su Jin could feel the heat creeping up her cheek. She quickly looked away and put down the paints in her hand back on the shelf.

In just a few seconds, Zhang Yi Hai had reached her side.

“How did you get here so fast?” As soon as she spoke those words, Fang Su Jin lowered her gaze to look at the man’s long legs.

It was very enviable. It was nice to have a pair of long legs. He could get anywhere he want very quickly.

Her gaze then shifted to the paper bag in his hand. “You have finished buying what you need?”

Zhang Yi Hai said that he was buying some clothes. Therefore, Fang Su Jin thought that it will take him a while before he would come back. She did not expect that the man would come over and look for her so soon.

“Mmm... the style was almost the same. It’s not that hard for me to choose from,” Zhang Yi Hai said. He looked at the shelf and saw many brands of paint. “Sister Fang, just take your time.”

But how could Fang Su Jin let him wait for her?

After choosing some art supplies that she might need, Fang Su Jin walked over to the counter to pay for her items.

Before she could pay for her items, Zhang Yi Hai had already handed the store assistant his card.

“What are you doing?” Fang Su Jin frowned. She stretched her hand, wanting to stop the store assistant from taking Zhang Yi Hai’s card, but the young man was quicker to stop her.

Zhang Yi Hai gave the store assistant a look and then she could only take his card to complete the payment. Once everything was done, Zhang Yi Hai took the bag from the counter and turned to Fang Su Jin again. “Sister Fang, just take it as my gift to thank you for helping me out today.”

“What are you saying? Your sister is my friend. Of course, I would help,” Fang Su Jin said. “I don’t need you to thank me like this.”

“It was Brother Bai Qi who asked me to help. Then, I pulled you to help me. Of course, I have to thank you,” Zhang Yi Hai said. “Anyway... Sister Fang, you can’t reject it. I already paid for your items.”

Fang Su Jin wanted to tell him that she would pay him back, but the young man had already turned around to leave the store. Moreover, her bag was still in his hand.

A sigh escaped her. Fang Su Jin had never thought that this young brother would be this domineering.

Having no choice, she could only go after him.
