

Love So Sweet 373

373 Your Thoughts are Too Dirty!

The next morning, Zhang Li Xue lured her best friend, Fang Su Jin to come over to Zhang's residence.

Fang Su Jin, knowing that Zhang Yi Hai would be at the residence.

Yesterday, she was not able to sleep well as her mind was filled with a certain person. Her heart was in chaos and no matter how long she stayed up, she was still feeling uneasy.

Fang Su Jin knew that the only way she could stop thinking about that person in her mind would be by not meeting him. However, when she got the call from Zhang Li Xue, Fang Su Jin found that she could not resist the temptation.

Zhang Yi Hai was about to return to Capital City anyway. Perhaps she could sneak a few glances at him while visiting her friend.

One more time. Just one last time.

Then, she would learn how to forget him and her inappropriate thought.

However, Fang Su Jin did not think that her friend would drop her a bomb.

"You're getting a marriage certificate tomorrow?" Fang Su Jin stared at her friend in shock. "Zhang Li Xue, you're good. Doctor Bai had only proposed to you yesterday, and now the two of you are getting married?" Fang Su Jin gave her friend a thumbs up.

.....

Zhang Li Xue laughed at her friend's reaction.

Fang Su Jin sat beside her friend and whispered, "Don't you think that it's a bit rushed? Your father actually agreed to this?"

Zhang Li Xue smiled. "They wanted me to get a marriage certificate before my grandparents headed back to C Country. Anyway, I can be with Bai Qi. I don't mind if it was a bit rushed. Su Jin, you have to help me pick a good dress. I'm not sure what I want to wear for tomorrow."

After she told her father about her decision with Bai Qi, her father called Uncle Qi Zheng and asked for this favor.

"You can count on me." Fang Su Jin smiled brightly. She was naturally the happiest upon knowing that she could help Zhang Li Xue with this task. "Should I go shopping for you? Or should I choose one of the outfits you have?"

"Let's look at what I have first," Zhang Li Xue spoke. "It's better if I didn't have to go out and shop."

Li Qin Yao walked into the room and smiled when she saw her daughter's friend. "Su Jin, stay over for lunch, alright? Aunt had already prepared some lunch for you."

Fang Su Jin was about to reject this invitation. However, she still remembered that she had already agreed to help her friend with some preparation. Then, she could only agree.

“Mommy,” Zhang Li Xue spoke as she swept her gaze across the room. “Where’s Yi Hai? I haven’t seen him from early morning.”

Fang Su Jin’s heart skipped a beat when she heard that name. She quickly lowered her gaze, worried that her friend would notice something abnormal about her.

“Your brother should still be sleeping,” Li Qin Yao spoke. “He slept rather late last night. He said that he had an important presentation next week. He’s staying up to make the preparation.”

Zhang Li Xue heaved a sigh.

Her brother was quite busy studying, but he returned to Y City when he heard that she was injured in that accident.

“The two of you should continue to chat. I will be checking on your grandparents first,” Li Qin Yao said.

Once her mother had left, Zhang Li Xue pulled Fang Su Jin into her temporary room.

Earlier that day, the auntie had already helped to pick up some clothes from her room. There was a lot to choose from and Zhang Li Xue could not make up her mind.

Although they were only getting a certificate now, Zhang Li Xue wanted to look the prettiest to Bai Qi tomorrow.

Fang Su Jin took out the clothes in her wardrobe and finally decided on a knee-length white dress.

The dress looked simple and sophisticated at the same time. The background would be red. Therefore, this white dress was very appropriate.

Fang Su Jin had already made up her mind regarding Zhang Li Xue’s makeup and hairstyle. Tomorrow, she will come again and help her friend with her makeup.

Once they were satisfied with their choices, Fang Su Jin sat down beside Zhang Li Xue and the two of them were admiring the dress. Seeing the happy smile on Zhang Li Xue’s face made her a little envious.

A thought came to her mind and Fang Su Jin leaned over to Zhang Li Xu again and whispered, “Li Xue, we already decide on the dress. But what are you going to wear at night? Do you need me to help you with that too?”

Zhang Li Xue blinked. “What happens at night?” She could not think of a reason she would have to think of an outfit. Did her family want to have another dinner at the restaurant?

Fang Su Jin smiled and poked her friend’s cheek. “It’s going to be your wedding night, isn’t it?” Her smile turned mischievous when she saw Zhang Li Xue’s shy look. “How about I visit the mall and help you to buy some sexy lingerie?”

Zhang Li Xue inhaled a deep breath. “Su Jin!”

“You’re going to be someone’s wife tomorrow. Why are you still shy?” Fang Su Jin continued. She raked her eyes on Zhang Li Xue’s body and spoke, “Hmm... I can of a style that would suit you. Your Doctor Bai would definitely thank me for this.”

“What are you talking about? Su Jin!” Zhang Li Xue’s face had already turned as red as a lobster. “My leg is still in a cast. What are you thinking about? Your thoughts are too dirty!”

Fang Su Jin laughed. “So what if your legs are still in a cast? You can always figure out a position that would suit you best. Come on.” Fang Su Jin inched closer and put her hand around Zhang Li Xue’s waist. “Let me measure you. Tomorrow, I will come again with a great gift.”

Zhang Li Xue tried to avoid Fang Su Jin, but her friend seemed determined to measure her size. Fang Su Jin’s hands were tickling her and soon, the room was filled with the girl’s laughter.

Just then, they both stopped simultaneously when they heard a coughing voice. Turning around, Zhang Yi Hai was standing at the door with an awkward look.

The moment Fang Su Jin saw the young man, her expression turned strange. She lowered her gaze, not daring to look at that young man.

“Yi Hai!” Zhang Li Xue was the first to speak.

“Sister, what are you doing? Zhang Yi Hai asked.
