

Love So Sweet 370

370 I Want To

Since the elders were present, it seemed appropriate for them to start discussing the wedding.

However, Zhang Li Xue was a little surprised when her grandfather suddenly mentioned this matter. Within one day, she had experienced all sorts of excitement and Zhang Li Xue was having a hard time keeping up.

"I also think that it's appropriate," Xu Yilan spoke.

Zhang Xi looked at the young couple before him. Finally, her gaze stopped at Bai Qi. "Then, why don't you consider getting a marriage certificate first?"

The room turned silent again.

Zhang Li Xue looked at her grandfather in surprise.

"Dad..." Zhang Yu Han spoke helplessly.

"What's wrong with getting a marriage certificate?" Zhang Xi frowned. "Back then, didn't you and your wife also get an early marriage certificate?"

Zhang Yu Han coughed. "Dad, last time, it was grandfather..."

.....

"A happy occasion should not be delayed," Zhang Xi spoke. "Your grandfather also understood this."

Xu Yilan looked at her son-in-law's expression and laughed. When this man was younger, he too was anxious to marry her daughter, Li Qin Yao.

Zhang Li Xue's great-grandfather, Zhang Jing came to meet her for dinner before urging the two of them to quickly get a marriage certificate.

Xu Yilan looked at her in-laws and wondered if the men in Zhang's family were always anxious about marriage. Her lips curled into a faint smile as she thought about this.

Zhang Xi turned to his wife. "Wife, what do you think?"

Liu Hui Lan decided to play along. "Of course, I agree. The two of them had already agreed to be together. Sooner or later, they will still marry. It's better to let them get a certificate earlier."

Zhang Xi had a bright smile on his face. He looked at his son again and spoke, "You already agreed to their relationship. What is it? Yu Han, are you going to change your mind now?"

"Of course, not." Zhang Yu Han heaved a sigh. However, he still thought that he would need some preparation. When his daughter is married, wouldn't she have to leave the house? He still wanted to see his daughter a little bit more.

Everyone else was quiet for a long time as they thought about Zhang Xi's question. Their gazes were still on the couple.

“Grandfather,” Bai Qi spoke. He glanced at Zhang Li Xue and held her hand tightly. “Of course, I would like to marry Li Xue as my wife quickly.”

Zhang Li Xue’s face turned a shade redder when she heard Bai Qi’s words.

“However,” Bai Qi continued. “This is such an important matter. I still have to discuss this matter with Li Xue and ask for her opinion.”

Zhang Yu Han’s opinion towards Bai Qi slowly increased again, knowing that Bai Qi prioritized his daughter’s opinion.

After dinner, the family left the restaurant together.

Zhang Yu Ying and her family went back to their place. Meanwhile, Zhang Yu Han and Zhang Yi Hai drove the elders back to the residence. Li Qin Yao did not hesitate to kidnap little Xi Xi back to her place.

This time, she made an excuse by saying that both Zhang Li Xu and Bai Qi had something to discuss.

The considerate Bai Xi Xi quickly agreed to sleep over at Zhang’s residence.

Bai Qi and Zhang Li Xue bid their family goodbye. Then, Bai Qi slid into the driver’s seat and turned to Zhang Li Xue with a smile. “Should we head back to the apartment?”

Zhang Li Xue had a mischievous look on her face. She raised a brow as she looked at Bai Qi. “Doctor Bai, what are we going to do at the apartment?”

A low chuckle escaped him. Bai Qi bopped her nose and spoke. “You naughty girl. What are you thinking? Shouldn’t we be discussing something important?”

Zhang Li Xue batted her eyes innocently. “Then, why do you want to take me back to your apartment?”

Bai Qi stared at his little fairy for a long time. It seemed that recently, this little fairy had gotten more mischievous and would often tease him.

“Isn’t it because I want you to be comfortable?” Bai Qi patted her head. “Are you worried? Then, I’ll take you back home after we talk, alright?”

“It’s alright. We can discuss it here,” Zhang Li Xue said. “It would be tiring for you to go back and forth. Tomorrow, you still have to work, right?”

In the afternoon, Zhang Li Xue managed to get a quick nap at his apartment. However, it doesn’t seem as if Bai Qi managed to sleep a wink.

Seeing his tired face made her heart ache. Of course, she has to be considerate of her man.

Bai Qi held Zhang Li Xue’s hand. “Then, what do you think about your grandfather’s suggestion? Do you want to get a marriage certificate earlier?”

“Then, what do you think?” Zhang Li Xue answered his question with hers.

Bai Qi chuckled at her response. “You don’t want to?”

“I want to!” Zhang Li Xue spoke quickly. The moment she spoke those words, Zhang Li Xue’s face turned a little red.

She had already reminded herself to be more restrained. Then, what was she doing?

Taking a deep breath, Zhang Li Xue then decided not to be shy about it. Anyway, she had already spoken her mind.

“Bai Qi, I love you,” Zhang Li Xue spoke. “Of course, I always wanted to be with you and stay by your side. My grandfather is right. I already said yes to your proposal. Then, it did not matter if we get a certificate sooner or later. But of course, I want to be with you sooner.”

Back then, she was really scared when she found herself trapped under the building. Bai Qi’s face was the first she saw. When Bai Qi hugged her, Zhang Li Xue thought of how much she wanted to stay by Bai Qi’s side.

If they got a certificate, then, she would be able to stay by his side always, right?

She loved this man too much and wanted to always be by his side.

“Then, should we talk to your family about this?” Bai Qi asked. His eyes were looking into hers with deep affection.

Her heartbeat accelerated. Slowly, she then nodded.
